presence in that portion of District 1 to be more accessible to our constituents.						
In 2022, I submitted a referral to open a District 1 Supervisor Office in East Salinas to provide greater services to						
the area with greatest need in District 1. The search for an available and affordable office has been challenging						
due to a lack of available office spaces. One possible location required significant modifications to bring it up to						
office standards and to address ADA compliance issues, but that office subsequently became unavailable.
