COMPENSATION

1. **Coverage Services.** Hospital shall pay to Contractor an amount equal to Three Thousand Five Hundred Dollars (\$3,500) per twenty-four (24) hour period of in-house Coverage Services provided pursuant to this Agreement, provided, however, that Contractor is in compliance with the terms and conditions of this Agreement. The Coverage Services stipend is inclusive of travel expenses, Contractor shall not receive additional reimbursement for travel expenses.

2. **Non-Clinic Uninsured Patient Services.**

a) Hospital shall pay to Contractor an amount equal to then-current (as of the date of service), facility-based, Medicare Physician Fee Schedule amount for Uninsured Services (as defined below) provided by Group Physician (the “**Uninsured Patient Compensation**”). The Uninsured Patient Compensation shall be Contractor’s sole and exclusive compensation for Uninsured Services provided by Group Physician pursuant to this Agreement and Contractor shall not seek further compensation from any other source. Contractor shall be paid on the CPT codes submitted and verified by Hospital professional billing office coders.

b) For purposes of this Agreement, “**Uninsured Services**” shall mean medically necessary, professional medical services that are rendered to Non-Clinic Patients at Hospital who are not insured for medical care by any third-party payor and ineligible for federal or state medical assistance under the Medicare or Medicaid programs (collectively, the “**Uninsured Patients**”). Contractor understands and agrees that the determination of whether a patient is uninsured may not be made until sometime after the date of service. Uninsured Services do not include any Professional Services provided by Contractor or any Group Physician to Excluded Patients.

c) Procedures with the following modifiers will be reimbursed at the Medicare allowable rate using the current established Medicare guidelines for reimbursement when using the modifier:

(i) Procedures that are or could be billed with the modifier 22 (unusual procedural services) will not be considered for additional reimbursement to be paid to Contractor; rather the procedure will be reimbursed at the Medicare allowable rate and if other modifiers are used, the procedure will be paid at the current established Medicare reimbursement rate applying Medicare guidelines for those modifiers.

(ii) If modifier 52 (reduced services) and/or 53 (discontinued services) is/are needed for billing, the percentage of the Medicare allowable rate to be paid to Contractor will be determined by the Hospital physician billing manager and the Hospital Chief Medical Officer (CMO).

(iii) Unless a code is specifically designated as an add-on code, the Medicare rules for multiple procedure guidelines shall apply (*i.e.*, the main procedure will be paid at one hundred percent (100%) and subsequent procedures will be paid at fifty percent (50%)), consistent with Medicare reimbursement guidelines for modifiers.

d) The Parties intend that Hospital will pay for Uninsured Services only if the Uninsured Patient has no means of paying for those services (*e.g.*, independent wealth, third-party payor, etc.). If it is later determined that an Uninsured Patient or a third-party payor will pay for the Uninsured Services the following shall apply:

(i) Hospital shall have the sole and exclusive right to bill, collect and own any and all fees that might be collected for Uninsured Services provided by Contractor pursuant to this Agreement. Contractor hereby grants Hospital the right to retain any and all collections received by Hospital for Contractor's Uninsured Services. In the event that Contractor receives any payment from third-party payors for Uninsured Services that Contractor furnishes pursuant to this Agreement, Contractor shall promptly turn over such payments to Hospital. Contractor shall designate Hospital as Contractor's attorney-in-fact for billing for Uninsured Services provided by Contractor pursuant to this Agreement.

(ii) For any procedure without an established RVU value and/or not listed procedure (*e.g.*, x stop), Hospital will reimburse Contractor based upon Hospital's reimbursement from a payor if Hospital has received payment from a payor. In the event no payment is received from a payor, no reimbursement will be made to Contractor.

(iii) The Parties agree to resolve any and all billing, collection and reimbursement disputes as expeditiously as possible, up to and including the dispute resolution procedure outlined in this Section 2. If a claim is disputed by a payor, Contractor will make every effort to assist the Hospital billing manager to resolve the claim, If the claim is denied by the payor, and no payment is received within twelve (12) months of the service date, the amount of the disputed claim will be adjusted (recouped) from future payments due to Contractor after the twelve (12) month period.

