MONTEREY COUNTY WATER RESOURCES AGENCY BOARD OF SUPERVISORS

Resolution No.

Resolution authorizing the Chair of the Board
of Supervisors of the Monterey County Water
(Nesources Agency to execute a Joint Powers
(Nethority agreement establishing the Salinas)
(Nalley Basin Groundwater Sustainability
(Negency)Agency.)

WHEREAS, in the fall of 2014 the California legislature adopted, and the Governor signed into law, three bills (SB 1168, AB 1739, and SB 1319) collectively referred to as the "Sustainable Groundwater Management Act" ("SGMA"), that initially became effective on January 1, 2015, and that has been amended from time-to-time thereafter; and

WHEREAS, the stated purpose of SGMA, as set forth in California Water Code section 10720.1, is to provide for the sustainable management of groundwater basins at a local level by providing local groundwater agencies with the authority, and technical and financial assistance necessary, to sustainably manage groundwater; and

WHEREAS, SGMA requires the designation of Groundwater Sustainability Agencies ("GSAs") for the purpose of achieving groundwater sustainability through the adoption and implementation of Groundwater Sustainability Plans ("GSPs") or an alternative plan for all medium and high priority basins as designated by the California Department of Water Resources; and

WHEREAS, SGMA requires that the Basin have a designated GSA by no later than June 30, 2017, and an adopted GSP by no later than January 31, 2020, if a high or medium priority basin in critical overdraft, and no later than January 31, 2022, if a high or medium priority basin; and

WHEREAS, SGMA authorizes a combination of local agencies to form a GSA by entering into a joint powers agreement as authorized by the Joint Exercise of Powers Act (Chapter 5 of Division 7 of Title 1 of the California Government Code) ("Act"); and

WHEREAS, representatives of the Water Resources Agency have been participating in meetings with other local agencies, stakeholders and interested parties in the Salinas Valley Groundwater Basin ("Basin") in a collaborative effort to develop a single GSA for the Basin; and

WHEREAS, the collaborative working group ("CWG") reached a consensus to recommend to those local agencies in the Basin entitled under SGMA to declare themselves a GSA to form a joint powers authority ("JPA") to be the GSA for the Basin, and that the local agencies become members of the JPA ("Members"); and

WHEREAS, the CWG also reached consensus and has recommended the material terms of a proposed JPA agreement to form the GSA for the Basin, to be called the Salinas Valley Basin Groundwater Sustainability Agency ("SVBGSA"); and

ATTACHMENT B

WHEREAS, the proposed Members are authorized to create the Agency for the purpose of jointly exercising those powers granted by the Act, SGMA, and any additional powers which are common among them; and

WHEREAS, each proposed Member is a local agency, as defined by SGMA, within that portion of the Basin within Monterey County, which is designated basin number 3-04 in Department of Water Resources Bulletin No. 118 (update 2016); and

WHEREAS, the area proposed to be managed by the Agency under SGMA would be the entirety of the Basin, consisting of seven sub-basins and that portion of the Paso Robles sub-basin within Monterey County (but not including the adjudicated Seaside sub-basin, or that area managed by any other GSA established through SGMA), each of which is designated as either a high or medium priority basin, and two of which (the 180/400 ft. aquifer and the Paso Robles sub-basin) are designated in critical overdraft; and

WHEREAS, the proposed Members, individually and collectively, have the goal of cost effective sustainable groundwater management that considers the interests and concerns of all beneficial uses and users of groundwater within and adjacent to the Basin; and

WHEREAS, the proposed Members intend to cooperate with adjacent GSAs such as any GSA formed over a portion of the Paso Robles sub-basin (3-04.06) within San Luis Obispo County, and the Pajaro Valley Water Management Agency; and

WHEREAS, the proposed Members intend to study the potential for state legislation to, among other amendments, amend the Water Resources Agency Act (Water Code Appendix Chapter 52) to modify the governance structure of the Agency in a form similar to the governance of the SVBGSA, and to establish that amended agency as the statutorily designated GSA for the Basin, or establish a new entity to be so designated; and

WHEREAS, the County of Monterey, the City of Salinas, and the Castroville Community Services District have executed the agreement, and other local agencies in the Basin have indicated an interest in becoming Members of the SVBGSA; NOW, THEREFORE,

BE IT RESOLVED, by the Board of Supervisors of the Monterey County Water Resources Agency as follows:

- 1. The above recitals are true and correct.
- 2. The Chair of the Board of Supervisors of the Water Resources Agency is hereby authorized and directed to execute for and on behalf of the Agency the Joint Exercise of Powers Agreement establishing the Salinas Valley Basin Groundwater Sustainability Agency, attached hereto as Exhibit 1, together with any modifications that, in the opinion of the General Manager and County Counsel are not material.
- 3. Staff is authorized and directed to take such other and further actions as may be necessary or appropriate to implement the intent and purposes of this Resolution.
