Before the Zoning Administrator
in and for the County of Monterey, State of California

In the matter of the application of:
AULAKH & KAUR (PLN250317)
RESOLUTION NO. 26-
Resolution by the County of Monterey Zoning Administrator:

1) Finding that the project qualifies for a Class 1 Categorical Exemption pursuant to CEQA Guidelines section 15301 and no exceptions under section 15300.2 apply; and
2) Approving a Coastal Development Permit for a Commercial Vacation Rental to allow the use of a residence for transient lodging for a period of 30 calendar days or fewer.

[AULAKH AMARDEEP S. & KAUR JASPREET, 4041 Los Altos Dr, Pebble Beach (Assessor's Parcel Number 008-112-025-000), Del Monte Forest Land Use Plan, Coastal Zone]

The AULAKH AMARDEEP S. & KAUR JASPREET application (PLN250317) came on for a public hearing before the County of Monterey Zoning Administrator on July 30, 2026. Having considered all the written and documentary evidence, the administrative record, the staff report, oral testimony, and other evidence presented the Zoning Administrator finds and decides as follows:

FINDINGS

1. FINDING: **CONSISTENCY** – The Project, as conditioned, is consistent with the applicable plans and policies which designate this area as appropriate for development.

EVIDENCE: a) During the course of review of this application, the project has been reviewed for consistency with the text, policies, and regulations in:

- the 1982 County of Monterey General Plan (General Plan);
- Del Monte Forest Land Use Plan (DMF LUP);
- Del Monte Forest Coastal Implementation Plan (DMF CIP);
- Monterey County Code Chapter 7.120 (Title 7);
- Monterey County Code Title 16 Chapter 16.80 (Title 16); and
- Monterey County Coastal Zoning Ordinance (Title 20).

No conflicts were found to exist. No communications were received during the course of review of the project indicating any inconsistencies with the text, policies, and regulations in these documents.

b) Project Scope. The project is located at 4041 Los Altos Dr (Assessor's Parcel Number: 008-112-025-000), a privately maintained road, within the Del Monte Forest area of the unincorporated area of the County of

Monterey. The Applicant submitted an application seeking to use their existing single-family dwelling, located in a medium density residential neighborhood, as a Commercial Vacation Rental. The site is developed with an existing single-family dwelling and attached garage. The proposed commercial vacation rental is within the existing 3,635 square foot single-family dwelling with an attached garage, and consists of four bedrooms, three bathrooms, a living room, a kitchen, a dining room, and a laundry room. The applicant is proposing that the residence be occupied by a maximum of nine people overnight, 13 people during the daytime hours at the property at a time, and a maximum of six contractors on site at any time consisting of the cleaning crew and other property management services.

c) Allowed Use. The parcel is zoned Medium Density Residential with a maximum gross density of four units/acre with a Design Control Overlay within the Coastal Zone or "MDR/4-D (CZ)". Title 20 Section 20.12.050.DD allows for the Commercial Vacation Rental use, subject to the granting of a Coastal Development Permit. Title 20 Section 20.64.290.F establishes the regulations for a property operating as a Commercial Vacation Rental on such property for transient lodging for a period of 30 calendar days or fewer. Therefore, the proposed use is allowable.

d) Lot Legality. The subject property (0.30 acres in size), APN: 008-112-025-000, as shown in its current size and configuration and described under separate ownership on the 1972 Assessor's Parcel Map Book 8, page 11. Therefore, the County recognizes the property as a legal lot of record.

e) Land Use Advisory Committee (LUAC). This project was not referred to the Del Monte Forest LUAC for review. Based on the current review guidelines adopted by the Monterey County Board of Supervisors per Resolution No. 15-043, this application did not warrant referral to the LUAC as it does not fall within the LUAC review guidelines.

f) Vacation Rental Operation License. Condition No. 5 requires that the applicant obtain a Vacation Rental Operation License and provide documentation to prove that they comply with all of the requirements of the Vacation Rental Operation License pursuant to Title 7 Chapter 7.120. The subject property is required as conditioned to ensure that they always have an active Vacation Rental Operation License.

