~~7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. 7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

8.0 INDEMNIFICATION.

"CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.~~

9.0 INSURANCE REQUIREMENTS.

9.01 Evidence of Coverage:

Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

9.02 Qualifying Insurers:

All coverage's, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to

the current Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Manager.

- 9.03 Insurance Coverage Requirements: Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial General Liability Insurance, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Business Automobile Liability Insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance, if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than \$1,000,000 each person, \$1,000,000 each accident and \$1,000,000 each disease.

(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance, if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than \$1,000,000 per claim and \$2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

9.04 Other Requirements:

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance. The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement form for Automobile Additional Insured endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.0 RECORDS AND CONFIDENTIALITY.

- 10.01 Confidentiality. CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.

CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three year period, then CONTRACTOR shall retain said records until such action is resolved.
- 10.04 Access to and Audit of Records. The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of \$10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.
- 10.05 Royalties and Inventions. County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

11.0 NON-DISCRIMINATION.

- 11.01 During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), or sexual orientation, either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal,

Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

13.0 INDEPENDENT CONTRACTOR.

13.01 In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is at all times acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or particular County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. If the Director of the Department of Managed Health Care or his/her successor requires further amendments to this Group Agreement, PLAN shall notify Contract Holder in writing of such amendments. The Contract Holder will have thirty (30) days from the date of PLAN's notice to accept or reject the proposed amendments by written notice of acceptance or rejection to PLAN. PLAN's performance of any obligation that depends on information to be furnished by Contract Holder or designee or Member will not arise prior to receipt of that information in the form requested by PLAN. Nor will PLAN be liable for any obligation due to information incorrectly supplied by Contract Holder or designee or Member. All records of Contract Holder that have a bearing on coverage shall be open for inspection by PLAN at any reasonable time.

The PLAN shall make all relevant business records, which apply to the administration of this contract, available to Contract Holder for inspection, at Contract Holder's expense, at the PLAN's or designee's office, during regular business hours, upon reasonable advance request from Contract Holder. This includes, but is not limited to, the payment of Premiums or benefits. This applies whether or not the circumstances are the same.

9.9 Notices

Any notice required or permitted under this Group Agreement shall be in writing and shall be deemed to have been given on the date when delivered in person, or, if delivered by first-class United States mail, FedEx, or other traceable mail service, on the date mailed, proper postage prepaid, and properly addressed to the offices of the PLAN or Contract Holder.

Using Your Health Plan

Facilities and Provider Locations

Important: Please read the following information so you will know from whom or what group of providers you may get health care.

The Plan has contracted with providers throughout Santa Cruz and Monterey counties. For the locations of the Plan's Primary Care Provider's, specialists, hospitals, allied health providers, pharmacies and other providers, please look in your Provider Directory. If you need a Provider Directory, call Member Services at 1-800-700-3874 or go to our website, www.ccah-alliance.org.

Choosing a Primary Care Provider

Inside the Alliance Care IHSS Provider Directory or in the online directory at www.ccah-alliance.org, you will find a list of doctors and clinics that are contracted with the Plan. You will need to choose one to be your Primary Care Provider, or PCP for short. If you do not choose a PCP at the time you enroll in the Alliance Care IHSS Health Plan, the Plan will assign you to one. Your PCP can be a physician in family practice, general practice, internal medicine or obstetrics and gynecology.

Your PCP will coordinate your health care. He or she will take care of most of your health care needs, including preventive care, such as checkups and immunizations. Your PCP will refer you to specialty physicians when you need them. Your PCP will also make arrangements for hospital services if you need to go into the hospital, unless it is an emergency. If you do need care in the hospital, you will usually go to the hospital where your doctor normally sees patients.

When you change doctors, we will send you a new Alliance ID card in the mail. Your new card will have the name and phone number of your new doctor on it. It will also have the date that the change is effective. You must continue to see your old PCP until the change to your new PCP becomes effective.

We may ask you to change doctors if:

- Your doctor retires or leaves the area.
- Your doctor no longer accepts the Alliance health plan.
- You are unable to get along with your doctor.
- You make appointments but do not show up for them or call to cancel.
- You behave in a rude or abusive way or disrupt the doctor's office.

