County of Monterey

Board Report

Legistar File Number: WRAG 26-275

Item No.4

Board of Supervisors
Chambers
168 W. Alisal St., 1st Floor
Salinas, CA 93901

September 11, 2026

Introduced: 9/3/2026
Version: 1

Current Status: Agenda Ready
Matter Type: WR General Agenda

Consider recommending that the Monterey County Resources Agency Board of Directors:
a. Approve Amendment No. 2 to Agreement for Services with DRS Marine Inc. (DRS Marine), to increase the dollar amount by $150,000 for a total contract amount not-to-exceed $650,000; to provide underwater inspection, maintenance and repair services of Agency facilities; and
b. Authorize the General Manager to execute the amendment.

RECOMMENDATION:
It is recommended that the Monterey County Water Resources Agency Finance & Administration Committee:

Recommend that the Monterey County Water Resources Agency Board of Directors:
a. Approve Amendment No. 2 to Agreement for Services with DRS Marine Inc. (DRS Marine), to increase the dollar amount by $150,000 for a total contract amount not-to-exceed $650,000; to provide underwater inspection, maintenance and repair services of Agency facilities; and
b. Authorize the General Manager to execute the amendment.

SUMMARY/DISCUSSION:
The purpose of Amendment No. 2 is to allow DRS Marine to continue to provide underwater inspection, maintenance and repair services. Due to unexpected higher expenditures for the recent actuator replacement project completed at Nacimiento Dam, insufficient funds are available for DRS Marine to provide diving services for the San Antonio Dam bulkhead gate replacement project.

The replacement of the bulkhead gate is part of the suite of planned maintenance repairs and improvements of the low-level outlet structure at San Antonio Dam that need to occur ahead of the planned spillway replacement mandated by the California Department of Water Resources Division of Safety of Dams. The estimated DRS Marine costs for the bulkhead gate replacement project is approximately $150,000. The costs incurred for this project are reimbursable by the State-funded CA SB 104 Grant.

OTHER AGENCY INVOLVEMENT:
California Department of Water Resources

FINANCING:
Amendment No. 2 is financed by the fund balance in Fund 1503, and reimbursable through CA SB 104 Grant (Agreement No. 4600015764).

Prepared by: Manuel Saavedra, Associate Water Resources Engineer, (831) 755-4860
Approved by: Ara Azhderian, General Manager, (831) 755-4860
