**Before the Planning Commission in and for the  
County of Monterey, State of California**

**Resolution No. 18-007**

**REF150048/Cannabis Regulations - Setbacks**

Resolution of the Monterey County Planning Commission recommending that the Monterey County Board of Supervisors:

- a) Find the ordinances statutorily exempt from the California Environmental Quality Act pursuant to Business and Professions Code Section 26055(h) and Section 15282 of the CEQA Guidelines;
- b) Adopt an ordinance (**Attachment 1**) amending Title 21 (non-coastal zoning ordinance) of the Monterey County Code to:
  - 1) Amend Section 21.64.040.B.3 of the Monterey County Code deleting the requirement for a 1,500-foot setback between commercial cannabis retailers and instead requiring a finding of *public convenience or necessity* for all commercial cannabis retailer Use Permits; and
  - 2) Amend definitions, regulations and required findings for setbacks contained in Chapter 21.67 of the Monterey County Code to remove the setback from drug recovery facilities and public parks and add a 600-foot setback from playgrounds, child care centers and youth centers consistent with state law for all types of commercial cannabis activities; and
- c) Adopt a resolution of intent to adopt an ordinance (**Attachment 2**) amending the Monterey County Coastal Implementation Plan, Part 1 (Title 20, coastal zoning ordinance) of the Monterey County Code to:
  - 1) Amend Section 20.64.040.B.3 of the Monterey County Code deleting the requirement for a 1,500-foot setback between commercial cannabis retailers and instead requiring a finding of *public convenience or necessity* for all commercial cannabis retailer Use Permits; and
  - 2) Amend definitions, regulations and required findings for setbacks contained in Chapter 20.67 of the Monterey County Code to remove the setback from drug recovery facilities and public parks and add a 600-foot setback from playgrounds, child care centers, and youth centers consistent with state law for all types of commercial cannabis activities.

**The proposed amendments to the Monterey County Code modifying setbacks applicable to commercial cannabis activities in the unincorporated areas of Monterey County came before the Monterey County Planning Commission at a duly noticed public hearing on February 14, 2018. Having considered all the written and documentary evidence, the administrative record, the staff report, oral testimony and other evidence presented, the Planning Commission forwards the following recommendation to the Board of Supervisors with reference to the following facts:**

## I. RECITALS

1. Pursuant to Article XI, section 7 of the California Constitution, the County of Monterey may adopt and enforce ordinances and regulations not in conflict with general laws to protect and promote the public health, safety, and welfare of its citizens.

2. The federal Controlled Substances Act (21 U.S.C. §§ 801, *et seq.*) prohibits, except for certain research purposes, the possession, distribution, and manufacture of cannabis, and there is no medical necessity exception to prosecution and conviction under the Controlled Substances Act.

3. In recent years, the federal government has taken a hands-off approach with regard to states and local governments that have enacted laws authorizing cannabis related conduct, as long as the states and local governments have established strong and effective regulatory and enforcement systems that address the threats that cannabis activity could pose to public safety, public health, and other law enforcement interests.

4. On November 5, 1996, California voters approved Proposition 215, the Compassionate Use Act of 1996 (Health & Safety Code § 11362.5, “CUA”), an initiative that exempted certain patients and their primary caregivers from criminal liability under state law for the possession and cultivation of cannabis for medical purposes. One of the stated purposes of the CUA is to ensure that seriously ill Californians have the right to obtain and use cannabis for medical purposes where that medical use has been recommended by a physician.

5. On January 1, 2004, Senate Bill 420, the Medical Marijuana Program Act (Health & Safety Code §§ 11362.7-11362.83, “MMP”), became law to clarify the scope of the CUA and to facilitate the prompt identification of qualified patients and their primary caregivers.

6. On October 9, 2015, the State enacted the Medical Marijuana Regulation and Safety Act (former Business & Professions Code §§ 19300, *et seq.*; “MMRSA”). MMRSA created a state licensing program for commercial medical cannabis activities.

