Once all outstanding relevant claims and appeals are resolved, the Government shall amend the interim accounting to complete the final accounting and furnish the Non-Federal Sponsors with written notice of the results of such final accounting. The interim or final accounting, as applicable, shall determine *total study costs*, *study costs to be shared during the period of study*, and *excess study costs*. Each party shall pay an equal share of any costs for the services provided by such a third party as such costs are incurred. The existence of a dispute shall not excuse the parties from performance pursuant to this Agreement.

ARTICLE VI - MAINTENANCE OF RECORDS AND AUDIT

Upon request of the Non-Federal Sponsors and to the extent permitted under applicable Federal laws and regulations, the Government shall provide to the Non-Federal Sponsors and independent auditors any information necessary to enable an audit of the Non-Federal Sponsors' activities under this Agreement. The costs of any non-Federal audits performed in accordance with this paragraph shall be allocated in accordance with the provisions of OMB Circulars A-87 and A-133, and such costs as are allocated to the *Study* shall be included in *total study costs* and shared in accordance with the provisions of this Agreement.

C. In accordance with 31 U.S.C. 7503, the Government may conduct audits in addition to any audit that the Non-Federal Sponsors are required to conduct under the Single Audit Act Amendments of 1996. Any such Government audits shall be conducted in accordance with Government Auditing Standards and the cost principles in OMB Circular A-87 and other applicable cost principles and regulations. The costs of Government audits performed in accordance with this paragraph shall be included in *total study costs* and shared in accordance with the provisions of this Agreement.

ARTICLE VII - FEDERAL AND STATE LAWS

In the exercise of their respective rights and obligations under this Agreement, the Non-Federal Sponsors and the Government shall comply with all applicable Federal and State laws and regulations, including, but not limited to: Section 601 of the Civil Rights Act of 1964, Public Law 88-352 (42 U.S.C. 2000d) and Department of Defense Directive 5500.11 issued pursuant thereto and Army Regulation 600-7, entitled "Nondiscrimination on the Basis of Handicap in Programs and Activities Assisted or Conducted by the Department of the Army".

ARTICLE VIII - RELATIONSHIP OF PARTIES

A. In the exercise of their respective rights and obligations under this Agreement, the Government and the Non-Federal Sponsors each act in an independent capacity, and none are to be considered the officer, agent, or employee of the others.

B. In the exercise of its rights and obligations under this Agreement, no party shall provide, without the consent of the other parties, any contractor with a release that waives or purports to waive any rights the other parties may have to seek relief or redress against that contractor either pursuant to any cause of action that the other parties may have or for violation of any law.

ARTICLE IX - TERMINATION OR SUSPENSION

A. Prior to conclusion of the *period of study*, upon 30 calendar days written notice to the other party, either party may elect without penalty to terminate this Agreement or to suspend future performance under this Agreement. In the event that either party elects to suspend future performance under this Agreement pursuant to this paragraph, such suspension shall remain in effect until either the Government or the Non-Federal Sponsors elect to terminate this Agreement.

B. If at any time the Non-Federal Sponsors fail to fulfill their obligations under this Agreement, the Assistant Secretary of the Army (Civil Works) shall terminate this Agreement or suspend future performance under this Agreement unless the Assistant Secretary of the Army (Civil Works) determines that continuation of performance of the *Study* is in the interest of the United States or is necessary in order to satisfy agreements with any other non-Federal interests in connection with the *Study*.

C. In the event the Government projects that the amount of Federal funds the Government will make available to the *Study* through the then-current *fiscal year*, or the amount of Federal funds the Government will make available for the *Study* through the upcoming *fiscal year*, is not sufficient to meet the Federal share of *total study costs* that the Government projects to be incurred through the then-current or upcoming *fiscal year*, as applicable, the Government shall notify the Non-Federal Sponsors in writing of such insufficiency of funds and of the date the Government projects that the Federal funds that will have been made available to the *Study* will be exhausted. Upon the exhaustion of Federal funds made available by the Government to the *Study*, future performance under this Agreement shall be suspended. Such suspension shall remain in effect until such time that the Government notifies the Non-Federal Sponsors in writing that sufficient Federal funds are available to meet the Federal share of *total study costs* the Government projects to be incurred through the then-current or upcoming *fiscal year*, or the Government or the Non-Federal Sponsors elect to terminate this Agreement.

D. In the event that one or more of the Non-Federal Sponsors elects to terminate its responsibilities under this Agreement, and the remaining Non-Federal Sponsor(s) elects to continue to participate in the *Study*, the Government shall negotiate in good faith with the remaining Non-Federal Sponsor(s) to effect a timely and productive conclusion to that portion of the *Study* pertaining to the area of statutory authority applicable for the remaining Non-Federal Sponsor(s). The Government shall prepare a revised *PMP* and revised estimate of *total study costs* to complete that portion of the *Study* of interest to the remaining Non-Federal Sponsor(s). If the remaining Non-Federal Sponsor(s) elects to complete the *Study*, this Agreement shall be amended to reflect the negotiated revisions to the scope of the *Study* defined in Article I.A. of this Agreement and the estimate of *total study costs* in Article IV.A.1. of this Agreement. Amendments to this Agreement made pursuant to this paragraph shall reflect credits for the contribution of funds and *in-kind contributions* provided previously by all of the *Study* sponsors and shall reflect task reductions made as a result of withdrawal of any *Study* sponsor.

