9.1. Policy

Employee performance shall be evaluated and communicated on a yearly basis as required under LAPS, Personnel Handbooks and/or internal policies of the of DSES, the Health Department and Natividad Medical Center.

Performance evaluations are used to demonstrate to employees that they are valued; record how an employee's performance meet the requirements of the job; create a job history record; identify employee strengths and areas for enhancement; assist the employee and supervisor in an effort to attain the highest level of performance; and reinforce performance standards. Every effort will be made to include substantiated information within an employee's performance evaluation.

The County shall ensure employee performance evaluations are conducted in accordance with County and departmental policy.

When an employee who does not agree with the overall rating he/she receives on his/her written performance evaluation he/she shall discuss and attempt to resolve the differences with his/her immediate supervisor.

If discussion with his/her immediate supervisor does not result in resolution of the differences, the employee may file a written request to meet with the next level of management. Said request shall state the unresolved issues and the specific changes in the written performance evaluation the employee is seeking. The appropriate manager shall meet with the employee to discuss the unresolved issues.

If the issues are not resolved to the employee's satisfaction following discussion with the appropriate manager, the employee may within thirty (30) working days file a written request for a meeting with the department head. Within fourteen (14) working days of receipt of a written request stating the unresolved issues and the desired changes in the written performance evaluation, the department head shall meet with the employee to discuss the issues. Within ten (10) working days of said meeting, the department head shall respond in writing to the employee. The decision of the Department Head shall be final and not subject to the grievance procedure. An employee may submit a written response to his/her evaluation that shall be placed in his/her personnel file.

9.2. Late Evaluations

Failure of an appointing authority to recommend step advancement in accordance with *Probation - Successful Completion of Probation* provision of this MOU shall be considered to be a recommendation of step advancement effective on the due date. Timeliness of evaluations is not subject to the grievance procedure.

9.3 Temporary Special Assignment Pay

Employees shall be eligible for Temporary Special Assignment Pay as provided in the Personnel Policies and Practices Resolution No. 98-394 (A.9.14)

ARTICLE 10 SALARY ON CHANGE OF CLASS OR POSITION
--

10.1 Change to Higher Class

The salary of an employee who is promoted or reclassified from one class to another having a higher salary range shall be adjusted to the first step of the new salary or to the next higher step that provides a minimum of five percent (5%) salary increase. Other provisions of the Personnel Policies and Practices Resolution notwithstanding, it is the intent of the Board of Supervisors that employees receive an increase of not less than five percent (5%) minimum or the highest step, whichever is less as a result of a promotion or reclassification to a higher salary range.

If the employee was paid at a Y-rate above the highest step of the lower class, the five percent (5%) minimum increase shall not apply. Instead, the employee's salary shall be adjusted to the lowest step in the range of the higher class, which provides an increase in salary.

10.2 Salary on Reassignment

If a Bargaining Unit employee voluntarily accepts reassignment to another County position of equal or lower pay for which he/she meets the minimum qualifications, and such reassignment is deemed by the County Administrative Officer to be in the best interest of the County, salary and benefit placement will be made in accordance with the County's regular Y-Rating procedures.

10.3 Step Increase and Change of Class

In the event that a reclassification or salary adjustment is to be effective on the same date that an employee is eligible for consideration for a step increase, she/he shall first receive that step increase, if approved.

In the event that a promotion is to be effective on the same date that an employee is eligible for consideration for a step increase, she/he shall first receive that step increase.

10.4 Work Out of Classification

When an employee is assigned to and performs significantly all of the duties of a higher allocated position in a classification whose salary range is at least five percent (5%) higher than the range of the employee's regular classification, that employee shall be compensated at the step in the higher classification that provides an increase to the assigned employee of at least five percent (5%). Such assignment shall not change the unit designation or other benefits of the assigned employee. The assignment must be for over ten (10) consecutive working days. Such additional compensation shall begin on the first day of the pay period following the assignment to the duties of the higher position.

- A. For working out of classification the employee shall be compensated at the step in the higher classification that provides an increase to the assigned employee of at least five percent (5%). As such, if the 5% does not result in the employee reaching at least the first step of the higher salary range, the employee will be placed at the first step of the higher salary range.

At one hundred eighty (180) days, the working out of classification assignment will be reviewed to determine whether it is appropriate for this person to continue working out of classification.

Employees working out of classification or who are removed from Working out of Classification duty as a result of poor performance shall not be subject to unsatisfactory performance evaluation for their participation in said assignment. Participating employees removed from such assignment as a result of unsatisfactory performance shall instead be returned to their official job classification and duties. Failure to successfully complete a Working out of Classification assignment, as a result of performance, shall not have an impact on employee's official job classification or duties.

