The questions received to date are the following, along with their respective responses:

Question 1: *The signature page provided in current RFQ shows some incorrect dates. i.e. Issue date November 9, 2015 and Due date December 11, 2015. Will there be a new signature page distributed or should we mark this up in blue ink with correct dates?*

Answer 1: Attached to this Addendum is the updated Signature Page to be submitted with the RFQ package.

Question 2: *Per 7.5.6 Employee by Discipline, we are instructed to specify all staff members job titles and include their licenses. Does this pertain to all Wallace Group employees or just those staff members participating in the SOQ? Will the same apply to all subconsultants?*

Answer 2: Specify only staff members, including subconsultants, that will be participating in this RFQ (#1601).

Question 3: *We are instructed to “complete” Attachment J. Will this be our own fee schedule or should we use Exhibit 10-H Cost Proposal as our model?*

Answer 3: Please use Exhibit 10-H per the RFQ (#1601).

Question 4: *While not instructed, do we need to complete and submit a 10-O1 or O2 DBE commitment form, 10-Q Disclosure of Lobbying Activities form, and/or 15-H DBE Information Good Faith Efforts form?*

Answer 4: You do not need to submit with your RFQ package 10-Q Disclosure of Lobbying Activities and DBE forms. These forms will be requested from chosen firm(s) each time a project is assigned.

Question 5: *Is there a page limit for Attachment E (resumes of key personnel)?*

Answer 5: No.

Question 6: *Is there a page limit for Attachment F, Project Experience & References?*

Answer 6: No.

Question 7: *For Attachment F, Project Experience & References, can the three example projects and references for three similar projects overlap, or do they need to be from six different projects?*

Answer 7: The three (3) projects listed in “References” may also be described in “Project Experience” as long as three (3) DIFFERENT references are stated under “References”, i.e. different cities, counties, states, etc.

Question 8: *Section 6.2 appears to indicate that the firm must submit for all of the disciplines indicated. This will be as a multi-firm, multi-discipline team in one submittal. Please confirm.*

Answer 8: This RFQ will establish an on-call list of civil engineering firms that are able to perform the scope of work specified in the RFQ (#1601). The firms may be comprised of a prime consultant with various subconsultants for the various disciplines.
