Attn: Delinda Robinson, Senior Planner; Joe Sidor, Associate Planner

SUBJECT: California Flats Solar Project EIR Revised Contract Amendment
Request

Dear Ms. Robinson and Mr. Sidor:

The purpose of this letter is to request an amendment to the March 19, 2013 contract scope of work between Rincon Consultants, Inc. (Rincon) and the County of Monterey for the California Flats Solar Project EIR. The amendment would augment the EIR scope of work and budget to evaluate the revised project description and site plan submitted by the applicant in December 2013. The modifications include the following:

- Increasing the solar panel development area footprint from 2,030 acres to 2,120 acres;
- A new, 157-acre utility corridor to accommodate an above-ground temporary water pipeline, temporary pumping facilities, an electric distribution line, and a redundant communication line;
- A new high-capacity collection system line corridor;
- Relocation of the proposed northern substation and associated switching station;
- Re-alignment of the proposed crossing of Cottonwood Creek;
- Installation of up to four temporary water storage ponds;
- Increasing the construction staging areas located north of State Route (SR) 41; and
- Other minor modifications (e.g. increased height of operations and maintenance building, widened project driveway, elimination of a previously proposed well, elimination of previously proposed on-site water treatment, and the use of mud shaker plates in lieu of a tire washing station).

ADDITIONAL SCOPE ITEMS

Task 3.7 Review Updated Technical Memoranda. To account for the project description modifications, the applicant team will submit memoranda to the County updating the biological resources, cultural resources, drainage, and air quality/greenhouse gas technical analyses. The analyses corresponding to the previous project description were previously peer reviewed by Rincon. It is anticipated that the memoranda will include updated impact calculations and acreage summaries, as well as

any additional survey data. Rincon's review of the new memoranda will not include a formal peer review; however, the information will be critically reviewed prior to incorporation into the EIR, and any omissions or substantive errors will be discussed with the County. This task does not include the use of any technical subconsultants.

~~Rincon does not anticipate receiving updated technical memoranda for the following~~
issue areas: geology and soils, water supply, land use and planning, public services, transportation/traffic, and aesthetics. For these areas, Rincon will review the original technical studies (including those for which we provided a formal peer review) and confirm that additional study is not required.

Task 4.2 Update Acoustical Analysis. Rincon prepared an Acoustical Analysis for the project in August 2013. This report will be updated to reflect the current project description. It is anticipated that the project description changes will not require modifications to the noise modeling or technical analysis; rather, edits will be for consistency with the EIR project description only.

Task 7.1 Review and Modify Revised Project Description. As part of this task, Rincon will review the revised project description submitted to the County by the applicant team as ~~task~~ changes to the previously submitted Administrative Draft EIR project description, and accept and/or modify the ~~applicant changed track~~ changes therein, as appropriate. This task will include independent verification of the modifications, as well as revisions to the project description figures to reflect the current proposed site plan. If minor errors or omissions are discovered, Rincon will resolve the error internally as part of this task; however, if fundamental inconsistencies or other substantive errors are discovered, Rincon will alert the County immediately.

applicant team's tracked changes

Task 8.6 Prepare Second Administrative Draft EIR. Based on the project description revisions, the previously submitted ADEIR sections will require revision. In addition, sections not submitted to date (including biological resources, alternatives, and the water supply impact) will require updates for consistency with the current project description. For those sections already submitted, it is anticipated that the applicant team will provide track changes revisions to four impact sections reflecting necessary modifications based on the project description changes. As part of this task, Rincon will critically review these tracked changes, accepting and/or modifying them where appropriate. It is assumed that the applicant-provided modifications will generally capture the revisions to the project description, such that Rincon's additional independent effort will be relatively minor. Rincon will review the revised project description, and modify the EIR sections independently, as needed. This will include, but may not be limited to; revising technical information to account for the increased disturbance area and other project description modifications; revising references to project description details that have changed, such as the height of the panels; modifications to existing EIR figures; and other minor consistency edits.

This task additionally includes necessary revisions to the previously submitted ADEIR sections based on comments provided by the applicant to the County, which are

anticipated to be included as part of the forthcoming tracked changes ADEIR sections. It is anticipated that this task will require approximately 24 staff hours. However, if comments are substantial or require additional technical analysis, additional work effort may be required.

Once complete, the Second ADEIR will be submitted to the County for review. This ADEIR will include the previously excluded sections (biological resources, alternatives, water supply impact, and executive summary). This scope of work assumes that comments provided by the applicant on the Second ADEIR will be minor.

Project Management and Coordination. This scope amendment includes additional project management and coordination during review of the updated technical memoranda and preparation of the Second ADEIR.

Screencheck Draft EIR, Draft EIR, Administrative Final EIR, Screencheck Final EIR, and Final EIR. These tasks will be completed as outlined in the March 19, 2013 scope of work.

TIMELINE

With the exception of the second Administrative Draft EIR task, the following timeline is consistent with the March 19, 2013 contract scope of work.

- *Second Administrative Draft EIR:* The second Administrative Draft EIR will be completed within four weeks of County receipt of all additional technical information from the applicant. This assumes that review of the technical information does not identify issues that require resolution by the applicant team.
- *Screencheck Draft EIR:* Assuming that the County will deliver comments on the Administrative DEIR within three weeks, Rincon will produce the Screencheck Draft EIR within four weeks of receipt of staff comments. This schedule assumes that County comments are coordinated into a single consistent set of comments, and that no new substantial analysis will be needed as a result.
- *Draft EIR:* Assuming that the County will deliver comments on the Screencheck Draft EIR within one week, Rincon will produce the Draft EIR within one week of receipt of staff screencheck comments. This schedule also assumes that County comments are coordinated into a single consistent set of comments, and that no new substantial analysis will be needed as a result.
- *Administrative Final EIR:* Within six weeks of the close of the Draft EIR circulation period (this period is assumed to extend for seven weeks) and receipt of all written and oral comments, Rincon will deliver a Draft Response to Comments report. Together with any changes that might be required to the Draft EIR, this will constitute the Administrative Final EIR for County staff review.