10.5 Change to Lower Paid Class

When an employee covered by the provisions of this Agreement is demoted or her/his position is reclassified to a class having a lower salary range, the Appointing Authority may:

- A. Assign the employee to a step in the new (lower) range which is equal to or lower than the salary rate the employee was receiving in the old (higher) class; or
- B. Place the employee at a Y-rate. Under Y-rate, the employee's Y-rate salary (current salary) stays in effect until either:
 - 1. The range of the new (lower) class is increased, causing the step (immediately below the employee's Y-rate salary) to meet or exceed the employee's Y-rate salary; in which case the employee will be placed in that step; or
 - 2. The employee's step eligible date occurs, in which case the employee will be moved to the next higher step in the range of her/his new class which is above the Y-rate salary.

Having now been assigned to a step in the new (lower) classification, the employee will be advanced to the next step as provided in the sections of the Personnel Policies and Practices Resolution governing step advancements, demotions and reclassifications.

10.6 Salary on transfer

An employee who is transferred from one position to another in the same class or to another class having the same salary range may upon the approval of the appropriate appointing authority be compensated at the same step in the salary range as he/she previously received and retain the same eligibility date for advancement to the next higher step.

10.7 Effective Date of Employee Status Maintenance Transaction (ESMT)

Promotions, demotions, reclassifications, transfers, changes in scheduled hours worked, additional or deletion of pay differentials and changes in status shall be made effective only at the beginning of a pay period unless the County Auditor-Controller, after receiving a statement of necessity from the Appointing Authority, approves another effective date.

ARTICLE 11 HOURS OF WORK, OVERTIME AND PREMIUM PAY

11.1. Hours of Work

11.1.1 Standard Work day/work week

Eight hours work shall constitute a full work day and forty hours work shall constitute a full work week unless otherwise provided by law, code, approved alternative work schedule or other agreement.

11.1.2 Flexible Work Schedule

Department Heads shall accept, review and discuss proposals for flexible work schedules submitted by the Union. Changes in work schedules may be made on an office, work unit, or individual basis after consultation with the affected employee(s) and approval by the Director. Except in cases where administrative necessity requires a more immediate change, changes in schedules made by the employer shall be implemented after twenty (20) working days' notice to the affected employee(s). The County agrees to notify the Union in writing of the intended changes. Changes in schedules requested by the employee and approved by the Director may be implemented with less than twenty (20) working day notice if mutually agreed upon.

It is understood and agreed that individuals have no vested right to any particular work schedule and that work schedules may be changed, subject to the time restrictions noted above, at the discretion of management.

11.2 Meal Period

A meal period is an off-duty time, away from all work assignments. Workers shall be granted a meal period of not less than thirty (30) minutes no more than sixty (60) minutes scheduled at approximately the mid-point of the work day. The meal period shall not be compensated time and every attempt shall be made to provide a meal period away from a worker's duties. In the event that this is not possible, the non-exempt workers will be compensated for that time in accordance with the Overtime Eligible Employees section of this MOU.

11.3 Rest Period

All workers will be granted a rest period of fifteen (15) minutes during each half shift of four (4) hours work. Rest periods shall be considered as time worked for pay purposes.

In the event a rest period is not allowed or taken, the worker is not permitted to leave early nor receive any form of extra compensation.

11.4 Call Back

Any worker who is directed by management to return to her/his work assignment after departure from her/his work location shall, upon returning to work, receive a minimum of two (2) hours work.

11.5 Standby

Those employees who are placed on Standby duty in accordance with rules and procedures established by the County for such duty shall be paid at the rate of four dollars and fifty cents (\$4.50) per hour. Any worker called by telephone or called out while on Standby shall receive a minimum of one (1) hour pay at the base rate. The intent of the parties is to compensate employees for a minimum of one hour, or time actually worked, whichever is greater. For example, if an employee receives calls at 1:00 p.m., 1:15 p.m., 1:20 p.m., 1:55 p.m. and the last call finishes at 2:10 p.m., s/he is credited for one hour and ten minutes, which under the County's Payroll Time and Leave Reporting policy, would round to one hour and fifteen minutes. And, if an employee receives calls at 1:00 p.m., 1:15 p.m., 1:20 p.m. and 1:45 p.m., s/he is paid for one hour, not four hours. It is not the intent that employees be paid for multiple telephone calls received within a one hour period. While it is understood that the County has the sole authority to change the rules and procedures by which Standby is administered, no substantive changes in said rules and procedures will be implemented without notification and an opportunity to respond to the Union. No employee shall be paid for Standby duty time and other compensable duty time simultaneously.

Time actually worked while on Standby duty will be compensated at the rate of one and one-half (1½) times their regular rate of pay. For FLSA overtime exempt employees, time actually worked while on Standby duty will be compensated at the rate of one and one-half (1 ½) times the hourly rate of pay for an employee's step listed on the County salary schedule, and does not include any additional enhancements such as differentials, bilingual pay, or stipends.

11.6 Seasonal/Part-Time Positions

Workers shall have the right to apply for seasonal and part-time jobs whenever possible and shall be allowed such assignments at the Department Head discretion.

11.7 Reduced Work Schedule

Employee may submit requests to reduce their work schedules. Such requests will be considered by the Department Head or her/his designee and may be granted at the discretion of the Department Head.

11.8 Ten Hour Break Rule

Employees of Natividad Medical Center who are assigned to work a second shift without a ten (10) hour break between shifts shall be paid a premium rate equal to one and one half (1 1/2) times their regular basic rate of pay for hours worked in the second shift. For purposes of this policy, a shift is defined as a period of eight (8) hours or more.

The ten (10) hour break rule shall not apply to:

- A. Hours worked on call back when an employee has been on Standby duty under the provisions of subsection 11.5 above;

- B. Hours worked on an employee's regular shift in cases where the additional time worked prior to the regular shift was for three (3) hours or less;
- C. When the short turnaround is requested by the employee.

11.9 NMC Unscheduled Shift Premium

When a permanent employee at Natividad Medical Center is called in to work a previously unscheduled shift with less than twelve (12) hours of notice, that employee shall be paid at a premium rate equal to one and one-half (1-1/2) times their basic rate of pay.

11.10 NMC Call Off

Natividad Medical Center employees may be called off their regularly scheduled shifts for lack of work.

11.10. 1. Clinical

Natividad Medical Center employees may be called off their regularly scheduled shifts for lack of work.

A. The order of call off shall be as follows:

1. Anyone who wishes to volunteer for call off will be considered
2. Agency/Registry Temporaries
3. County temporaries (per diems)
4. County permanent employees on overtime (part-time or permanent)
5. County permanent part-time (the employer will make an attempt to rotate the call-off of employees from this category on the shift to mitigate the impact of the call-off on any single employee).
6. County full-time (0.9 FTE or above) (the employer will make an attempt to rotate the call-off of employees from this category on the shift to mitigate the impact of the call-off on any single employee).

B. Natividad Medical Center will attempt to contact the employee at his/her contact phone number at least one and one half hours prior to his/her scheduled shift. Once the attempt to contact the employee is made NMC will not be required to pay the employee show up time. The employer shall maintain a log of each attempt to contact the employee. The employee shall be responsible for insuring that NMC is utilizing a valid, current contact number.

C. Once an employee is called off duty, the employee is not obligated to make him/herself available for work unless the employee agrees to be placed on Standby, at the Standby rate. Should the employee be called back, the employee will receive straight time for the remainder of their regularly scheduled shift.

D. The employee shall be entitled to two (2) hours show-up pay when an employee is called off duty within twenty (20) minutes after reporting to work for their regular scheduled shift.

E. An employee may be called off for any period of time, up to the employee's entire shift. In the event an employee is called off for less than the entire shift, the employee must work a minimum of 4 hours.

An employee may only be called off one time per shift. In the event an employee is called off for less than an entire shift, whatever hours are scheduled are guaranteed to the employee for that shift.

F. The employee may use any Paid Time Off (i.e., PTO-vacation) or compensatory time that is available in the employee's PTO-vacation or compensatory time bank prior to the day they are called off. For purposes of this section, Paid Time Off (i.e., PTO-sick) will not be used to compensate the employee for call-off time.

G. In the case of advance notification (as provided for in B above), an employee may not be called off for more than forty (40) hours in any two consecutive pay periods, during which time the employee's insurance benefits will continue.

H. Employees may be offered the opportunity, on a voluntary basis, to float to other departments within the hospital depending upon hospital needs and employee skills.

11.10. 2. Overhead

For overhead departments (as defined below), NMC will monitor productive hours per week or pay period. Each department at NMC will have a productivity target (hours per week/pay period) set by the NMC CEO.

It is the department managers' responsibility to regularly monitor their departments productivity to ensure the department is meeting their per statistic (for direct patient care departments), per week or per pay period target. In the event a department exceeds the productivity threshold set by the CEO, the department manager will call off staff to meet the target threshold. Prior to making this determination, the department manager will review the productive hours (to include all employees, including management) to determine if they have met their target. Time not counted towards productive hours include: vacation, compensatory time off, or sick leave (if taken prior to a call off). For purposes of determining productivity, productive hours include but are not limited to the following: training, orientation, workers compensation (light duty worked hours), temporary employees, and registry.

Call Offs may be implemented during the course of a day, week, or pay-period as determined by the department manager. The Call Off order will follow Section 11.10.1.A above and maximum amount of Call Off hours will follow Section 11.10.1.G. above. When an employee is called off, they may utilize accrued vacation and/or comp time, or floating holiday.

In the event the CEO determines that patient census and the hospital's and/or department/departments' total productive hours have not met the required threshold after a two-week period, he has the discretion to place a department or departments on a holiday schedule (close department or reduce regular work hours of a department). This may be done in conjunction with a County recognized holiday (i.e. the work day before or the work day after a recognized County holiday). Notice to employees cannot be less than 14 days prior to the requested "Call Off day". However, in the event that a County Holiday is more than a month away, the NMC CEO may select a day to be determined by him to place a department/departments on a holiday schedule (close department or reduce regular work hours of

a department). In no event shall a department or departments be placed on a holiday schedule more than six (6) times in a fiscal year.

Overtime shall be required and scheduled at the option of the County.

Overtime work assignments shall be distributed among workers in the same classification and applicable work unit as equally as possible. Overtime shall be defined as time actually worked in excess of forty (40) hours in a work week beginning 12:01 a.m. Saturday and ending 11:59 p.m. Friday, except for employees opting to work a 9/80 or flex schedule and except for employees of Natividad Medical Center. Overtime for employees of Natividad Medical Center shall be defined as time actually worked in excess of eighty (80) hours in a pay period.

For the purposes of this Article, paid holiday, vacation, and compensatory time-off hours shall be considered as hours worked for the purpose of determining overtime.

11.11.2 Overtime Eligible Employees

If required and scheduled by management and if all other requirements for overtime pay are satisfied, an employee in an overtime eligible class shall be compensated at the rate of one and one-half (1½) times the regular rate of pay. Regular rate of pay shall be the rate of pay calculated as provided for by the Fair Labor Standards Act. Hours and the corresponding dollar values of County holidays, vacation, and compensatory time shall be counted in calculating the regular rate of pay.

Except as otherwise provided herein, employees in overtime eligible classes shall be compensated for overtime which has been authorized by their appointing authority, by either a)

compensatory time off at the rate of one and one-half (1½) hours credit for each hour of overtime or, b) in cash at the rate of one and one-half (1½) times the employee's regular rate of pay. Compensatory time off (CTO) may be accumulated to a maximum of eighty (80) hours. When the individual employee has accumulated eighty (80) hours of unused CTO, then that employee shall be paid for any further overtime at the rate of one and one-half (1½) times the employee's regular rate of pay.

Compensatory time off will be scheduled with mutual agreement between the supervisor and the employee. When an employee has accumulated seventy-two (72) hours of compensatory time off, and the employee has not been able to arrange to take the compensation time off, management will make every effort to allow the employee to take this time off. If no agreement can be reached, the County reserves the right to require and schedule compensatory time off.

11.11.3 Overtime Exempt Employees

Employees who are not in overtime eligible classes shall not receive compensation for hours worked beyond forty (40) hours in a work week or eighty (80) hours in a pay period, but may be authorized administrative leave with pay by their appointing authority or her/his designee in the event that County operations result in extraordinary work assignments for such employees. Such administrative leave shall not exceed two (2) working days in any pay period. The County Administrative Officer may approve additional administrative leave with pay upon written request from an employee's appointing authority showing special circumstances warranting such leave. Such approval shall be given in writing.

The provisions of this Section shall be administered by the appointing authority, but shall in no way establish any right to any type of overtime compensation for overtime exempt employees regardless of whatever records are kept by the appointing authority.

11.11.4 Overtime Natividad Medical Center

If in the judgment of an Appointing Authority, extra hours are required to be worked by an employee for the accomplishment of County business, the Appointing Authority may authorize and require the performance of said extra hours.

Overtime for employees of Natividad Medical Center shall be defined as time actually worked in excess of eight (8) hours in a day and/or eighty (80) hours in a biweekly pay period. For employees of Natividad Medical Center on alternative workweek schedules, overtime shall be defined as time actually worked in excess of (ten) 10 or (twelve) 12 hours in a day and/ or forty (40) hours in a work week.

Regular rate of pay shall be the rate of pay calculated as provided for by the Fair Labor Standards Act. Hours and the corresponding dollar values of: Paid Time Off (i.e. PTO-vacation), shall be counted as hours worked for purposes of determining overtime.

Paid Time Off (i.e. PTO-sick, PTO- Bereavement, PTO-holiday not worked and Compensatory Time Off) shall not be counted as hours worked for purposes of determining overtime. Savings realized from this action, in the first year of this agreement, will be used towards addressing compensation issues related to the recruitment and retention of employees in critical hospital positions at Natividad Medical Center for SEIU Local 521 bargaining unit classifications. The parties further agree that the purpose of this section is to better prepare the County and Natividad Medical Center to compete as the hospital of choice for Monterey County and provide the highest quality of care with recruiting and retaining a cutting edge workforce.

An employee shall not be allowed to accumulate more one hundred and sixty (160) hours of compensatory time off above which maximum all overtime compensation shall be paid in cash.

D. Employees in overtime exempt classes shall not receive compensation for hours worked beyond forty (40) hours in a work week or eighty (80) hours in a pay period except as may otherwise be authorized by the Board of Supervisors, but may be authorized administrative leave by their Appointing Authority or his/her designee in the event that County operations result in extraordinary work assignments for such employees. Such administrative leave shall not exceed two (2) working days in any pay period. The County Administrative Officer may approve additional administrative leave with pay, upon written request from an employee's Appointing Authority showing special circumstances warranting such leave. Such approval shall be given in writing.

E. Special overtime provisions

Departmental rules as in its determination may be necessary to comply with the provisions of the Act or rules and regulations promulgated by the Department of Labor in its interpretation and enforcement of the Act, provided that the County has first notified the Union in writing of the proposed changes and offered to discuss the proposed changes with the Union.

