MEMORANDUM FOR THE RECORD

Subj: PERMISSION TO USE SPACE ON NAVAL SUPPORT ACTIVITY MONTEREY

Ref: (a) ASN(I&E) Memorandum, DON Environmental Policy Memorandum 02-06:  
Streamlined Environmental Procedures Applicable to Non-BRAC Real Estate Actions

1. The Department of the Navy is re-issuing an Outgrant to Monterey County for a small equipment shelter and space on an existing communications tower at La Mesa Village for County of Monterey emergency services communication equipment. The tower and shelter are on a paved and fenced area. There is sufficient space on the tower and in the equipment shed for this equipment; no change in equipment or use is expected.
2. An ECP checklist was prepared for the initial outgrant in 2014. No changes have occurred on the property in subsequent years. A site inspection and general knowledge of current and past use of the facilities provides no reason to suspect any environmental condition that is inconsistent with this use. The planned use has no potential for significant environmental impact.
3. Based on these findings and in accordance with reference (a), it has been determined that no further action must be taken to document the property's condition or environmental impact of this event.
