Amendment No. 3 to Mental Health Services Agreement A-12711

July 1, 2015 – June 30, 2018

EXHIBIT A-3: PROGRAM DESCRIPTION

Program I: Therapeutic Behavioral Services (TBS)

I. IDENTIFICATION OF PROVIDER

Jana Todd, dba JDT Consultants, Inc.
4205 West Figarden Drive
Fresno, CA 93722

II. PROGRAM NARRATIVE

CONTRACTOR will provide Therapeutic Behavioral Services (TBS) to Monterey County children who are eligible for Medi-Cal and meet criteria for medical necessity. These services are available to children with difficult behaviors who require one-to-one assistance and who may be at risk of psychiatric hospitalization. TBS is an intensive one-to-one, face-to-face, short term outpatient treatment intervention for beneficiaries under age 21 with serious emotional disturbances (SED) who are experiencing a stressful transition or life crisis and need additional short-term specific support services. CONTRACTOR must have appropriate licensed, trained and sufficient staff available to dedicate exclusively to TBS services. TBS must be provided under the direction of a licensed practitioner of the healing arts (physicians, psychologists, licensed clinical social workers, marriage and family therapists, and registered nurses with a master's degree).

TBS must be needed to prevent out of home placement or placement into a locked psychiatric facility for the treatment of mental health needs, or to enable a transition from any of those levels to a lower level of residential care.

TBS is not a "stand alone" service, and is intended to supplement other specialty mental health services by addressing the target behavior(s) or symptom(s) that are jeopardizing the child/youth's current living situation or planned transition to a lower level of placement.

Eligible children or youth are eligible to receive these services if they have an included diagnosis, their condition would not be responsive to physical healthcare based treatment, and the service will correct or ameliorate the diagnosed mental illness.

III. PROGRAM GOALS

Provide the child/youth with skills to effectively manage the behavior(s) or symptom(s) that is the barrier to achieving or maintaining residence in the lowest appropriate level.

IV. OBJECTIVES

- A. Reduce child/youth's impulsive behaviors
- B. Reduce child/youth's inappropriate responses to stressful situations
- C. Teach child/youth pro-social skills and community competencies
- D. Provide parents/caregivers skills and strategies to provide continuity of care when services are discontinued

V. TREATMENT SERVICES

A. Mode of Service: Outpatient Services

B. Contracted units of service by type: Examples of such services include: Mental Health Services and Case Management

Service Year	Service Type	Avatar Program Code	Mode	Service Function Code	Est. No. of Unduplicated Youth Served **	Units of Service per FY
FY 2015-16	Mental Health Services - TBS	CKCSOC	15	58	23	103,000
FY 2016-17	Mental Health Services - TBS	CKCSOC	15	58	23	154,197
						11,486*
FY 2017-18	Mental Health Services - TBS	CKCSOC	15	58	23	253,800

* FY 2016-17 TBS service amount to be paid through FY 2017-18 contract amount

** The unduplicated number of children served was calculated using an average length of service of 90 days. This number may vary on an individual basis but County will monitor to ensure any variance over the 90 days average is reasonably justified. It is expected that this 90-day window will be consistent.

C. Delivery Site: To be determined by the needs of the family and child. Examples being: Family home or community setting.

D. Hours of Operation: To be determined by the needs of the family and child and may include nights and weekends. By assignment/referral.

E. Two (2) important components of delivering TBS include:

1. Making collateral contacts with family members, caregivers, mental health provider, and other significant people in the life of the child/youth; and
2. Developing a functional assessment and treatment plan clearly identifying specific target behaviors to be addressed and the interventions that will be used to address the target behaviors.

F. TBS services cannot be provided solely:

1. For the convenience of the family or other caregivers, physician, or teacher;
2. To provide supervision or to assure compliance with terms and conditions of probation;
3. To ensure the child/youth's physical safety or the safety of others, e.g., suicide watch; or
4. To address conditions that are not part of the child/youth's mental health condition.

G. Furthermore, TBS services are not for:

1. Children/youth who can sustain non-impulsive self-directed behavior, handle themselves appropriately in social situations with peers, and who are able to appropriately handle transitions during the day;
2. Children/youth who will never be able to sustain non-impulsive self-directed behavior and engage in appropriate community activities without full-time supervision; or
3. Children/youth who are currently admitted in an inpatient psychiatric hospital, psychiatric health facility, nursing facility, IMD, or crisis residential program or Juvenile Hall.

H. Service Charge Entry, Admission and Discharges:

The contractor will be responsible for entering into the AVATAR system, within 72 hours of occurrence, Client System Information (CSI) Admission and Discharges and entering services provided.

