Supervisor Jane Parker
4th District
2616 6th Avenue
Marina, CA 93933

Dear Supervisor Parker:

This letter is being sent to inform you of a change in our representative on the Equal Opportunity Commission (EOC). We would like to request that you replace our current branch representative Andrea Monroe with Linwood Eady. Due to personal reasons, Ms. Monroe is no longer able to serve on our Executive Committee. Our Executive Committee selected Mr. Eady as the replacement representative.

Please let us know the next steps so that we can proceed accordingly.

Feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads 'Regina Mason'.

Regina Mason, President
