Summary: The Child Care and Development Services Act administered by the State Department of Education, requires the Superintendent of Public Instruction to administer child care and development programs. Current law authorizes funds appropriated for purposes of the act to be used for child care resource and referral programs, which may be operated by public or private nonprofit entities and are required to provide certain information and services to parents and child care providers relating to child care

services in a defined geographic area. This bill would, until July 1, 2022, require the department to establish and administer a pilot program to provide outreach, training, and technical assistance to license-exempt child care providers through county child care resource and referral programs.

(Frazier D) Department of Transportation: environmental review process: federal pilot program.

Current Text: Chaptered: 3/29/2017 [Text](#)

Status: 3/29/2017-Approved by the Governor. Chaptered by Secretary of State - Chapter 4, Statutes of 2017.

Location: 3/29/2017-A. CHAPTERED

Summary: Current federal law requires the United States Secretary of Transportation to carry out a surface transportation project delivery pilot program, under which the participating states assume certain responsibilities for environmental review and clearance of transportation projects that would otherwise be the responsibility of the federal government. Current law, until January 1, 2017, provided that the State of California consents to the jurisdiction of the federal courts with regard to the compliance, discharge, or enforcement of the responsibilities it assumed as a participant in the pilot program. This bill would reinstate the operation of the latter provision. The bill would repeal that provision on January 1, 2020. This bill would declare that it is to take effect immediately as an urgency statute.

Summary: The Voting Modernization Bond Act of 2002 authorizes the Voting Modernization Finance Committee to issue and sell bonds in the amount of \$200,000,000, as specified. Current law authorizes a county to apply to the Voting Modernization Board for money from the proceeds of the sale of bonds (1) to pay for or

purchase new voting systems that are certified or conditionally approved by the Secretary of State, (2) to research and develop new voting systems, or (3) to manufacture the minimum number of voting system units reasonably necessary to test and seek certification or conditional approval of the voting system, or test and demonstrate the capabilities of a voting system in a pilot program. This bill would enact the Voting Modernization Bond Act of 2018 which, if approved, would authorize the issuance and sale of bonds in the amount of \$450,000,000, as specified, for similar purposes.

Location: 7/14/2017-S. 2 YEAR

Summary: Current law, unless the school district is granted an exemption, limits the amount of the combined assigned or unassigned ending fund balance contained in a school district's annual budget in any fiscal year immediately after a fiscal year in which a transfer is made into the Public School System Stabilization Account, and establishes a formula for calculating the maximum amount allowable for school districts with less than 400,000 units of average daily attendance, and a formula for school districts with more than 400,000 units of average daily attendance, as specified. This bill would instead make that limitation applicable in a fiscal year immediately after a fiscal year in which the amount of moneys in the Public School System Stabilization Account are equal to or exceed 3% of the combined total of General Fund revenues appropriated for school districts and allocated local proceeds of taxes, as specified, for that fiscal year.