VI. POPULATION/CATCHMENT AREA TO BE SERVED

Monterey County youth under the age of 21 who have full scope Medi-Cal and who are authorized for services by the Behavioral Health TBS Case Manager.

VII. FINANCIAL ELIGIBILITY

All eligible full-scope Medi-Cal Monterey County Residents who have been authorized and referred by the Behavioral Health TBS Case Manager. The TBS Case manager will ensure full scope Medi-Cal has been established and verified prior to the referral. Full scope Medi-Cal eligibility will be determined by Medi-Cal aid code as defined in Title XXI of the Social Security Act and the State Department of Mental Health latest Aid Codes Master Chart. The Chart can be found at the following web URL:

<http://www.dmh.ca.gov/medccc/library.asp>

The contractor must monitor referrals and verify Medi-Cal eligibility for each client referred by checking on the website: <https://www.medi-cal.ca.gov/Eligibility/Login.asp>. Any discrepancies of Medi-Cal eligibility must be communicated immediately to the Contract Monitor and resolved. Services provided to non Medi-Cal eligible children will not be reimbursed to contractor unless the Deputy Director of Behavioral Health has approved for these services in writing.

VIII. LIMITATION OF SERVICE/PRIOR AUTHORIZATION

All services need authorization and coordination with ongoing mental health services. Authorization will be provided by the Monterey County Behavioral Health Bureau, Children's Case Management Supervisor, Children's Behavioral Health Services Manager or Deputy Director. All service plans must be signed by the Mental Health treatment coordinator, TBS provider working with Behavioral Health Coordinator and the youth's parent or guardian. Each authorization will define service limitations.

Procedure for TBS Referral and Authorization

1. Clinicians, Social workers, Probations Officers, etc. will complete and submit a TBS referral form to the Monterey County Behavioral Health (MCBH) TBS Case Manager. The TBS Case Manager will review and submit the authorized referral form to CONTRACTOR. While providing services, CONTRACTOR will conduct an initial assessment and develop a treatment plan within 30 days of authorization (**Refer to Exhibit J**).
2. The initial entry and admission into the System, CSI Admission, will be done by the CONTRACTOR using the AVATAR system. If initial admission was done already, an update to the CSI data will be required.
3. One week prior to the end of each subsequent 60-day period CONTRACTOR will submit an updated treatment plan signed by client, parent, TBS provider, and client's clinician along with a Reauthorization Request.
4. CONTRACTOR will complete a TBS Monthly Review form for each TBS client every month. The TBS Review Forms are to be included when the CONTRACTOR submits for treatment plan approval (**Refer to Exhibit K**).
5. Upon discharge, a TBS Service Summary Discharge form is to be completed and submitted to the MCBH TBS Case Manager within one week (**Refer to Exhibit L**). This discharge will be entered into the Electronic Medi-Cal Records within 72 hours of discharge by CONTRACTOR using the AVATAR system. All Client Service Information (CSI) data will be entered at this time.
6. On the 15th of every month, CONTRACTOR will submit progress notes to MCBH TBS Case Manager for the preceding month of service. MCBH TBS Case Manager will scan progress notes and all other service documentation from CONTRACTOR into the client record in Avatar.

****All reporting requirements are based upon current standards that are subject to change due to Monterey County Behavioral Health's use of the Electronic Medical Records System. CONTRACTOR shall be notified should a change occur.**

Reauthorization of Services:

CONTRACTOR may request from the designated MCBH TBS Case Manager a reauthorization of services for any enrolled client who is in need of additional services. CONTRACTOR will submit a TBS Request for Reauthorization form along with a treatment plan to designated MCBH TBS Case Manager for review and approval for extension of services (**Refer to Exhibit M**). For clients who are reauthorized, the CONTRACTOR will discharge the client upon expiration of the re-authorization period.

CONTRACTOR will provide Intensive Therapeutic Behavioral Services, referred to as Home Alternative to Residential Treatment (HART) services, to Monterey County children who are receiving Special Education services through their Individual Education Plan (IEP) and have been identified by their IEP teams as being "at imminent risk of residential treatment." HART services provide highly individualized, Intensive Care Coordination and one-to-one behavioral intervention that address the social emotional needs presenting barriers to academic success. CONTRACTOR must have appropriate licensed, trained and sufficient staff available and HART services must be provided under the direction of a licensed practitioner of the healing arts (physicians, psychologists, licensed clinical social workers, marriage and family therapists, and registered nurses with a master's degree).

HART must be needed to reduce risk of residential treatment and must be approved by the client's IEP team prior to a referral being made to CONTRACTOR.

