Dear Mr. Sorensen,

We are Hsin-I Hsu and Jerry Chang, the owners of 24790 Lower Trail, which is adjacent to the applicant's property at 24800 Lower Trail. We are writing to formally express our full support for their application for a Short-Term Vacation Rental permit.

As neighbors, we know Ray and Sandy to be respectful, friendly, and deeply considerate of the community. We have never had any issues with their property or their guests.

We fully support the approval of their permit. Please let us know if you have any questions.

Sincerely,

Hsin-I & Jerry

Hi,

I oppose the above application and any future applications in this area of Upper and Lower Trail.

I am concerned about the high concentration of STR application for Upper and Lower Trail, currently at 12 applications, when the total number is to be limited to 4% of properties. The STR policy will turn this quite neighborhood into a war zone with loud parties at multiple properties, as it was this past weekend. With each rental bringing in up to 10 people and our experience is they come with up to four or more vehicles per rental. We are a neighborhood with narrow roads and your plan to permit that many STRs will cause safety issues with fire, police, and medical access as well as crowding out the full time residents.
In the past, the garbage trucks have been unable to pass, at the junction of Upper and Lower Trail, because of multiple vehicles parked in an unsafe manner at this junction.
This road does not allow two vehicles to pass and we need areas to pull over, which we loose with all of the STR vehicle parking.

This applicant has rented short term for years and continues to do so without a permit. Renting without a permit should disqualify this applicant.
We have endured many incidences of loud parties and dogs left out and barking for hours.

We have suffered for years at the hands of the numerous illegal STRs and we just want our neighborhood back. All of the homes sold in our neighborhood have been bought by out of town investors, with their only concern being making a buck.

You need to put a stop to this tearing down of this neighborhood.

Sincerely,

Dr. Michael and Patricia Moeller

Please respond with your plan to address the above concerns.
Please limit this area to the stated 4% of allowed STRs which we all ready have and deny any new permits.
Thank you,