g) Business License. The applicant is required to obtain a Business License and provide documentation to prove they comply with all the requirements of the Business License pursuant to Title 7 Section 7.02.060.C. The subject property is required to ensure they always have an active Business License.

h) Transient Occupancy Tax. The applicant is required to register with the County of Monterey Treasurer-Tax Collector to pay Transient Occupancy Tax pursuant to Title 5 Chapter 5.40 and must pay Transient Occupancy Tax on all applicable rent received from transient occupancy of their residence as a Commercial Vacation Rental. The subject property is required to ensure the payment of Transient

Occupancy Tax to the County of Monterey Treasurer-Tax Collector is made pursuant to Title 5 Chapter 5.40.

i) Adequate Emergency Response Time. The subject property complies in that it has been demonstrated that the response time for County emergency services for fire and emergency medical services is adequate. Adequate is defined as 5-8 minutes within Community Areas, Community Plans, and Sphere of Influence, 12 minutes within Rural centers, and 45 minutes for all other areas. The subject property falls under the Community Areas, therefore it is subject to a 5-8 minute response time. The subject property is within a 5-minute drive from Pebble Beach Fire Station 22, which provides fire response services, and a 7-minute drive from the Community Hospital of Monterey Peninsula, which provides 24-hour emergency medical services. Additionally, the applicant provided the property manager, Carmel Coast Estate, Inc., will be available 24/7 to arrive within 30 minutes to any concerns on the property. The subject property complies with the requirement to provide contact information for County emergency services for fire and emergency medical. The contact information is required to be posted on an outdoor sign in a visible place and in the informational signage that must be posted within the unit, six feet of the front door. The Vacation Rental Operation License requires that guests be provided with this information as a part of the informational notice posted within six feet of the front door.

j) Parking. Parking requirements outlined in Title 20 Sections 20.64.290.F.6 and 20.58.040 require that a Single-Family Detached residential dwelling unit have two spaces/unit. The application includes at least four parking spaces, which exceeds the minimum requirements.

k) One Commercial Vacation Rental Per Legal Lot of Record. The subject legal lot of record complies with Title 20 Section 20.64.290.F.7, as this is the only Commercial Vacation Rental on the legal lot of record (APN: 008-112-025-000).

l) Ownership Interest in One Commercial Vacation Rental in the Unincorporated Monterey County. The trustees of the legal lot of record comply with Title 20 Section 20.64.290.F.8 and do not have any ownership interest in any other Commercial Vacation Rentals in the unincorporated Monterey County. This application, before the Zoning Administrator, would be the first and only ownership interest the applicants would have in a Commercial Vacation Rental in the unincorporated Monterey County.

m) Permit Expiration. Condition No. 4 applies a 7-year expiration to the granting of this Use Permit, pursuant to Title 20 Sub-Section 20.64.290.F.12.a. The purpose of this expiration is to provide adequate ongoing review of the approved use of the residential property as a Commercial Vacation Rental. Prior to its expiration, the owner/applicant shall file an extension in accordance with Title 20 Section 20.70.110, which requires submittal of the request at least 30 days prior to the expiration date. The appropriate authority to consider this extension shall be the Zoning Administrator. This subsequent review will ensure: 1) the use continues to meet the standards of Title

21, and 2) an opportunity for Planning staff's review for ongoing compliance with the conditions of approval.

n) Access. The property is within the Pebble Beach area and is currently managed by the Pebble Beach Company, which is the legally established governing structure for the private roads used to access the subject parcel. Pebble Beach Company is authorized to make determinations regarding the use, maintenance, and related matters regarding the private road. Pursuant to Title 20 section 20.64.290.F.4, the subject property must comply with Title 16 Chapter 16.80, which regulates private roads in Monterey County. The private road accessing the property is subject to a private road agreement, which is recorded as a deed restriction for the subject property. The deed restriction for the subject property was recorded as Deed Number 2923 (Reel 424, Page 314 of Official Records).