III. PROGRAM GOALS

Increase child's ability to function in his/her school setting so that he/she can benefit from his/her educational placement and remain living at home.

IV. PROGRAM OBJECTIVES

- A. To provide children and their families a service alternative to residential treatment through the provision of intensive services.
- B. To stabilize the child's behaviors of concern that are causing functional impairment and preventing him or her from being successful in his/her academic placement.
- C. To provide services that are individualized to build on the strengths of each eligible child and are tailored to address their unique and changing needs.
- D. To develop all plans through the IEP Team.

V. TREATMENT SERVICES

VI. POPULATION/CATCHMENT AREA TO BE SERVED

MCBH will be the only source of referral for HART clients. All clients will have an IEP and must be authorized to receive HART services by the client's IEP team.

VII. ELIGIBILITY CRITERIA

Clients being considered for the HART program should meet the following criteria:

- A. Demonstrating behaviors that are causing functional impairment and placing the client at **imminent risk** of residential treatment
- B. Receiving Special Education services through an IEP
- C. Open to MCBH services

In addition, HART can be considered appropriate for clients in need of intensive supportive services to assist with transition back home from a residential care setting.

VIII. LIMITATION OF SERVICES/PRIOR AUTHORIZATION

All services require authorization from the client's IEP team and are to be coordinated with ongoing MCBH services. HART referrals from MCBH must be made and authorized prior to service delivery of HART services by CONTRACTOR.

IX. PROCEDURE FOR HART REFERRAL AND AUTHORIZATION FOR SERVICES

- A. When it appears that a client with an IEP is exhibiting behavior that places him or her at imminent risk of residential placement and may be in need of more intensive services than he or she is currently receiving, the MCBH HART Case Manager will attend an IEP meeting to discuss consideration of adding HART services to the client's IEP.
- B. If, at the IEP meeting, it is determined by the IEP team, that all other interventions have proven to be ineffective in stabilizing the client's behaviors, the IEP team will add HART services to the IEP. This documentation must be clearly indicated on IEP 12 from in the Notes/Additional Information section and include, in writing, that the

HART Program Service is being added to the IEP because the client is “**at imminent risk of residential treatment**”. The HART Case Manager will work with the client’s IEP team to develop an IEP goal that will address the social emotional needs of the client and decide on the number of service hours that will be provided by the CONTRACTOR where indicated.

- C. Once HART services have been added to the client’s IEP and a referral to the HART CONTRACTOR has been approved, the MCBH HART Case Manager will prepare a HART referral packet to include the HART Referral Form, a signed Authorization for the Release and Exchange of Confidential Information form, the client’s most recent Psychosocial Assessment, a current Treatment Plan, and a copy of the IEP documenting the number of contracted service hours that have been approved by the client’s IEP team. No services will be implemented without documented approval from the client’s District of Residence and the client’s parent or Legal Guardian, either through an addendum or subsequent IEP Team Meeting.

X. SERVICE DELIVERY AND DOCUMENTATION

- A. **Delivery Site:** HART services will be provided in the child’s home, school or community settings where she/he is experiencing functional impairment.
- B. **Hours of Operation:** To be determined by the needs of the child and family and may include nights and weekends. By assignment/referral.
- C. **Service Type:**
1. Behavioral intervention, coaching, and intervention focused on decreasing frequency, intensity, and duration of behavior placing the child at risk of residential treatment.
 2. Collateral contacts with family members, caregivers and other significant people in the child’s life.
 3. Intensive case management/ linkage and brokerage to low cost/no cost community resources that will assist in stabilizing the child’s behaviors of concern and reduce risk of out of home placement. Case management services will also include ongoing consultation with the child’s MCBH therapist, MCBH HART Case Manager, IEP Case Carriers, and other school staff directly involved with the child’s educational placement.
- D. **Service Documentation:**
1. Upon receipt of the HART referral packet, the CONTRACTOR will conduct an initial assessment and develop a service plan within 30 days from referral. The service plan must be based on the IEP goal and findings from the initial assessment and address behaviors that are school-related and preventing the client from being successful in his/her academic placement.
 2. All service plans must be approved and signed by the MCBH HART Case Manager, the client (if 12 years or older), the client’s parent or Legal Guardian, and HART provider working directly with the client and the master’s level practitioner providing clinical oversight to the contracted services.

3. The CONTRACTOR will submit service plan updates every 60 days following the initial 30-day assessment period to the HART Case Manager to include the aforementioned signatures required on the initial service plan.
4. On the 15th of every month following the opening of a HART episode, CONTRACTOR will submit progress notes to MCBH HART Case Manager for the preceding month of service. MCBH HART Case Manager or designee will scan progress notes and all other service documentation from CONTRACTOR into the client record in Avatar.

