ARTICLE 1 – PREMISES

1.1 **Description:** LESSOR hereby leases to LESSEE and LESSEE hereby leases from LESSOR, upon the terms and conditions herein set forth, that certain real property and its appurtenances, situated at **321 North Main Street, Salinas, California** and described as follows: Warehouse and store front consisting of approximately **6,828** rentable square feet of space, (the "Premises"), as designated in **EXHIBIT A1 - DESCRIPTION OF PREMISES - Current Basic Floor Plan**, which is attached and incorporated by this reference. The term "rentable square feet" shall be defined and measured from the outside finished surface of permanent outer building walls and to the center of the existing interior or common walls and does not include any portions of the roof, attic or crawl space.

LESSOR and LESSEE agreed that approximately 2,822 square feet of unfinished mezzanine storage area located in the Premises, as designated in **EXHIBIT A1**, will be considered bonus space and will not alter the rentable square footage as defined above.

1.2 **Common Areas:** If applicable, LESSEE shall also have the non-exclusive right to use at all times, in common with other lessees or occupants in the building or complex, any and all of the following areas which may be appurtenant to the Premises: Common entrances, lobbies, elevators, stairways and access ways, loading and unloading areas, visitor parking areas, ramps, drives, platforms, public rest rooms, and common walkways and sidewalks necessary for access to the Premises, and any other public or common area located within or appurtenant to the building or complex (collectively, the "Common Area").

1.3 **Parking Areas:** LESSEE and LESSEE'S agents, contractors, employees, invitees or guests shall be entitled to the exclusive use of the parking areas as shown on **EXHIBIT A2 – PARKING PLAN.**

1.4 **Compliance with the "Americans with Disabilities Act of 1990" (ADA):** LESSOR shall ensure that the Premises are in compliance with the Americans with Disabilities Act of 1990 ("ADA"), as may be amended from time to time, and, if necessary, prior to the Commencement Date, shall modify the Premises to comply with the Act and the regulations promulgated to implement the ADA requirement.

LESSOR shall not be required to remove any architectural or communications barriers that are structural in nature in the Premises or in/on the Building if such removal is not readily achievable. As used herein, "readily achievable" means easily accomplishable and able to be carried out without much difficulty or expense.

1.5 **Compliance with "No Smoking Law" (2003 Assembly Bill 846):** LESSOR shall ensure that the Premises and the non-exclusive areas of the building as described in Article 1.2 are in compliance with Government Code Title 1, Division 7, Chapter 32 (commencing with section 7596), as amended, and, if necessary, prior to the Commencement Date, shall modify the Premises to comply with the law and the regulations promulgated to implement 2003 Assembly Bill 846. Notwithstanding the foregoing, LESSEE shall be responsible for ensuring that LESSEE's employees, agents, contractors and invitees comply with the foregoing statutes and regulations. If necessary, LESSEE shall provide LESSOR with appropriate signage for LESSOR to install at the Premises.

1.6 **Statement of Seismic Adequacy:** LESSOR shall provide either 1); If the Premises are contained in a building constructed on or before December 31, 1972, or one of which has undergone major structural renovation since January 1, 1973, the LESSOR shall obtain a Statement of Seismic Adequacy from its licensed structural engineer and it shall be attached to this Lease as **EXHIBIT B – STATEMENT OF SEISMIC ADEQUACY**, which is attached and incorporated by this reference. Or; 2) If the Premises are contained in a building constructed on or after January 1, 1973, LESSOR shall provide LESSEE with official documentation evidencing the Construction Date from the respective Municipality's, or Political Subdivision's Building Department with jurisdiction over the Premises at the time of construction. If the Premises are contained in a building constructed on or after January 1, 1973, official documentation from said Municipality or Political Subdivision of the State of California shall be attached as **EXHIBIT B1 – EVIDENCE OF CONSTRUCTION**, which is attached and incorporated by this reference. The Parties understand and agree that the STATEMENT OF SEISMIC ADEQUACY, or EVIDENCE OF CONSTRUCTION, is a condition precedent to the occupancy of the Premises and that failure to obtain said STATEMENT OF SEISMIC ADEQUACY by a licensed structural engineer, or a functional equivalent by a licensed design professional acceptable to the County, or EVIDENCE OF CONSTRUCTION, prior to occupancy shall render this Lease null and void. LESSOR and LESSEE agree that the cost for STATEMENT OF SEISMIC ADEQUACY, or EVIDENCE OF CONSTRUCTION may be included in the Premise Improvement Allowance described in **Article 7.2**.

ARTICLE 2 - TERM

2.1 **Lease Term:** The term of this Lease (the "Lease Term") shall be for **two (2) years, commencing on November 1, 2017, or upon issuance of a certificate of occupancy** from the City of Salinas and LESSEE'S final walk through and approval, whichever is later ("Lease Commencement Date") and **ending October 31, 2019, or two (2) years from the Lease Commencement Date**, whichever is later, with such rights of termination and extension of the Lease Term as are hereinafter set forth.

2.2 **Extended Term:** Upon completion of the initial Lease Term, the LESSEE may renew the Lease for one (1) additional **one (1) year** term ("First Extended Term"), and upon the expiration of the First Extended Term, the LESSEE may renew the Lease for a second additional **one (1) year** term ("Second Extended Term"). LESSEE shall give LESSOR advance written notice of its intent to renew not less than **sixty (60) days** prior to expiration of the initial Lease Term or First Extended Term.

ARTICLE 3 - RENT

In consideration of the continuing right of use, quiet enjoyment and possession of the Premises, LESSEE shall pay to LESSOR as monthly rent for the Premises the initial sum of **Seven Thousand Three Hundred Twenty-Eight Dollars and 00/100 (\$7,328.00)** payable on or before the first day of each month. LESSEE shall commence rental payments on the Lease Commencement Date. If the Lease Commencement Date is other than the first day of a calendar month, then the rent for that month shall be prorated on a daily basis, based on a thirty (30) day month. Rent shall be payable to LESSOR at the address specified in **Article 6** or at such other address as LESSOR may from time to time designate in writing. **In addition, LESSEE shall contract and pay directly to its vendors for its responsibilities as outlined in EXHIBIT C – SUMMARY OF SERVICES AND UTILITIES which is attached and incorporated by this reference and EXHIBIT D - SUMMARY OF REPAIR AND MAINTENANCE RESPONSIBILITIES which is attached and incorporated by this reference. Notwithstanding any other provisions of this Lease, LESSEE, at its sole option, may terminate this Lease upon sixty (60) days prior written notice, solely on the condition that funds have not been budgeted for leasing of the property described herein. Such right of termination shall not be construed so as to permit LESSEE to terminate this Lease in order to lease other premises for a similar purpose within the **City of Salinas**. LESSEE represents that its intent is not to exercise its rights under this Article unless financial conditions prevent the County of Monterey from budgeting funds for this Lease.

Should LESSEE so terminate, and subject to the debt limitation provisions of the California Constitution ARTICLE XVI, Section 18, LESSEE shall pay in one lump sum payment one hundred percent (100%) of the unamortized Premise Improvement costs (including costs for heating units and fire sprinkler systems) incurred by LESSOR in connection with the Premise Improvements, as referenced in **Article 7.2**. LESSOR shall amortize the Premise Improvement Allowance at a rate of **five percent (5%)** over the Lease Term. Said amortized amount shall be paid monthly, concurrently with the monthly rent hereunder, as compensation to LESSOR for the Premise Improvement Allowance and be paid in accordance with an amortized Premise Improvement cost schedule to be attached to this Lease as **EXHIBIT G – AMORTIZED PREMISE IMPROVEMENT COST**. Once the Premise Improvement Allowance has been completely amortized over the Lease Term as indicated in **EXHIBIT G**, LESSEE's obligation to pay such additional rent shall terminate.