The deed contains two restrictions: one related to the "Use of Roads and Bridle Paths" and the second related to "Covenants and Conditions". The language under "Use of Roads and Bridle Paths" states that the *"Grantee, subject to the provisions hereof, is hereby granted license for the use, by himself, his family, servants, tenants and guests occupying or visiting said premises, of all roads and bridle paths now or hereafter owned by Grantor in Del Monte Forest, and to free access to Del Monte Forest; in consideration of which the owner of said premises shall be obligated to pay Grantor the sum of One Hundred Dollars ($100.00) on each January 1st hereafter, the payment of which sum is and shall be secured by a lien and charge on said premises. Grantor, however, reserves the right to change, abandon or close any of said roads and paths, provided that (so far as within the control of Grantor) there shall always be left open a road by means of which and/or of connecting roads access may be had to said premises from the nearest public highway".* The plain language of this deed restriction gives the property owner access to their property as long as they pay $100 each January 1st. The other restriction under "Covenants and Conditions" states that "*No trade, business or profession of any description shall be conducted on said premises. Said premises shall not be used for any purpose whatever except solely and exclusively for the purpose of construction and maintenance of not more than one private single family residence…".* Therefore, the project is classified as a Tier 3 category pursuant to Title 16 Chapter 16.80, which means the language identified under the "Use of Roads and Bridle Paths" constitutes a private road agreement.

The Pebble Beach Company submitted a letter on October 9, 2024 to the County stating that they have a blanket objection to the use of residential property in Pebble Beach as commercial vacation rentals. This letter further stated that Pebble Beach Company believes that "…*the plain meaning of the CC&R language bans short-term vacation rentals in the Del Monte Forest*."

The applicant is aware of the objections and restrictions outlined within the CC&R's and believes they have the right to continue the use of the property for the proposed application of a Commercial Vacation Rental. The County of Monterey's regulations for private roads, pursuant to Title

16 section 16.80.060.A, state that if the Appropriate Authority finds, based on substantial evidence in the record, that a substantive dispute exists regarding the use of a private road for a project, the Appropriate Authority "*may approve the project but shall require as a condition of project approval that the applicant provide the County with proof of access demonstrating that the dispute has been satisfactorily resolved".* Therefore, staff recommends that Condition of Approval (Condition No. 6) to ensure that the substantial dispute regarding the plain language of the private road agreement is resolved prior to the applicant commencing the use of their property as a commercial vacation rental. This Condition requires that the applicant provides the County of Monterey Housing and Community Development (HCD) staff with adequate documentation that the private road dispute has been satisfactorily resolved and the use of the property as a commercial vacation rental is allowed and does not violate the plain language of any deed restrictions and/or private road agreement.

o) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN250317.

2. FINDING: **SITE SUITABILITY –** The site is physically suitable for the proposed development and/or use.

EVIDENCE:

a) The project has been reviewed for site suitability by HCD-Planning. County staff reviewed the application materials and plans to verify that the project on the subject site conforms to the applicable plans and regulations, and there has been no indication from this department/agency that the site is not suitable for the development. Conditions recommended have been incorporated.

b) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found Project File PLN250317.

3. FINDING: **HEALTH AND SAFETY –** The establishment, maintenance, or operation of the project applied for will not, under the circumstances of this particular case, be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use, or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the County.

EVIDENCE:

a) The project was reviewed by HCD-Planning. The respective agency has recommended conditions, where appropriate, to ensure that the project will not have an adverse effect on the health, safety, and welfare of persons either residing or working in the neighborhood.

b) Necessary infrastructure is in place to serve the use, as discussed in the evidence below.

c) The property has road access from Los Altos Dr, a private road. No alterations to this driveway or access are required for the use (see evidence "n" in Finding 1).

d) Potable water will continue to be provided to the parcel by California American Water through the Monterey Peninsula Water Management District (MPWMD). Sewer service will continue to be provided by Pebble Beach Community Services District.
e) Solid waste (garbage) collection service is and will continue to be provided by GreenWaste Recovery, LLC.
f) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN250317.

4. FINDING: **NO VIOLATIONS –** The subject property is in compliance with all rules and regulations pertaining to zoning uses, subdivision, and any other applicable provisions of the County's zoning ordinance. No violations exist on the property.

EVIDENCE:
a) Staff reviewed Monterey County HCD-Planning and HCD-Building Services records and is not aware of any current violations existing on subject property.
b) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN250317.

