EXHIBIT E:

ASSURANCE OF COMPLIANCE WITH

MONTEREY COUNTY CULTURAL COMPETENCY POLICY

In a culturally competent system, each provider organization shows respect for and responds to individual differences and special needs. Services are provided in the appropriate cultural context and without discrimination related to race, national origin, income level, religion, gender, sexual orientation, age, or physical disability, to name a few. Culturally competent caregivers are aware of the impact of their own culture on their relationships with consumers/families and know about and respect cultural and ethnic differences. They adapt their skills to meet each individual's/family's values and customs. Cultural competence is a developmental and dynamic process — one that occurs over time.

Organizations in a Culturally Competent Service System Promote:

Quality Improvement

- Continuous evaluation and quality improvement
- Supporting evidence-based, promising, community defined, and emerging practices that
 are congruent with ethic/racial/linguistic group belief systems, cultural values and helpseeking behaviors.

Collaboration

- Collaborating with Behavioral Health and other community programs
- Resolving barriers to partnerships with other service providers

Access

- Providing new services to unserved and underserved children, youth, adults and/or older adults
- Reducing disparities in access to, and retention in, care as identified in the Mental Health Services Act Plan
- Ensuring representation of mental health services consumers, family members of a mental health services consumer, and/or representatives from unserved communities on their advisory/governance body or committee for development of service delivery and evaluation (with a minimum target of 40%).
- Developing recruitment, hiring, and retention plans that are reflective of the population focus, communities' ethnic, racial, and linguistic populations.

Cultural Competent Services:

- Are available, accessible and welcoming to all clients regardless of race, ethnicity, language, age, and sexual orientation.
- Provide a physical environment that is friendly, respectful and inclusive of all cultures.
- Provide information, resources and reading materials in multilingual formats.
- Promote and foment culturally accepted social interactions, respect and healthy behaviors within the family constellation and service delivery system.
- Provide options for services, which are consistent with the client's beliefs, values, healing traditions, including individual preferences for alternative, spiritual and/or holistic approaches to health.
- Offer services in unserved and underserved communities.

- Have services available in the evening and on weekends to ensure maximum accessibility.
- Offer services in Spanish and other necessary languages (such as Tagalog, Vietnamese, Oaxacan, Triqui and other languages spoken of Monterey County residents).

Definitions for Cultural Competency

"Cultural Competence" is defined as a set of congruent practice skills, knowledge, behaviors, attitudes, and policies that come together in a system, agency, or among consumer providers, family members, and professionals that enables that system, agency, or those professionals and consumers, and family member providers to work effectively in cross-cultural situations.

(Adapted from Cross, et al., 1989; cited in DMH Information Notice No.02-03).

"Cultural Competence" is a means to eliminating cultural, racial and ethnic disparities. Cultural Competence enhances the ability of the whole system to incorporate the languages, cultures, beliefs and practices of its clients into the service. In this way all clients benefit from services that address their needs from the foundation of their own culture. Strategies for elimination of these disparities must be developed and implemented. Cultural Competence must be supported at all levels of the system.

(CMHDA Framework for Eliminating Cultural, Linguistic, Racial and Ethnic Behavioral Health Disparities)

[Cultural Competency] A set of congruent behaviors, attitudes, and policies that come together in a system, agency or amongst professionals and consumers and enables that system, agency or those professionals and consumers to work effectively in cross-cultural situations.

(Cross, Bazron, Dennis & Issacs, 1989)

The ability to work effectively with culturally diverse clients and communities.