EXHIBIT A -1 -- SCOPE OF SERVICES/PAYMENT PROVISIONS

California Flats Solar Project EIR
Revised Contract Amendment Request

- *Screencheck Final EIR:* Assuming that the County will deliver comments on the Administrative FEIR within three weeks, Rincon will produce the Screencheck Final EIR within two weeks of receipt of staff comments.
- *Final EIR:* Assuming that the County will deliver comments on the Screencheck Final EIR within one week, Rincon will produce the Final EIR within one week of receipt of staff screencheck comments. This schedule assumes County comments are coordinated into a single consistent set of comments.

Adhering to this schedule, the EIR will be prepared, reviewed by the public and decision-makers, and could be certified within about 33 weeks of receiving the applicant-provided technical memoranda. Assuming this information is received by January 31, 2014, the Final EIR will be complete by mid-September, 2014. Please note that the existing contract expires on September 30, 2014. Therefore, we request that the contract be extended by six months to March 31, 2015.

The ability to meet this schedule depends on the level of public comment, the number of public hearings needed, timely receipt of technical information, and staff's direction on addressing unanticipated issues that may arise during the process.

FEE ESTIMATE

We are requesting fees in the amount of \$38,350 to complete this revised scope of work, as shown in the table below. When added to the current authorized budget of \$208,945 (excluding contingency), the total revised budget would be \$247,295.

SECTION I – COVERED AUTOS

Item Two of the Declarations shows the "autos" that are covered "autos" for each of your coverages. The following numerical symbols describe the "autos" that may be covered "autos". The symbols entered next to a coverage on the Declarations designate the only "autos" that are covered "autos".

A. Description Of Covered Auto Designation Symbols

B. Owned Autos You Acquire After The Policy Begins

SECTION II - LIABILITY COVERAGE

A. Coverage

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of a covered "auto".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance has been exhausted by payment of judgments or settlements.

1. Who Is An Insured

The following are "insureds":

- a. You for any covered "auto".
- b. Anyone else while using with your permission a covered "auto" you own, hire or borrow except:
 - (1) The owner or anyone else from whom you hire or borrow a covered "auto". This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.
 - (2) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.
 - (3) Someone using a covered "auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is yours.

- (4) Anyone other than your "employees", partners (if you are a partnership), members (if you are a limited liability company), or a lessee or borrower or any of their "employees", while moving property to or from a covered "auto".
- (5) A partner (if you are a partnership), or a member (if you are a limited liability company) for a covered "auto" owned by him or her or a member of his or her household.
- c. Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.

2. Coverage Extensions

a. Supplementary Payments

In addition to the Limit of Insurance, we will pay for the "insured":

- (1) All expenses we incur.
- (2) Up to \$2,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.
- (3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.
- (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.
- (5) All costs taxed against the "insured" in any "suit" against the "insured" we defend.
- (6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend, but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

b. Out-Of-State Coverage Extensions

While a covered "auto" is away from the state where it is licensed we will:

- (1) Increase the Limit of Insurance for Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.
- (2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

This insurance does not apply to any of the following:

1. Expected Or Intended Injury

c. After the "pollutants" or any property in which the "pollutants" are contained are moved from the covered "auto" to the place where they are finally delivered, disposed of or abandoned by the "insured".

Paragraph a. above does not apply to fuels, lubricants, fluids, exhaust gases or other similar "pollutants" that are needed for or result from the normal electrical, hydraulic or mechanical functioning of the covered "auto" or its parts, if:

All "bodily injury", "property damage" and "covered pollution cost or expense" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

- a. Tapes, records, discs or other similar audio, visual or data electronic devices designed for use with audio, visual or data electronic equipment.
- b. Any device designed or used to detect speed measuring equipment such as radar or laser detectors and any jamming apparatus intended to elude or disrupt speed measurement equipment.
- c. Any electronic equipment, without regard to whether this equipment is permanently installed, that receives or transmits audio, visual or data signals and that is not designed solely for the reproduction of sound.
- d. Any accessories used with the electronic equipment described in Paragraph c. above.

Exclusions 4.c. and 4.d. do not apply to:

- a. Equipment designed solely for the reproduction of sound and accessories used with such equipment, provided such equipment is permanently installed in the covered "auto" at the time of the "loss" or such equipment is removable from a housing unit which is permanently installed in the covered "auto" at the time of the "loss", and such equipment is designed to be solely operated by use of the power from the "auto's" electrical system, in or upon the covered "auto"; or

b. Any other electronic equipment that is:

- (1) Necessary for the normal operation of the covered "auto" or the monitoring of the covered "auto's" operating system; or
- (2) An integral part of the same unit housing any sound reproducing equipment described in a. above and permanently installed in the opening of the dash or console of the covered "auto" normally used by the manufacturer for installation of a radio.

5. We will not pay for "loss" to a covered "auto" due to "diminution in value".

C. Limit Of Insurance

1. The most we will pay for "loss" in any one "accident" is the lesser of:
 - a. The actual cash value of the damaged or stolen property as of the time of the "loss"; or
 - b. The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality.
2. An adjustment for depreciation and physical condition will be made in determining actual cash value in the event of a total "loss".
3. If a repair or replacement results in better than like kind or quality, we will not pay for the amount of the betterment.

D. Deductible

For each covered "auto", our obligation to pay for, repair, return or replace damaged or stolen property will be reduced by the applicable deductible shown in the Declarations. Any Comprehensive Coverage deductible shown in the Declarations does not apply to "loss" caused by fire or lightning.

