Board Report

Legistar File Number: 16-939

August 23, 2016

Introduced: 8/11/2016

Version: 1

Current Status: Agenda Ready

Matter Type: General Agenda Item

Acting as the Board of Directors of the Successor Agency to the Redevelopment Agency of the County of Monterey:

- a. Find the action to be categorically exempt from CEQA;
- b. Approve transfer of ownership by quitclaim to the County of Monterey of properties on the former Fort Ord known as the "Landfill Border Parcels":
 - Assessor's Parcel No. 031-101-040 (Parcel E8a.1.3);
 - Assessor's Parcel No. 031-101-041 (Parcel E8a.1.4) and Assessor's Parcel No. 031-101-042 (Parcel E8a.1.5) (one deed);
 - Assessor's Parcel No. 031-101-056 (Parcel E8a.1.1.2); and
- c. Authorize the Chair of the Board to sign the three Quitclaim Deeds.

RECOMMENDATION:

It is recommended that the Board of Supervisors, acting as the Board of Directors of the Successor Agency to the Redevelopment Agency of the County of Monterey:

- a. Find the action to be categorically exempt from CEQA;
- b. Approve transfer of ownership by quitclaim to the County of Monterey of properties on the former Fort Ord known as the "Landfill Border Parcels":
 - Assessor's Parcel No. 031-101-040 (Parcel E8a.1.3);
 - Assessor's Parcel No. 031-101-041 (Parcel E8a.1.4) and Assessor's Parcel No. 031-101-042 (Parcel E8a.1.5) (one deed);
 - Assessor's Parcel No. 031-101-056 (Parcel E8a.1.1.2); and
- c. Authorize the Chair of the Board to sign the three Quitclaim Deeds.

SUMMARY:

The recommended action will transfer to the County of Monterey ownership of four Successor Agency-owned properties located adjacent to the former landfill in the former Fort Ord in accordance with the provisions of the Successor Agency's Long-Range Property Management Plan.

DISCUSSION:

On October 18, 2001 the County entered into an *Implementation Agreement* with the Fort Ord Reuse Authority, whereby the County agreed to accept ownership of a total of 2,964 acres of property in the unincorporated area of the former Fort Ord which FORA received from the US Army. On August 15, 2006 the Board of Supervisors approved Resolution No. 06-243 authorizing conveyance of certain properties directly from FORA to the Redevelopment Agency of the County of Monterey. To date the County has accepted from FORA a total of 1,610 acres of properties, and the Redevelopment Agency has accepted a total of 324 acres of property.

California Assembly Bill 1X 26, enacted on June 28, 2011 and upheld by the California Supreme Court on December 29, 2011, dissolved all California redevelopment agencies effective February 1, 2011 through amendments to the California Health and Safety Code (the “Amended Code”). Pursuant to Sections 34173, 34175, and 34176 of the Amended Code, and by operation of law, the Successor Agency to the Redevelopment Agency of the County of Monterey has assumed the rights, duties, and obligations pertaining to all functions of the Original Agency, and as such has assumed the rights, duties, and obligations pertaining to the Property. Under the Amended Code, all property owned by (now former) redevelopment agencies must be disposed of, either through sale or other disposition, in accordance with a Long Range Property Management Plan (LRPMP) to be approved by the California Department of Finance (“DOF”).

On April 18, 2014 the Oversight Board of the Successor Agency to the Redevelopment Agency of the County of Monterey submitted its Long Range Property Management Plan (LRPMP) to the DOF. The LRPMP states that these properties are proposed to be transferred to the County to be managed in accordance with the Base Reuse Plan and habitat plans as open space.

On December 31, 2015 the DOF approved the disposition of the properties listed in the LRPMP in accordance with the Successor Agency’s recommendations.

The four properties proposed for transfer to the County at this time total 140 acres. They are located generally between Imjin Parkway and Intergarrison Road adjacent to the former landfill property (which is currently owned by the U.S. Army). The properties were transferred to the Redevelopment Agency by FORA via quitclaim deeds in 2006 and 2007. The properties are undeveloped.

All the properties are subject to the adopted Habitat Management Plan (HMP), the 1000-foot Closed Landfill Buffer Zone, and the DTSC Land Use Covenant relating to contaminated groundwater and methane recovery system.

- APN 031-101-040 (Parcel E8a.1.3) is 2.8 acres in size, and is designated as a Habitat Management Area in the County General Plan, the FORA Base Reuse Plan, and the FORA Draft Basewide Habitat Conservation Plan (HCP). It is also subject to the 2008 *Memorandum of Agreement regarding Habitat Management* among the Redevelopment Agency, the Fort Ord Reuse Authority, and Cypress Marina Heights LP. There will be minimal to no maintenance required.
- APN 031-101-041 (Parcel E8a.1.4) is 30.4 acres in size, and is partially designated as Habitat Management Area (28.7 acres) and partially as Planned Development Mixed Use (1.7 acres) in the County General Plan, the FORA Base Reuse Plan, and the FORA Draft Basewide Habitat Conservation Plan (HCP). The Habitat Management Area portion of the property is subject to the 2008 *Memorandum of Agreement regarding Habitat Management* among the Redevelopment Agency, the Fort Ord Reuse Authority, and Cypress Marina Heights LP. In 2009 the 1.7-acre “development” portion of this site was included in a formerly-proposed 58-acre light industrial subdivision and development project known as “Whispering Oaks”. This development was denied by

the County Board of Supervisors, and no other development project has been proposed since that time.

- APN 031-101-042 (Parcel E8a.1.5) is 21.4 acres in size and is designated as Habitat Management Area in the County General Plan, the FORA Base Reuse Plan, and the FORA Draft Basewide Habitat Conservation Plan (HCP). There will be minimal to no maintenance required.
- APN 031-101-056 (Parcel E8a.1.1.2) is 85.2 acres in size and is partially designated as Habitat Management Area (29 acres) and partially as Planned Development Mixed Use (56 acres) in the County General Plan, the FORA Base Reuse Plan, and the FORA Draft Base-wide Habitat Conservation Plan (HCP). In 2009 the development portion of the site was included in a proposed 58-acre light industrial subdivision and development known as “Whispering Oaks”. This development application was ultimately denied by the County Board of Supervisors in 2012. No other development project has been proposed since that time.

The recommended action is categorically exempt from CEQA in accordance with *CEQA Guidelines* Section 15325, Transfers of Ownership of Interest in Land to Preserve Existing Natural Conditions and Historical Resources.

By separate action on this date, the County Board of Supervisors will be asked to accept the three Quitclaim Deeds for these properties, to authorize the Chair of the Board to sign the certificate of acceptance and consent to recordation, and to direct the Clerk of the Board to record the deeds.

There are other Successor Agency owned properties identified in the Long Range Property Management Plan which will need to be disposed of in the near future. The properties indicated in this report are ready now, and transfer will facilitate the County’s ability to consider and possibly assist CSUMB in certain projects.

OTHER AGENCY INVOLVEMENT:

County RMA has been involved in all discussions relating to the potential transfer of properties owned by the Successor Agency.

FINANCING:

The costs for associated County staff to prepare the reports and Quitclaim Deed is considered reimbursable under the allocated funding for Successor Agency wind-down Administration. However, the DOF denied the SA request of \$250,000 Administrative Cost Allowance on the FY 2016-17 Redevelopment Obligation Payment Schedule (ROPS) for Administration under the Successor Agency Fund 406. Therefore there are not sufficient funds in the FY 2016-17 Adopted Budget for the Successor Agency Fund 406-1070-8421-DEO029 to cover the staff costs associated with transferring the SA properties to the County. Staff is tracking time spent on these and other administrative wind-down activities and plans to submit a revised FY 2016-17 ROPS in October 2017 requesting reimbursement of all administrative costs incurred and planned for in FY 2016-17. At this time staff costs are being absorbed within the current Adopted Budgets in which staff was budgeted under.