We will tell you in writing or by phone if we need to ask you to change doctors.

It is important to know that when you enroll in the Plan, services are provided through our network of providers. We cannot guarantee that any one doctor, clinic, hospital or other provider will always be part of our network.

Continuity of Care for New Members

Under some circumstances, the Plan will provide continuity of care for new Members who are receiving medical services from a Non-Contracted Provider, such as a doctor or hospital, when the Plan determines that continuing treatment with a Non-Contracted Provider is medically appropriate. If you are a new Member, you may request permission to continue receiving medical services from a Non-Contracted Provider if you were receiving this care before enrolling in the Plan and if you have one of the following conditions:

- An acute condition. Completion of covered services shall be provided for the duration of the acute condition.
- A serious chronic condition. Completion of covered services shall be provided for a period of time necessary to complete a course of treatment and to arrange for a safe transfer to another provider, as determined by the Plan in consultation with you and the Non-Contracted Provider and consistent with good professional practice. Completion of covered services may not exceed twelve (12) months from the time you enroll with the Plan.
- Pregnancy, including postpartum care. Completion of covered services shall be provided for the duration of the pregnancy.
- A terminal illness. Completion of covered services shall be provided for the duration of the terminal illness. Completion of covered services may exceed twelve (12) months from the time you enroll with the Plan.
- Performance of surgery or another procedure that your previous plan authorized as part of a documented course of treatment and that has been recommended and documented by the Non-Contracted Provider to occur within one hundred eighty (180) days of the time you enroll with the Plan.
- A child age 0-36 months whose parent wishes to keep the child's existing provider for up to twelve (12) months, whether in a course of active treatment or not.

- Performance of a surgery or other procedure that the Plan has authorized as part of a documented course of treatment and that has been recommended and documented by the Non-Contracted Provider to occur within one hundred eighty (180) days of the provider termination.
- A child age 0–36 months whose parent wishes to keep the child’s existing provider for up to twelve (12) months, whether in a course of active treatment or not.

Continuity of care will not apply to providers who have been terminated due to medical disciplinary cause or reason, fraud or other criminal activity. The terminated provider must agree in writing to provide services to you in accordance with the terms and conditions, including reimbursement rates, of his or her agreement with the Plan before termination. If the provider does not agree with these contractual terms and conditions and reimbursement rates, we are not required to continue the provider’s services beyond the contract termination date.

Please contact us at **1-800-700-3874** to request continuing care or to obtain a copy of our Continuity of Care policy. Normally, eligibility to receive continuity of care is based on your medical condition. Eligibility is not based strictly upon the name of your condition. Continuity of care does not provide coverage for benefits not otherwise covered under this agreement. If your request is approved, you will be financially responsible only for applicable copayments under this Plan.

We will notify you of our decision in writing. If we determine that you do not meet the criteria for continuity of care and you disagree with our determination, you can file a complaint. For more information about filing a complaint, please see the section of this document called, “The Grievance Process”.

If you have further questions about continuity of care, we encourage you to contact the Department of Managed Health Care, which protects HMO consumers, by telephone at its toll-free telephone number, **1-888-HMO-2219**, or at the TTY number for the hearing impaired, **1-877-688-9891** or online at www.hmohelp.ca.gov.

Prior Authorization for Services

Your Primary Care Provider will coordinate your health care needs and, when necessary, will arrange specialty care and services for you. In some cases, the Plan must authorize the services before you receive them. Mental health and substance use disorder services requiring prior authorization must be authorized by the Plan’s Contractor, OptumHealth.

Your PCP or the treating provider will obtain the necessary referrals and authorizations for you. Prior authorization means that both your doctor and the Plan or the Plan’s Contractor agree that the services you will get are medically necessary. If you need something that requires prior authorization, the health care provider will submit an Authorization Request. Your provider knows which services require prior authorization.

They include:

- Non-emergency hospital care.
- Some types of durable medical equipment, such as wheelchairs, orthotics and nebulizers.
- Some outpatient diagnostic tests, such as MRIs and PET scans.