E. In the event that this Agreement is terminated pursuant to this Article, the parties shall conclude their activities relating to the *Study* and conduct an accounting in accordance with Article IV.C. of this Agreement. To provide for this eventuality, the Government may reserve a percentage of total Federal funds made available for the *Study* and an equal percentage of the total funds contributed by the Non-Federal Sponsors in accordance with Article II.C.1.b. of this Agreement as a contingency to pay costs of termination, including any costs of resolution of contract claims and contract modifications. Upon termination of this Agreement, all data and information generated as part of the *Study* shall be made available to the parties to the Agreement.

F. Any termination of this Agreement or suspension of future performance under this Agreement in accordance with this Article shall not relieve the parties of liability for any obligation previously incurred. Any delinquent payment owed by the Non-Federal Sponsors shall be charged interest at a rate, to be determined by the Secretary of the Treasury, equal to 150 per centum of the average bond equivalent rate of the 13 week Treasury bills auctioned immediately prior to the date on which such payment became delinquent, or auctioned immediately prior to the beginning of each additional 3 month period if the period of delinquency exceeds 3 months.

BOARD OF DIRECTORS-ZONE 7
SANTA CRUZ COUNTY FLOOD CONTROL
AND WATER CONSERVATION DISTRICT

SUBJECT: PAJARO RIVER FLOOD RISK REDUCTION PROJECT
GENERAL REEVALUATION REPORT
NEW FEASIBILITY COST SHARE AGREEMENT

Members of the Board:

A Design Agreement between the Department of the Army, Monterey County Water Resources Agency, and Zone 7 Santa Cruz County Flood Control and Water Conservation District was executed on November 26, 2007. The Design Agreement allowed the two non-Federal sponsors to contribute funds to maintain progress on the Pajaro River Flood Risk Reduction Project when no Federal funds were appropriated. At that time the cost share in the Design Agreement was established as a 75 percent Federal and a 25 percent non-Federal split. (With the December 2014 transmittal of \$200,000 non-Federal contribution, the 2007 Design Agreement has reached the 25 percent cap limit of allowable contributions).

Since the approval of the Design Agreement, the Federal guidelines have changed to an equal cost sharing agreement of 50 percent for both Federal and non-Federal sponsors. This change has given rise to recognition of a non-standard agreement for the Project, resulting in less competitive Federal appropriation requests.

Having met the 25 percent cap and based on the new Federal guidelines, a new, Agreement between the Department of the Army, Monterey County Water Resources Agency, and Zone 7 Santa Cruz County Flood Control and Water Conservation District has been prepared and is attached for your Board's review.

The new Agreement estimates that \$2 million shared equally between the Federal government and project sponsors will be required over a two to three year period to complete the study known as the General Reevaluation Report. According to conditions of the draft Agreement, the two non-Federal sponsors cited will each need to incrementally provide approximately \$500,000 over the study period. As your Board may recall, the non-Federal sponsor contributions are grant reimbursable through the Proposition 1E, Disaster Preparedness and Flood Prevention Bond Act of 2006 grant with the State of California.

On February 3, 2015, it was announced that \$700,000 was appropriated by the Federal government to the U.S. Army Corp of Engineers for continued planning associated with the project study. However, it should be noted that in the attached Agreement on Page 5, Article II, A7, the Agreement amount is blank. This amount will be filled in after the full Federal funding amount is provided, which is expected to occur very soon.

A balance of approximately \$3 million remains available on that Proposition 1E grant agreement. No overall net loss of District revenue is anticipated by executing the new Agreement. The Monterey County Water Resources Agency Board of Directors has already approved the draft Agreement. County Counsel has reviewed earlier drafts of the Agreement and has reviewed the final Agreement.

The new Agreement only goes forward in time from its date of execution. There is no retroactive contribution requirement. Execution of the Agreement brings forward a compliant 50 percent/50 percent cost share Agreement and thus offers the project study more Federal support for additional Federal appropriations.

It is therefore recommended that your Board take the following actions:

1. Approve the attached Feasibility Cost Share Agreement between the Department of the Army, Monterey County Water Resources Agency, and the Zone 7 District for the General Reevaluation Report for the Pajaro River Flood Risk Reduction Project, and authorize the Board Chair to sign the Agreement, once the full Federal funding amount is provided.
2. Direct Public Works to return the signed document to the Department of the Army for further processing.

Yours truly,

JOHN J. PRESLEIGH
Director of Public Works
