To our Lodging Partners within the Monterey Bay Area,

The CAL FIRE Soberanes Incident Accommodations Unit would like to express our sincere gratitude for all the hard work and long hours our lodging partners have endured over the past several weeks during the Soberanes Incident. During our time of need for adequate rest, our lodging partners endured the economic impact of meeting the State per diem and provided rooms during the challenging week of the Annual Concourse D'elegance in Monterey, Carmel, Carmel by the Sea, Carmel Valley, Salinas, Soledad, and King City areas. Without all of this support, we would not be able to accomplish the monumental task of protecting the lives and property of the citizens that we serve.

We would like to thank the following lodging facilities that came to our aid during our time of need at the Soberanes Incident in Monterey County:
