Chair Luis Alejo
Monterey County Board of Supervisors
168 West Alisal Street, 2nd Floor
Salinas, CA 93901

RE: Agricultural Advisory Committee Nominations
Monterey County Water Resources Agency Board of Directors

Dear Chair Alejo:

At the Board of Supervisors' meeting of February 27, 2018, Item WRAG 18-040 was not approved. The Board of Supervisors requested that the Agricultural Advisory Committee (AAC) submit two new names as candidates to the Monterey County Water Resources Agency (MCWRA) Board of Directors.

On May 24, 2018, the AAC met to consider candidates. Pursuant to MCWRA Act, Chapter 52-49, **John Baillie** and **Benny Jefferson** were nominated as candidates for the position on the MCWRA Board of Directors. Both candidates are submitted to the Board of Supervisors for consideration with equally weighted endorsement from the AAC. They are part of multi-generational farming families; no résumés were submitted; however, their applications are attached for your consideration.

The AAC has an important role in Monterey County land use and carries out these responsibilities with great thought and consideration. The responsibility of adhering to the requirements of the Act to fill the MCWRA vacancy has been and is taken very seriously.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Robert A. Roach
Assistant Agricultural Commissioner
On behalf of the Agricultural Advisory Committee
