In the matter of the application of:
JACOBSON MICHAEL
(PLN250316)

RESOLUTION NO. ----
Resolution by the County of Monterey Zoning Administrator:

1) Finding that the project qualifies for a Class 1 Categorical Exemption pursuant to CEQA Guidelines section 15301, and there are no exceptions pursuant to Section 15300.2; and
2) Approving an After-the-fact Coastal Development Permit for a Commercial Vacation Rental to allow the use of residential property for transient lodging for a period of 30 calendar days or fewer to clear a Code Enforcement Case (26CE00116).

[PLN250316, JACOBSON MICHAEL, 1322 Chamisal Way, Pebble Beach, CA, (APN: 008-062-025-000)]

The JACOBSON MICHAEL application (PLN250316) came on for a public hearing before the County of Monterey Zoning Administrator on August 13, 2026. Having considered all the written and documentary evidence, the administrative record, the staff report, oral testimony, and other evidence presented, the Zoning Administrator finds and decides as follows:

FINDINGS

1. FINDING: **CONSISTENCY** – The Project, as conditioned, is consistent with the applicable plans and policies which designate this area as appropriate for development.

EVIDENCE: a) During the course of review of this application, the project has been reviewed for consistency with the text, policies, and regulations in:

- the 1982 Monterey County General Plan (General Plan);
- Del Monte Forest Land Use Plan (DMF LUP);
- Del Monte Forest Coastal Implementation Plan (DMF CIP);
- Monterey County Code Chapter 7.120;
- Private Roads (Monterey County Code Chapter 16.80); and
- Monterey County Zoning Ordinance (Title 20).

No conflicts were found to exist. No communication was received during the course of review of the project indicating any inconsistencies with the text, policies, and regulations in these documents.

b) Project Scope. The project is located at 1322 Chamisal Way, Pebble Beach, within the Del Monte Forest Land Use Plan, Coastal Zone. The

site is developed with an existing 2,135 square foot single-family dwelling and an attached garage. The surrounding area is developed with single-family dwellings and nearby the Community Hospital of Monterey Peninsula (CHOMP). The applicant submitted an application seeking to use their existing 2,135 single-family dwelling located in a residentially developed neighborhood as a Commercial Vacation Rental. The applicant is proposing that the residence be occupied by a maximum of 7 people overnight and 10 people during daytime hours at the property at a time.

c) Allowed Use. The property is located at 1322 Chamisal Way, Pebble Beach, within the Del Monte Forest Land Use Plan, Coastal Zone (Assessor's Parcel Number: 008-062-025-000). The subject parcel is zoned Medium Density Residential, 4 units per acre with a Design Control, or "MDR/4-D(CZ)". Title 20 Section 20.12.050.DD allows for the Commercial Vacation Rental use subject to the granting of a Coastal Development Permit. Title 20 Section 20.64.290.F establishes the regulations for a property operating as a Commercial Vacation Rental on such property for transient lodging for a period of 30 calendar days or fewer. Therefore, the proposed use is allowable.

d) Lot Legality. The subject property (0.28 acres in size), APN: 008-062-025-000, is identified as Lot 25 in Block 3 on a Cities & Towns Map of Tract No. 125, Del Monte Forest No. 1 in Volume 4 Page 95, recorded on August 14, 1946. Therefore, the County recognizes this lot as a legal lot of record.

e) Land Use Advisory Committee (LUAC). This project was not referred to the Del Monte Forest LUAC for review. Based on the current review guidelines adopted by the Monterey County Board of Supervisors per Resolution No. 15-043, this application did not warrant referral to the LUAC as it does not fall within the LUAC review guidelines.

f) Vacation Rental Operation License. Condition No. 5 requires that the applicant obtain a Vacation Rental Operation License and provide documentation to prove that they comply with all of the requirements of the Vacation Rental Operation License pursuant to Title 7 Chapter 7.120. The subject property is required as conditioned to ensure that they always have an active Vacation Rental Operation License.

g) Business License. The applicant must obtain a Business License and provide documentation to prove that they comply with all of the requirements of the Business License pursuant to Title 7 Section 7.02.060. The subject property is required to comply with the regulation as part of the issuance of a Vacation Rental Operation License.

h) Transient Occupancy Tax. The applicant must register with the County of Monterey Treasurer-Tax Collector to pay Transient Occupancy Tax pursuant to Title 5 Chapter 5.40 and must pay Transient Occupancy Tax on all applicable rent received from transient occupancy of their residential property as a Commercial Vacation Rental. As part of the issuance of a Vacation Rental Operation License (Condition No.5), the subject property is required as conditioned to ensure payment of Transient Occupancy Tax to the County of Monterey Treasurer-Tax Collector is made pursuant to Title 5 Chapter 5.40.

