

DISCUSSION DRAFT

TRANSPORTATION INVESTMENT PLAN PROJECT LIST

Regional Safety & Local Road Improvements

Highway 68 - Monterey to Salinas - Safety & Traffic Flow

Make intersection and other operational improvements to increase safety and improve traffic flow between Toro Park and Highway 1.

Castroville Blvd @ Highway 156 Interchange & Blackie Road

Build a new interchange at Castroville Boulevard and Highway 156, with connections to Blackie Road to improve access for commercial traffic.

US 101 Salinas and South

Construct frontage roads along US-101 between South Salinas (Abbott Street on/offramp) and King City. Construct a new overcrossing or interchange between Spence Road and Abbott Street.

Highway 68 - Monterey to Pacific Grove – Safety

Make road, bike and pedestrian safety improvements on Holman Highway 68 between Highway 1 and Asilomar.

Marina - Salinas Multimodal Corridor (Imjin Road)

Widen Imjin Parkway from 2 to 4 lanes from Reservation Road to Imjin Road and make bike and pedestrian safety and transit improvements along the corridor.

Del Monte Corridor - Safety Improvements

Make safety and operational improvements on Del Monte Boulevard in Seaside and Monterey.

Biking, Walking, & Healthy Communities

Downtown Safety & Walkability Improvements

Support safe and vibrant downtowns by funding projects that will increase walkability and improve pedestrian and bicycle safety and access. Eligible projects include those that will reduce speeding traffic, create a network of walkways, provide bicycle parking, add landscaping or install safety lighting.

Safe Routes to Schools

Improve the safety and health of children by funding projects and programs (such as sidewalks, bikeways and educational programs) promote safe walking and bicycling to school.

Recreational Trails (including the Fort Ord Recreation Trail and Greenway)

Provide funding for maintenance of existing trails and for the creation of new paved regional trails and greenways that are transportation corridors that connect communities to open space and parks.

River Road Corridor - Safety Improvements and Bike Lanes

Construct bike lanes, directional signs and safety improvements along the winery corridor, including segments of River Road, Fort Romie Road, and Arroyo Seco Road.

Habitat Preservation / Advance Mitigation

Create a plan that identifies high quality habitat to acquire to replace land that is needed to construct transportation projects in this investment plan. The plan will allow early preservation of quality habitat, while reducing the cost and the time it takes to build transportation projects.

Bus Transit for Seniors, Youth and Working Families

Commuter Buses, Salinas Valley Bus Facilities, Vanpools

Fund new bus and vanpool service for workers to reach jobs throughout the region. Create or upgrade bus maintenance facilities in South Monterey County and Salinas to reduce operating costs.

Senior Transportation Services

Increase transportation options for older adults to support their ability to live independently in their homes and communities.

Highway 1 Traffic Relief – Busway

Create a new rapid bus corridor along Highway 1 between Marina and Monterey, utilizing the shoulder of the highway and / or portions of the parallel rail right-of-way, to provide a way for commuters to spend less time in traffic.
