

# Monterey County Zoning Administrator

## Agenda Item No. 1

Legistar File Number: ZA 18-002

168 West Alisal Street,  
1st Floor  
Salinas, CA 93901  
831.755.5066

January 25, 2018

**Introduced:** 1/12/2018

**Version:** 1

**Current Status:** Agenda Ready

**Matter Type:** ZA

**PLN170945 PORGES** - Public hearing to consider the partial demolition and remodel of a single family dwelling. Proposed colors and materials include beige stucco, Carmel stone veneer accents, and dark bronze chimney and window frames.

**Project Location:** 3109 Hacienda Road, Pebble Beach, Greater Monterey Peninsula area

**Proposed CEQA Action:** Categorically Exempt pursuant to Section 15301

### PROJECT INFORMATION:

**Planning File Number:** PLN170945

**Owner:** Porges Revocable Trust

**APN:** 007-331-006-000

**Agent:** Tina Hannas-De Freitas

**Plan Area:** Greater Monterey

**Flagged and Staked:** No

### RECOMMENDATION:

It is recommended that the Zoning Administrator:

- a. Find that the project a minor improvement to an existing single family dwelling which qualifies for a Class 1 Categorical Exemption pursuant Section 15301 to the California Environmental Quality Act Guidelines; and
- b. Adopt a resolution to approve a Design Approval to allow the demolition of a 250 square foot attached sun room, remodel of a single family dwelling including replacing all doors and windows, a 230 square foot addition to the roof overhang near the front entry, and landscape improvements including replacement of pavers, patios, and construction of an outdoor barbeque area in the rear yard. Proposed colors and materials include beige stucco, carmel stone veneer accents, and dark bronze chimney and window frames.

The attached draft resolution includes findings and evidence for consideration (**Exhibit A-1**). Staff recommends approval subject to 4 conditions of approval

### SUMMARY/DISCUSSION:

The project site is located at 3109 Hacienda Road Pebble Beach, is designated for medium density residential use in the Greater Monterey area plan and is zoned Medium Density Residential, with Building site 6, Design Control, and parking of recreational equipment in the seaward zone overlays (MDR/B-6-D-RES). The project includes a remodel of an existing single family structure on the 10,000 square foot property meeting all of the site development standards for the district including height, lot coverage, and setbacks.

The Resource Management Agency reviewed the proposed Design Approval application (PLN170945) and noticed a pending administrative decision on the project for December 8, 2017. On December 7, 2017, a timely request for a public hearing was made by a neighbor to the site. The neighbor raised concerns regarding noise, light, and air quality impacts that might be produced by the outdoor barbeque area, exterior lighting, and construction-related impacts. A public hearing on the Design Approval was requested.

Having considered the concerns raised, staff is recommending additional conditions of approval for the proposed Design Approval that require submittal of an exterior lighting plan for review and approval (Condition 3) and a construction management plan (Condition 4). With regard to the potential for an outdoor barbeque area to have use-related noise and smoke impacts, these are ongoing residential uses of property which are often handled by the Sheriff or Environmental Health as the need arises. These potential nuisances (eg: noise) are regulated through existing Monterey County Ordinances, rather than through land use restrictions on the ability to construct a built-in barbeque area.

With the additional conditions incorporated, staff is recommending approval of the Design Approval as proposed.

OTHER AGENCY INVOLVEMENT:

The project has been reviewed by the Resource Management Agency - Planning Division. The following agencies will be involved in review and approval of the Building Permits required for the construction

Environmental Health Bureau  
RMA-Public Works  
RMA-Environmental Services  
Water Resources Agency  
Cypress Fire Protection District  
RMA - Building Services

The proposed project was not referred to the Land Use Advisory Committee because, before the request for hearing, the project did not require a public hearing, was determined to be categorically exempt from CEQA, and does not involve any form of subdivision.

FINANCING:

Funding for staff time associated with this project is included in the FY17-18 Adopted Budget for RMA-Planning.