i) Adequate Emergency Response Time. The subject property complies with Title 20 Section 20.64.290.F.5, adequate emergency response times for fire and emergency medical. The submitted Operations Plan includes contact information for County emergency services for fire and emergency medical. Adequate is defined as 5-8 minutes within Community Areas, Community Plans, and Sphere of Influence, 12 minutes within Rural Centers, and 45 minutes for all other areas. The subject property is within the Pebble Beach community area; therefore, it is subject to the 5-8 minute response time. Pebble Beach Fire Station 22 is 5 minutes away and provides 24-hour emergency medical and fire response services. The Community Hospital of the Monterey Peninsula is 6 minutes away. The subject property complies with the requirement to provide contact information for County emergency services for fire and emergency medical. The designated Property Manager for the Commercial Vacation Rental will be Sanctuary Vacation Rentals, which is located at the Northwest corner of Mission and 8th Avenue, approximately a 9 minute drive away. Sanctuary Vacation Rentals will be available 24/7 to respond to guest or neighborhood questions or concerns, and has the ability to arrive within 30 minutes. The contact information is required to be posted on an outdoor sign in a visible place and in the informational signage that must be posted within the unit, six feet of the front door. The Vacation Rental Operation License requires that guests be provided with this information as a part of the informational notice posted within six feet of the front door.

j) Parking. Parking requirements outlined in Title 20 Sections 20.64.290.F.6 and 20.58.040 require that a Single-Family Detached residential dwelling unit have 2 spaces/unit. The application includes adequate parking spaces of 5 guest parking spaces, which exceeds the minimum requirements as illustrated in the attached plans.

k) One Commercial Vacation Rental Per Legal Lot of Record. The subject legal lot of record complies with Title 20 Section 20.64.290.F.7 as this is the only Commercial Vacation Rental on the legal lot of record (APN: 008-062-025-000).

l) Ownership Interest in One Commercial Vacation Rental in the Unincorporated Monterey County. The trustees of the legal lot of record comply with Title 20 Section 20.64.290.F.8 and do not have any ownership interest in any other Commercial Vacation Rentals in the unincorporated Monterey County. This application before the Zoning Administrator would be the first and only ownership interest the applicants would have in a Commercial Vacation Rental in the unincorporated Monterey County.

m) Permit Expiration. Condition No. 4 applies a 7-year expiration to the granting of this Coastal Development Permit, pursuant to Title 20 Sub-Section 20.64.290.F.12.a. The purpose of this expiration is to provide adequate ongoing review of the approved use of the residential property as a Commercial Vacation Rental. Prior to its expiration, the owner/applicant shall file an extension in accordance with Title 20 Section 20.70.110, which requires submittal of the request at least 30 days prior to the expiration date. The appropriate authority to consider

this extension shall be the Zoning Administrator. This subsequent review will ensure: 1) the use continues to meet the standards of Title 20, and 2) an opportunity for Planning staff's review for ongoing compliance with the conditions of approval.

n) Access.

The property is within the Pebble Beach area and is currently managed by the Pebble Beach Company, which is the legally established governing structure for the private roads used to access the subject parcel. Pebble Beach Company is authorized to make determinations regarding the use, maintenance, and related matters regarding the private road. Pursuant to Title 20 section 20.64.290.F.4, the subject property must comply with Title 16 Chapter 16.80, which regulates private roads in Monterey County. The private road accessing the property is subject to a private road agreement and a private road maintenance agreement, which is recorded as a deed restriction for the subject property. The deed restriction for the subject property was recorded as Deed Number 2405..

The deed contains two restrictions: one related to the "Maintenance of Road" and the second related to "Covenants and Conditions", respectively, the second and third deed restrictions. The restriction under "Maintenance of Road" states that the "*Grantee, his family and servants and his tenants and guests occupying or visiting said premises shall be entitled to the use of all roads and bridle paths now or hereafter owned by Grantor and to free access to Del Monte Forest. Grantor reserves the right to change, abandon or close any of said roads or bridle paths but agree to leave open a road from said premises to the nearest public highway. As long as Grantor shall keep such a road in repair the owner of said premises shall be obligated to pay Grantor the sum of $25.00 on each January 1st hereafter, which sum shall be a lien and charge on said premises."* The plain language of this deed restriction gives the property owner access to their property as long as they pay $25 each January 1st. The first restriction under "Covenants and Conditions" restricts the usage of the property subject to the listed conditions and covenants. This condition restricts the usage of the property and states that "*No trade, business or profession of any description shall be conducted on said premises. Said premises shall not be used for any purpose whatever except solely and exclusively for the purpose of construction and maintenance of not more than one private single family residence with appurtenant detached guest and servants' cottages (without cooking facilities), greenhouse, garage, and, if approved in writing by Grantor, a stable for saddle horses."* Therefore, the project is classified as a Tier 4 category pursuant to Title 16 Chapter 16.80, which means this deed restriction language constitutes the private road agreement and the private road maintenance agreement.

The Pebble Beach Company submitted a letter to the County stating that they have a blanket objection to the use of residential property in Pebble Beach as commercial vacation rentals. This letter further stated that Pebble Beach Company believes that "…*the plain meaning of the CC&R*

language bans short-term vacation rentals in the Del Monte Forest [Pebble Beach Company managed portion of the Greater Monterey Peninsula].” (Exhibit E)

The applicant is aware of the objections and restrictions outlined within the CC&R and believes he has right to continue the use of the property for the proposed application of a Commercial Vacation Rental.

The County of Monterey’s regulations for private roads, pursuant to Title 16 section 16.80.060.A, state that if the Appropriate Authority finds, based on substantial evidence in the record, that a substantive dispute exists regarding the use of a private road for a project, the Appropriate Authority “*may approve the project but shall require as a condition of project approval that the applicant provide the County with proof of access demonstrating that the dispute has been satisfactorily resolved”*. Therefore, staff recommends that Condition of Approval (Condition) Number 6 to ensure that the substantial dispute regarding the plain language of the private road agreement is resolved prior to the applicant commencing the use of their property as a commercial vacation rental. This Condition requires that the applicant provides the County of Monterey Housing and Community Development (HCD) staff with adequate documentation that the private road dispute has been satisfactorily resolved and the use of the property as a commercial vacation rental is allowed and does not violate the plain language of any deed restrictions and/or private road agreement.

o) The application, project plans, and related support materials submitted by the project applicant to County of Monterey HCD-Planning found in Project File PLN250316.

2. FINDING: **SITE SUITABILITY –** The site is physically suitable for the proposed development and/or use.

EVIDENCE:

a) The project has been reviewed for site suitability by the following departments and agencies: HCD-Planning. County staff reviewed the application materials and plans to verify that the project on the subject site conforms to the applicable plans and regulations, and there has been no indication from these departments/agencies that the site is not suitable for the development. Conditions recommended have been incorporated.

b) The application, project plans, and related support materials submitted by the project applicant to County of Monterey HCD-Planning found in Project File PLN250316.

3. FINDING: **HEALTH AND SAFETY –** The establishment, maintenance, or operation of the project applied for will not under the circumstances of this particular case be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the County.

EVIDENCE:

a) The project was reviewed by HCD-Planning The respective agencies have recommended conditions, where appropriate, to ensure that the project will not have an adverse effect on the health, safety, and welfare of persons either residing or working in the neighborhood.

b) Necessary infrastructure is in place to serve the use, as discussed in the evidence below.

c) The property has road access to Chamisal Way, a private road. No alterations to this driveway or access are required for the use (see evidence "n" in Finding 1).

d) Potable water will continue be provided to the parcel by California American Water through the Monterey Peninsula Water Management District (MPWMD). Sewer service will continue to be provided by Pebble Beach Community Services District.

e) Solid waste (garbage) collection service is and will continue to be provided by Pebble Beach Community Services District.

f) The application, project plans, and related support materials submitted by the project applicant to County of Monterey HCD-Planning found in Project File PLN250316.

4. FINDING: **VIOLATIONS –** The subject property is not in compliance with all rules and regulations pertaining to zoning uses, subdivision, and any other applicable provisions of the County's zoning ordinance. A violations exist on the property.

EVIDENCE:

a) Staff reviewed County of Monterey HCD-Planning and HCD-Building Services records and is aware of one current violation existing on subject property for a commercial vacation rental (Code Enforcement Case 26CE00116). On February 13, 2026, a complaint was received that the property may possibly be in violation with County Code through the operation of a non-permitted vacation rental and that immediate action shall be taken to bring the property into compliance. The applicant submitted a Coastal Development Permit for an after-the-fact Commercial Vacation Rental to allow the use of a residential property for transient lodging for a period of 30 calendar days or fewer and abate Code Enforcement Violation No. 26CE00116 to bring their property into compliance with the County Code. No additional complaints have been received.

b) With the approval of this permit, the violations would be fully abated and would bring the property into compliance subject to any remaining enforcement fines.

c) The application, project plans, and related support materials submitted by the project applicant to County of Monterey HCD-Planning found in Project File PLN250316.

5. FINDING: **CEQA (Exempt) –** The project is categorically exempt from environmental review and no unusual circumstances were identified to exist for the proposed project.