SECTION IV – BUSINESS AUTO CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

A. Loss Conditions

1. Appraisal For Physical Damage Loss

If you and we disagree on the amount of "loss", either may demand an appraisal of the "loss". In this event, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident" or "loss". Include:

- (1) How, when and where the "accident" or "loss" occurred;
- (2) The "insured's" name and address; and
- (3) To the extent possible, the names and addresses of any injured persons and witnesses.

- b. Additionally, you and any other involved "insured" must:

- (1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.
- (2) Immediately send us copies of any request, demand, order, notice, summons or legal paper received concerning the claim or "suit".
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit".

- (4) Authorize us to obtain medical records or other pertinent information.
- (5) Submit to examination, at our expense, by physicians of our choice, as often as we reasonably require.
- c. If there is "loss" to a covered "auto" or its equipment you must also do the following:
 - (1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.
 - (2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.
 - (3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.
 - (4) Agree to examinations under oath at our request and give us a signed statement of your answers.

3. Legal Action Against Us

No one may bring a legal action against us under this Coverage Form until:

- a. There has been full compliance with all the terms of this Coverage Form; and
- b. Under Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

4. Loss Payment – Physical Damage Coverages

At our option we may:

- a. Pay for, repair or replace damaged or stolen property;
- b. Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or
- c. Take all or any part of the damaged or stolen property at an agreed or appraised value.

If we pay for the "loss", our payment will include the applicable sales tax for the damaged or stolen property.

5. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

B. General Conditions

1. Bankruptcy

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this Coverage Form.

2. Concealment, Misrepresentation Or Fraud

This Coverage Form is void in any case of fraud by you at any time as it relates to this Coverage Form. It is also void if you or any other "insured", at any time, intentionally conceal or misrepresent a material fact concerning:

- a. This Coverage Form;
- b. The covered "auto";
- c. Your interest in the covered "auto"; or
- d. A claim under this Coverage Form.

3. Liberalization

If we revise this Coverage Form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

4. No Benefit To Bailee – Physical Damage Coverages

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

5. Other Insurance

- a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Liability Coverage this Coverage Form provides for the "trailer" is:
 - (1) Excess while it is connected to a motor vehicle you do not own.
 - (2) Primary while it is connected to a covered "auto" you own.
- b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".
- c. Regardless of the provisions of Paragraph a. above, this Coverage Form's Liability Coverage is primary for any liability assumed under an "insured contract".
- d. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

6. Premium Audit

- a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.
- b. If this policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

7. Policy Period, Coverage Territory

Under this Coverage Form, we cover "accidents" and "losses" occurring:

- a. During the policy period shown in the Declarations; and
- b. Within the coverage territory.

The coverage territory is:

- a. The United States of America;
- b. The territories and possessions of the United States of America;
- c. Puerto Rico;
- d. Canada; and
- e. Anywhere in the world if:
 - (1) A covered "auto" of the private passenger type is leased, hired, rented or borrowed without a driver for a period of 30 days or less; and
 - (2) The "insured's" responsibility to pay damages is determined in a "suit" on the merits, in the United States of America, the territories and possessions of the United States of America, Puerto Rico, or Canada or in a settlement we agree to.

We also cover "loss" to, or "accidents" involving, a covered "auto" while being transported between any of these places.

8. Two Or More Coverage Forms Or Policies Issued By Us

If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us apply to the same "accident", the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy. This condition does not apply to any Coverage Form or policy issued by us or an affiliated company specifically to apply as excess insurance over this Coverage Form.

Paragraph a. above does not apply to fuels, lubricants, fluids, exhaust gases or other similar "pollutants" that are needed for or result from the normal electrical, hydraulic or mechanical functioning of the covered "auto" or its parts, if:

An "insured contract" does not include that part of any contract or agreement:

- a. That indemnifies a railroad for "bodily injury" or "property damage" arising out of construction or demolition operations, within 50 feet of any railroad property and affecting any railroad bridge or trestle, tracks, roadbeds, tunnel, underpass or crossing; or

EXHIBIT A-2 – SCOPE OF SERVICES/PAYMENT PROVISIONS

This addition to the Agreement's Scope of Work (SOW) for the California Flats Solar Project Environmental Impact Report (EIR) (Project) responds to the number and complexity of comments received on the Draft EIR (DEIR), which exceeded the comments anticipated in the original SOW for this Project. Rincon Consultants, Inc. (Rincon) will prepare responses to the additional unanticipated comments which will require more Rincon staff time than currently allocated for this task. The additional SOW will also respond to the Project Applicant's request to review the Administrative Final EIR (AFEIR), and the new Appendix anticipated from Pacific Gas and Electric (PG&E) analyzing the proposed switching station.

ADDITIONAL SCOPE ITEMS

Task 10.1 AFEIR/Responses to Comments. The County of Monterey (County) received over four hundred (400) pages of comments in twenty-four (24) letters with ten (10) of the letters from public agencies. The letters include new information in the form of three (3) new biological resources studies supplied by the Project Applicant and a one hundred thirty-two (132) page letter provided by Adams, Broadwell, Joseph & Cardozo, including three (3) technical evaluations of biological resources, hazards and air quality, and hydrology. Based on Rincon's thorough review of these comments and discussions with County staff regarding approach to the most substantive comments, Rincon estimates that the responses to comments will require approximately two hundred seventy-four (274) hours of Rincon staff time.

These additional hours are comprised of both the time to draft the responses and the time to conduct additional analysis and/or revisions to the DEIR as warranted by the comments. Rincon understands that some of the technical comments related to biology, hydrology, air quality, and traffic will require additional information to be provided by the Project Applicant's technical consultants, and that Rincon can expect the Project Applicant and their consultants' cooperation in that regard, subject to County oversight and Rincon's review. The estimate of hours does not include the cost for Project Applicant consultant's time or expenses, but does include Rincon time to coordinate with County, including the Project Applicant's team on receipt and review of additional information. This coordination effort includes attendance at the two (2) meetings already held with County staff to discuss the comments (held on September 30 and October 2, 2014), compilation and submittal of a list of specific information requests for the Project Applicant's technical consultants, and one (1) additional meeting with County staff and the Project Applicant team to discuss the Project Applicant comments for which no changes to the EIR are anticipated.

