1.01 Monthly claims/invoices by CONTRACTOR: Not later than the tenth (10th) day of each month, CONTRACTOR shall submit to COUNTY a signed invoice setting forth the amount claimed. All invoices (monthly and final) shall be submitted in the form set forth in Exhibit D.

1.02 Final Invoice; forfeiture for late invoice: CONTRACTOR's final month and end of fiscal year invoice is due, and must be received by COUNTY, no later than close of business on July 10th. If the Final Invoice is not received by COUNTY by close of business on July 10th, CONTRACTOR understands and agrees that the reimbursement of CONTRACTOR's final expenses represented by that invoice may be forfeited, and COUNTY shall have no legal obligation regarding it, nor shall COUNTY be required to make any payment towards that untimely/late invoiced claim.

1.03 Allowable Costs: Allowable costs shall be the CONTRACTOR's actual costs of developing, supervising and delivering the services under this Agreement, as set forth in Exhibit C. Therefore, an increase in one line item will require corresponding decreases in other line items.

(b) If COUNTY certifies and pays a lesser amount than the amount requested, COUNTY shall, immediately upon certification of the lesser amount, notify CONTRACTOR in writing of such certification. If CONTRACTOR does not protest the lesser amount by delivering to COUNTY a written notice of protest within twenty (20) days after

EXHIBIT B

CONTRACTOR's receipt of the certification, then payment of the lesser amount shall be deemed payment in full for the month in question and may not thereafter be questioned by CONTRACTOR.

WHEREAS, Sections 261 through 264 of the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, known as "the Administrative Simplification provisions," direct the Department of Health and Human Services to develop standards to protect the security, confidentiality and integrity of health information; and

WHEREAS, pursuant to the Administrative Simplification provisions, the Secretary of Health and Human Services has issued regulations modifying 45 CFR Parts 160 and 164 (the "HIPAA Privacy Rule"); and

WHEREAS, CONTRACTOR and COUNTY have entered into an Agreement ("the Agreement") to which this Certification is an attachment whereby CONTRACTOR will provide certain services to COUNTY; and

WHEREAS, CONTRACTOR may have access to Protected Health Information (as defined below) in fulfilling its responsibilities under the underlying Agreement.

THEREFORE, in consideration of the Parties' continuing obligations under the Agreement, compliance with the HIPAA Privacy Rule, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, CONTRACTOR agrees to the provisions of this Certification and of the HIPAA Privacy Rule and to protect the interests of COUNTY.

I. DEFINITIONS

Except as otherwise defined herein, any and all capitalized terms in this Section shall have the definitions set forth in the HIPAA Privacy Rule. In the event of an inconsistency between the provisions of this Certification and mandatory provisions of the HIPAA Privacy Rule, as amended, the HIPAA Privacy Rule shall control. Where provisions of this Certification are different than those mandated in the HIPAA Privacy Rule, but are nonetheless permitted by the HIPAA Privacy Rule, the provisions of this Certification shall control.

The term "Protected Health Information" means individually identifiable health information including, without limitation, all information, data, documentation, and materials, including without limitation, demographic, medical and financial information, that relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; and that identifies the individual or with respect to which there is a reasonable basis to believe the information can be used to identify the individual.

CONTRACTOR acknowledges and agrees that all Protected Health Information that is created or received by COUNTY and disclosed or made available in any form, including paper record, oral communication, audio recording, and electronic display by COUNTY, or its operating units, to CONTRACTOR or is created or received by CONTRACTOR on COUNTY's behalf shall be subject to this Certification.

II. CONFIDENTIALITY REQUIREMENTS

- (a) CONTRACTOR agrees:
- (i) to use or disclose any Protected Health Information solely: (1) for meeting its obligations as set forth in any agreements between the Parties evidencing their business relationship or (2) as required by applicable law, rule or regulation, or by accrediting or credentialing organization to whom COUNTY is required to disclose such information, or as otherwise permitted under this Certification, or the underlying Agreement ,(if consistent with this Certification and the HIPAA Privacy Rule), or the HIPAA Privacy Rule, and (3) as would be permitted by the HIPAA Privacy Rule if such use or disclosure were made by COUNTY; and
 - (ii) at termination of the Agreement, (or any similar documentation of the business relationship of the Parties), or upon request of COUNTY, whichever occurs first, if feasible CONTRACTOR will return or destroy all Protected Health Information received from or created or received by CONTRACTOR on behalf of COUNTY that CONTRACTOR still maintains in any form, and retain no copies of such information, or if such return or destruction is not feasible, CONTRACTOR will extend the protections of this Agreement to the information and limit further uses and disclosures to those purposes that make the return or destruction of the information not feasible; and
 - (iii) to ensure that its agents, including a subcontractor(s), to whom it provides Protected Health Information received from or created by CONTRACTOR on behalf of COUNTY, agrees to the same restrictions and conditions that apply to CONTRACTOR with respect to such information. In addition, CONTRACTOR agrees to take reasonable steps to ensure that its employees' actions or omissions do not cause CONTRACTOR to breach the terms of the Agreement.
- (b) Notwithstanding the prohibitions set forth in this Certification or the Agreement, CONTRACTOR may use and disclose Protected Health Information as follows:
- (i) if necessary, for the proper management and administration of CONTRACTOR or to carry out the legal responsibilities of CONTRACTOR, provided that as to any such disclosure, the following requirements are met:
 - (A) the disclosure is required by law; or
 - (B) CONTRACTOR obtains reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law, or for the purpose for which it was disclosed to the person, and the person notifies CONTRACTOR of any instances of which it is aware in which the confidentiality of the information has been breached;

In addition, **CONTRACTOR** agrees to mitigate, to the extent practicable, any harmful effect that is known to **CONTRACTOR** of a use or disclosure of Protected Health Information by **CONTRACTOR** in violation of the requirements of this Certification or the Agreement.

CHERISH CENTER, 23-Hour Receiving Center**I. Summary**

The Receiving Center is designed to support children through the trauma of removal from their birth families and to ease the transition between placements for children disrupting from placements. The Center provides a supportive, child-friendly place where children can be looked after safely while more thoughtful placements are researched, including assessment of relative and near kin placement options. Children receive health screening, mental health assessment, short-term care and supervision and crisis support. These services assist matching children to the appropriate level of care and addressing issues of permanency at the earliest possible point.

II. Policy**A. Center Purpose**

Contractor, a community-based organization under contract to Monterey County Department of Social and Employment Services, staffs the Receiving Center. The Center is a non-residential child friendly environment. Due to licensing restrictions, a child's stay is limited to 23 hours or less. The Receiving Center is not a placement. The Receiving Center can *only* accept a child from the Monterey County Family and Children's Services.

B. Multi Disciplinary Service Delivery

The Receiving Center staff is organized within a comprehensive service delivery model that includes, but is not limited to: DSES Nurse, MC Behavioral Health in addition to Contractor and MC Family and Children's Services.

C. Center Capacity The Center has the capacity to receive and serve up to 10 children between the ages of zero and 18 years.**D. Hours of Operation** The Center's core operating hours are 10 AM to 7 PM M-F with availability of on-call staff before and after core service hours and on weekends.**E. Referrals****1. Mandatory Referrals**

Except when emergency or urgent medical care is needed, all children shall be taken to the Receiving Center before placement in situations where the child is:

- a. Removed from parents or guardians and is under a police hold;
- b. Removed from parents receiving Family Maintenance services;
- c. Experiencing a placement disruption and there is no identified new placement immediately available.

Exceptions to mandatory referrals are made on a case-by-case basis with an FCS program manager's, or his/her designee's, approval in situations where it is considered better for the child to be placed directly.

2. Inappropriate Registrations

The following are considered inappropriate registrations for the Center:

- a. Homeless children and runaway youth who are not dependents;
- b. Youth arrested for a crime or status offense.

3. Registrations for Consideration

The following may *only* be considered for Center registration with FCS program manager and Contractor program manager and/or supervisor approval:

- a. Youth being released from Juvenile Hall and wards of the court under the Welfare and Institutions Code 601 or 602, if custody is being transferred to DSES;
- b. Youth being released from psychiatric hospitals or from 5150 assessment.

4. Voluntary Referrals

Referral to the Receiving Center is not mandatory when a child is being discharged from the hospital and placement has been pre-arranged.

F. Child Transport**1. Only child welfare staff may admit a child to the Receiving Center after:**

- a. First having face-to-face contact with that child
- b. Transfer from law enforcement staff to the social worker has taken place.

2. Although it is preferred that the social worker take the child to the placement home, the caregiver may transport a child/children from the Center to their home, provided the social worker is present to complete the placement paperwork.**G. Social Worker Continuity**

The admitting social worker is to follow through with the discharge planning except when a standby worker transfers the case to a daytime ER worker.

H. Use of the Receiving Center After Regular Business Hours**1. Overnight stays**

Children may remain at the Center no more than 23 hours and cannot remain two consecutive nights. Overnight use of the Center is restricted to the following circumstances:

- a. More time will allow the child to be considered for a preferred placement (e.g. a non-custodial parent, other relative or near kin);
- b. To avoid placement in a temporary home;
- c. When arrival to the center is late in the day and did not allow sufficient time for a placement decision to be made (e.g. after 5 PM).
- d. To allow time to hold a TDM meeting prior to placement.

2. After Hours Access

All ER/Standby workers are permitted to enter the Receiving Center without Receiving Center staff present while awaiting Center staffs arrival. The identified FCS supervisors, program managers, deputy director and ER social workers have keys and alarm information for the Receiving Center. Those using the center without Receiving Center staff present must sign in and out as is the case when Receiving Center staff is present.

7. In situations where several children are brought in at the last minute, assist with urgent childcare needs until adequate child care staff have arrived.
8. If relatives are identified who would likely be stable and safe placement resources initiate the Relative Near Kin approval process and paperwork.
9. Fax above paperwork to the Screening Unit the following morning. On the CWS Referral form, the ER worker will indicate under "Alerts" that the child is in the Receiving Center and the time the child was taken to the Receiving Center to assure the child does not remain there beyond 24 hours. If faxing is not possible, this information must be given to Screening.
10. Standby social worker may leave a child overnight in the Receiving Center during any shift. If the following day is not a regular business day (e.g. Saturday, Sunday or a holiday), before going off duty, the standby worker must alert both the scheduled supervisor and the ER worker for the next shift that the child is in the Receiving Center. The standby social worker shall also inform the next shift regarding the time the child was taken to the Receiving Center, as well as any pertinent information about the parent or relative caregiver with whom placement or discharge is planned. In addition, Receiving Center staff must be advised of the name and pertinent contact numbers of the worker coming on shift who will follow through with the case to find placement before the 23-hours has expired.

B. When a child, registered during regular business hours, needs to remain after hours (overnight), the social worker shall:

1. Inform the Standby worker and assure that their contact phone numbers are current. If an emergency arises during the night, the Receiving Center staff will call Standby staff for assistance. The mental health crisis team will be contacted for mental health emergencies. These calls from the Center shall be considered as high priority.
2. If clearances can be completed on adults in a relative or near-kin home and show no history of criminal convictions or child abuse allegations, but no in-home assessment can reasonably be made by daytime staff, this would be considered a "worker assist" situation. The Program Manager and ER Supervisor will jointly decide if ER will follow up to conduct the home visit and place the child.

V. Confidentiality

Confidentiality will be observed based upon the highest standard of the participating partners. All staff are required to sign a confidentiality statement.

VI. Record Keeping

A. At intake, Center staff shall create a client file to include:

When serving children and their family members from diverse cultural backgrounds, the staff will be committed to communication and interactions reflecting an awareness of and respect for different ethnicities and racial backgrounds. Spanish speaking staff will be available to assure that monolingual children and their caregivers are assisted and language barriers are overcome. Every effort will be made to provide interpretation services for any child or family necessitating such services.

VIII. Disclosures

When a child makes a disclosure that is germane to child welfare/protection, Receiving Center childcare staff must immediately report the disclosure to the assigned child welfare worker and complete an incident report. The original report is given to the assigned FCS social worker and a copy placed in the child's Center file.

If the disclosure is related to sexual abuse, the assigned child welfare worker will ensure that the CART (Child Abuse Response Team) protocol is followed, making the necessary crossreports to law enforcement and assisting in the scheduling and transportation of the child to the Archer Child Advocacy Center. If the assigned child welfare worker is not available, childcare staff will report the sexual abuse disclosure to that worker's supervisor to ensure that the appropriate steps are taken. If the disclosure by the child regarding sex abuse is made within 72 hours of the alleged incident, time is of the essence in terms of gathering evidence.

Childcare staff should report after-hour disclosures to the after-hours social worker immediately. The after-hours social worker should report the disclosure to law enforcement to determine whether the child should be brought to Natividad Medical Center for an examination for the purposes of gathering evidence of sexual assault by SART (Sexual Assault Response Team). Law enforcement will determine whether there is a need for an immediate examination and would initiate SART. This would only be necessary if the assault was within 72 hours of the disclosure.

In the case where providing the required audit within the specified time period represents an unreasonable hardship, CONTRACTOR shall alert COUNTY and request an extension. Additional documentation may be requested by COUNTY in order to grant the extension. The submittal of the audit will continue to be required and due **no later than six (6) months** after the close of CONTRACTOR's fiscal year-end.

1.03 Audit Format

CONTRACTOR may submit to COUNTY one of the following in satisfaction of this Audit requirement:
