Greetings Dee,

Following our telephone conversation on Thursday June 15 and as we agreed we would like to withdraw our application for orange colors and public hearing and instead apply for over the counter approval for colors that are agreeable to the Planning department. This has taken us more than six months and has been very costly and exhausting experience. We would therefore very much appreciate in wrapping it up by compromising and not wasting your time and the Planning Department's.

Please also note that you did not mention in your email or during our phone conversation that you have already set up the public hearing. We were out of town when I called you and came back today saw the notice. As agreed Fatemeh is looking forward to meeting with you at 9:00 am on Tuesday June 20 and would therefore appreciate if you would cancel the public hearing at your earliest convenience.

Thank you,

Ham and Fatemeh Shirvani