The major components of the responses to comments effort will be as follows:

- Organizing, delineating and summarizing the individual comments;
- Preparing the responses to comments document, as otherwise described generally in Rincon's existing SOW;
- Coordinating with the Project Applicant's technical team to communicate information requests; and
- Peer reviewing (and modifying, where appropriate) responses and other new information provided by the Project Applicant team prior to incorporation into the Final EIR (FEIR).

EXHIBIT A-2 – SCOPE OF SERVICES/PAYMENT PROVISIONS

Task 10.3 Peer Review PG&E Technical Appendix. It is Rincon's understanding that PG&E plans to provide a new technical analysis to the County for inclusion in the FEIR. The new technical analysis will assess the impacts of the proposed PG&E switching station separate from the rest of the Project. This new Appendix will require Rincon's peer review prior to attachment to the FEIR.

Rincon will review the technical appendix, which is anticipated to draw heavily from the DEIR. It is assumed that most issue areas will be addressed relatively briefly (one (1) to two (2) pages), and will not require substantial Rincon staff effort to review and confirm findings. More detailed analysis of air quality and traffic is anticipated. Thus, Rincon has assumed additional time to verify new air quality calculations. In addition, Hexagon Transportation Consultants, Inc. (Rincon's subconsultant) will peer review the additional traffic analysis, including updated modeling and qualitative discussion. The findings of the peer review will be presented to the County in a brief memorandum. If revisions to the technical appendix are requested in Rincon's memorandum, six (6) additional Rincon staff hours have been included in this SOW to review the updated technical appendix.

Task 11.1 Revise AFEIR Based on Staff Comments. The Project Applicant's team has requested to review the AFEIR. To account for this review, this SOW includes sixteen (16) hours of Rincon staff time for comparing and synchronizing the Project Applicant and County comments, fifty-five (55) hours to revise the responses to comments and associated EIR textual changes, and thirty (30) hours for conference calls to discuss specific issue areas with the County and Project Applicant's team. This estimate includes one (1) conference call for air quality and Valley Fever, two (2) conference calls for biological resources, and two (2) additional conference calls for other technical issue areas, as needed. Each conference call is anticipated to take approximately two (2) Rincon staff hours and will require up to three (3) Rincon staff members.

Task 11.2 Publication of FEIR. This task includes additional Rincon staff time to address Project Applicant's team comments on the Screencheck FEIR (prepared in Task 11.1).

Task 13 Meetings and Hearings. As a result of ongoing coordination and standing meetings with the Project Applicant's team and County, the budget for Task 13, Meetings and Hearings, has been expended. To account for the need for Rincon staff to attend up to four (4) public hearings to consider the FEIR on the Project, this SOW includes staff time for Rincon's Project Manager and/or Principal-in-Charge to attend the hearings. This request additionally includes staff time for Rincon's Project Manager to attend up to six (6) additional meetings, beyond those previously assumed in tasks 10.1 and 11.1. Each meeting is anticipated to require two (2) Rincon staff hours.

Project Management/Coordination. This SOW includes additional project management and coordination during preparation of the AFEIR, addressing County and Project Applicant comments on the AFEIR, and publication of the FEIR.

TIMELINE

Once required information or supplementary responses are provided by the Project Applicant team, Rincon will complete the AFEIR/Responses to Comments in two (2) weeks. The ability to meet this schedule depends on timely receipt of technical information and responses from the

EXHIBIT A-2 – SCOPE OF SERVICES/PAYMENT PROVISIONS

Project Applicant's team and County staff's direction on addressing unanticipated issues that may arise during the process.

Once the PG&E technical appendix is received, Rincon will provide a peer review memorandum within two (2) weeks.

The time required to revise the AFEIR in accordance with the County and the Project Applicant's comments will depend on the extent of comments received, and the relative consistency between the sets of comments (with conflicting comments requiring additional time for coordination and resolution). If comments from the Project Applicant's team are generally consistent with the County's comments, it is anticipated that the Screencheck FEIR can be provided within two (2) to three (3) weeks.

FEE ESTIMATE

As shown in the attached table, Rincon estimates an additional fee of \$56,530 to complete this additional SOW. When added to the Agreement's current authorized Base budget of \$247,295 (excluding contingency), the total revised Base budget of the Agreement shall not exceed \$303,825.00.

Transfer of funding from the Project Contingency Account (contingency increased in the amount of \$19,785.50 for a total amount not to exceed \$122,916.25) requires the prior written approval of the Director of Planning and the Project Applicant.

A recommendation for such a transfer shall be presented in writing by CONTRACTOR to the Project Planner, with a duplicate original delivered to the Contract Administrator, at the earliest possible date. The recommendation shall include:

If necessary, reasonable efforts will be made to reach a compromise.

Upon receipt of the Project Applicant's written approval by the Director of Planning or designee, the funding transfer will be made. At the same time, a letter authorizing the work funded by the approved transfer will be sent to CONTRACTOR.

An "employee" of yours while operating an "auto" hired or borrowed under a written contract or agreement in that "employee's" name, with your permission, while performing duties related to the conduct of your business and within the scope of their employment. However, such person or organization is an "insured":

- (1) \$50,000; or
 - (2) The actual cash value of the damaged or stolen property as of the time of the "loss"; or
 - (3) The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality, minus a deductible.
- B. The deductible will be equal to the largest deductible applicable to any owned "auto" for that coverage.
- C. Subject to the limit, deductible and excess provisions described in this provision, we will provide coverage equal to the broadest coverage applicable to any covered "auto" you own.
- D. Subject to a maximum of \$1,000 per "accident", we will also cover the actual loss of use of the hired "auto" if it results from an "accident", you are legally liable and the lessor incurs an actual financial loss.
- E. This coverage extension does not apply to:
- (1) Any "auto" that is hired, rented or borrowed with a driver; or
 - (2) Any "auto" that is hired, rented or borrowed from your "employee".

