Grantor: Carranza

Parcels No.: 161-251-015

AGREEMENT FOR PURCHASE OF PROPERTY

This Purchase of Property Agreement is between the County of Monterey, a political subdivision of the State of California (Grantee), and Charles G. Carranza, Elvia Hilts, and Andre Carranza, Successor Trustees of THE CARRANZA FAMILY TRUST U/D/D February 29, 2012 (Grantor).

The parties hereby agree as follows:

1. PROPERTY

Grantor agrees to sell and Grantee agrees to purchase certain land described in Exhibit "A" – Legal Description (attached and incorporated by this reference) and Exhibit "B" – Plat to accompany Description (attached and incorporated by this reference), being a portion of property in Monterey County APN 161-251-015 (Project Property) for use by Grantee on the State Highway 68/Corral de Tierra Road Intersection Improvement (Project). Specifically, Grantor agrees to grant in fee on the terms and conditions set forth in this Agreement. The form of the Grant Deed is as depicted in Attachment A – Grant Deed (attached and incorporated by this reference).

2. DELIVERY OF DOCUMENTS

Concurrently with the execution of this Agreement, the Grant Deed shall be executed and delivered by Grantor to, Tom Ganyon Senior Right of Way Agent for Bender Rosenthal, Inc., acquisition agent, acting for the Grantee for the purpose of placing the Grant Deed into escrow. Prior to placing the Grant Deed into escrow, the purchase of the Project Property must be approved by the Monterey County Board of Supervisors. The Grant Deed shall be delivered in the manner described solely for the convenience of the parties. Grantee shall not be deemed to have accepted delivery of the Grant Deed until such time as the Grant Deed is recorded in the Official Records of Monterey County, California in accordance with written escrow instructions delivered to escrow by Grantee and Grantor.

This transaction shall be handled through an escrow with Chicago Title and Escrow Company. Within five (5) days after this Agreement is executed by Grantee and Grantor, Grantor shall complete, execute and deliver to Escrow Holder (i) an affidavit executed by Grantor certifying that Grantor is not a "foreign person" within the meaning of Internal Revenue Code Section 1445(f)(3), and meeting the requirements of Internal Revenue Code Section 1445(b)(2), and (ii) an original Withholding Exemption Certificate (California Form 590 or 590-RE, as applicable), fully executed by Grantor as required by the California Revenue and Taxation Code Section 18662, certifying that Grantor is not subject to tax withholding under applicable California law.

3. PURCHASE PRICE AND TITLE

The purchase price for the Grant Deed is **TEN THOUSAND NINE HUNDRED DOLLARS AND NO CENTS (\$10,900.00)**. Upon delivery of the Grant Deed, Title Company shall promptly deliver to Grantee a current preliminary title report. Grantee shall have ten (10) days from the date of receipt of the preliminary title report in which to review and approve the condition of title. Failure to review and approve the condition of title within said ten (10) days shall be deemed approval. Exceptions to title as disclosed in the preliminary title report and as approved by Grantee shall be conclusively deemed to be the "Permitted Exceptions".

Grantee shall deliver the purchase price into escrow promptly after delivery of the Grant Deed into escrow. Grantor shall grant to Grantee the Project Property, free and clear of title defects, liens, and encumbrances that would render the Project Property unsuitable for its intended purpose.

Escrow holder shall deliver the purchase price to Grantor, less Grantor's share of prorated taxes, if any, and any amounts necessary to place title in the condition required by this Agreement, when title to the Project Property vests in Grantee free and clear of all liens, encumbrances, taxes, assessments and leases recorded and unrecorded, except for the Permitted Exceptions. Good, marketable and insurable fee interest to the Project Property, subject only to the Permitted Exceptions, shall be evidenced by a CLTA extended coverage owner's policy of title insurance ("Title Policy"), with survey exception if Grantee elects not to obtain a CLTA survey for the Property. The Title Policy shall be in the amount of the Purchase Price, showing fee interest to the Project Property vested in Grantee, subject only to the Permitted Exceptions. It shall be a condition precedent to Grantee's obligations under this Agreement that escrow holder is able to issue the Title Policy to Grantee upon the close of escrow.

Grantee shall pay all costs of escrow and recording fees incurred in this transaction.

4. PRORATION OF TAXES

Grantor authorizes Grantee to deduct from the purchase price any amount necessary to satisfy any delinquent taxes, together with penalties and interest thereon, and any delinquent or non-delinquent assessments or bonds, which are to be cleared from the title to the Project Property.

5. WARRANTY OF STATUS OF TITLE

As a covenant that will survive the close of escrow, Grantor warrants that Grantor is the sole owner of the Property, free and clear of all liens, claims, encumbrances, easements, encroachments by improvements on the Project Property, or rights of way of any sort.

6. EASEMENTS WARRANTY

Grantor warrants to Grantee that the title conveyed to Grantor will not be encumbered by any easements, licenses, or other rights not disclosed by the public record.

7. LEASE WARRANTY

Grantor warrants that there are no oral or written leases on any portion of the Project Property and Grantor further agrees to hold harmless and reimburse Grantee for any and all losses or expenses resulting or arising from any lease on the Project Property.

8. POSSESSION

Grantee shall have the right of possession and use of the Project Property including the right to remove and dispose of improvements. Such possession shall commence at the time of recordation.

9. IMPROVEMENTS

Except as may be otherwise provided herein, the purchase price for the Project Property includes compensation for any and all improvements.

10. WARRANTY AGAINST MATERIAL DEFECTS

Grantor has no knowledge, actual or constructive, of any material defects in the Project Property.

11. HAZARDOUS WASTE MATERIAL

The Grantor hereby represents and warrants that during the period of Grantor's ownership of the Project Property, there have been no disposals, releases or threatened releases of hazardous substances on, from, or under the Project Property. Grantor further represents and warrants that Grantor has no knowledge of any disposal, release, or threatened release of hazardous substances, on, from, or under the Project Property which may have occurred prior to Grantor taking title to the Project Property.

The acquisition price of the Project Property being acquired in this transaction reflects the fair market value of the Project Property without the presence of contamination. If the Project Property being acquired is found to be contaminated by the presence of hazardous substances which requires mitigation under Federal or State law, the Grantee reserves the right to recover its clean-up costs from those who caused or contributed to the contamination or the grantor.

Grantor shall indemnify, defend with counsel acceptable to Grantee and hold harmless Grantee and Grantee's officers, representatives, agents and employees from and against any and all suits, damages, costs, fees, claims, demands, causes of action, losses, liabilities and expenses, including without limitation attorneys' fees, arising in conjunction with or as a result of Grantor's breach of any of its representations or warranties set forth in this Section 13, which representations and warranties shall survive close of escrow and recordation of the Grant Deed. As used in this Agreement the term "hazardous substances" means any and all chemicals, substances, wastes or materials which have been or are hereafter determined by any federal, state or local governmental Grantee to be capable of posing risk of injury to health or safety, including, without limitation, petroleum, asbestos, polychlorinated

biphenyls, radioactive materials and radon gas. Grantors obligations pursuant to this Section 13 shall survive the close of escrow and recordation of the Grant Deed.

12. SEVERABILITY

If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions shall continue in full force without being impaired or invalidated in any way.

13. GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the State of California.

14. PUBLIC PURPOSE

Grantee requires the Project Property for a public use, for the Project, and Grantee can acquire the Project Property through the exercise of the power of eminent domain. Grantor is compelled to sell, and Grantee is compelled to acquire the Project Property.

Both Grantor and Grantee recognize the expense, time, effort and risk to both Grantor and Grantee in resolving a dispute over compensation for the Project Property by eminent domain litigation; and, the compensation set forth herein is in compromise and settlement, in lieu of such litigation.

15. AUTHORITY AND EXECUTION

Each person executing this Agreement on behalf of a party represents and warrants that such person is duly and validly authorized to do so on behalf of the entity it purports to bind and if such party is a partnership, corporation or trustee, that such partnership, corporation or trustee has full right and authority to enter into this Agreement and perform all of its obligations hereunder.

16. ENTIRE AGREEMENT

This Agreement represents the full and complete understanding of the parties with respect to the Project Property and the Project. Any prior or contemporaneous oral or written agreements by and between the parties or their agents and representatives with respect to the Project Property or the Project are revoked and extinguished by this Agreement.