Your PCP will refer you to an In Service Area Contracted Provider or a Local Out of Service Area Provider. If there are none available to see you, your PCP may request authorization from the Plan to refer you to an In Service Area Non-Contracted Provider or to an Out of Service Area Provider.

There are some services that you can receive without needing a referral from your PCP. These include family planning services. Women can also see an OB/GYN for a pap smear and breast exam. Pregnant Members can see an OB/GYN for pregnancy care without a referral. However, even though you do not need a referral to access these services, you must get them from an In Service Area Contracted Provider.

Standing Referrals

If you have a condition or disease that requires specialized medical care over a prolonged period of time, you may need a standing referral to a specialist to receive continuing specialized care. If you receive a standing referral to a specialist, you will not need to get authorization every time you see that specialist. You can get a standing referral to a specialist for up to one (1) year.

Additionally, if your condition or disease is life-threatening, degenerative or disabling, you may need to receive a standing referral to a specialist or specialty care center that has expertise in treating the condition or disease so that a specialist can coordinate your care.

To get a standing referral, call your Primary Care Provider. You may contact the Plan to request a list of In Service Area Contracted Providers or Local Out of Service Area Providers who have demonstrated expertise in treating the condition or disease for which you have been given a standing referral. If there are no In Service Area Contracted Providers or Local Out of Service Area Providers available to treat your condition or disease, your PCP may request authorization from the Plan to refer you to an In Service Area Non-Contracted or an Out of Area Provider. If you have any difficulty getting a standing referral, call Member Services at **1-800-700-3874**. If you feel that your needs have not been met after calling us, please see the grievance section of this document called "The Grievance Process".

If you see a specialist or receive specialty services before you receive the required referral, you will be responsible to pay for the cost of the treatment.

This is a summary of the Plan's specialist referral policy. To obtain a copy of our policy, please call Member Services at **1-800-700-3874**.

Getting a Second Opinion

Sometimes you may have questions about your illness or your recommended treatment plan. You may want to get a second opinion. You may request a second opinion for any reason, including the following:

- You question the reasonableness or necessity of a recommended surgical procedure.
- You have questions about a diagnosis or a treatment plan for a chronic condition or a condition that could cause loss of life, loss of limb, loss of bodily function or substantial impairment.
- Your provider's advice is not clear or it is complex and confusing.

If you would like to know if a particular drug is on the formulary list, or if you would like a copy of the Alliance formulary, you can call us at 1-800-700-3874 or go to our website, www.ccah-alliance.org. However, even if a drug is on the list, your doctor will be the one to decide which drug is best for you. Please talk to your doctor if you have questions about a medication or feel you need a specific drug.

Where to Get Your Prescriptions Filled

In our Provider Directory, you will find a list of pharmacies near you where you can get your prescriptions filled. You must go to one of those pharmacies for your prescription drugs. Some of the pharmacies in our network have locations throughout California. If you are traveling and need medication, you can call Member Services at 1-800-700-3874 to find out if there is a contracted pharmacy nearby.

If you need to get a prescription filled at an out-of-area pharmacy because of an emergency or for treatment of an urgent medical condition, please ask the pharmacy to call us at 1-800-700-3874. We will explain to the pharmacy how they can bill us for the medication. If you are asked to pay or have paid for medication related to emergency or urgent care services out of area, please call Member Services at 1-800-700-3874.

Prescription Drugs

Your costs:

- \$5 copayment per prescription for a 30-day supply of medication when generic is dispensed.
- \$15 copayment per prescription for a 30-day supply of medication when brand name is dispensed. When available, generic medications are required to be dispensed unless there is a medically necessary reason for brand name medications to be dispensed.

Injectable contraceptives and internally implanted contraceptive devices are covered under the medical benefit.

When you get your prescription filled, you will be given no more than a 30-day supply of medicine. You may get refills if your doctor wrote your prescription with refills. Usually, the pharmacy will call your doctor to check if you can get refills.