We will pay up to \$75 per day for rental reimbursement expenses incurred by you for the rental of an "auto" because of "accident" or "loss", to an "auto" for which we also pay a "loss" under Comprehensive, Specified Causes of Loss or Collision Coverages. We will pay only for those expenses incurred after the first 24 hours following the "accident" or "loss" to the covered "auto."
- b. Rental Reimbursement will be based on the rental of a comparable vehicle, which in many cases may be substantially less than \$75 per day, and will only be allowed for the period of time it should take to repair or replace the vehicle with reasonable speed and similar quality, up to a maximum of 30 days.
- c. We will also pay up to \$500 for reasonable and necessary expenses incurred by you to remove and replace your tools and equipment from the covered "auto".
- d. This coverage does not apply unless you have a business necessity that other "autos" available for your use and operation cannot fill.

13. AUDIO, VISUAL AND DATA ELECTRONIC EQUIPMENT COVERAGE

SECTION III - PHYSICAL DAMAGE COVERAGE, B. EXCLUSIONS, exception paragraph a. to exclusions 4.c. and 4.d. is deleted and replaced with the following:

Exclusion 4.c. and 4.d. do not apply to:

SECTION II - LIABILITY COVERAGE

A. Coverage

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of a covered "auto."

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of covered "autos." However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident."

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance has been exhausted by payment of judgments or settlements.

1. Who Is An Insured

The following are "insureds":

- a. You for any covered "auto."
- b. Anyone else while using with your permission a covered "auto" you own, hire or borrow except:

- (1) The owner or anyone else from whom you hire or borrow a covered "auto". This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.
 - (2) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.
 - (3) Someone using a covered "auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is yours.
 - (4) Anyone other than your "employees", partners (if you are a partnership), members (if you are a limited liability company), or a lessee or borrower or any of their "employees", while moving property to or from a covered "auto".
 - (5) A partner (if you are a partnership), or a member (if you are a limited liability company), for a covered "auto" owned by him or her or a member of his or her household.
- c. Anyone liable for the conduct of an "Insured" described above but only to the extent of that liability.

2. Coverage Extensions

a. Supplementary Payments.

We will pay for the "insured":

- (1) All expenses we incur.
- (2) Up to \$2,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.
- (3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.
- (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.
- (5) All costs taxed against the "insured" in any "suit" against the "insured" we defend.

- (6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend, but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

b. Out of State Coverage Extensions.

While a covered "auto" is away from the state where it is licensed we will:

- (1) Increase the Limit of Insurance for Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.
- (2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

B. Exclusions

This insurance does not apply to any of the following:

1. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the "insured".

2. Contractual

- a. Any equipment listed in Paragraphs 6.b. and 6.c. of the definition of "mobile equipment"; or

10. Completed Operations

"Bodily injury" or "property damage" arising out of your work after that work has been completed or abandoned.

In this exclusion, your work means:

- a. Work or operations performed by you or on your behalf; and
- b. Materials, parts or equipment furnished in connection with such work or operations.

Your work includes warranties or representations made at any time with respect to the fitness, quality, durability or performance of any of the items included in Paragraphs a. or b. above.

11. Pollution

"Bodily Injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":

- c. After the "pollutants" or any property in which the "pollutants" are contained are moved from the covered "auto" to the place where they are finally delivered, disposed of or abandoned by the "insured".

Paragraph a. above does not apply to fuels, lubricants, fluids, exhaust gases or other similar "pollutants" that are needed for or result from the normal electrical, hydraulic or mechanical functioning of the covered "auto" or its parts, if:

- (1) The "pollutants" escape, seep, migrate, or are discharged, dispersed or released directly from an "auto" part designed by its manufacturer to hold, store, receive or dispose of such "pollutants"; and
- (2) The "bodily injury", "property damage" or "covered pollution cost or expense" does not arise out of the operation of any equipment listed in Paragraphs 6.b. and 6.c. of the definition of "mobile equipment".

Paragraphs b. and c. above of this exclusion do not apply to "accidents" that occur away from premises owned by or rented to an "insured" with respect to "pollutants" not in or upon a covered "auto" if:

- (1) The "pollutants" or any property in which the "pollutants" are contained are upset, overturned or damaged as a result of the maintenance or use of a covered "auto"; and
- (2) The discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused directly by such upset, overturn or damage.

- b. Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or
- c. Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

13. Racing

Covered "autos" while used in any professional or organized racing or demolition contest or stunting activity, or while practicing for such contest or activity. This insurance also does not apply while that covered "auto" is being prepared for such a contest or activity.

C. Limit Of Insurance

Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for the total of all damages and "covered pollution cost or expense" combined, resulting from any one "accident" is the Limit of Insurance for Liability Coverage shown in the Declarations.

All "bodily injury," "property damage" and "covered pollution cost or expense" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage Form and any Medical Payments Coverage Endorsement, Uninsured Motorists Coverage Endorsement or Underinsured Motorists Coverage Endorsement attached to this Coverage Part.

SECTION III - PHYSICAL DAMAGE COVERAGE

If you carry Comprehensive Coverage for the damaged covered "auto", we will pay for the following under Comprehensive Coverage:

- a. Glass breakage;

However, you have the option of having glass breakage caused by a covered "auto's" collision or overturn considered a "loss" under Collision Coverage.

4. Coverage Extensions

a. Transportation Expenses

We will pay up to \$20 per day to a maximum of \$600 for temporary transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type. We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes of Loss Coverage. We will pay for temporary transportation expenses incurred during the period beginning 48 hours after the theft and ending, regardless of the policy's expiration, when the covered "auto" is returned to use or we pay for its "loss".

b. Loss Of Use Expenses

For Hired Auto Physical Damage, we will pay expenses for which an "insured" becomes legally responsible to pay for loss of use of a vehicle rented or hired without a driver, under a written rental contract or agreement. We will pay for loss of use expenses if caused by:

 - a. **Nuclear Hazard.**
 - (1) The explosion of any weapon employing atomic fission or fusion; or
 - (2) Nuclear reaction or radiation, or radioactive contamination, however caused.
 - b. **War or Military Action.**
 - (1) War, including undeclared or civil war;
 - (2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or
 - (3) Insurrection, rebellion, revolution, usurped power or action taken by governmental authority in hindering or defending against any of these.
- 2. We will not pay for "loss" to any covered "auto" while used in any professional or organized racing or demolition contest or stunting activity, or while practicing for such contest or activity. We will also not pay for "loss" to any covered "auto" while that covered "auto" is being prepared for such a contest or activity.

- 3. We will not pay for "loss" caused by or resulting from any of the following unless caused by other "loss" that is covered by this insurance:

 - c. Any electronic equipment, without regard to whether this equipment is permanently installed, that receives or transmits audio, visual or data signals and that is not designed solely for the reproduction of sound.
 - d. Any accessories used with the electronic equipment described in Paragraph c. above.

Exclusions 4.c. and 4.d. do not apply to:

- a. Equipment designed solely for the reproduction of sound and accessories used with such equipment, provided such equipment is permanently installed in the covered "auto" at the time of the "loss" or such equipment is removable from a housing unit which is permanently installed in the covered "auto" at the time of the "loss", and such equipment is designed to be solely operated by use of the power from the "auto's" electrical system, in or upon the covered "auto"; or
- b. Any other electronic equipment that is:
 - (1) Necessary for the normal operation of the covered "auto" or the monitoring of the covered "auto's" operating system; or

- (2) An integral part of the same unit housing any sound reproducing equipment described in a. above and permanently installed in the opening of the dash or console of the covered "auto" normally used by the manufacturer for installation of a radio.

- 5. We will not pay for "loss" to a covered "auto" due to "diminution in value".

C. Limit Of Insurance

- 1. The most we will pay for "loss" in any one "accident" is the lesser of:
 - a. The actual cash value of the damaged or stolen property as of the time of the "loss"; or
 - b. The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality.
- 2. An adjustment for depreciation and physical condition will be made in determining actual cash value in the event of a total "loss".
- 3. If a repair or replacement results in better than like kind or quality, we will not pay for the amount of the betterment.

D. Deductible

For each covered "auto", our obligation to pay for, repair, return or replace damaged or stolen property will be reduced by the applicable deductible shown in the Declarations. Any Comprehensive Coverage deductible shown in the Declarations does not apply to "loss" caused by fire or lightning.

SECTION IV - BUSINESS AUTO CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

A. Loss Conditions

1. Appraisal For Physical Damage Loss

If you and we disagree on the amount of "loss", either may demand an appraisal of the "loss". In this event, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident" or "loss". Include:

- (1) How, when and where the "accident" or "loss" occurred;
- (2) The "insured's" name and address; and
- (3) To the extent possible, the names and addresses of any injured persons and witnesses.

- b. Additionally, you and any other involved "insured" must:

- (1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.
- (2) Immediately send us copies of any request, demand, order, notice, summons or legal paper received concerning the claim or "suit".
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit".
- (4) Authorize us to obtain medical records or other pertinent information.
- (5) Submit to examination, at our expense, by physicians of our choice, as often as we reasonably require.

- c. If there is "loss" to a covered "auto" or its equipment you must also do the following:

- (1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.

(2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.

(3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.

(4) Agree to examinations under oath at our request and give us a signed statement of your answers.

3. Legal Action Against Us

No one may bring a legal action against us under this Coverage Form until:

- a. There has been full compliance with all the terms of this Coverage Form; and
- b. Under Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

4. Loss Payment - Physical Damage Coverages

At our option we may:

- a. Pay for, repair or replace damaged or stolen property;
- b. Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or
- c. Take all or any part of the damaged or stolen property at an agreed or appraised value.

If we pay for the "loss", our payment will include the applicable sales tax for the damaged or stolen property.

5. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

B. General Conditions

1. Bankruptcy

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this Coverage Form.

2. Concealment, Misrepresentation Or Fraud

This Coverage Form is void in any case of fraud by you at any time as it relates to this Coverage Form. It is also void if you or any other "insured", at any time, intentionally conceal or misrepresent a material fact concerning:

- a. This Coverage Form;
- b. The covered "auto";
- c. Your interest in the covered "auto"; or
- d. A claim under this Coverage Form.

3. Liberalization

If we revise this Coverage Form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

4. No Benefit To Bailee - Physical Damage Coverages

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

5. Other Insurance

- a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Liability Coverage this Coverage Form provides for the "trailer" is:
 - (1) Excess while it is connected to a motor vehicle you do not own.
 - (2) Primary while it is connected to a covered "auto" you own.
- b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".
- c. Regardless of the provisions of Paragraph a. above, this Coverage Form's Liability Coverage is primary for any liability assumed under an "insured contract".
- d. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

6. Premium Audit

- a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.

- b. If this policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

7. Policy Period, Coverage Territory

Under this Coverage Form, we cover "accidents" and "losses" occurring:

- a. During the policy period shown in the Declarations; and

- b. Within the coverage territory.

The coverage territory is:

- a. The United States of America;
- b. The territories and possessions of the United States of America;
- c. Puerto Rico;
- d. Canada; and
- e. Anywhere in the world if:

- (1) A covered "auto" of the private passenger type is leased, hired, rented or borrowed without a driver for a period of 30 days or less; and

- (2) The "insured's" responsibility to pay damages is determined in a "suit" on the merits, in the United States of America, the territories and possessions of the United States of America, Puerto Rico, or Canada or in a settlement we agree to.

