Dear Kayla,

We recently received notice that a permit on behalf of our neighbors, Steve and Vicki Wynne, will be presented to LUAC at the next meeting. This permit is for a non-habitable workshop with a small patio, PLN#260051.

As their neighbors, we would like to express our complete support of the project. The workshop will be beautiful and useful and will not negatively impact any of the residents on Crest. The site/location of proposed workshop is nicely secluded and will provide Steve with a great workshop to putter in. Steve and Vicki have been excellent neighbors who consistently help our "aging" population with minor "fix-its" when needed and we are happy to add our support to this project.

Sincerely,

Vilia Gilles and Chad Ables, 208 Crest Rd, Carmel
Wendy and Dave Watson, 214 Crest Rd, Carmel