No furniture or equipment items/cost shall be included in the Premise Improvement Allowance. LESSOR and LESSEE shall agree upon all Premise Improvement costs (presented in itemized format) and the construction schedule for the Premise Improvements (presented in an itemized and sequential format) prior to commencement of construction of the Premise Improvements. LESSOR absolves LESSEE of legal or other responsibility for any code violations or other deviations from applicable local, state and federal laws, regulations and ordinances as may be listed above. Said absolution excludes LESSEE installed improvements to the Premises such as phone/data cabling, support equipment, trade fixtures, and any other equipment installed by LESSEE and used to meet LESSEE'S operational needs.

11.3 **Hazardous Substances:** LESSEE shall have no liability or responsibility for toxic or hazardous materials or substances in existence on the Premises or which result from LESSOR'S acts or omissions or which occur on any portion of LESSOR'S property not occupied by LESSEE, in each case unless, and only to the extent, caused by LESSEE. LESSOR specifically agrees that any costs related to abatement of Environmental Hazards shall be the LESSOR’S responsibility unless caused by LESSEE.

LESSEE shall immediately notify LESSOR of any suspected appearance of toxic mold spores and of any conditions (such as excessive moisture) that may lead to the appearance of toxic mold spores, and LESSOR agrees to investigate same.

By providing for and requesting air quality testing, LESSOR’S duties and obligations are not diminished and LESSEE does not assume or agree to share in LESSOR’S duties and obligations with respect to maintenance of the Premises.

The LESSOR agrees not to mortgage or pledge the LESSEE’S trade fixtures, equipment and other property owned by LESSEE.

ARTICLE 13 - SERVICES AND UTILITIES

Services and utilities shall be furnished and the cost borne as outlined in **EXHIBIT C - SUMMARY OF SERVICES AND UTILITIES**. LESSOR agrees to perform all emergency repairs involving the Premises ~~and the Common Areas~~ with the utmost urgency. An emergency repair is a repair that is necessary in order to protect health and safety of persons or public property or to save the building’s integrity. LESSEE shall assist LESSOR with obtaining all applicable building permits if necessary.

LESSOR and LESSEE understand that, in circumstances for which a building permit is required, work cannot commence before a building permit is obtained. Time deadlines set forth herein shall not commence before required permits are issued. LESSOR warrants to diligently pursue issuance of said permits.

If LESSEE remains in possession of the Premises though partially destroyed, the rent for said Premises as herein provided, during restoration, shall be reduced by the same ratio as the rentable square feet LESSEE is precluded from occupying, as bears to the total "rentable square feet" of the Premises, as designated in **EXHIBIT A1** and as defined in **Article 1, Section 1.1 Description**. The term "rentable square feet" shall be defined and measured from the outside finished surface of permanent outer building walls and to the center of the existing interior or common walls.

ARTICLE 21 - DEFAULT BY LESSEE

- c. LESSEE is adjudicated bankrupt, or
- d. LESSEE'S lease interest is sold under execution of judgment.

22.2 Remedies: If LESSEE fails to cure a default within the time frames outlined above, if any, LESSOR shall have the option to cure the default, if curable, and terminate this Lease in addition to any other remedies at law not inconsistent herewith. Should LESSOR elect to cure the default, all costs associated with such cure, including reasonable attorneys' fees incurred and awarded as a result of any legal action or proceeding brought to enforce or interpret this Lease

Agreement (if any), shall be reimbursed by LESSEE to LESSOR, as additional rent, within thirty (30) days of receipt of LESSOR'S invoice for said costs which shall be accompanied by invoices and receipts to document LESSOR'S costs to cure said default, and by any Court Order awarding reasonable attorney's fees incurred to cure said default.

ARTICLE 22 - DEFAULT BY LESSOR

23.1 **Default:** LESSOR shall not be in default unless LESSOR fails to perform its obligations under this Lease within a reasonable time, but in no event later than thirty (30) days after written notice by LESSEE to LESSOR specifying wherein LESSOR has failed to perform such obligations. If the nature of LESSOR'S obligation is such that more than thirty (30) days are required for performance, then LESSOR shall not be in default if LESSOR commences performance within such thirty (30) day period and thereafter diligently prosecutes the same to completion. LESSEE'S obligation to provide written notice to LESSOR of a default by LESSOR is limited to those instances where knowledge of LESSOR'S default is within the actual knowledge of LESSEE.

23.2 **Remedies:** If LESSOR fails to cure a default within the time periods outlined above, LESSEE shall have the option to cure the default, if curable, or to terminate this Lease, in addition to any other remedies at law not inconsistent herewith. Should LESSEE elect to cure the default, all costs associated with such cure, including reasonable attorneys' fees incurred and awarded as a result of any legal action or proceeding brought to enforce or interpret this Lease Agreement (if any), shall be reimbursed by LESSOR to LESSEE within thirty (30) days of receipt of LESSEE'S invoice for said costs which shall be accompanied by invoices and receipts to document LESSEE'S costs to cure said default, and by any Court Order awarding reasonable attorney's fees incurred to cure said default. However, upon LESSOR'S failure to so reimburse LESSEE within (30) days of receipt of LESSEE'S invoice for said costs, at LESSEE'S option, said costs shall be deducted from rent due hereunder. If LESSOR'S default hereunder prevents LESSEE'S use of the Premises, there shall be an abatement of rental payments for the period of such non-use.

ARTICLE 23 - CONDEMNATION

If more than ten percent (10%) of the floor space area of the Premises is taken or condemned for a public or quasi-public use, or the part taken renders the entire Premises insufficient for the conduct of LESSEE'S business and operations, then this Lease shall terminate at the option of LESSEE as of the date title shall vest in the condemner. If only part of the Premises is taken and the remainder of the Premises is sufficient for the conduct of LESSEE'S business and operations, then LESSOR shall restore the Premises to a single architectural unit and the Lease shall continue as to the part not taken, but the monthly rent shall be reduced in proportion that the rentable area of the Premises taken bears to the rentable area of the Premises before the taking.

ARTICLE 24 - HOLDING OVER

If LESSEE, with LESSOR'S written consent, remains in possession of the Premises after the Lease Term or any Extended Term, this Lease shall automatically be extended on a two (2) month to two (2) month basis at the monthly rent applicable to the last month of the Lease Term or Extended Term, subject to termination upon sixty (60) days written notice by either party. All other terms and conditions shall remain in full force and effect.

ARTICLE 25 - WAIVER

Any waiver of any term or condition of this Lease must be in writing and signed by LESSEE and LESSOR. The waiver by LESSOR or LESSEE of any term, covenant or condition herein contained shall not be deemed to be a waiver of any other term, covenant or condition, nor shall either party consent to any breach of any term, covenant or condition, nor shall either party be deemed to constitute or imply its consent to any subsequent breach of the same or other term, covenant or condition herein contained.

ARTICLE 26 - QUIET POSSESSION

LESSEE shall at all times during the term of this Lease peaceably and quietly have, hold and enjoy the Premises, without suit, trouble or hindrance from LESSOR or any person claiming any interest in this Lease Agreement under LESSOR, subject to the terms of this Lease. LESSOR, to the best of LESSOR'S ability, shall also be responsible for ensuring that all other tenants in the building or complex do not interfere with the quiet enjoyment of the LESSEE.

ARTICLE 27 - SUBORDINATION

This Lease shall be subject and subordinated to the lien of any mortgages and deeds of trust which are hereafter placed against the LESSOR'S interest or estate in the property provided that the mortgagor or beneficiary under such mortgage or deed of trust shall agree in writing that, in the event of a foreclosure of same or of any other such action or proceeding for the enforcement thereof, or of any sale thereunder, this Lease shall not be barred, terminated, cut off, or foreclosed, nor will the rights and possession of LESSEE hereunder be disturbed if LESSEE shall not then be in default under the terms of this Lease, and LESSEE shall attorn to the purchaser at such foreclosure, sale or other action or proceeding. The foregoing subordination shall be effective without the necessity of having any further instruments executed by LESSEE, but LESSEE shall nonetheless execute, upon demand, such further instruments evidencing such subordination as may be reasonably requested by LESSOR or any mortgagee or beneficiary.

ARTICLE 28 - ESTOPPEL CERTIFICATE

Within thirty (30) days of written notice by one (1) party to the other, each will execute, acknowledge and deliver to the other an estoppel certificate in writing declaring any modifications, defaults or advance payments, whether the lease, as may be modified, is in full force and effect, and such other information as may be reasonably requested respecting this Lease. Any such certificate may be conclusively relied upon for the intended transaction for which the statement was requested.

ARTICLE 29 - MISCELLANEOUS PROVISIONS

30.1 **Amendments:** This Lease may be amended or modified only by an instrument in writing signed by LESSEE and LESSOR.

30.2 **Time is of the Essence:** Time is of the essence of each term and provision of this Lease.

30.3 **Binding Effect:** Subject to any provision hereof restricting assignment or subletting by LESSEE, this Lease shall bind the parties, their personal representatives, successors, and assigns.

30.4 **Invalidity:** The invalidity of any provision of this Lease as determined by a court of competent jurisdiction shall in no way affect the validity of any other provision hereof.

30.5 **Authority:** Any individual executing this Lease on behalf of LESSEE or LESSOR represents and warrants hereby that he or she has the requisite authority to enter into this Lease on behalf of such party and bind the party to the terms and conditions of this Lease.

30.6 **Interpretation of Conflicting Provisions:** In the event of conflict between this Lease and any Addendum or Exhibit attached hereto, the provisions of such Addendum or Exhibit shall control.

30.7 **Successors and Assigns:** This Lease and the rights, privileges, duties, and obligations of LESSEE and LESSOR under this Lease, to the extent assignable or delegable, shall be binding upon and inure to the benefit of the parties and their respective successor, permitted assigns, and heirs.

30.8 **Headings:** The headings in this Lease are for convenience only and shall not be used to interpret the terms of this Lease.

30.9 **Governing Law:** This Lease shall be governed by and interpreted under the laws of the State of California.

30.10 **Construction of Lease:** LESSEE and LESSOR agree that each party has fully participated in the review and revision of this Lease and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Lease or any amendment to this Lease.

30.11 **Counterparts:** This Lease may be executed in two (2) or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one (1) and the same Lease.

30.12 **Integration:** This Lease, including the exhibits and addenda, represents the entire agreement between LESSEE and LESSOR with respect to the subject matter of this Lease and shall supersede all prior negotiations, representations or agreements, either written or oral, between LESSEE and LESSOR as of the effective date of this Lease, which is **September 12, 2017.**

ARTICLE 30 - MAJOR APPLIANCES

Installation of major appliances such as vending machines, refrigerators, stoves, etc., must be approved by LESSOR prior to installation. The LESSOR will grant installation approval for new appliances only. Such approval shall not be unreasonably withheld.

ARTICLE 31 – PROPERTY TAX EXEMPTION

LESSOR will cooperate with LESSEE and do all acts reasonably necessary and appropriate to secure and maintain tax exemption of the Premises pursuant to ARTICLE XIII, Section 3 of the California Constitution. LESSOR will apply the amount of any reduction of tax resulting from such exemption either in the form of a cash payment or of rental credit to LESSEE as soon as possible after LESSOR receives the benefit of tax exemption.

If such exemption is granted for a fiscal year which is, in whole or in part, after the date of expiration or earlier termination date of this Lease, then, with respect to that portion of such fiscal year which is after the expiration of the term of this Lease, LESSOR will pay LESSEE the amount of such reduction of tax in cash as soon as possible after LESSOR receives the benefit of tax exemption.

ARTICLE 32 - PUBLIC TRANSPORTATION

LESSOR and LESSEE shall cooperate to make public transportation (bus service) available to the site in which the Premises are a part of. The service level of this public transportation will be sufficient to service the employees who will work at the site as well as LESSEE'S clients and customers who need access by public conveyance to and from the site.

ARTICLE 33 – ALTERNATE ENERGY

LESSOR and LESSEE agree to work together to explore options to install solar and/or other alternate energy options and enhancements to the Premises. In the event any alternate energy enhancement creates a tax deduction, PG&E rebate or any other form of monetary credit to LESSOR, LESSOR further agrees to pass to LESSEE said monetary credit to defray LESSEE'S operational cost for the Premises as identified in **EXHIBIT C – SUMMARY OF SERVICES AND UTILITIES** and **EXHIBIT D – SUMMARY OF REPAIR AND MAINTENANCE RESPONSIBILITIES** of this Lease.

ARTICLE 34 - PROPOSITION 65 WARNING

If applicable to the Premises which are the subject of this Lease, LESSOR AND LESSEE agree to post the CALIFORNIA PROPOSITION 65 WARNING on the Premises in substantially the same form as follows set forth in **EXHIBIT K - CALIFORNIA PROPOSITION 65 WARNING** attached and incorporated by this reference.

ARTICLE 35 – LESSOR'S STATEMENT REGARDING DISABILITY ACCESS & CERTIFIED ACCESS SPECIALIST INSPECTION (CASp) REPORT

Pursuant to California Civil Code Section 1938 (a), LESSOR represents that the Premises [] has [X] has not undergone inspection by a Certified Access Specialist (CASp).

Pursuant to California Civil Code Section 1938 (b), if the Premises has undergone inspection by a CASp, and to the best of LESSOR'S knowledge, there have been no modifications or alterations completed or commenced between the date of the inspection and the date of execution of the Lease Agreement which have impacted the subject premises' compliance with construction related accessibility standards, LESSOR shall provide, prior to execution of the Lease Agreement, a copy of any report prepared by the CASp with an agreement from LESSEE that information in the report shall remain confidential, except as necessary for the LESSEE to complete repairs and corrections of violations of construction related accessibility standards that the LESSEE agrees to make.

Pursuant to California Civil Code Section 1938 (c), making any repairs or modifications necessary to correct violations of construction related accessibility standards that are noted in a CASp report is presumed to be the responsibility of the LESSOR, unless otherwise mutually agreed upon by LESSOR and LESSEE. LESSEE shall have the opportunity to review any CASp report prior to execution of the Lease. If the report is not provided to the LESSEE at least 48 hours prior to execution of the Lease Agreement, LESSEE shall have the right to rescind the Lease, based upon the information contained in the report, for 72 hours after execution of the Lease Agreement.

Pursuant to California Civil Code Section 1938 (d), if the Premises have been issued an inspection report by a CASp, as described in paragraph (1) of subdivision (a) of Section 55.53, indicating that it meets applicable standards, as defined in paragraph (4) of subdivision (a) of Section 55.52, LESSOR shall provide a copy of the current disability access inspection certificate and any inspection report to LESSEE not already provided pursuant to subdivision (b) within seven (7) days of the date of the execution of the Lease Agreement.

Pursuant to California Civil Code Section 1938 (e), if the Premises have not been issued a disability access inspection certificate, as described in subdivision (e) of Section 55.53, LESSOR shall state the following on the Lease Agreement:

A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

PREMISE IMPROVEMENT AGREEMENT

1. Premise Improvements:

- a. LESSOR shall construct all Premise Improvements in accordance with the Plans and Specifications as set forth in Exhibit E or as otherwise approved by LESSOR and LESSEE. Premise Improvements must satisfy the Federal Americans with Disabilities Act of 1990, as and if applicable.
- b. LESSOR shall commence construction of the Premises Improvement work at the earliest opportunity, but not more than five (5) business days following issuance of building permit.
- c. LESSOR shall diligently pursue construction of approved Premises Improvement work and deliver the Premises to LESSEE in a condition suitable for occupancy no later than a date certain.

2. Construction Plans and Specifications, Change Orders and Delay:

- a. During construction, LESSOR and LESSEE'S Representative (as defined below) shall confer periodically regarding the progress of the work and the approximate cost of the work completed. LESSEE'S Representative may request changes, modifications or alterations to the Plans and Specifications by written change order delivered to LESSOR, but no such change shall be made without the written approval of LESSOR, which approval shall not be unreasonably withheld, and such changes shall be made at LESSEE'S cost and expense. LESSOR shall approve or deny each LESSEE change order within four (4) business days, and LESSOR shall also provide to LESSEE'S Representative, by written notice to LESSEE, an estimate of the maximum cost of each change order within five (5) business days after the delivery of the change order to LESSOR. No work based upon a change order shall be undertaken unless and until LESSEE'S Representative shall have approved (by notice to LESSOR) LESSOR'S cost estimate.
- b. If LESSOR determines that a change proposed by LESSEE will delay completion of the construction beyond the period allocated for such construction, LESSOR shall, within four (4) business days, notify LESSEE'S Representative of the estimated length of the delay caused by LESSEE'S request. LESSEE'S Representative shall advise LESSOR within two (2) business days after receipt of such notice as to whether LESSOR shall proceed with the requested change, modification or alteration. LESSOR shall not make the requested change to the Plans and Specifications without LESSEE'S approval of any proposed time extensions.
- c. If LESSOR requires that LESSEE clarify or refine the Plans and Specifications, then LESSEE'S Representative shall meet with LESSOR for the purpose of clarifying or refining the Plans and Specifications within two (2) business days after LESSEE'S receipt of LESSOR'S request therefore. No such clarification or refinement shall be deemed to be a change order.
- d. If LESSOR determines that the Plans and Specifications must be changed as a result of omissions or errors in the Plans and Specifications, then LESSOR shall prepare and submit to LESSEE revised Plans and Specifications correcting any such omission or error. LESSEE shall approve or disapprove such revised Plans and Specifications within two (2) business days after receipt and shall not unreasonably withhold its approval.
- e. LESSOR shall not be responsible for any delays in the time for completion of construction resulting from LESSEE'S delay. For purposes herein, LESSEE'S delay in the completion of the construction of the Premise Improvements are delays that may arise solely as a result of: (1) LESSEE'S failure to comply with its obligations set forth above, within the time specified; (2) any change directed by LESSEE after notification to LESSEE that the change will delay completion of the construction as provided above; or (3) extra time required to obtain any long lead items specified by LESSEE. For purposes herein, an item shall be considered a long lead item if LESSOR notifies LESSEE within fifteen (15) business days after receipt of LESSEE'S approval of the Plans and Specifications that such item is not readily available or readily installable after the same is requested by LESSEE.

3. Approval of Plans by Public Authorities: LESSOR shall obtain approval of the Plans and Specifications for the Premises from all appropriate government agencies, and a copy of the Plans and Specifications, as approved, shall be dated and initialed by both LESSOR and LESSEE. LESSOR shall exercise due diligence in obtaining any such approval. LESSEE shall cooperate with LESSOR in obtaining all such approvals, and in this regard, LESSEE shall make, or cause it to be made, all revisions and changes to the Plans and specifications reasonably required by any governmental agency, with due diligence and without delays.
4. Quality of Work: All work performed hereunder shall be done in a good and workmanlike manner, free from faults and defects and in accordance with the Plans and Specifications. All materials and equipment installed in the Premise Improvements shall be new unless otherwise specified in the Plans and Specifications.
5. LESSEE'S Access during Construction: LESSEE'S Representative, agents, consultants and contractors ("LESSEE Representatives") shall have access to the Premises during the construction of the Premise Improvements for activities and purposes related to construction of the Premises or preparation of the Premises for occupancy. LESSEE'S Representatives on the Premises during construction shall cooperate with LESSOR'S contractor and not delay or interfere in any way with the performance by LESSOR'S contractors or LESSOR'S representatives of any work (including but not limited to the construction of Premise Improvements).
6. Acceptance of Premises:
 - a. At any time during the construction of the Premise Improvements, LESSEE may reject any work that does not conform to the Plans and Specifications or does not meet good and workmanlike standards as reasonably interpreted by LESSEE.
 - b. Within five (5) business days after LESSOR delivers to LESSEE a list of work items remaining to be done or corrected and notifies LESSEE that the Premise Improvements are ready for inspection by LESSEE'S representative, LESSEE shall deliver to LESSOR a list of items that LESSEE shall have reasonably determined that LESSOR must complete or correct prior to LESSEE'S acceptance of possession in order for the work to conform to the Plans and Specifications. LESSOR shall immediately commence to complete or correct the items listed by LESSEE. If LESSEE fails to deliver such a list within the five (5) business days period, LESSEE shall be deemed to have accepted the Premises subject to completion of the corrections on LESSOR'S list of corrections and to have approved the construction.
 - c. Acceptance by LESSEE shall not be unreasonably withheld, conditioned or delayed.
7. Notices: All notices required or permitted hereunder shall be in writing and shall be delivered as indicated in Article 6 of this Lease Agreement.
8. Notice of Non-Responsibility: LESSOR may post such notices of non-responsibility as it reasonably deems appropriate in the Premises during the construction provided for herein.
9. Responsibility for Damage: If LESSEE installs equipment in the Premises prior to completion of the work hereunder, LESSEE shall bear the risk of loss to such equipment other than loss that is a result of negligence or willful misconduct by LESSOR, its agents, employees or contractors.
10. Approval of Agreement: Approval of this Lease Agreement will result in a construction of a facility suitable for a year-round homeless shelter. This Lease Agreement specifically includes the installation of necessary telecommunications/data processing linkages, and alarm systems. Specification for telecommunications/data processing linkages and alarm systems may be developed and provided by the Monterey County Information Technology Department.

PROPOSITION 65 WARNING

CALIFORNIA PROPOSITION 65 WARNING. This warning is provided in compliance with the requirements of California's Proposition 65, due to exposure to formaldehyde and other chemicals known to the State to cause cancer and birth defects or other reproductive harm, from exposures to materials used in and around the construction site of 321 North Main Street, Salinas, California.

“WARNING: MATERIALS INCLUDED IN THE CONSTRUCTION OF THE PREMISES AND PROPERTY WILL EXPOSE YOU TO FORMALDEHYDE AND OTHER CHEMICALS KNOWN TO THE STATE OF CALIFORNIA TO CAUSE CANCER AND BIRTH DEFECTS OR OTHER REPRODUCTIVE HARM. FURTHER INFORMATION MAY BE OBTAINED FROM THE MANAGER/OWNER.”

This warning is provided to inform tenants of the exposure to formaldehyde and other chemicals known to the State to cause cancer and birth defects or other reproductive harm. The exposures are caused by the materials of which the office buildings on this site are constructed. **Environmental exposures to chemicals known to the State of California to cause cancer and birth defects or other reproductive harm will continue for as long as _____ engages in ongoing construction on and around the surrounding property.**

Formaldehyde. The United States Environmental Protection Agency, the California Air Resources Board, and other agencies have measured the presence of formaldehyde in the indoor air of homes in California. Levels of formaldehyde that present a significant cancer risk have been measured in most homes and offices. Formaldehyde is present in the air because it is emitted by a variety of building materials and products purchased by the builder from materials suppliers. These materials and products include carpeting, pressed wood products, insulation, plastics, and glues.

Other Chemicals. The Premises and/or ongoing construction sites in this development have not been tested. Given the cost of testing, it is not feasible to test every rental property and nearby construction site to ascertain the level of formaldehyde or other carcinogens and reproductive toxicants present in the rental property or ongoing construction sites nearby. Most homes, offices and construction sites that have been tested elsewhere do contain formaldehyde as well as other carcinogens and reproductive toxicants, although their concentrations vary from property to property with no obvious explanations for the differences. One of the problems is that many of the suppliers of building materials and products do not provide information on chemical ingredients to their builders. In the absence of specific information on these leased premises, and in light of the materials used in and around their construction, we believe that a warning is necessary.

Please provide this warning to invitees and guests entering this leased property. You may have further questions about these issues. _____, has made no inquiries of our material suppliers concerning these matters. _____ is willing to provide, upon request, the names of known material suppliers, which may be contacted for further information.