(Randall David, 1994)

CONTRACTOR hereby agrees that it will comply with the principles and guidelines set forth in Monterey County's Health Department – Behavioral Health's Cultural Competency Policy (as outlined above), and will:

- 1. Develop organizational capacity to provide services in a culturally and linguistically competent manner. This may include: hiring staff with the linguistic capabilities needed to meet the diverse language needs in Monterey County (for example, Spanish, Tagalog, Vietnamese, Oaxacan, Triqui, American Sign Language (ASL), Middle Eastern languages); providing staff with training in cultural competency; making services accessible at locations and times that minimize access barriers, and ensuring that staff have an open, welcoming and positive attitude and feel comfortable working with diverse cultures.
- 2. Create a physical environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: decorating waiting and treatment areas with pictures that reflect the diverse cultures of Monterey County; providing reading materials, resources and magazines in varied languages, at appropriate

reading levels and suitable for different age groups, including children and youth; consideration of cultural differences and preferences when offering refreshments; ensuring that any pictures, symbols or materials on display are not unintentionally disrespectful to another culture.

- 3. Provide a services delivery environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: respect for individual preferences for alternative, spiritual and/or holistic approaches to health; a reception staff that is competent in the different languages spoken by consumers/families; staff that is knowledgeable of cultural and ethnic differences and needs, and is able and willing to respond an appropriate and respectful manner.
- 4. Support the county's goal to reduce disparities to care by increasing access and retention while decreasing barriers to services by unserved and underserved communities.
- 5. Include the voice of multi-cultural youth, client and family members, including: monolingual and bilingual clients and family members and representatives from unserved and underserved communities, in the advisory/governance body or committee for development of service delivery, planning and evaluation (County Goal: 40%).
- 6. Participate in outcome evaluation activities aimed at assessing individual organizations as well as countywide cultural competency in providing mental health services.
- 7. As requested, meet with the Monterey County Health Department Behavioral Health Director or designee to monitor progress and outcomes of the project.
- 8. Ensure that 100% of staff, over a 3 year period, participate in cultural competency training including, but not limited to, those offered by Monterey County Behavioral Health.

<u>Dissemination of these Provisions</u>. CONTRACTOR shall inform all its officers, employees, agents, and subcontractors providing services hereunder of these provisions.

By my signature below, as the authorized representative of the CONTRACTOR named below, I certify acceptance and understanding for myself and the CONTRACTOR of the above provisions.

Part 160 and Part 164, Subparts A and E as amended from time to time (the "Privacy Rule"), and with the Security Standards, 45 C.F.R. This Agreement sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information ("EPHI"), shall be handled. Should the due date fall on a weekend, such report(s) shall be due on the following business day.
 - 1. Failure to submit the Annual Report(s) within thirty (30) calendar days after the due date specified in this Exhibit I, Section I, Subsection (C) is a breach of this Agreement. In addition to, and without limiting, any other remedy available to the COUNTY for such breach, COUNTY may undertake any or all of the following to remedy such breach:

- a. COUNTY, in its sole and absolute discretion, may disallow claim(s) for payment for services/activities rendered during the fiscal year(s) for which the CONTRACTOR'S Annual Report(s) is (are) outstanding or withhold payment(s) for reimbursements payable pursuant to Section III (A) to CONTRACTOR for the current fiscal year by COUNTY to CONTRACTOR until the Annual Report(s) is (are) submitted. If COUNTY exercises its discretion to disallow claim(s) or withhold payment(s), COUNTY shall give CONTRACTOR written notice, during the thirty (30) calendar days after the due date specified in this Exhibit I, Section I, Subsection (C), of its intention to disallow claim(s) or withhold payment(s) as of the date specified in the notice, including the reason(s) for its intended action. Thereafter, CONTRACTOR, within the time specified in the notice, shall submit the Annual Report(s) to avoid disallowance of claims or withholding of payments.
- b. In such instance that CONTRACTOR does not submit the Annual Report(s) by thirty (30) calendar days after the applicable due date specified in this Exhibit I, Section I, Subsection (C), COUNTY, in its sole and absolute discretion, may deem as due and owing to COUNTY by CONTRACTOR all amounts paid pursuant to Section III (A) by COUNTY to CONTRACTOR for services/activities for the fiscal year(s) for which the Annual Report(s) is (are) outstanding. CONTRACTOR shall pay COUNTY according to the method described in this Exhibit I, Section IV (Method of Payments for Amounts Due to COUNTY). Such payments shall be submitted to the persons at the address identified in the COUNTY invoice.
- D. The Annual Report(s) shall be prepared by the CONTRACTOR in accordance with the instructions, rules, policies and procedures established by the Federal governments, State and COUNTY.

II. COST REPORT SETTLEMENT

 - 1. Failure to submit the CONTRACTOR'S Year-End Cost Report Settlement within thirty (30) calendar days after the due date specified by written notice of the COUNTY is a breach of this Agreement. In addition to, and without limiting, any other remedy available to the COUNTY for such breach, COUNTY may undertake any or all of the following to remedy such breach:
 - a. COUNTY, in its sole and absolute discretion, may disallow claim(s) for payment for services/activities rendered during the fiscal year(s) for which the CONTRACTOR'S Year-End Cost Report Settlement is outstanding or withhold payment(s) for reimbursements payable pursuant to Section III (A)

- to CONTRACTOR for the current fiscal year by COUNTY to CONTRACTOR until the CONTRACTOR'S Year-End Cost Report Settlement is submitted. If COUNTY exercises its discretion to disallow claim(s) or withhold payment(s), COUNTY shall give CONTRACTOR written notice, during the thirty (30) calendar days after the due date specified by the COUNTY, of its intention to disallow claim(s) or withhold payment(s) as of the date specified in the notice, including the reason(s) for its intended action. Thereafter, CONTRACTOR, within the time specified in the notice, shall submit the CONTRACTOR'S Year-End Cost Report Settlement to avoid disallowance of claim(s) or withholding of payment(s).
- b. In such instance that CONTRACTOR does not submit the CONTRACTOR'S Year-End Cost Report Settlement by thirty (30) calendar days after the applicable due date specified by written notice of the COUNTY, COUNTY, in its sole and absolute discretion, may deem as due and owing to COUNTY by CONTRACTOR all amounts paid pursuant to Section III (A) by COUNTY to CONTRACTOR for services/activities for the fiscal year(s) for which the CONTRACTOR'S Year-End Cost Report Settlement is outstanding. CONTRACTOR shall pay COUNTY according to the method described in this Exhibit I, Section IV (Method of Payments for Amounts Due to COUNTY). Such payments shall be submitted to the persons at the address identified in the COUNTY invoice.
- B. All payments made to the CONTRACTOR and the actual Federal Financial Participation (FFP) revenue generated by the CONTRACTOR shall be reconciled with CONTRACTOR'S Year-End Cost Report Settlement and/or State Cost Report Settlement. CONTRACTOR'S Year-End Cost Report Settlement shall be based upon the allowable costs as stipulated in Exhibit B, Section VI, Subsection B, less any deductible revenues collected by CONTRACTOR from other payor sources. FFP revenue shall be based upon the FFP claimed by the CONTRACTOR in accordance to the provision of Exhibit B and the reconciled amount of FFP as reflected in the State Cost Report Settlement. Such settlement shall be subject to the terms and conditions of this Agreement and all other applicable Federal, State and local statutes, regulations, policies, procedures and/or other requirements. In addition, audit procedures may be performed by the COUNTY in accordance with the Generally Accepted Accounting Principles and Generally Accepted Auditing Standards.
- C. COUNTY shall issue its findings regarding CONTRACTOR'S Year-End Cost Report Settlement and/or State Cost Report Settlement ("COUNTY'S Findings") at any time after the COUNTY received the calculation of the cost settlement from the CONTRACTOR and/or COUNTY completed the State Cost Settlement process.
 - 1. As part of its cost report settlement, COUNTY shall identify any amounts due to CONTRACTOR by the COUNTY or due from the CONTRACTOR to the COUNTY.

- 2. Upon issuance of the COUNTY'S Findings, CONTRACTOR may, within thirty (30) calendar days, submit a written request to the COUNTY for review of the Findings.
 - a. Upon receipt by COUNTY of the CONTRACTOR'S written request, the COUNTY shall, within thirty (30) calendar days, meet with the CONTRACTOR to review the COUNTY'S Findings and to consider any documentation or information presented by the CONTRACTOR. CONTRACTOR may waive such meeting and elect to proceed based on written submission at its sole discretion.
 - b. Within thirty (30) calendar days of the meeting specified in Subsection C., 2., a. above, or if no meeting is requested, within thirty (30) calendar days of the issuance of the COUNTY'S Findings, COUNTY shall issue a final cost report settlement finding to the CONTRACTOR including confirming or adjusting any amounts due to CONTRACTOR by the COUNTY or due from CONTRACTOR to the COUNTY.
- 3. In the event that the COUNTY'S Findings indicates that the CONTRACTOR is due payment from the COUNTY, COUNTY shall make payment to CONTRACTOR within thirty (30) calendar days following the expiration of the date to request a review as specified in Paragraph C., 2. above or issuance of the COUNTY'S Findings as specified in Paragraph C., 2., b. above, whichever is later.
- 4. In the event that the COUNTY'S Findings indicates that the CONTRACTOR owes payments to the COUNTY, CONTRACTOR shall make payment to the COUNTY within thirty (30) calendar days following the expiration of the date to request a review as specified in Paragraph C., 2. above or issuance of the COUNTY'S Findings as specified in Paragraph C., 2. b. above, whichever is later. Said payment shall be submitted to the person and at the address identified in the COUNTY invoice.
- 5. Regardless of any other provision of this Section II, reimbursement to CONTRACTOR shall not exceed the Maximum Contract Amount and shall not exceed the Maximum Program Amount for each Funded Program, as identified in Exhibit B.

III. COST REPORT TRAINING

CONTRACTOR shall attend a one-time mandatory cost report training provided by the COUNTY. COUNTY shall provide further cost report training as needed and/or as required according to changes in the State cost report requirements. Failure by the CONTRACTOR to attend the one-time mandatory cost report training, and subsequent training(s), as needed and requested by the COUNTY, may result in disallowance of any claims for payment. If CONTRACTOR continues to neglect attendance to scheduled

training(s), claims for payment shall be disallowed due to delayed training completion or non-compliance.

IV. AUDIT(S) AND AUDIT APPEALS

- A. At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with Federal and State law including but not limited to the California Welfare and Institutions Code (WIC) Sections 14170 et seq., authorized representatives from the Federal governments, State or COUNTY may conduct an audit of CONTRACTOR regarding the services/activities provided under the fiscal year(s) for which the audit is outstanding. In addition, contract compliance audits or reviews may be conducted by the Monterey County's Auditor-Controller's Office or designated representative. Furthermore, the California State Controller Office performs audits of the mandated cost claims for the seriously emotionally disturbed pupils for the Out-of-State Mental Health Services Program and Handicapped and Disabled Students Programs. The Centers for Medicare and Medicaid Services (CMS) also perform audits of the Certified Public Expenditure (CPE) processes, negotiated rate audit information, and other issues.
- B. Settlement of audit findings shall be conducted according to the auditing party's procedures in place at the time of the audit.
- C. In the case of a Federal Government or State audit, COUNTY may perform a post-audit based on Federal or State audit findings. Such post-audit shall take place when the Federal Government or State initiates its settlement action, which customarily is after the issuance of the audit report by the Federal Government or State and before the Federal Government or State's audit appeal process.
 - 1. If the Federal Government or State stays its collection of any amounts due or payable because of the audit findings, COUNTY shall also stay its settlement of the same amounts due or payable until the responsible auditing party initiates its settlement action with COUNTY.
 - 2. COUNTY shall follow all applicable Federal, State and local laws, regulations manuals, guidelines and directives in recovering from CONTRACTOR any amount due to the COUNTY.
 - 3. COUNTY shall issue an invoice to CONTRACTOR for any amount due to the COUNTY no later than ninety (90) calendar days after the Federal or State issues its audit settlement letter to the COUNTY.