EVIDENCE:

a) California Environmental Quality Act (CEQA) Guidelines section 15301, categorically exempts the leasing of existing private structures, involving negligible or no expansion of existing or former use.

b) The project proposed to allow the use of an existing residential property for transient lodging for a period of 30 calendar days or fewer. The project would not expand the residence nor would it allow any additional occupancy beyond what is allowed for the existing residence. Therefore, the project fits the criteria of the exemption.
c) None of the exceptions under CEQA Guidelines section 15300.2 apply to this project, as discussed in subsequent Evidence "d" through "i".
d) Class 1 exemptions are not qualified for an exception by their location.
e) The County's regulatory process of Coastal Development Permits for the use of an existing residential property for transient lodging allows the County to regulate such uses in a way that would prevent adverse cumulative impacts to the surrounding environment. Consistent with the Findings and Purpose in Monterey County Ordinance Number 5439 Section 1.F, the requirement for a Coastal Development Permit for Commercial Vacation Rental activities ensures that the impact of such leasing activities can be appropriately evaluated. Further, Title 20 Section 20.64.290 establishes caps on the maximum amount of Coastal Development Permits for Commercial Vacation Rentals to ensure that the potential cumulative effects of Commercial Vacation Rentals are minimized. The maximum allowed for the Del Monte Forest Land Use Plan is 57. This application is the 6th approved. The project is consistent with all the criteria in Title 20 section 20.64.290 and, therefore, would not contribute to a cumulative effect.
f) The County prepared a Final Environmental Impact Report (FEIR) for the Vacation Rental Ordinances project, which was certified by the Board of Supervisors on August 27, 2024 (SCH# 2022080643). The FEIR analyzed the project for environmental impacts and did not identify any significant impacts of Commercial Vacation Rentals up to the Commercial Vacation Rental cap set for each County of Monterey Planning Area. This Commercial Vacation Rental does not exceed the cap on Commercial Vacation Rentals in the Del Monte Forest Land Use Plan. It would be the sixth Commercial Vacation Rental in the Del Monte Forest Land Use Plan. The FEIR did address public comments that vacation rentals have the potential for negative side effects including nuisance issues such as traffic, parking and noise. However, no significant environmental effects were identified. County regulations have been developed and are in effect to ensure that vacation rentals remain compatible with existing residential uses. Cumulative impacts of the regulations taken together with other past, present, and probable future projects were analyzed and no significant effects were identified. There is no evidence suggesting that approving this project would result in significant environmental impacts.
g) There are no unusual circumstances related to the project that would create the reasonable possibility of a significant effect.
h) The project would not result to damage to scenic resources within view of State Scenic Highway. The nearest designated State Scenic Highway is Highway 1, which is approximately 1 miles south of the property. The property is not visible from Highway 1 due to distance, intervening structures and vegetation. The project also does not propose any

physical changes that would damage scenic resources: no construction, exterior alterations to structures, land alteration, or vegetation (or tree) removal are proposed.

i) The project is not located on a hazardous waste site included on any list compiled pursuant to Section 65962.5 of the Government Code.

j) See supporting Finding Nos. 1 and 2. The application, project plans, and related support materials submitted by the project applicant to County of Monterey HCD-Planning found in Project File PLN250316.

6. FINDING: **PUBLIC ACCESS** - The project is in conformance with the public access and recreation policies of the Coastal Act (specifically Chapter 3 of the Coastal Act of 1976, commencing with Section 30200 of the Public Resources Code) and applicable Local Coastal Program, and does not interfere with any form of historic public use or trust rights.

EVIDENCE: a) No public access is required as part of the project as no substantial adverse impact on access, either individually or cumulatively, as described in Section 20.147.130 of the Del Monte Forest Coastal Implementation Plan can be demonstrated.

b) No evidence or documentation has been submitted or found showing the existence of historic public use or trust rights over this property.

c) The subject property is not described as an area where the Local Coastal Program requires visual or physical public access (Del Monte Forest, Figure 8, (Figure 3) Major Public Access & Recreational Facilities).

d) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN250316.

7. FINDING: **APPEALABILITY –** The decision on this project may be appealed to the Board of Supervisors and California Coastal Commission.

EVIDENCE: a) Board of Supervisors. Pursuant to Title 20 Section 20.86.030.A, an appeal of the Zoning Administrator's decision for this project may be made to the Board of Supervisors by any public agency or person aggrieved by their decision.

b) Coastal Commission. Pursuant to Title 20 section 20.86.080.A, the project is subject to appeal by/to the California Coastal Commission because it involves development that is permitted in the underlying zone as a conditional use.

DECISION

NOW, THEREFORE, based on the above findings and evidence, the Zoning Administrator does hereby:

1. Find the project qualifies for a Class 1 Categorical Exemption pursuant to CEQA Guidelines Section 15301, and there are no exceptions pursuant to Section 15300.2;
2. Approve the after-the-fact Coastal Development Permit for a Commercial Vacation Rental to allow the use of a residential property for transient lodging for a period of 30 calendar days or fewer to clear a Code Enforcement Case (26CE00116).
