Question	Request for Clarification/Question	County of Monterey Response
1	<ol style="list-style-type: none"> 1. My understanding was that the County would be issuing an RFP for general Construction Management Support (not just Correctional Facilities) – will there be another general Construction Management Support RFP in addition to this RFP? 2. Regarding “2.1.3.2 CONTRACTOR is responsible for the cost of the State level criminal background check(s). Exception: personnel who are designated to provide services at any of the Sheriff’s facilities are required to undergo fingerprinting and background checks through the Sheriff’s main office, at no cost to the CONTRACTOR.” – will these background checks be required in the Qualifications Package due on August 14, 2014? 3. Regarding “2.1.4 Certified Construction Manager accredited by the Construction Manager Certification Institute (CMCI) and/or by the American National Standards Institute (ANSI)” – If the proposing firm does not have this certification will they be disqualified? If it is a requirement must the Certified Construction Manager be an employee of the parent (proposing) firm or could it be a sub-consultant? 4. Regarding “2.1.6 CONTRACTOR’S project manager shall have a minimum of five (5) years of direct control managing correctional projects and past experience 	<p>1 – Yes. See RFQ 10476</p> <p>2 - No. They will be required after a contract for an actual project has been awarded.</p> <p>3 – A proposing firm who does not have under its employment at least one staff person with the accreditation will be disqualified. A subconsultant is not sufficient.</p> <p>4 - Yes. The proposing firm must have a project manager with a minimum of (5) years of direct control managing correctional projects and past experience working with the Board of State and Community Corrections.</p>
