September 9, 2016

Jennifer Williams
Director of Development
Natividad Medical Center
PO Box 81611
Salinas, CA 93912-1611

Dear Ms. Williams:

It is my pleasure to inform you that on August 24, 2016 the Central California Alliance for Health's Board of Commissioners approved your Practice Coaching grant application for one Qualis Health consulting engagement for Natividad Medical Group.

Per your email on September 9, 2016, Natividad Medical Center has decided to decline the Capital Planning grant that was also approved by the Alliance Board on August 24, 2016.

Your Practice Coaching Grant Agreement can be viewed by logging into the Alliance's online grant portal at http://bit.ly/Alliance_Online_Grant_Portal. Your Grant Agreement establishes the purpose, terms and conditions of the grant award. Please review the Grant Agreement very carefully, including its reporting requirements. Grant funds will be distributed based upon the terms and payment schedule outlined in the Agreement. Your signed Grant Agreement is due to the Alliance by October 19, 2016 via submission on the online grant portal.

A Grantee Checklist outlining the key steps for grantees receiving Alliance grants is attached. If you have any questions, please contact Jessica Finney, Grant Program Manager, at jfinney@ccah-alliance.org or (831) 430-2547.

We are proud to partner with you to expand Medi-Cal capacity in our community, ensuring Medi-Cal members receive timely access to quality care.

Sincerely,

A handwritten signature in blue ink that reads "Kathleen McCarthy".

Kathleen McCarthy
Business Development Director
