Through this Agreement Door to Hope will use evidenced based assessment tools to provide home visits to newborns at risk for alcohol and drug exposure to assess their health and well-being, provide linkage to needed services, and provide basic needs and information to their caregivers.

This Agreement will also provide for supervision and oversight of the Mentor Moms/Dads program.

The Auditor-Controller and Purchasing have reviewed and approved this Agreement. County Counsel has approved the Agreement as to form.

FINANCING:

Funding for this agreement is provided by federal and realignment revenues. Sufficient appropriations and estimated revenues in SOC005 are included in the FY 2018-19 Requested Budget.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

This Agreement correlates to the Health & Human Services Strategic Initiative adopted by the Board of Supervisors by allowing the Department to improve the quality of life for children at risk of abuse and neglect by expanding the Department's ability to work in collaboration with the community to address the impacts of perinatal alcohol and drug exposure.