5. FINDING: **CEQA (Exempt) –** The project qualifies for a Class 1 categorical exemption pursuant to CEQA Guidelines section 15301 and no unusual circumstances were identified to exist for the proposed project.

EVIDENCE:
a) California Environmental Quality Act (CEQA) Guidelines section 15301, categorically exempts the leasing of existing private structures, involving negligible or no expansion of existing or former use.
b) The project proposed to allow the use of an existing residence for transient lodging for a period of 30 calendar days or fewer. The project would not expand the residence, nor would it allow any additional occupancy beyond what is allowed for the existing residence. Therefore, the project fits the criteria of the exemption.
c) None of the exceptions under CEQA Guidelines section 15300.2 apply to this project, as discussed in subsequent Evidence "d" through "i".
d) Class 1 exemptions are not qualified for an exception by their location.
e) The County's regulatory process of Coastal Development Permits for the use of an existing residential property for transient lodging allows the County to regulate such uses in a way that would prevent adverse cumulative impacts to the surrounding environment. Consistent with the Findings and Purpose in Monterey County Ordinance Number 5439 Section 1.F, the requirement for a Coastal Development Permit for Commercial Vacation Rental activities ensures that the impact of such leasing activities can be appropriately evaluated. Further, Title 20 Section 20.64.290 establishes caps on the maximum amount of Coastal Development Permits for Commercial Vacation Rentals to ensure that the potential cumulative effects of Commercial Vacation Rentals are minimized. The project is consistent with all the criteria in Title 20 Section 20.64.290 and, therefore, would not contribute to a cumulative effect.

f) The County prepared a Final Environmental Impact Report (FEIR) for the Vacation Rental Ordinances project, which was certified by the Board of Supervisors on August 27, 2024 (SCH# 2022080643). The FEIR analyzed the project for environmental impacts and did not identify any significant impacts of Commercial Vacation Rentals up to the Commercial Vacation Rental cap set for each County of Monterey Planning Area. This Commercial Vacation Rental does not exceed the cap on Commercial Vacation Rentals in the Del Monte Forest Land Use Plan. It would be the 4th Commercial Vacation Rental in the Del Monte Forest Land Use Plan. The FEIR did address public comments that vacation rentals have the potential for negative side effects including nuisance issues such as traffic, parking and noise. However, no significant environmental effects were identified. County regulations have been developed and are in effect to ensure that vacation rentals remain compatible with existing residential uses. Cumulative impacts of the regulations taken together with other past, present, and probable future projects were analyzed and no significant effects were identified. There is no evidence suggesting that approving this project would result in significant environmental impacts. There are no unusual circumstances related to the project that would create a reasonable possibility of a significant effect.

g) The project does not propose any physical changes that would damage scenic resources: no construction, exterior alterations to structures, land alteration, or vegetation (or tree) removal are proposed.

h) The project is not located on a hazardous waste site included on any list compiled pursuant to Section 65962.5 of the Government code.

i) The project would not damage any historical resources.

j) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN250317.

6. FINDING: **APPEALABILITY –** The decision on this project may be appealed to the Board of Supervisors and California Coastal Commission.

EVIDENCE: a) Board of Supervisors. Pursuant to Title 20 Section 20.86.030.A, an appeal of the Zoning Administrator's decision for this project may be made to the Board of Supervisors by any public agency or person aggrieved by their decision.

b) Coastal Commission. Pursuant to Title 20 section 20.86.080.A, the project is subject to appeal by/to the California Coastal Commission because it involves development that is permitted in the underlying zone as a conditional use.

DECISION

NOW, THEREFORE, based on the above findings and evidence, the Zoning Administrator does hereby:

1) Find that the project, allowing the use of an existing residence for transient lodging, qualifies for a Class 1 Categorical Exemption pursuant to CEQA Guidelines Section 15301, and no exceptions under section 15300.2 apply; and

2) Approve a Coastal Development Permit for a Commercial Vacation Rental to allow the use of a residence for transient lodging for a period of 30 calendar days or fewer.

The said decision is to be in substantial conformance with the attached plan and subject to the attached conditions, which are incorporated herein for reference.

Mike Novo, AICP
Zoning Administrator