We also cover "loss" to, or "accidents" involving, a covered "auto" while being transported between any of these places.

8. Two Or More Coverage Forms Or Policies Issued By Us

If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us apply to the same "accident", the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy. This condition does not apply to any Coverage Form or policy issued by us or an affiliated company specifically to apply as excess insurance over this Coverage Form.

Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.
 - 6. That part of any contract or agreement entered into, as part of your business, pertaining to the rental of lease, by you or any of your "employees", of any "auto." However, such contract or agreement shall not be considered an "insured contract" to the extent that it obligates you or any of your "employees" to pay for "property damage" to any "auto" rented or leased by you or any of your "employees".
- An "insured contract" does not include that part of any contract or agreement:

County and CONTRACTOR acknowledge that all tasks in the current scope of services have been completed and there is a remaining unused budget balance in the amount of \$33,019.00 which will be applied to the budget for the expansion and inclusion of new additional tasks related to Task 10.2, Draft Mitigation Monitoring and Reporting Program (MMRP), of Task 10, Administrative Final Environmental Impact Report (EIR) and MMRP. These tasks will be conducted in four (4) stages as set forth below:

CONTRACTOR shall also review non-report documentation and memoranda for each compliance measure, as applicable. Attachment A includes a full list of all compliance tasks for all Stages, and specifies the estimated hours to complete each review. Estimated hours for review of each document under each resource area (i.e. Air Quality, Biological Resources, Cultural Resources, Geological Resources, Hazards, Hydrology, Public Safety and Traffic) were used to develop the total cost for each resource area as shown in the cost spreadsheet.

Deliverable: CONTRACTOR shall provide technical memoranda summarizing the review of each document and any recommendations for next steps if applicable. Memorandums will be prepared for each document or compilation of documents for similar issue areas (e.g., restoration plans). A complete list of the expected plans, technical documents and survey report are noted above. Deliverables will be provided to the County's Project Manager, Delinda Robinson, in electronic format within five (5) working days of completion. Hard copy documents will be provided via the United States Postal Service on a monthly basis.

Task 10.2.b Compliance Tracking for Access Road and Northern PV Construction

CONTRACTOR shall track over eighty (80) mitigation measures within the MMRP, including tracking the preparation and timing of a wide range of documents, reports and notifications that must be submitted to the Project Applicant and/or the construction contractors to the County. CONTRACTOR shall develop a compliance tracking spreadsheet to track the status of all compliance measures, and maintain a full compliance binder of all final approved compliance documents. The compliance tracker will include a minimum of the following information: 1) Mitigation Measure number and name; 2) Timing of required compliance (i.e. pre-permit, preconstruction, construction, operation); 3) Name of reviewer; 4) Review deadlines; 5) Approval check boxes for CONTRACTOR and County reviewers; and 6) Notes for comments/recommendations for revisions or non-compliance issues. The compliance tracker can be expanded as needed following initial kick-off meeting coordination with County staff, and to be modified for the Stage II Construction Monitoring. CONTRACTOR shall identify and coordinate with County on any measures that have not been met through specified documentation, and communicate issues of non-compliance with County and Project Applicant through an approved non-compliance protocol developed during the Project initial kick-off meeting (see Compliance Management below).

Deliverable: CONTRACTOR shall provide brief memorandums that summarize the results of document review and provided recommendations for approval or revisions. A single memorandum for each of the documents listed in Task 10.2.a, Technical Document Review for Access Road and Northern PV Construction shall be provided to the County. The status of all other conditions will be addressed through the compliance tracker and/or direct communications with County. All written deliverables will be provided to the County's Project Manager, Delinda Robinson, in electronic format within five (5) working days of completion. Hard copy documents will be provided via the United States Postal Service on a monthly basis.

CONTRACTOR assumes that, in addition to a review of any specific construction phase technical reports, this task will also require an average of six (6) hours per week for review of daily logs and eight (8) hours per month for review of monitoring reports and coordination with the County for a total of five hundred four (504) hours.

- (1) \$50,000; or
 - (2) The actual cash value of the damaged or stolen property as of the time of the "loss"; or
 - (3) The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality, minus a deductible.
- B. The deductible will be equal to the largest deductible applicable to any owned "auto" for that coverage.
- C. Subject to the limit, deductible and excess provisions described in this provision, we will provide coverage equal to the broadest coverage applicable to any covered "auto" you own.
- D. Subject to a maximum of \$1,000 per "accident", we will also cover the actual loss of use of the hired "auto" if it results from an "accident", you are legally liable and the lessor incurs an actual financial loss.
- E. This coverage extension does not apply to:

We will pay up to \$75 per day for rental reimbursement expenses incurred by you for the rental of an "auto" because of "accident" or "loss", to an "auto" for which we also pay a "loss" under Comprehensive, Specified Causes of Loss or Collision Coverages. We will pay only for those expenses incurred after the first 24 hours following the "accident" or "loss" to the covered "auto."
- b. Rental Reimbursement will be based on the rental of a comparable vehicle, which in many cases may be substantially less than \$75 per day, and will only be allowed for the period of time it should take to repair or replace the vehicle with reasonable speed and similar quality, up to a maximum of 30 days.
- c. We will also pay up to \$500 for reasonable and necessary expenses incurred by you to remove and replace your tools and equipment from the covered "auto".

13. AUDIO, VISUAL AND DATA ELECTRONIC EQUIPMENT COVERAGE

SECTION III - PHYSICAL DAMAGE COVERAGE, B. EXCLUSIONS, exception paragraph a. to exclusions 4.c. and 4.d. is deleted and replaced with the following:

Exclusion 4.c. and 4.d. do not apply to:

14. LOAN / LEASE GAP COVERAGE

- A. Paragraph C., LIMIT OF INSURANCE of SECTION III - PHYSICAL DAMAGE COVERAGE is amended by adding the following:

We will also pay all sums an "Insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of covered "autos." However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident."