The County agrees to observe all requirements of the Fair Labor Standards Act. The County will notify the Union of changes to the FLSA in writing and will discuss all implications as soon as they become aware of the impact of said changes.

The County and the Union agree to meet to explore the impact of the FLSA regulations as it pertains to exempt employee leave usage.

16.12 Military Leave

Employees shall be eligible under the County Military Leave Policy. *(Questions regarding this policy and any revised versions should be directed to the Military and Veterans Affairs Department).*

ARTICLE 17 LAYOFF PROCEDURE

17.1 Policy

The County may lay off an employee because of lack of work, lack of funds, material change in duties or organization or in the interest of economy or causes outside the County's direct control.

Departments and employees required to be covered by other layoff procedures; i.e., Local Agency Personnel Standards, State Merit System for the Department of Social Services, or Anti-Recession Federal Regulations, shall be governed by those procedures.

Nothing in this policy shall preclude management, with the agreement of affected employees, from implementing a County Administrative Officer approved job sharing and/or part time work plan as an alternative to layoff. The County shall inform the Union regarding any planned reduction in force or layoffs which will affect unit employees.

If the proposed layoffs are due to lack of funds, the County shall contact the Union and offer to discuss the possible reduction and to invite suggestions for possible cost saving alternatives to layoffs. If alternatives to layoffs are not developed by the time the department determines a layoff should occur, the procedure outlined in this Article will be followed.

17.2 Seniority Defined

Seniority is defined as length of continuous service in a class series (as determined by the County personnel records) while occupying a permanent position (s) within the County department. Continuous service for purposes of ranking for layoff shall be defined to include work related injury leave up to one (1) year.

17.3 Order of Layoff

Layoff will be determined within County departments, not the County as a whole. In the event of a reduction in force in a department, the Department Head shall designate the classes and positions to be eliminated.

When one (1) or more workers performing in the same class series in a County Department are to be laid off, the order of layoff in the affected department shall be as follows:

1. Temporary employees in inverse order of seniority,
2. Probationary new employees (excluding promotional probationary employees) in inverse order of seniority,
3. Seasonal employees in inverse order of seniority,
4. Permanent employees in inverse order of seniority within a class.

The County shall be required to layoff only by the above order of layoff unless it can be demonstrated that a particular employee possesses 1) special skills or training or abilities essential to the functioning of the county, or 2) a past job performance or disciplinary record that would justify an alternative ranking, or 3) an employee may be subject to disparate treatment because of the layoff order.

17.4 Natividad Medical Center-Temporary Status Option

A permanent employee of Natividad Medical Center subject to layoff shall be entitled to assume temporary employee status in lieu of layoff provided the employee is qualified to assume the duties and responsibilities of an existing temporary position and class. No new temporary positions shall be created for the sole purpose of eliminating permanent employees.

17.5 Ranking in Previous Classes

A permanent employee may elect to be ranked with employees in any class with the same or lower salary in which the employee has served in permanent status in county service. An employee must notify her/his appointing authority within two (2) days after receipt of written notice of layoff of election of this option except if the second (2nd) day following notice of layoff is not a regularly scheduled work day, the employee may give notice on the next work day.

The definition of rank provided in this Section shall apply to the determination of rank for employees electing to be ranked for such classes.

17.6 Notice of Layoff

Workers subject to the provisions of this Article shall be given at least twenty one (21) working days written notice prior to the effective date of layoff unless delay results from consideration of demotion under the provisions of Section 15.8 – *Demotion in Lieu of Layoff*. Written notice of layoff will be delivered in person or by the United States Postal Service to the employee's latest address on file with the County. The notice shall include: reason for layoff, effective date of action, a reference to the provisions governing reemployment, and notice that employment counseling is available. The Union shall receive concurrent notice, and upon request, shall be afforded an opportunity to meet with the County to discuss the circumstances requiring the layoff and any proposed alternatives.

17.7 Transfer in Lieu of Layoff

In the event of notice of layoff, any worker so affected will be allowed to request a transfer to a vacant position in the same classification in any County Department/Agency.

17.8 Demotion in Lieu of Layoff

In lieu of layoff, the Department Head may offer a permanent employee a demotion to any class for which the employee is qualified and vacancies exist. Employees demoted in lieu of layoff pursuant to this paragraph shall not be eligible for the "Y" rating procedure except as allowed in LAPS-State Merit System Rules. An employee who accepts a demotion in lieu of layoff shall have the right to his or her former class when an opening occurs and his or her seniority ranking warrants recall subject to the provisions of Section 15.9 – *Recall Lists*.

17.9 Recall Lists

The names of persons laid off under these procedures shall be placed on a departmental recall list for the class from which the employee was laid off for a period of one (1) year from the date of layoff. When filling any position, an appointing authority shall recall laid off employees from the departmental recall list for the class of the position in inverse order of layoff. During the one (1) year recall period, no new employee shall be hired nor shall any employee be promoted to a class from which layoffs have occurred until all employees on the departmental recall list in that class have had the opportunity to return to work.

However, when the best interest of the County requires an employee with demonstrated special qualifications, skill or training, or for equal opportunity considerations, the appointing authority may make an exception to the above order of recall in order to appoint said employee. The Union shall receive written notice of such plan.

If a worker on the recall list fails to respond to an interview or to accept offered employment, the employee's name will be removed from the departmental recall list. Such notice of interview or offer shall be sent to the worker's most current address on file with the County.

Every employee given notice of layoff may request employment counseling and evaluation in order to determine those job classes within the County for which the employee meets employment eligibility requirements and desires to be considered for employment from a Preferred Eligible List. Such counseling and evaluation shall be available by appointment in order of request. Following the counseling and evaluation, laid off employee's name shall be placed on a Preferred Eligible List for each class designated as a result of the counseling and

evaluation. When the Human Resources Division receives a request to refer applicants to a department for a vacant position in a class for which there exists a Preferred Eligible List, the laid off employee on the list shall be considered for employment prior to any job applicant. A competitive job related selection process may be used to determine the order in which laid off employees on a Preferred Eligible List for a class will be referred for an interview.

A laid off employee may be removed from the Department Recall List or a Preferred Eligible List for any of the following reasons:

- The expiration of one (1) year from the date of layoff.
- Reemployment within the County.
- Failure to accept employment or report to work.
- Failure to appear for a job interview after notification by telephone or by mail addressed to the employee's last address on file with the County.
- Failure to respond within seven (7) calendar days to a communication regarding availability of employment.
- Request in writing by the laid off employee to be removed from the list.

17.10 Status of Employees Reemployed from a Preferred Eligible List

Former employees who are hired from a preferred eligible list shall be entitled to:

- A. Placement at up to the highest step in the class into which they are hired provided that the salary upon rehire does not exceed the salary the employee was receiving at the time of layoff,
- B. Reinstatement of credit for service (ranking) as of the date of separation from County services,

- A. Restoration of permanent status for employees who are rehired from a departmental recall list and class from which they were laid off, and who have completed their probationary period. For employees who have not completed their probationary period, credit for that portion which has been completed shall be given if rehired from a departmental recall list.

E. Reinstatement of credit for service time (ranking) as of the date of layoff.

17.12 Insurance Coverage

Each permanent employee who is enrolled in a County offered health plan at the time of layoff who: 1) is laid off subject to the provisions of this Agreement, and 2) enrolls in the health plan conversion plan, shall be issued a county warrant made payable to said employee and the County offered health plan in an amount equal to two (2) times the employee only premium at the time of layoff. The above does not apply to employees who retire coincidental to their layoff.

17.13 Appeal Procedures

Neither the provisions of this Article, nor their application shall be subject to any appeal or grievance procedure, except as provided below.

An employee directly affected by the operation of this policy may, within five (5) working days after a notice of layoff is received, request a meeting with a Department Head or the Department Head's designated representative to review the application of the policy as it affects the employee's status. The employee may be accompanied by a representative of the Union.

The Union, and only the Union, after making an attempt to resolve the matter informally, may within seven (7) days of the date of an alleged violation of this policy file a grievance for final consideration and determination at the Department Head level in accordance with the provisions of the grievance procedure in effect between the County and the Union. A grievance filed in accordance with this paragraph shall not be subject to the *Grievance Procedure-Grievance Procedure Steps*, Step 4 – *Grievance Arbitration* provision of this Memorandum of Understanding.

A permanent employee who is not on probationary status and who wishes to be considered for a transfer to another position in the same classification within the Department shall notify the Department Human Resources Division in writing stating their specific transfer request and the reasons therefore. Such requests shall be considered based on, but not limited to, the following: hardship, staffing needs and date received. 4. Specify the remedy or solution to the grievance sought by the employee(s);
5. Identify the grievant;
6. Identify the person, if any, chosen by the grievant to be his/her representative.

B. No modifications in the basic violation being alleged pursuant to this grievance procedure shall be made subsequent to filing of a grievance unless mutually agreed to by both the County and the grievant or the grievant's representative. However, corrections in citations or other clarifying amendments can be made at any time by the grievant or the grievant's representative.

The department head or his/her designee shall hold a meeting with the grievant within seven (7) working days of the receipt of the appeal. The department head or his/her designee shall deliver his/her written decision to the grievant and/or his/her representative with three (3) working days of the date of the grievance meeting. The department head's or his/her designee's decision shall

include the reasons on which the decision is based and the remedy or correction which has been offered, if any, to the grievant.

Step 3 Human Resources Director / Mediation

A. If a grievance is not settled at Step 2 of the procedure, the grievance may be appealed, in writing to the Human Resources Director or his/her designee within ten (10) working days from the receipt of the department head's or his/her designee's written decision.

Said grievance appeal must specifically set forth the reason the answer(s) previously provided by management is/are not satisfactory.