7. On July 12, 2016, the Monterey County Board of Supervisors adopted inland zoning regulations establishing criteria for issuing local land use permits pursuant to the MMRSA (Ordinance Number 5270, amending sections of Title 21 and adding Chapter 21.67 to Monterey County Code), and on July 19, 2016 the Monterey County Board adopted regulations establishing criteria for issuing local business permits pursuant to the MMRSA (Ordinance Numbers 5272 and 5273, codified at Monterey County Code Chapters 7.02 and 7.90). These ordinances were to become operative only if the Board of Supervisors submitted a County tax on commercial medical cannabis activities, the voters approved the tax, and the tax was certified by the County pursuant to Section 15372 of the California Elections Code. On November 8, 2016, the voters approved the tax (Measure Y, codified at Monterey County Code Chapter 7.100). On December 13, 2016, the tax was certified pursuant to Section 15372 of the Elections Code, and Ordinance Numbers 5270, 5272, and 5273 became operative.

8. Also on July 12, 2016, the Monterey County Board of Supervisors adopted a resolution of intent to adopt coastal zoning regulations to establish criteria for local land use permits pursuant to MMRSA. These regulations were sent to the California Coastal Commission

for certification, but the County withdrew the request for certification of these regulations because of discussions with Coastal Commission staff on revisions to the regulation language and intent.

9. On November 8, 2016, by statewide initiative, the voters enacted the Control, Regulate and Tax Adult of Marijuana Act (“AUMA”). AUMA created a state licensing program for commercial adult-use cannabis activities.

10. On June 27, 2017, the State enacted the Medicinal and Adult-Use of Cannabis Regulatory and Safety Act (Business & Professions Code §§ 26000, *et seq.*; “MAUCRSA”), which combined MMRSA and AUMA into a single State licensing scheme for both medicinal and adult-use cannabis. MAUCRSA allows counties and cities to maintain local regulatory authority over commercial cannabis activities. The state will not issue a state license without first receiving authorization from the applicable local jurisdiction.

11. On December 5, 2017, the Monterey County Board of Supervisors adopted ordinances amending the commercial medical cannabis regulations, for the inland unincorporated areas of the County, to make the regulations applicable to both medicinal and adult-use commercial cannabis activities without changing the previously adopted criteria (Ordinance Numbers 5292, 5293, and 5294).

12. Also on December 5, 2017, the Monterey County Board of Supervisors adopted a Resolution of Intent to adopt an ordinance amending the Monterey County Coastal Implementation Plan, Part 1 and Part 2 (Title 20, coastal zoning ordinance) of the Monterey County Code to regulate commercial cannabis activities in the coastal zone of unincorporated Monterey County consistent with MAUCRSA; and to amend the text of the North County Land Use Plan to allow permitting of commercial cannabis activities at the former Kaiser National Refractories site located at 7697 Highway 1, Moss Landing, notwithstanding the coastal-dependent industrial land use designation on the site. The Resolution of Intent will be before the Coastal Commission for certification on February 7, 2018.

13. The Monterey County Planning Commission and Board of Supervisors have recognized that commercial cannabis setback requirements contained in the adopted regulations, both inland and coastal, have created challenges processing applications and are not sufficiently aligned with state law.

14. At the direction of the Planning Commission and Board of Supervisors, staff has prepared ordinances (Attachments 1 and 2) amending the setback requirements for commercial cannabis activities in both the inland and coastal areas of the County. The attached ordinances address permit processing challenges, better align County regulations with state law, and promote healthy business competition while still being sensitive to health, safety, and social issues that may arise from cannabis uses.

15. It is the intent of the County of Monterey to have a strong and effective regulatory and enforcement system with regard to cannabis that addresses threats to public safety, health and other law enforcement interests through robust controls and procedures that are effective in practice.

16. The ordinance amending Title 21 (Inland Zoning Regulations) and Title 20 (Coastal Zoning Regulations) together with the adopted regulations contained in Chapters 7.90 and 7.02 of the Monterey County Code requiring a Commercial Cannabis Business Permit and a Business License for all commercial cannabis operations, are intended to establish criteria for issuing local permits pursuant to the MAUCRSA and to establish an effective regulatory and enforcement system.

17. For the ordinance amending the Coastal Implementation Plan Part 1 (Title 20 – coastal zoning ordinance), pursuant to the Coastal Act, the County may amend the certified Local Coastal Program, provided the County follows certain procedures. The procedures include: the County’s Planning Commission hold a noticed public hearing and make a recommendation to the Board of Supervisors; the Board of Supervisors hold a noticed public hearing, adopt a resolution of intent, and submit the proposed amendment to the California Coastal Commission for certification together with materials sufficient for a thorough and complete review; the Board of Supervisors take subsequent final action on the ordinance after the Coastal Commission acts; and the Coastal Commission confirm the County’s action. Accordingly, the ordinance amending Part 1 of the Coastal Implementation Plan will not go into effect until after certification by the Coastal Commission and subsequent formal adoption by the Board of Supervisors at a duly noticed public hearing, and it will not become operative until the Coastal Commission’s certification is final and effective.

18. The County intends to carry out the ordinance amending the Coastal Implementation Plan in a manner fully in conformity with the California Coastal Act.

19. State law (MAUCRSA) provides a statutory exemption from the California Environmental Quality Act (CEQA) for consideration and adoption of local commercial cannabis regulations that require subsequent discretionary permits which are themselves subject to CEQA review (Business and Professions Code Section 26055(h)). The County’s draft ordinances require a Use Permit or Coastal Development Permit, for all commercial cannabis activities in the County. Use Permits and Coastal Development Permits are individually subject to CEQA review. Therefore, the County’s updated regulations are statutorily exempt from CEQA review pursuant to Business and Professions Code Section 26055(h) and Section 15282 of the Guidelines.

20. State law requires the Planning Commission to hold a noticed public hearing on proposed amendments to zoning ordinances and to make a written recommendation to the Board of Supervisors.

21. On February 14, 2018, the Planning Commission held a duly noticed public hearing to consider the proposed amendments to the Local Coastal Program. At least 10 days before the hearing date, a notice of the hearing before the Planning Commission was published in the Monterey County Weekly.

## II. DECISION

**NOW, THEREFORE, BE IT RESOLVED** that the Planning Commission hereby recommends that the Board of Supervisors:

- a) Find the ordinances statutorily exempt from the California Environmental Quality Act pursuant to Business and Professions Code Section 26055(h) and Section 15282 of the CEQA Guidelines;
- b) Adopt an ordinance (**Attachment 1**) amending Title 21 (non-coastal zoning ordinance) of the Monterey County Code to:
  - 1) Amend Section 21.64.040.B.3 of the Monterey County Code deleting the requirement for a 1,500-foot setback between commercial cannabis retailers and instead requiring a finding of *public convenience or necessity* for all commercial cannabis retailer Use Permits; and
  - 2) Amend definitions, regulations and required findings for setbacks contained in Chapter 21.67 of the Monterey County Code to remove the setback from drug recovery facilities and public parks and add a 600-foot setback from playgrounds, child care centers, and youth centers consistent with state law for all types of commercial cannabis activities; and
- c) Adopt a resolution of intent to adopt an ordinance (**Attachment 2**) amending the Monterey County Coastal Implementation Plan, Part 1 (Title 20, coastal zoning ordinance) of the Monterey County Code to:
  - 1) Amend Section 20.64.040.B.3 of the Monterey County Code deleting the requirement for a 1,500-foot setback between commercial cannabis retailers and instead requiring a finding of *public convenience or necessity* for all commercial cannabis retailer Use Permits; and
  - 2) Amend definitions, regulations and required findings for setbacks contained in Chapter 20.67 of the Monterey County Code to remove the setback from drug recovery facilities and public parks and add a 600-foot setback from playgrounds, child care centers and youth centers consistent with state law for all types of commercial cannabis activities.

ORDINANCE NO. \_\_\_\_\_

**AN ORDINANCE OF THE COUNTY OF MONTEREY, STATE OF CALIFORNIA,  
AMENDING TITLE 21 (NON-COASTAL ZONING) OF THE MONTEREY COUNTY  
CODE RELATING TO COMMERCIAL CANNABIS SETBACKS**

**County Counsel Summary**

*This ordinance amends Chapter 21.67 of Title 21 (non-coastal zoning) of the Monterey County Code related to regulation of commercial cannabis activities in the inland unincorporated area of Monterey County. This ordinance deletes the existing requirement for a 1500-foot setback between commercial cannabis retailers and instead requires a finding of public convenience or necessity for all commercial cannabis retailer Use Permits. This ordinance also amends the setback requirements for commercial cannabis activities. This ordinance removes the setback drug recovery facilities and from public parks, which includes large open spaces such as state parks and adds a 600-foot setback from playgrounds, day child care centers, and youth centers for all types of commercial cannabis activities, ~~and removes the setback from drug recovery facilities. For retailer facilities, this ordinance removes the 600 foot setback from public parks, which includes large open spaces such as state parks, regional parks, county parks, and adds a 600 foot setback from all playgrounds.~~ Playground is defined to include any park or recreational area specifically designed to be used by children that has play equipment installed. The ordinance maintains the 600 foot setback from schools.*

The Board of Supervisors of the County of Monterey ordains as follows:

SECTION 1. Section 21.67.010 of the Monterey County Code is amended to read as follows:

**21.67.010 Definitions**

For the purpose of this Chapter, unless the context otherwise requires, certain terms used in this Chapter shall be as defined below. The definitions in Chapter 21.06 shall otherwise apply.

A. “Bureau” means the Bureau of Cannabis Control within the California Department of Consumer Affairs.

B. “Cannabis concentrate” means cannabis that has undergone a process to concentrate one or more active cannabinoids, thereby increasing the product’s potency. Resin from granular trichomes from a cannabis plant is a concentrate for purposes of this Chapter. A cannabis concentrate is not considered food, as defined by Section 109935 of the California

Health and Safety Code, or a drug, as defined by Section 109925 of the California Health and Safety Code.

C. “Cannabis product” has the same meaning as in Section 11018.1 of the California Health and Safety Code.

D. “Canopy” means all areas occupied by any portion of a cannabis plant, inclusive of all vertical planes, whether contiguous or noncontiguous on any one site.

E. “Certificate of accreditation” means a certificate issued by an accrediting body to a licensed testing laboratory, entity, or site to be registered in the state.

F. “Cultivation” means any activity involving the planting, growing, harvesting, drying, curing, grading, or trimming of cannabis. Within the definition of cultivation, the following specific Permit Types, corresponding to state cultivator license types set forth in California Business and Professions Code Section 26061 apply:

1. Type 1A or “specialty indoor” means indoor cultivation using exclusively artificial lighting of between five hundred one (501) and five thousand (5,000) square feet of total canopy size on one premises;

2. Type 1B or “specialty mixed-light” means cultivation using a combination of natural and supplemental artificial lighting at a maximum threshold to be determined by the licensing authority, of between two thousand five hundred one (2,501) and five thousand (5,000) square feet of total canopy size on one premises;

3. Type 1C, or “specialty cottage,” for cultivation using a combination of natural and supplemental artificial lighting at a maximum threshold to be determined by the licensing authority, of two thousand five hundred (2,500) square feet or less of total canopy size for mixed-light cultivation, or five hundred (500) square feet or less of total canopy size for indoor cultivation, on one premises;

4. Type 2A or “small indoor” means indoor cultivation exclusively using artificial lighting and having a total canopy size between five thousand one (5,001) and ten thousand (10,000) square feet on one premises;