We have the right and duty to defend any "Insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "Insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance has been exhausted by payment of judgments or settlements.

- a. You for any covered "auto."
- b. Anyone else while using with your permission a covered "auto" you own, hire or borrow except:

(3) Someone using a covered "auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is yours.

(4) Anyone other than your "employees", partners (if you are a partnership), members (if you are a limited liability company), or a lessee or borrower or any of their "employees", while moving property to or from a covered "auto".

(5) A partner (if you are a partnership), or a member (if you are a limited liability company), for a covered "auto" owned by him or her or a member of his or her household.

We will pay for the "insured":

(1) All expenses we incur.

(2) Up to \$2,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

(3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.

(4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.

(5) All costs taxed against the "insured" in any "suit" against the "insured" we defend.

(6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend, but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

b. Out of State Coverage Extensions.

While a covered "auto" is away from the state where it is licensed we will:

(1) Increase the Limit of Insurance for Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.

(2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

C. Limit Of Insurance

Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for the total of all damages and "covered pollution cost or expense" combined, resulting from any one "accident" is the Limit of Insurance for Liability Coverage shown in the Declarations.

All "bodily injury," "property damage" and "covered pollution cost or expense" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage Form and any Medical Payments Coverage Endorsement, Uninsured Motorists Coverage Endorsement or Underinsured Motorists Coverage Endorsement attached to this Coverage Part.

We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes of Loss Coverage. 2. We will not pay for "loss" to any covered "auto" while used in any professional or organized racing or demolition contest or stunting activity, or while practicing for such contest or activity. We will also not pay for "loss" to any covered "auto" while that covered "auto" is being prepared for such a contest or activity.

3. We will not pay for "loss" caused by or resulting from any of the following unless caused by other "loss" that is covered by this insurance:

D. Deductible

For each covered "auto", our obligation to pay for, repair, return or replace damaged or stolen property will be reduced by the applicable deductible shown in the Declarations. Any Comprehensive Coverage deductible shown in the Declarations does not apply to "loss" caused by fire or lightning.

SECTION IV - BUSINESS AUTO CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

A. Loss Conditions

1. Appraisal For Physical Damage Loss

If you and we disagree on the amount of "loss", either may demand an appraisal of the "loss". In this event, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident" or "loss". Include:

- (1) How, when and where the "accident" or "loss" occurred;
- (2) The "insured's" name and address; and
- (3) To the extent possible, the names and addresses of any injured persons and witnesses.

- b. Additionally, you and any other involved "insured" must:

- (1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.
- (2) Immediately send us copies of any request, demand, order, notice, summons or legal paper received concerning the claim or "suit".
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit".
- (4) Authorize us to obtain medical records or other pertinent information.
- (5) Submit to examination, at our expense, by physicians of our choice, as often as we reasonably require.

- c. If there is "loss" to a covered "auto" or its equipment you must also do the following:

- (1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.

- (2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.
- (3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.
- (4) Agree to examinations under oath at our request and give us a signed statement of your answers.

3. Legal Action Against Us

No one may bring a legal action against us under this Coverage Form until:

- a. There has been full compliance with all the terms of this Coverage Form; and
- b. Under Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

4. Loss Payment - Physical Damage Coverages

At our option we may:

- a. Pay for, repair or replace damaged or stolen property;
- b. Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or
- c. Take all or any part of the damaged or stolen property at an agreed or appraised value.

If we pay for the "loss", our payment will include the applicable sales tax for the damaged or stolen property.

5. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

B. General Conditions

1. Bankruptcy

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this Coverage Form.

2. Concealment, Misrepresentation Or Fraud

This Coverage Form is void in any case of fraud by you at any time as it relates to this Coverage Form. It is also void if you or any other "insured", at any time, intentionally conceal or misrepresent a material fact concerning:

- a. This Coverage Form;
- b. The covered "auto";
- c. Your interest in the covered "auto"; or
- d. A claim under this Coverage Form.

3. Liberalization

If we revise this Coverage Form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

4. No Benefit To Bailee - Physical Damage Coverages

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

5. Other Insurance

- a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Liability Coverage this Coverage Form provides for the "trailer" is:

- (1) Excess while it is connected to a motor vehicle you do not own.
- (2) Primary while it is connected to a covered "auto" you own.

- b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

- c. Regardless of the provisions of Paragraph a. above, this Coverage Form's Liability Coverage is primary for any liability assumed under an "insured contract".

- d. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

6. Premium Audit

- a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.

- b. If this policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

7. Policy Period, Coverage Territory

Under this Coverage Form, we cover "accidents" and "losses" occurring:

- a. During the policy period shown in the Declarations; and

- b. Within the coverage territory.

The coverage territory is:

- a. The United States of America;
- b. The territories and possessions of the United States of America;
- c. Puerto Rico;
- d. Canada; and
- e. Anywhere in the world if:

- (1) A covered "auto" of the private passenger type is leased, hired, rented or borrowed without a driver for a period of 30 days or less; and

- (2) The "insured's" responsibility to pay damages is determined in a "suit" on the merits, in the United States of America, the territories and possessions of the United States of America, Puerto Rico, or Canada or in a settlement we agree to.

We also cover "loss" to, or "accidents" involving, a covered "auto" while being transported between any of these places.

8. Two Or More Coverage Forms Or Policies Issued By Us

If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us apply to the same "accident", the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy. This condition does not apply to any Coverage Form or policy issued by us or an affiliated company specifically to apply as excess insurance over this Coverage Form.

An "insured contract" does not include that part of any contract or agreement:
