The parties agree to amend the Enrollment by adding the following section entitled «Office 365 ProPlus On-Premises usage» to the Enrollment:

Office 365 ProPlus On-Premises usage.

A. For each User Subscription License ("USL") Customer deploys that includes rights to Office 365 ProPlus, Customer may substitute one of the five Office installations licensed for Office 365 ProPlus with a copy of Office Professional Plus, provided the following conditions are met:

1. The Qualified Device on which Office Professional Plus is installed must also be running Office 365 ProPlus within 90 days of the signature of this Amendment. The installation of Office 365 ProPlus on the Qualified Device is counted as a separate installation from that used for the installation of Office Professional Plus

3. Customer acknowledges that, if a version of Office Professional Plus is used to connect to Office 365 Services, the user experience may be affected and access to certain functionalities of the service may be denied or limited.

Except for changes made by this Amendment, the Enrollment or Agreement identified above remains unchanged and in full force and effect. If there is any conflict between any provision in this Amendment and any provision in the Enrollment or Agreement identified above, this Amendment shall control.
