This resolution is made with reference to the following facts and circumstances:

A. On February 23, 2016, the County Registrar of Voters received a proposed initiative to amend the County's General Plan, Local Coastal Program and Fort Ord Master Plan.

B. The purpose of the initiative as stated therein is to "protect Monterey County's water, agriculture, lands, air quality, scenic vistas, and quality of life by prohibiting the use of any land within the County's unincorporated area for well stimulation treatments, including, for example, hydraulic fracturing treatments (also known as "fracking") and acid well stimulation treatments. The Initiative also prohibits and phases out land uses in support of oil and gas wastewater (which the Initiative defines) disposal using injection wells or disposal ponds in the County's unincorporated area."

C. Consistent with State law, the following County Counsel prepared ballot title and summary were attached to the Initiative for signature gathering circulation:

Title:

Initiative to Prohibit Fracking and Oil and Natural Gas Well Stimulation Treatments, Prohibit Oil and Natural Gas Wastewater Injection and Impoundment, and Limit New Oil and Natural Gas Operations in Unincorporated Monterey County.

Summary:

An initiative to amend the Monterey County General Plan, Local Coastal Program Plans, and Fort Ord Master Plan to: (1) prohibit the use of land within the County's unincorporated (non-city) areas for hydraulic fracturing treatments ("fracking"), acid well stimulation treatments, and other well stimulation treatments; (2) prohibit new and phase out existing land uses that utilize oil and gas wastewater injection and impoundment; and, (3) prohibit the drilling of new oil and gas wells in the County's unincorporated areas. The initiative does not otherwise affect existing oil and gas wells and operations in the unincorporated County, and does not apply to offshore oil and gas operations.

D. On June 1, 2016, the Board of Supervisors received the Registrar of Voters' certification under Elections Code section 9118 that the Initiative received the requisite number

of signatures to qualify the measure for adoption, placement on the ballot or preparation of impact reports.

E. On June 1, 2016, the Board voted to place the Initiative measure on the November 2016 election ballot.

F. The State of California is holding a statewide general election on November 8, 2016.

G. The Board of Supervisors is authorized by Sections 10400-10401 of the California Elections Code to consolidate two or more elections which are called to be held on the same day in the same territory;