E. Service Delivery:

1. The CONTRACTOR will provide services as outlined on the service plan and conduct monthly Coordination of Services meetings with the child and family focused on reviewing and monitoring progress with HART services.
2. The CONTRACTOR will coordinate with the MCBH HART Case Manager to identify a meeting time that will accommodate schedules with all parties involved. In the event that the MCBH HART Case Manager is not able to attend the scheduled meeting, the CONTRACTOR will contact the MCBH HART Case Manager following the meeting to provide an update on client progress following the meeting.
3. When IEP meetings are scheduled for HART clients, the MCBH HART Case Manager will notify the CONTRACTOR to request updates so that reports on client progress can be made and any adjustments to service hours can be proposed for IEP team consideration.
4. When the CONTRACTOR and MCBH HART Case Manager have determined that the client has maintained progress and his or her behaviors of concern have stabilized, the MCBH HART Case Manager will request an IEP meeting to propose the dismissal of HART services from the client's IEP or discuss an appropriate fade out plan approved by the IEP team.
5. When the IEP team has decided that HART services are no longer necessary and the services have been dismissed from the IEP, the CONTRACTOR will provide the MCBH HART Case Manager with a Discharge Summary within 10 days of the IEP meeting when HART services were dismissed.

XI. MEETINGS/COMMUNICATIONS

The Contract Monitor shall convene a quarterly meeting or as frequently necessary which will include appropriate CONTRACTOR and MCBH representation. If CONTRACTOR is seeking reimbursement for mental health services provided pursuant to this Agreement, reimbursement for such

services shall be based upon the actual allowable costs of providing those services less any deductible revenues, as stated above. The negotiated rate shall be used until COUNTY establishes the COUNTY'S rate Schedule of Maximum Allowances. CONTRACTOR shall be responsible for costs that exceed applicable negotiated rate. In no case shall payments to CONTRACTOR exceed the negotiated rate. In addition to the negotiated rate limitation, in no event shall the maximum reimbursement that will be paid by COUNTY to CONTRACTOR under this Agreement for any Program Amount be more than the amount identified for each Program Amount for each Funded Program, as identified in this Exhibit B, Section III. Said amounts shall be referred to as the "Maximum Obligation of County," as identified in this Exhibit B, Section V.

- B. To the extent a recipient of services under this Agreement is eligible for coverage under Short-Doyle/Medi-Cal or Medicaid or Medicare or any other Federal or State funded program ("an eligible beneficiary"), CONTRACTOR shall ensure that services provided to eligible beneficiaries are properly identified and claimed to the Funded Program responsible for such services to said eligible beneficiaries. For the Short-Doyle/Medi-Cal Funded Program, CONTRACTOR assumes fiscal responsibility for services provided to all individuals who do not have full-scope Medi-Cal or are not Medi-Cal eligible during the term of this Agreement.
- C. CONTRACTOR shall be responsible for delivering services to the extent that funding is provided by the COUNTY. To the extent that CONTRACTOR does not have funds allocated in the Agreement for a Funded Program that pays for services to a particular eligible beneficiary, CONTRACTOR shall, at the first opportunity, refer said eligible beneficiary to another CONTRACTOR or COUNTY facility within the same geographic area to the extent feasible, which has available funds allocated for that Funded Program.
- D. In order to receive any payment under this Agreement, CONTRACTOR shall submit reports and claims in such form as General Ledger, Payroll Report and other accounting documents as needed, and as may be required by the County of Monterey Department of Health, Behavioral Health Bureau. See Section III, above, for payment amount information to be reimbursed each fiscal year period of this Agreement. The amount requested for reimbursement shall be in accordance with the approved budget and shall not exceed the actual net costs incurred for services provided under this Agreement.

supporting documentations, as may be required by the COUNTY for services rendered to:

MCHDBHFinance@co.monterey.ca.us

- E. CONTRACTOR shall submit all claims for reimbursement under this Agreement within thirty (30) calendar days after the termination or end date of this Agreement. All claims not submitted after thirty (30) calendar days following the termination or end date of this Agreement shall not be subject to reimbursement by the COUNTY. Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR. Any "obligations incurred" included in claims for reimbursements and paid by the COUNTY which remain unpaid by the CONTRACTOR after thirty (30) calendar days following the termination or end date of this Agreement shall be disallowed, except to the extent that such failure was through no fault of CONTRACTOR under audit by the COUNTY.
