D. PURPOSE

The purpose of this agreement is to provide administrative and temporary housing subsidy funding to CONTRACTOR to provide housing case management, program housing search, placement support, and rental subsidies for CalWORKs customers referred to CONTRACTOR by Monterey County Department of Social Services (COUNTY) for the Housing Support (HSP) and Family Stabilization (FS) programs.

E. PROGRAM DESIGN

E.1 In 2014, Family Stabilization (FS) became a new component of the California Work Opportunity and Responsibility to Kids (CalWORKs) Program that provides intensive case management and services to clients that meet the criteria set forth in AB 74. FS is designed to ensure a basic level of stability within a family prior to, or concurrently with, participation in Welfare-to-Work (WTW) activities. The goal of the FS program is to increase client success in light of the flexible Welfare to Work (WTW) 24-Month Time Clock through more intensive case management and the assignment of clients to the additional activities or barrier removal services necessary to ultimately achieve self-sufficiency.

- a. CONTRACTOR shall provide staff and services to perform intake, assessment, housing search, placement, and on-going housing subsidy payments for up to 20 eligible FS CalWORKs Welfare-To-Work customers each month.
- b. For FS program purposes, the COUNTY shall be the FS Supervisor and/or FS Analyst.

E.2 In 2014, the California Department of Social Services (CDSS) received special authority to launch a new Housing Support (HSP) program. Per Senate Bill (SB) 855

SCOPE OF SERVICES/PAYMENT PROVISIONS

(Chapter 29, Statutes of 2014), housing support in the CalWORKs program is necessary to assist families working towards achieving self-sufficiency. Homelessness and housing instability in the CalWORKs program is a challenging problem that impacts children's well being and their parents' ability to engage in employment. The objective of the CalWORKs Housing Support Program is to promote housing stability for families in the CalWORKs program.

- a. CONTRACTOR shall provide staff and services to perform intake, case management, housing assessment, housing search, placement, and on-going housing subsidy payments for up to 40 eligible HSP CalWORKs customers each month.
- b. For HSP purposes, the COUNTY shall be the HSP Social Service Aide and/or HSP Analyst.

F. PERFORMANCE GOALS

- F.1 75% of all referred customers are scheduled to attend an intake and assessment within five (5) working days of CONTRACTOR receiving the customer referral from COUNTY.
- F.2 80% of COUNTY referred FS customers who attend and successfully complete the intake and assessment are placed in safe, clean, and affordable temporary shelter the same day that the intake and assessment are completed and until permanently housed or the case is closed.
- F.3 50% of all customers who attend and successfully complete the intake and assessment and fully participate in program's services are placed in safe, clean, and affordable permanent housing within eight (8) weeks of their intake and assessment appointment.

Attend additional meetings as scheduled and as needed to discuss other areas that affect either party to this Agreement.
- e. Participate in an annual meeting of CalWORKs Employment Services (CWES) service providers convened by CWES that includes all CWES contractors.
- f. Respond to deficiencies in meeting any service requirements in this Agreement within two (2) business days of the deficiency being identified through contract monitoring or reported by the COUNTY contract monitor. Identification and

- d. Provide emergency intake and assessments as requested by COUNTY to serve customers that require immediate temporary shelter and are "literally homeless" with children under the age of five (5) where failure to provide immediate temporary shelter may result in safety concerns for the children. All ad-hoc intake and assessments shall be provided within two (2) business days of receiving a request from COUNTY.
- e. Develop, maintain, and provide program participant rules and expectations to each referred customer during the comprehensive intake and assessment process.
- f. Ensure that each comprehensive intake and assessment includes, but is not limited to:

- iv. A friendly greeting and welcome to CONTRACTOR services at the beginning of the appointment and discussion with the customer about why they have been referred for services, an overview of what services CONTRACTOR provides, which of those services the customer may be eligible for, and an opportunity for the customer to discuss any concerns they have prior to beginning the comprehensive intake and assessment.
- v. Verbal and written instructions for completion of CONTRACTOR'S program application materials.

- xvii. Inform customers that placement in temporary shelter is only guaranteed on a week-by-week basis and approval of payment for temporary shelter requires the customer to comply with and participate in their housing plan.
- g. Additional services for FS program customer intake and assessment include, but are not limited to:
 - i. Immediately following the formal contact, a review of the customer's referral and information and a formal contact with the COUNTY FS Case Manager, if necessary, to obtain additional information about the customer that may be required to support the appointment.
 - ii. A formal contact with the COUNTY FS Case Manager following the customer's intake and assessment to brief the COUNTY FS Case Manager on the information discussed at the appointment and to provide an electronic copy of the customer's housing plan.

G.4 Housing Placement

- a. Reserve, pay for, and place customers who have been referred to and attended a comprehensive intake and assessment in safe, clean, and affordable subsidized temporary shelter the same day that the customer attends the comprehensive intake and assessment appointment. The temporary shelter placement shall meet minimum state and federal temporary shelter regulations or be a temporary shelter approved by the COUNTY. The temporary shelter placement shall be reserved for an initial minimum period of seven (7) days. Temporary shelter shall be reserved and paid for continually and consecutively, as required, on a week-to-week basis. Temporary shelter subsidies shall be discontinued when the customer has secured and moved into permanent housing, the customer's case is closed, or after one (1) month; whichever occurs first. An extension of permanent housing payments may be provided beyond six (6) months, on a case-by-case basis, only if approved by the COUNTY.

 - d. Require each customer to agree to and sign a formal budget agreement between the customer and CONTRACTOR detailing the permanent housing subsidy arrangement amount, period, and instructions for the customer to comply with their housing plan. Compliance with the housing plan is determined by participation with program requirements and expectations. Ensure that each budget requires the customer to pay a portion of the monthly rental amount. The portion shall gradually increase over time to ensure the customer is able to pay the full rent amount before the end of the permanent housing subsidy period.
 - i. For FS Program cases, provide the COUNTY FS Supervisor and FS MDT with a copy of the formal budget agreement, signed by both the customer and CONTRACTOR for review and approval prior to issuing monthly permanent housing subsidies. - h. Inform COUNTY of cases being closed by clearly documenting the reasons for closure in services database and completing the Case Closure Form (Exhibit A-1) and sending it to the COUNTY program contact using secure e-mail within 7 days of the actual closure date. For FS cases, obtain COUNTY permission prior to closing FS services and following standard closing processes.
