SUMMARY:

The Monterey County Workforce Development Board (MCWDB), in collaboration with County Probation Department, submitted an application for the AB2060 Supervised Population Workforce Training Grant Program 2.0 (the Supervised Population Grant) in May 2016. The California Workforce Development Board notified MCWDB of the \$400,000 award in June 2016. The Supervised Population Grant is funded through the Governor's Recidivism Reduction Fund. The supervised population includes all persons who are on probation, mandatory supervision, or post release community supervision as defined in AB 2060 (Chapter 383, Statutes of 2014) and are supervised by, or are under the jurisdiction of a county. MCWDB formed partnerships with County Probation and local workforce development organizations such as Monterey County Office for Employment Training (OET), Rancho Cielo, Inc., (Rancho Cielo) and Turning Point of Central California, Inc., (Turning Point) to provide training and support to individuals supervised by County Probation. This grant is intended to improve employment outcomes for the supervised population through the creative and effective aligning of training, education, and other services for this population with the industries and employers driving regional employment.