B. The Human Resources Director or his/her designee shall hold a meeting with the grievant within seven (7) working days of the receipt of the appeal.

The Human Resources Director or his/her designee shall deliver his/her written decision within ten (10) working days of the date of the meeting.

C. In the event a represented employee chooses to waive a hearing by the Human Resources Director or his/her designee, the Union on behalf of the employee shall, within the ten (10) day appeal period, make a written request to the Human Resources Director or his/her designee to seek within ten (10) working days the assistance of a mediator from the State Conciliation Service in an attempt to resolve the grievance. The mediator shall have no authority to resolve the grievance except by agreement of the Union and the County. In the event the grievance is not resolved, neither evidence nor concessions agreed to or offered during mediation shall be admissible at the subsequent hearing.

If the grievance is not resolved through mediation, the Human Resources Director or his/her designee shall issue a written decision.

Step 4 Arbitration

A. If a grievance is not settled at Step 3 of the procedure, the Union and only the Union may appeal the grievance in writing to the County Administrative Officer within ten (10) working days from the receipt of the Human Resources Director's or his/her designee's written decision.

B. The parties shall select a mutually acceptable arbitrator. The fees and expenses of the arbitrator; the transcript for the arbitrator; and the court reporter shall be shared equally by the parties, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.

C. The decision of an arbitrator shall be final and binding upon the parties but shall not add to, subtract from, nor otherwise modify the terms and conditions of this Agreement.

D. The parties expressly agree that the term of this section shall expire as of the expiration date of this contract and that the status quo shall revert to a situation where there is no arbitration of grievances that occur after the expiration date of this agreement until or unless the Board of Supervisors approves a successor agreement.

19.6 Notice of Meetings

The County and the grievant or the grievant's representative shall be responsible for giving notice of meetings and conferences to their representative parties at least twenty-four (24) hours prior to any meeting regarding a grievance whenever possible.

19.7 Representation

A. The employee has the right to the assistance of one (1) employee representative/job steward in addition to a staff representative of the Union in the preparation and/or presentation of his/her grievance in Steps 1 through 4 of this procedure provided, however, that supervisory employees shall not represent nonsupervisory employees.

B. An employee is also entitled to represent him/herself individually at any step of the grievance procedure, except in the arbitration procedure outlined in this Agreement.

Only the Union may file for arbitration of a grievance.

C. A grievant may not change his/her designation of representative organization during the processing of a grievance, except by mutual agreement of the parties.

D. If the employee is represented in a formal grievance meeting, the department may also designate a management representative to be present in such a meeting.

19.8 Grievance Withdrawal

The grievant and his/her representative may withdraw the grievance at any stage of the grievance procedure by giving written notice to the County representative who last took action on the grievance, with a copy to the Human Resources Department.

19.9 Grievance Resolution

If a grievance is resolved at Step 2 or 3 in the procedure as provided herein, the grievant concerned shall indicate acceptance of the resolution by affixing his/her signature in the appropriate space indicated. If the employee has been represented by the Union at the Step of the procedure at which a resolution is reached, the Union representative shall also sign the appropriate document acknowledging that the employee has accepted the resolution.

Decisions on grievances where an employee represents him/herself shall not be considered precedent setting or binding with regard to any future grievances filed with respect to the same or similar matters.

19.10 Consolidation

The County may consolidate grievances, where, in its discretion, the grievances present substantially similar issues.

The Union may file group grievances at the second step of the grievance procedure within fifteen (15) working days of the action causing the grievance or of the date the action reasonably could have been expected to be known to the grievants by listing each person who claims to be adversely affected, unless the grievance covers the entire bargaining unit(s) and all other data required in this article.

If a grievance involves multiple employees within the same unit/department with the same supervisor, the grievance shall start at step one (1).

19.11 Processing Grievances

The grievant shall be granted reasonable time off with pay from regularly scheduled duty hours to process a grievance, provided that the time off will be devoted to the prompt and efficient investigation and handling of grievances, subject to the following:

A. Neither a grievant nor a grievant's representative who is a county employee shall suffer any lost pay for attending any regularly scheduled grievance hearing required by the procedure herein set forth.

B. A grievant or a grievant's representative shall notify their supervisor as soon as possible of scheduled grievance hearings and of any changes in the time or date of scheduled hearings in which they must participate.

C. In no event shall a grievant be represented by more than one county employee at the grievance hearings. The County shall not incur any cost for Union Shop Stewards to participate as an observer for training purposes, including labor cost. Shop Stewards may request, Annual Leave, Floating Holiday, compensatory time, Eco time, or PTO to participate as an observer. Should use of such time result in overtime to the department, use of said time will not be allowed.

D. Employees shall suffer not loss of pay for testifying as a witness at a grievance proceeding.

E. Grievances may, by mutual agreement, be referred back for further consideration or discussion at a prior step, or be advanced to a higher step of the grievance procedure.

ARTICLE 20 WORKLOAD

20.1 Target

20.1.1. Target Figures

The County will make a reasonable effort to keep public assistance caseloads at the State or County target. Should ongoing caseloads exceed ten percent (10%) of the State or County target for three consecutive months, it is the County's intent to continue its joint efforts with the Union to reduce excessive caseloads. Such efforts may include but are not limited to hiring staff to fill County allocated positions, redistributing cases to other workers, assigning cases to non-caseload carrying workers and use of overtime and compensatory time. In other program areas, the County will make good faith efforts to maintain reasonable caseloads.

20.1.2. Distribution of Monolingual Non-English Cases

The County's intent is to first assign monolingual non-English cases to certified bilingual workers. If there are insufficient certified bilingual workers to meet the need, all other monolingual non-English cases will equitably distributed to monolingual English speaking workers. It is the County's intent to be proactive and use good faith efforts in providing monolingual English speaking workers carrying monolingual non-English cases with resources for translation and translation services. In addition, reasonable efforts shall be made to maintain bilingual worker caseloads equal to monolingual worker caseloads.

In County departments where work is assigned according to specialized functions within program, i.e. referrals or assessments, the County intent shall be to equitably distribute the work

assignments for bilingual workers and their monolingual peers. These efforts shall include but will not be limited to cross-training, use of overtime and translators.

20.1.3. Transfer opportunities for bilingual workers

It is the County's intent to honor qualified transfer requests of bilingual workers for transfer to other units within their respective departments while recognizing customer needs. Where an evaluation of customer needs indicates a transfer is not immediately possible, the employee's request will remain active and be periodically reviewed. (*Consult your Department HR Division.*)

20.2 Mitigating Factor

The County will acknowledge as a mitigating factor in any discipline of any employee for poor casework performance, the fact that such employee's work load may have exceeded the caseload allocation factors.

For Eligibility Workers, "meeting standards" shall be based on 100% of the caseload allocation factors. Caseloads exceeding 100% fall into the category of "mitigating factors", as stated above.

20.3 Joint Quality Service Forum Committee (JQSFC)

The County and SEIU Local 521 remain committed to work together in partnership to ensure the Department of Social Services and the Department of Health and its workers represented in this bargaining unit provide quality services to the community in a culturally competent and relevant manner which also addresses the needs of the workforce providing the services.

The JQSFC of DSS and the JQSFC of the Behavioral Health Bureau of the Health Department shall each meet quarterly or as otherwise mutually agreed by the parties. The work of these separate committees may include, but is not limited to: review of workload issues and quality work environment for the employees; issues conducive to reducing errors, increasing effectiveness and improving customer services; establishing a regular, vested workforce by minimizing the use of temporary workers to the extent possible; addressing issues of cultural competence and relevance for the workers and the public; and legislative review efforts.

The Union shall remain involved in ongoing service initiatives, and subsequently be invited to participate as one of the County's many recognized stakeholders in the planning, design and implementation of any new initiatives from the onset. Examples of such initiatives include C4, Family to Family, etc.

Joint recommendations from established workload meetings to the DSS Department Head, where appropriate, shall be made by the full committee and the Department Head will respond to committee reports within forty-five (45) days of said recommendations.

Directors of Health and DSS will attend their respective JQSFC meeting once per year or as otherwise mutually agreed by the Department Head and the Committee.

20.4 Non-Grievable

Neither the recommendations of the above committee nor actions taken thereon shall be subject to the grievance procedure.

20.5 Mental Health Services Act

The Union supports the vision of the Mental Health Services Act and appreciates the emphasis on prevention, early intervention and voluntary services. Both the County and the Union recognize the shared values in the transformation of the mental health system. In recognition of this, the County will include the Union as a community stakeholder in the planning, design and implementation of the Mental Health Services Act.

Each computer shall be maintained by qualified personnel as often as necessary to assure proper working conditions in relation to health and safety.

Computers shall be fitted with glare screens as necessary, dependent on the state of computer technology. Dependent on the technology and office setting at the time of installation, appropriate seating arrangements shall be made and work stations shall be ergonomically configured as much as possible to prevent injuries.

D. Employees will be allowed to break from computer work and do other tasks for fifteen (15) minutes after two (2) hours of computer work.

E. No retaliation to the worker shall occur as a result of requesting an ergonomic evaluation of their workstation or common work areas. Under no circumstances will there be retaliation, harassment or intimidation of a worker for reporting health and safety hazards to Cal OSHA.

F. The County and the Union are mutually interested in preventing worksite injuries as evidenced by Union representation on the County's Workers' Compensation Advisory Committee.

Except as specifically provided in paragraph 2 above, it is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, although they may mutually agree otherwise, to negotiate with respect to any subject or matter covered herein or with respect to any other matter within the scope of negotiations, during the term of this Agreement.

Any agreement, alteration, understanding, variation, waiver, or modification of any of the terms or provisions contained herein shall not be binding upon the parties hereto unless made and executed in writing by all parties hereto, and if required, approved and implemented by the County's Board of Supervisors.