Maintenance Drugs

You must pay a \$5 copayment per prescription for a 90-day supply for generic medication or \$15 copayment per prescription for a 90-day supply for brand-name medication. The pharmacy is required to fill prescriptions with generic medications, when they are available, unless there is a medically necessary reason for brand-name medications.

Maintenance drugs are drugs that are prescribed for sixty (60) days or longer and are usually prescribed for chronic conditions, such as heart disease, diabetes or high blood pressure.

Getting Urgent Care

Urgent care services are services needed to prevent serious deterioration of your health resulting from an unforeseen illness, an injury, prolonged pain, or a complication of an existing condition, including pregnancy, for which treatment cannot be delayed. The Plan covers urgent care services any time you are outside our Service Area or on nights and weekends when you are

without prior authorization. If you are not sure if your condition is urgent, call your PCP if you are able.

You can also call the Alliance's Nurse Advice Line at 1-844-971-8907, 24 hours a day, 7 days a week at no cost to you. Hearing or speech impaired members can call the Alliance's Nurse Advice Line through the California Telecommunications Relay Service at 1-800-735-2929 (TTY/TDD) or 1-800-854-7784 (speech-to-speech).

Post Stabilization and Follow-up Care After an Emergency

Once your emergency medical condition has been treated at a hospital and an emergency no longer exists because your condition is stabilized, the doctor who is treating you may want you to stay in the hospital for a while longer before you can safely leave the hospital. The services you receive after an emergency condition is stabilized are called "post-stabilization services."

If the hospital where you received emergency services is a Non-Contracted Hospital, it must contact the Plan to get approval for the post-stabilization stay. If the Plan approves your continued stay in the Non-Contracted Hospital, you will not have to pay for services except for any copayments normally required by the Plan.

If the Plan has notified the Non-Contracted Hospital that you can safely be moved to one of the Plan's Contracted Hospitals, the Plan will arrange and pay for you to be moved.

If the Plan determines that you can be safely transferred to a Contracted Hospital, and you do not agree to you being transferred, the Non-Contracted Hospital must give you a written notice stating that you will have to pay for all of the cost of post-stabilization services provided to you at the Non-Contracted Hospital after your emergency condition is stabilized.

Also, you may have to pay for services if the Non-Contracted Hospital cannot find out what your name is and cannot get contact information at the Plan to ask for approval to provide services once you are stable.

If you think that you were wrongly billed for services that you received from a Non-Contracted Hospital following an emergency, contact the Alliance's Member Services Department at 1-800-700-3874, Monday-Friday, between 8:00 a.m. and 6:00 p.m.

After receiving any emergency or urgent care services, you will need to call your Primary Care Provider for follow-up care.

Non-Covered Services

The Plan does not cover medical services that are received in an emergency or urgent care setting for conditions that are neither emergencies nor urgent if you reasonably should have known that an emergency or urgent care situation did not exist. You will be responsible for all charges related to these services.

Services to Keep You Well

The Plan covers many services to help you stay well. These are called preventive health care services. Preventive care keeps you healthy. It can help catch and treat problems before they become serious. Preventive care includes:

- Regular check-ups.
- Immunizations (shots).
- Pap smears (for women).
- Mammograms (for women).
- Prenatal care (for pregnant women).

Look at the charts on the next two pages. They list the preventive check-ups that adults should have. They also show how often you should have these visits. There is a chart for when to have shots to keep you from getting sick. If you have questions about preventive health care, check with your doctor. Our Health Educators at **1-800-700-3874 ext. 5580** can also help. They speak English and Spanish.

An employee may enroll within ninety (90) days of losing other coverage by submitting to the Public Authority an enrollment or change of enrollment application in a form agreed upon by the Public Authority and the Plan. The employee requesting enrollment must have previously waived coverage for self when originally eligible because of the other coverage, continuation of other coverage must have expired or the other employer must have ceased making contributions toward the other coverage, and the loss of coverage must not be due to nonpayment or cause. The effective date of an enrollment resulting from loss of other coverage is no later than the first (1st) day of the second (2nd) month following the date that an enrollment or change of enrollment is submitted, as long as there are openings for additional subscribers.

