An employee interested in a change of shift assignment may file a written request for said change with the department. 10.4 Bilingual Skill Pay		
The Department Head, with the approval of the Human Resources Director or his/her designee, shall designate Primary + Bilingual Positions:		Formatted: Normal
Primary bilingual positions:		Formatted: Font: Bold, Italic

Primary bilingual positions are positions required on a regular basis for an amount of time that, on the average, equals twenty percent (20%) or more of the total work time to utilize bilingual skills in order to perform the job duties. A primary bilingual designation is assigned to a position, not an incumbent, and in the event the incumbent moves to another position or if the primary bilingual designation of the position of the position is removed because the duties no longer meet the criteria for such designation, his/her bilingual pay will cease.

### Provisional bilingual employees:

A provisional bilingual employee occupies a position for which bilingual skills are not required, but in order to provide necessary services the department must utilize the bilingual skills of the current incumbent. A bargaining unit employee whose bilingual skills are required on a regular basis for an amount of time that, on the average, equals less than twenty percent (20%) of the total work time may be designated as a provisional bilingual employee if there is no alternative method for providing essential bilingual services. Provisional bilingual employee designations expire when any certified incumbent leaves the department in which the designation was made or upon termination of the designation by the department head.

### Qualifications:

Ability to qualify for certification of demonstrated proficiency in the required language shall be a requirement for employment in a primary bilingual position, and obtaining certification appropriate for the position within the initial thirty (30) days of employment shall be a condition of continued employment.

Provisional bilingual designations require certification by the Human Resources Department of demonstrated proficiency appropriate for the needs of the department in the required language.

A bargaining unit employee who has received certification of proficiency appropriate for one position may be required to meet new proficiency requirements if he/she moves to a bilingual designated position that utilizes a different specialized or technical vocabulary. A bargaining unit employee certified as proficient shall be required to obtain renewal of his/her proficiency certification every five (5) years.

#### **Bilingual Pay:**

Bilingual pay shall be paid to a bargaining unit employee occupying a designated bilingual position who has certification of proficiency in the required language as appropriate for the position starting with the first full pay period following certification.

A bargaining unit employee occupying a primary bilingual position shall be paid a bilingual pay differential of forty-two dollars (\$42.00) per pay period. Such amount will be included in the ranger's regular rate of pay.

A bargaining unit employee designated a provisional bilingual employee shall be paid a bilingual pay differential of twenty dollars (\$20.00) per pay period. Such amount will be included in the ranger's regular rate of pay.

### Administration:

The Human Resources Director or his/her designee is responsible for administration of the bilingual program including approval of bilingual position designations and proficiency testing and certification.

Administration responsibilities shall also include a periodic review of the number and location of bilingual position designations.

## 10.5 Show Up Time

If a permanent full-time bargaining unit employee reports to work for his/her regularly scheduled shift and is not permitted to work because of circumstances within the control of the County, that employee shall be entitled to two (2) hours of pay.

### 10.6 Y-Rate Procedure

"Y-rating" is a procedure whereby an employee who is reclassified to a class having a lower salary range than his/her current class may retain his/her current salary after the reclassification to the lower class. The employee's salary at the time of the Y-rate shall not increase until such time as the maximum salary of the class to which the employee was reclassified exceeds the employee's salary.

When an employee's current rate of pay falls between the step authorized for the lower paid class, he or she shall continue to receive the current rate of pay until such time as an authorized increase in pay or step increase can be granted which places the employee at a step in the range without increasing his/her salary by an amount more than that normally provided by the salary increase or step advancement.

The salary on Y-rate shall be only the rate of pay in effect for the employee's class and step on the day prior to the effective date of the Y-rate action, as shown in appendices A and B of the Personnel Policies & Practices Resolution.

The Bilingual pay differential shall not be added to the Y-rate.

In the event the laid off employee so elects, the County will pay an amount equal to two (2) times the employee only premium at the time of layoff toward the cost of the health insurance conversion plan. The above insurance provision does not apply to employees who retire coincidental to their layoff.

### 252.8 Appeal Procedure

An Appointing Authority or his/her designee may place a bargaining unit employee under his/her control on involuntary leave from his/her position at any time for reasons of investigation for disciplinary action. Such involuntary leave may be either with or without pay subject to the limits set forth in Section 253.6 of this article.

Written notice of such involuntary leave shall be given to the employee as soon as possible but not later than seventytwo (72) hours after such action is taken. Such involuntary leave is not a disciplinary action and shall not be subject to appeal unless it, or any portion of it, subsequently becomes a disciplinary action. Such resignation shall be rescinded by the Appointing Authority if the employee can show to the satisfaction of the Appointing Authority that it was impossible to contact the department of employment, provided the employee contacts the department within five (5) working days of notice of separation under this section through United States Mail.

Disciplinary action based on fraud, embezzlement, or the falsification of records shall be valid, if the notice of such action is served within the three (3) years after the discovery of such fraud, embezzlement, or falsification.

Nothing herein shall preclude the County from disciplining a bargaining unit employee for cause which consists of a course of conduct or history of performance that began more than three (3) years prior to the notice of disciplinary

The parties shall select a mutually acceptable arbitrator.

The fees and expenses of the arbitrator shall be shared equally by the parties, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.

### 274.2 Employees Terminated During Probation in a Promotional Class

The parties reaffirm their understanding that bargaining unit employees, who have been promoted and thereafter are dismissed during probation in such promotional class, enjoy no procedural or substantive rights. However, to lessen the impact of a dismissal on such employees, and so that the skills possessed by such employees may be available to the County, the parties agree that such dismissed employees may be returned to their former class if a vacant position exists in that class. If an employee is not returned to his former class, s/he may elect to follow the procedures outlined in section 25.4 "Reemployment of Employees Laid Off" paragraph 3 of this Memorandum of Understanding for placement on a preferred eligible list. An employee electing to pursue placement on a preferred eligible list must notify the Assistant CAO/HR Director of his desire to do so within five (5) working days of notification that s/he will not be returned to his former class.

The decision to place such a dismissed employee on a preferred eligible list shall be in the sole, exclusive, and unreviewable discretion of the County. No action taken by the County concerning an employee dismissed while serving a probationary period shall be subject to appeal, review, or to any grievance procedure or arbitration procedure whether such procedure be contained in this Memorandum of Understanding, the Personnel Resolution of the County of Monterey, the Employee Relations Resolution of the County of Monterey, or any other statute, ordinance, resolution or agreement.

This article shall not impair the liberty interest rights of any employee.

Notwithstanding any other provision of this item, County and the Association agree that an employee is not entitled to inspect or review such documents as reference letters, background investigations, records pertaining to investigation of a possible criminal offense, or material designated confidential by law. At his/her request, an employee shall be provided one (1) copy of any document placed in the employee's file except for employment applications and those documents listed above.

An employee, or a staff representative of the Association with the prior written consent of the employee, may upon request inspect that employee's personnel file during regular business hours by appointment.

The Appointing Authority shall keep the official personnel records of all employees within his/her department.

It is mutually recognized that all performance related materials contained within an employee's personnel file may provide material substance and support to proposed and imposed disciplinary actions.