(iv) Hospital will adjust future invoices if Hospital is unable to recover payment for surgery/treatment due to a procedure being classified by a payor as non-payable (e.g., it is considered experimental, represents non-covered services, is categorized as medically unnecessary, or is otherwise excluded from coverage), or if Contractor is found to have breached a necessary reimbursement procedure (e.g., scheduling a procedure from its office and not obtaining the authorization for the procedure to be performed at Hospital). No payment will be allowed to Contractor in these circumstances. At its discretion and at its sole cost and expense, Contractor may appeal to the payor any determination that a procedure is non-payable.

e) Hospital shall pay to Contractor the Uninsured Patient Compensation, so long as Contractor submits a “**Non-Clinic Uninsured Patient Compensation Claim**”, attached hereto as **Attachment B**, with information relating to its patient encounters as follows:

- (i) It has been 90 - 180 days since the date of service(s);
- (ii) Contractor has made a reasonable effort to collect payment and has been rejected for payment by the responsible third party(ies) and/or patient(s) for the patient(s) listed below;
- (iii) Contractor has received notification from the third party(ies) and/or patient(s) that no payment will be made. Copies of denials from all payor sources are attached to this form;
- (iv) Contractor has verified that patient has not become eligible for a government sponsored program; and
- (v) Contractor has completed a 1500 billing form.

3. **Clinic Services.** Contractor shall provide Professional Services in the Clinics (“**Clinic Services**”) as requested by Hospital from time to time. In recognition of the mutual obligations of the Parties hereunder, Hospital and Contractor acknowledge that there shall be no monetary compensation to Contractor for the Clinic Services furnished by Contractor hereunder.

4. **Professional Liability Reimbursement.** In the event that Contractor does not purchase the professional liability insurance set forth in the Agreement, Hospital will deduct Twenty Dollars and Fifty-Two Cents (\$20.52) per 24 hour shift worked by Contractor to compensate for Hospital’s payment of professional liability insurance premiums on behalf of Contractor.

5. **Timing.** Hospital shall pay the compensation due for Services performed by Contractor after Contractor's submission of the monthly invoice of preceding month's activity and time report in accordance with this Agreement; provided, however, that if Contractor does not submit an invoice and time sheet within sixty (60) days of the end of the month during which Services were performed, Hospital shall not be obligated to pay Contractor for Services performed during that month. The County of Monterey Standard Payment Terms for contracts/PSAs and paying invoices is "30 days after receipt of the certified invoice in the Auditor-Controller's Office".

4.3 Automatic Termination. This Agreement shall automatically terminate without any further action of the Parties upon the termination or expiration of Business Associate's provision of Services to Covered Entity.

4.4 Effect of Termination. Upon termination or expiration of this Agreement for any reason, Business Associate shall return all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I) if, and to the extent that, it is feasible to do so. Prior to doing so, Business Associate shall recover any PHI in the possession of its subcontractors or agents. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall provide Covered Entity a statement that Business Associate has determined that it is infeasible to return or destroy all or some portion of the PHI in its possession or in possession of its subcontractors or agents. Business Associate shall extend any and all protections, limitations and restrictions contained in this Agreement to any PHI retained after the termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed.

5. MISCELLANEOUS

5.1 Survival. The respective rights and obligations of Business Associate and Covered Entity under the provisions of Sections 4.4, 5.1, 5.6, and 5.7, and Section 2.1 (solely with respect to PHI that Business Associate retains in accordance with Section 4.4 because it is not feasible to return or destroy such PHI), shall survive termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed. In addition, Section 3.1(i) shall survive termination of this Agreement, provided that Covered Entity determines that the PHI being retained pursuant to Section 4.4 constitutes a Designated Record Set.

5.2 Amendments; Waiver. This Agreement may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of the HIPAA, HITECH or Red Flag Rules is materially amended in a manner that changes the obligations of Business Associates or Covered Entities, the Parties agree to negotiate in good faith appropriate amendment(s) to this Agreement to give effect to the revised obligations. Further, no provision of this Agreement shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this Agreement is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.

5.7 Indemnification. Contractor shall indemnify, defend, and hold harmless the County of Monterey (hereinafter County), its officers, agents, and employees from any claim, liability, loss, injury, cost, expense, penalty or damage, including the County's reasonable cost of providing notification of and of mitigating any acquisition, access, use or disclosure of PHI in a manner not permitted by this BAA, arising out of, or in connection with, performance of this BAA by Contractor and/or its agents, members, employees, or sub-contractors, excepting only loss, injury, cost, expense, penalty or damage caused by the negligence or willful misconduct of personnel employed by the County. It is the intent of the parties to this BAA to provide the broadest possible indemnification for the County. Contractor shall reimburse the County for all costs, attorneys' fees, expenses, and liabilities incurred by the County with respect to any investigation, enforcement proceeding or litigation in which Contractor is obligated to indemnify, defend, and hold harmless the County under this BAA. This provision is in addition to and independent of any indemnification provision in any related or other agreement between the Covered Entity and the Business Associate.