You are not required to file a complaint with the Plan before asking the Department of Managed Health Care to review your case on an expedited review basis. If you decide to file a complaint with the Plan in which you ask for an expedited review, the Plan will immediately notify you in writing that:

- You have the right to notify the Department of Managed Health Care about your complaint involving an imminent and serious threat to health, and that
- We will respond to you and the Department of Managed Health Care with a written statement on the pending status or disposition of the complaint no later than seventy-two (72) hours from receipt of your request to expedite review of your complaint.

Independent Medical Reviews

If medical care that is requested for you is denied, delayed or modified by the Plan or a Plan provider, you may be eligible for an Independent Medical Review (IMR). If your case is eligible and you submit a request for an IMR to the Department of Managed Health Care (DMHC), information about your case will be submitted to a medical specialist who will review the information provided and make an independent determination on your case. You will receive a copy of the determination. If the IMR specialist so determines, the Plan will provide coverage for the health care services.

You can apply for an IMR if your Health Plan:

- Denies, changes or delays a service or treatment because the plan determines it is not medically necessary.
- Will not cover an experimental or investigational treatment for a serious medical condition.
- Will not pay for emergency or urgent medical services that you have already received.

If your complaint qualifies for expedited review, you are not required to file a complaint with the Plan prior to requesting an IMR. Also, the DMHC may waive the requirement that you follow the Plan's Grievance Process in extraordinary and compelling cases.

For cases that are not urgent, the IMR organization designated by DMHC will provide its determination within thirty (30) days of receipt of your application and supporting documents. For urgent cases involving an imminent and serious threat to your health, including but not limited to severe pain, potential loss of life, limb or major bodily function; the IMR organization will provide its determination within three (3) business days. At the request of the experts, the deadline can be extended by up to three (3) days if there is a delay in obtaining all necessary documents.

The IMR process is in addition to any other procedures or remedies that may be available to you. A decision not to participate in the IMR process may cause you to forfeit any statutory right to pursue legal action against the Plan regarding the care that was requested. You pay no application or processing fees for an IMR. You have the right to provide information in support of your request for IMR. For more information regarding the IMR process or to request an application form, please call the Alliance's Member Services Department at 1-800-700-3874.

If you do not pay any required premiums by the end of the grace period, your coverage will be terminated. General Information

Coordination of Benefits (COB) Applicability

Coordination of Benefits means that if you have more than one insurance carrier, there is a specific order as to which insurance will pay first and which will pay last. The one that is billed first is your primary insurance. The insurance that is billed next is your secondary insurance. Even if you have more than one insurance carrier, the provider cannot collect more than the rate set by the insurance carriers.

If you have Alliance Care IHSS and any other insurance, your Alliance Care IHSS insurance will be your primary insurance most of the time. There are some exceptions to this rule. For example, if you have insurance through another employer where you are the primary subscriber and you became enrolled in that insurance before you enrolled in Alliance Care IHSS, that insurance will be your primary insurance. But if you are the dependent on someone else's insurance and have Alliance Care IHSS, Alliance Care IHSS will be your primary insurance. If you have questions about which insurance is your primary, please call Member Services.

When you have more than one insurance carrier, the provider bills your primary insurance first. After the primary insurance pays, the provider then sends a claim to the secondary insurance.

Here is an example of how benefits are coordinated between primary and secondary insurance carriers:

Your doctor's charge for an office visit	The amount your primary insurance allows for an office visit	The amount your secondary insurance allows for an office visit	The secondary insurance allowable is less than what the primary has already paid the doctor, so it pays	Since the doctor has already been paid what your primary insurance allows, you owe
\$60	\$40	\$35	\$0	\$0

Coordination of benefits does not mean that you can add the two insurance payments together to pay the entire provider bill. It also does not mean that get to choose when to have one insurance be primary and when to have it be secondary.

Independent Contractors

Plan Providers are neither agents nor employees of the Plan, but are independent contractors. The Alliance regularly reviews the physicians who provide services to our Members. However, in no instance shall the Plan be liable for negligence or wrongful acts of omissions on the part of any person who provides services to you or your dependents, including any physician, hospital or other provider or their employees.

Provider Payment

The Plan contracts with doctors and other health care providers to provide services to Members. Providers are paid fee-for-service. This means that the doctors provide health care services to their patients, and then send a claim to the Plan for each of the services they give you. The Plan and these health care providers agree on how much is paid for each service.

Hospitals and other health facilities are paid a fixed amount of money for the services they provide that the Plan and the hospital or facility agree upon in advance.

If you would like more information about how providers are paid, please contact an Alliance Member Services Representative.

Reimbursement Provisions If You Receive a Bill

If you receive services in accordance with your benefits and the guidelines of the Alliance Care IHSS Health Plan, you should not be billed for covered services. The only amount you are responsible for would be any applicable copays. If you do receive a bill for services that are covered under the Alliance Care IHSS Health Plan, and you obtained benefits in accordance with Plan guidelines, follow these steps:

- Contact the provider or billing office. There is usually a phone number on the bill or statement that you are sent.
- Give them your insurance information. Tell them you are covered by the Alliance under the Alliance Care IHSS Health Plan, and give them your Alliance ID number.
- Ask them to bill the Plan for the service. If they need information on how to bill us, you can find our billing address and phone number on the back of your Alliance ID card.

If you still receive a bill from the provider after you have done this, please call Member Services at 1-800-700-3874. **Important Note:** Please do not wait until the bill is several months old or is in collections to call us. We will not be able to help you with bills that are more than one (1) year old.

Please note: If you are outside of the Plan's Service Area, you are only covered if you need emergency or urgent care services. Give the provider your Alliance ID card and ask them to send us an insurance claim form. Our billing address and phone number are on the back of your Alliance ID card.

Therefore, an increase in one line item will require corresponding decreases in other line items.

1.05 Payment in Full:

(a) If COUNTY certifies and pays the amount requested by CONTRACTOR, such payment shall be deemed payment in full for the month in question and may not thereafter be reviewed or modified, except to permit COUNTY's recovery of overpayments.

(b) If COUNTY certifies and pays a lesser amount than the amount requested, COUNTY shall, immediately upon certification of the lesser amount, notify CONTRACTOR in writing of such certification. If CONTRACTOR does not protest the lesser amount by delivering to COUNTY a written notice of protest within twenty (20) days after CONTRACTOR's receipt of the certification, then payment of the lesser amount shall be deemed payment in full for the month in question and may not thereafter be questioned by CONTRACTOR.

1.06 Disputed payment amount: If COUNTY pays a lesser amount than the amount requested, and if CONTRACTOR submits a written notice of protest to COUNTY within twenty (20) days after CONTRACTOR's receipt of the certification, then the parties shall

Such corrective action shall be completed and a written report made to the COUNTY concerning such action not later than thirty (30) days after the date of the COUNTY's written notice to CONTRACTOR.

2.04 Termination for cause: Notwithstanding Section 7.02 of the Agreement, if the corrective actions required above are not completed and the report to the COUNTY not made within thirty (30) days, the COUNTY may terminate this Agreement by giving five (5) days' written notice to CONTRACTOR.

2.05 Remedies for Inadequate Service Levels:

- a) For each month that service falls below 80% of the contracted level, CONTRACTOR shall submit to the COUNTY an analysis of the causes of the problem and any necessary actions to be taken to correct the problem. If the problem continues for another month, the COUNTY shall meet with CONTRACTOR to explore the problem and develop an appropriate written corrective action plan with appropriate time frames.
- b) If CONTRACTOR does not carry out the required corrective action within the time frame specified, sanctions shall be applied in accordance with funding source regulations.
- c) Notwithstanding Section 7.02 of the Agreement, if, after the COUNTY notifies CONTRACTOR of any sanctions to be imposed, CONTRACTOR continues in its failure to take corrective action, then COUNTY may terminate this contract by giving CONTRACTOR five (5) days' written notice.

EXHIBIT B

WHEREAS, Sections 261 through 264 of the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, known as "the Administrative Simplification provisions," direct the Department of Health and Human Services to develop standards to protect the security, confidentiality and integrity of health information; and

WHEREAS, pursuant to the Administrative Simplification provisions, the Secretary of Health and Human Services has issued regulations modifying 45 CFR Parts 160 and 164 (the "HIPAA Privacy Rule"); and

WHEREAS, CONTRACTOR and COUNTY have entered into an Agreement ("the Agreement") to which this Certification is an attachment whereby CONTRACTOR will provide certain services to COUNTY ; and

WHEREAS, CONTRACTOR may have access to Protected Health Information (as defined below) in fulfilling its responsibilities under the underlying Agreement.

THEREFORE, in consideration of the Parties' continuing obligations under the Agreement, compliance with the HIPAA Privacy Rule, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, CONTRACTOR agrees to the provisions of this Certification and of the HIPAA Privacy Rule and to protect the interests of COUNTY.

I. DEFINITIONS

Except as otherwise defined herein, any and all capitalized terms in this Section shall have the definitions set forth in the HIPAA Privacy Rule. In the event of an inconsistency between the provisions of this Certification and mandatory provisions of the HIPAA Privacy Rule, as amended, the HIPAA Privacy Rule shall control. Where provisions of this Certification are different than those mandated in the HIPAA Privacy Rule, but are nonetheless permitted by the HIPAA Privacy Rule, the provisions of this Certification shall control.

The term "Protected Health Information" means individually identifiable health information including, without limitation, all information, data, documentation, and materials, including without limitation, demographic, medical and financial information, that relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; and that identifies the individual or with respect to which there is a reasonable basis to believe the information can be used to identify the individual.

CONTRACTOR acknowledges and agrees that all Protected Health Information that is created or received by COUNTY and disclosed or made available in any form, including paper record, oral communication, audio recording, and electronic display by COUNTY, or its operating units, to CONTRACTOR or is created or received by CONTRACTOR on COUNTY's behalf shall be subject to this Certification.

EXHIBIT E

II. CONFIDENTIALITY REQUIREMENTS

- (a) CONTRACTOR agrees:
- (i) to use or disclose any Protected Health Information solely: (1) for meeting its obligations as set forth in any agreements between the Parties evidencing their business relationship or (2) as required by applicable law, rule or regulation, or by accrediting or credentialing organization to whom COUNTY is required to disclose such information, or as otherwise permitted under this Certification, or the underlying Agreement, (if consistent with this Certification and the HIPAA Privacy Rule), or the HIPAA Privacy Rule, and (3) as would be permitted by the HIPAA Privacy Rule if such use or disclosure were made by COUNTY; and
 - (ii) at termination of the Agreement, (or any similar documentation of the business relationship of the Parties), or upon request of COUNTY, whichever occurs first, if feasible CONTRACTOR will return or destroy all Protected Health Information received from or created or received by CONTRACTOR on behalf of COUNTY that CONTRACTOR still maintains in any form, and retain no copies of such information, or if such return or destruction is not feasible, CONTRACTOR will extend the protections of this Agreement to the information and limit further uses and disclosures to those purposes that make the return or destruction of the information not feasible; and
 - (iii) to ensure that its agents, including a subcontractor(s), to whom it provides Protected Health Information received from or created by CONTRACTOR on behalf of COUNTY, agrees to the same restrictions and conditions that apply to CONTRACTOR with respect to such information. In addition, CONTRACTOR agrees to take reasonable steps to ensure that its employees' actions or omissions do not cause CONTRACTOR to breach the terms of the Agreement.
- (b) Notwithstanding the prohibitions set forth in this Certification or the Agreement, CONTRACTOR may use and disclose Protected Health Information as follows:
- (i) if necessary, for the proper management and administration of CONTRACTOR or to carry out the legal responsibilities of CONTRACTOR, provided that as to any such disclosure, the following requirements are met:
 - (A) the disclosure is required by law; or
 - (B) CONTRACTOR obtains reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law, or for the purpose for which it was disclosed to the person, and the person notifies CONTRACTOR of any instances of which it is aware in which the confidentiality of the information has been breached;
 - (ii) for data aggregation services, if to be provided by CONTRACTOR for the health care operations of COUNTY pursuant to any agreements between the Parties evidencing their business relationship. For purposes of this Certification and the Agreement, data aggregation services means the combining of Protected Health Information by CONTRACTOR with the protected health information received by CONTRACTOR in its capacity as CONTRACTOR of another COUNTY, to permit data analyses that relate to the health care operations of the respective covered entities.

EXHIBIT E

- (c) CONTRACTOR will implement appropriate safeguards to prevent use or disclosure of Protected Health Information other than as permitted in this Certification. The Secretary of Health and Human Services shall have the right to audit CONTRACTOR's records and practices related to use and disclosure of Protected Health Information to ensure COUNTY's compliance with the terms of the HIPAA Privacy Rule. CONTRACTOR shall report to COUNTY any use or disclosure of Protected Health Information which is not in compliance with the terms of this Certification of which it becomes aware. In addition, CONTRACTOR agrees to mitigate, to the extent practicable, any harmful effect that is known to CONTRACTOR of a use or disclosure of Protected Health Information by CONTRACTOR in violation of the requirements of this Certification or the Agreement.

III. AVAILABILITY OF PHI

CONTRACTOR agrees to make available Protected Health Information to the extent and in the manner required by Section 164.524 of the HIPAA Privacy Rule. CONTRACTOR agrees to make Protected Health Information available for amendment and incorporate any amendments to Protected Health Information in accordance with the requirements of Section 164.526 of the HIPAA Privacy Rule. In addition, CONTRACTOR agrees to make Protected Health Information available for purposes of accounting of disclosures, as required by Section 164.528 of the HIPAA Privacy Rule.

IV. TERMINATION

Notwithstanding anything in this Certification or the Agreement to the contrary, COUNTY shall have the right to terminate the Agreement immediately if COUNTY determines that CONTRACTOR has violated any material term of this Certification and/or the Agreement. If COUNTY reasonably believes that CONTRACTOR will violate a material term of this Certification and/or the Agreement and, where practicable, COUNTY gives written notice to CONTRACTOR of such belief within a reasonable time after forming such belief, and CONTRACTOR fails to provide adequate written assurances to COUNTY that it will not breach the cited term of this Certification and/or the Agreement within a reasonable period of time given the specific circumstances, but in any event, before the threatened breach is to occur, then COUNTY shall have the right to terminate the Agreement immediately.

V. MISCELLANEOUS

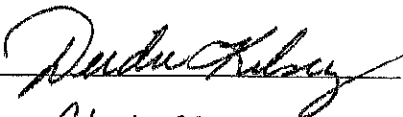

Except as expressly stated herein or the HIPAA Privacy Rule, the parties to the Agreement do not intend to create any rights in any third parties. The obligations of CONTRACTOR under this Section shall survive the expiration, termination, or cancellation of this Certification and/or the Agreement, and/or the business relationship of the parties, and shall continue to bind CONTRACTOR, its agents, employees, contractors, successors, and assigns as set forth herein.

The parties agree that, in the event that any documentation of the arrangement pursuant to which CONTRACTOR provides services to COUNTY contains provisions relating to the use or disclosure of Protected Health Information which are more restrictive than the provisions of this Certification or the Agreement, the provisions of the more restrictive documentation will control. The provisions of this Certification and the Agreement are intended to establish the minimum requirements regarding CONTRACTOR's use and disclosure of Protected Health Information.

EXHIBIT E

In the event that either party believes in good faith that any provision of this Certification and/or the Agreement fails to comply with the then current requirements of the HIPAA Privacy Rule, such party shall notify the other party in writing. For a period of up to thirty (30) days, the parties shall address in good faith such concern and amend the terms of this Certification and/or the Agreement, if necessary to bring it into compliance. If, after such thirty-day period, the Certification and/or the Agreement fails to comply with the HIPAA Privacy Rule, then either party has the right to terminate upon written notice to the other party.
