s. “Urban County Staff”: Staff persons of the County and cities participating in the Program.

3) Purpose of Agreement.

This Agreement is formed to meet the requirements and purposes of the Act and Regulations with respect to the entitlement grant pursuant to Title I of the Act and to establish the respective rights of the parties to such grant.

The purpose of this Agreement shall be accomplished in the manner hereinafter set forth.

4) Cooperation Agreement.

a. UGLGs agree to undertake, or assist in undertaking of, essential activities as defined in the Act and Regulations thereunder for the term of this Agreement.

i. More specifically, the UGLGs agree to cooperate to undertake, or to assist in undertaking, community renewal and lower-income housing assistance activities.

b. The UGLGs will take all actions within their power to assure compliance with the Urban County's certification required by Section 104(b) of Title I of the Housing and Community Development Act of 1974, as amended, regarding Title VI of the Civil Rights Act of 1964, the Fair Housing Act, and affirmatively furthering fair housing.

i. This agreement also includes the obligation to comply with Section 109 of Title I of the Housing and Community Development Act of 1974, which incorporates Section 504 of the Rehabilitation Act of 1973 and the Age Discrimination Act of 1975, and other applicable laws.

c. UGLGs and County agree, pursuant to 24 CFR 570.501(b) that cities are subject to the same requirements applicable to subrecipients, including the requirement of a written agreement as set forth in 24 CFR 570.503.

i. Each UGLG understands and agrees that, should it fail to comply with such requirements or with the terms of this Agreement, funds which may be allocated to the offending UGLG during the effective dates of this Agreement may be terminated, or reduced or otherwise limited in accordance with the Act and Regulations.

d. This Agreement covers only the County's designation as an Urban County for the Community Development Block Grant Program (CDBG).

i. The County is not seeking Urban County designation for purposes of receiving Emergency Shelter Grant (ESG) or HOME Investment Partnership (HOME) funds.

e. All UGLGs (i.e. Cities and the County) participating in this Agreement understand and agree that they may not apply for grants from appropriations under the State CDBG Programs for fiscal years during the period in which they are participating in the Urban County's CDBG Program.

f. All UGLGS participating in this Agreement understand and agree that they may receive a formula allocation under the HOME Program only through the Urban County.

i. Thus, even if the Urban County does not receive a HOME formula allocation, the participating UGLG cannot form a HOME consortium with other local governments.

ii. This does not preclude the Urban County or a UGLG from applying to the State for HOME funds, if the State allows.

g. “All Units of General Local Government agree that they may only receive a formula allocation under the ESG Program if the Urban County were to pursue such funds, as the County currently is not a formula ESG grantee. Units of General Local Government are not precluded from applying for and receiving state ESG funds in accordance with the California state ESG program.

h. The County will submit the Joint Exercise of Powers Agreement and Cooperation Agreement to the Units of General Local Government for signature by the UGLG if Participating Jurisdiction chooses to participate in the Urban County Program.

i. If a City decides not to participate in the Urban County program by not signing a Joint Exercise of Powers Agreement and Cooperation Agreement, it shall not be eligible to receive Urban County entitlement CDBG funding for three successive program years commencing on July 1, 2019 and ending June 30, 2022 (Federal Fiscal Years 2019-2021).

i. Upon qualifying, the County will remain an Urban County (including its unincorporated areas and the included units of general local government) for a period of three years.

i. That is, during the three-year qualification period, no included units of general local government can be removed from the Urban County. However additional units of general local government can seek to be included in the Urban County during that period.

ii. To assure that included UGLGs remain an effective part of the Urban County for the entire three-year qualification period, this Cooperation Agreement between the Urban County and its included units of general local government covers three successive program years.

j. All UGLGs participating in this Agreement understand and agree that this Agreement remains in effect until the CDBG funds and program income received with respect to activities carried out during the three-year qualification period, are expended and the funded activities completed, and that the County and participating units of general local government may not terminate or withdraw from this Agreement while this Agreement remains in effect.

k. All units of general local government participating in this Agreement have adopted and are enforcing a policy prohibiting the use of excessive force by law enforcement agencies within their own jurisdiction against any individuals engaged in non-violent civil rights demonstrations.

l. All units of general local government participating in this Agreement have adopted and are enforcing a policy of enforcing applicable state and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within their jurisdictions.

m. Cities may not sell, trade, or otherwise transfer all or any portion of such funds to another such metropolitan city, urban county, UGLG, or Indian tribe, or insular area that directly or indirectly receives CDBG funds in exchange for any other funds, credits, or non-Federal considerations, but must use such funds for activities eligible under Title I of the Act.

5) Allocation of Funding.

a. As an Urban County, the County of Monterey receives a direct allotment of CDBG funding from HUD. The annual funding will be distributed as follows:

i. A maximum of twenty percent (20%) of the allocation will be retained by the

County for general administration.

- ii. Up to fifteen percent (15%) will be set aside for Project Proposals for services.
- iii. The City of Del Rey Oaks shall receive an allocation of \$10,000 annually.
- iv. The City of Gonzales shall receive an allocation of \$162,000 annually.
- v. The City of Greenfield will receive an allocation of \$280,000 annually.
- vi. The City of Sand City shall receive an allocation of \$10,000 annually.
- vii. The allocations to the cities of Gonzales and Greenfield shall be adjusted by the same percentage change in annual funding available from HUD.

b. Per the California State Department of Housing and Community Development (HCD), any non-revolving State CDBG Program Income held by Units of General Local Government as of July 1, 2019 and all future Program Income received thereafter must be transferred to Urban County for exclusive use by the Participating Jurisdiction depositing the Program Income with the Urban County.

- i. Units of General Local Government are required to notify HCD that they are participating in the Urban County and will report all future CDBG Program Income through the Urban County.
- ii. If a UGLG elects to leave the Urban County, it must choose to notify both the County and HCD of its intention to continue depositing CDBG Program Income with the Urban County for the Urban County's sole use or entering into a new Program Income Reuse Agreement with HCD.

c. Each UGLG must receive the minimum annual funding allocated at least once during each three-year funding cycle. A UGLG may elect to decline receipt of a portion or all of Joining Jurisdiction's annual allocation if it does not have projects ready for implementation.

- i. All funding allocations declined by a UGLG will be allocated to County unless County agrees to allocate the declined funding back to UGLG in a future year within the three year JPA term.

6) Administration of Agreement.

The Units of General Local Government, the Advisory Committee, and the Standing Committee shall have specific duties and authorities.

The Units of General Local Government are charged with:

a. Cooperating in furnishing information and assistance necessary for the preparation, completion and filing of required HUD documents in accordance with the requirements of the Act and the Regulations. In accordance with such cooperation, the UGLG shall annually furnish the UGLG's local plan and process for citizen participation in the development of the UGLG's project proposals requested to be funded with Urban County CDBG funds to the County. The UGLG's local citizen participation final commitments will be incorporated into the official Urban County Public Participation Plan.

b. Submitting to the County all necessary information required for the completion of a Consolidated Plan, Annual Action Plan, Analysis of Impediments to Fair Housing, Consolidated Annual Performance and Evaluation Report, or any other reports as necessitated by the Urban County status in the form required by HUD. This information will detail the Joining Jurisdiction's commitments to aiding and opportunities to very low and low income persons within the Joining Jurisdiction. The local commitments by all participating cities will be incorporated into documents submitted by the Urban County to HUD to determine the local commitments to address the needs

of very low and low income persons. The County shall not alter or amend the information furnished to County by cities in compliance with the Act and Regulations. Consistent with identified Urban County needs and priorities, the County shall have full authority and necessary control of the preparation and filing of documents submitted to HUD and of other papers and documents in support thereof.

c. Making recommendations to the Advisory Committee regarding Project Proposals for projects and programs within its jurisdiction.

The County is charged with:

- a. Undertaking all Urban County activities including:
 - i) Issuing a NOFA each year for funding;
 - ii) Analyzing funding requests submitted in response to the NOFA;
 - iii) Acting as staff to the Advisory Committee;
 - iv) Acting as staff to the Standing Committee;
 - v) Overseeing activities of Subrecipients;
 - vi) Reporting to HUD as required;
 - vii) Preparing all reports for submittal to IDIS on Subrecipient activities; and
 - viii) Preparing all reports as required by HUD in regard to the Urban County program.
- b. Working with and keeping participating Cities informed as to overall activities of the Urban County.

The Advisory Committee is charged with:

- a. Reviewing all Project Proposals.
- b. Making recommendations to the Standing Committee in regard to awards of loans and/or grants on all Project Proposals.
- c. Advising about the development of a comprehensive coordinated housing and community development plan, as necessary.
- d. Recommending awards of loans and grants for service programs proposed by jurisdictions, agencies, and non-profit organizations to jurisdictions and the Standing Committee.

The Standing Committee is charged with:

- a. Recommending awards of loans and grants for projects and service programs proposed by jurisdictions, agencies, and non-profit organizations to the County Board of Supervisors.

7) Term of Agreement.

This Agreement shall become effective upon full execution by the governing bodies of County and Units of General Local Government and it shall remain in full force and effect through June 30, 2022.

8) Proposals.

a. All Project Proposals for eligible projects located totally within the sphere of influence of a UGLG and must be considered by the UGLG as part of its project proposal development process.

9) Project Proposal Processing.

In general, projects will be processed in the following manner:

- a. Units of General Local Government and the County will solicit project proposals from entities serving the community and from jurisdictional departments.
- b. Units of General Local Government and the County will review, rate and rank all Projects Proposals within their jurisdiction using a form provided by the County and approved by the Advisory Committee.
- c. Units of General Local Government will forward their rated and ranked Projects Proposals to the County for consolidation into one document.
- d. The consolidated list of Project Proposals will be evaluated by the Advisory Committee to ensure that:
 - i) Projects meet the goals identified in the Consolidated Plan and Annual Action Plan.
 - ii) No more than 15% of total funds are allocated to public services.
- e. The Advisory Committee will rate and rank the Projects Proposals and make final recommendations to the Standing Committee.
- f. The Standing Committee will rate and rank the Projects Proposals and make final recommendations to the County Board of Supervisors.
- g. The Standing Committee recommendations will be reviewed at a public hearing before the Board of Supervisors. It is understood and agreed that as the legal recipient of the grant, the County, through its Board of Supervisors, must officially approve the recommended Project Proposals to be included in the application to ensure that the program submitted to HUD is consistent with the County's Consolidated Plan.

10) Grant Disbursement.

- a. Units of General Local Government understand and agree that CDBG funds disbursed under this Agreement are the obligation of the County and that such obligation of the County is dependent upon the availability of federal funds to implement Title I of the Act. Funds disbursed to the Units of General Local Government will be expended on eligible activities which have been approved by the Board of Supervisors and described in the adopted Annual Action Plan. The Annual Action Plan includes a description of prioritized needs, strategies to address the needs, and a project funding submission and evaluation process. This process will be used to evaluate all project proposals according to their ability to address the adopted, prioritized needs and other criteria described in the adopted Annual Action Plan.
- b. Parties hereto agree that Urban County funding will be prohibited for activities in or in support of any Participating Jurisdiction that does not affirmatively further fair housing within its own jurisdiction or that impedes the County's actions to comply with its fair housing certification.
- c. Upon approval of the County Board of Supervisors and HUD approval of the CDBG allocations and with the release of said funds, the UGLG may begin implementation of approved activities. Information on the progress of approved activities will be submitted to the County on a monthly or quarterly basis during the program years the activities are being carried out. This information will be included in the Urban County's monitoring reports which are reviewed by HUD during the program year. Projects which fail to meet schedules according to the approved time schedule will be evaluated according to the process detailed in the approved Urban County CDBG Program Guidelines.

11) Areas of Housing Authority Operation.

Nothing herein shall affect the rights and obligations of the parties with respect to any agreement which the Units of General Local Government or County may have with the Housing Authority of the County of Monterey (HACM).

12) Services, Equipment and Property; Reimbursement.

The County shall provide or be primarily responsible for providing the services, equipment and other property necessary for the planning, preparation and filing of CDBG documents and for the administration of the grant funds subject to the right of the County to seek reimbursement for actual expenses and costs of furnishing such services, equipment and property. Subject to the provisions of the application or of the grant award made thereon, all property furnished by County as herein-above described shall belong to County during the term of this Agreement and after its termination.

At the termination of the CDBG program, all property and equipment acquired with CDBG funds will be subject to the requirements and conditions 2 CFR Section 200 Subpart D, Property Standards.

13) Program Income.

a. This Section 13 only applies to Program Income generated through activities funded by the Urban County Program.

b. The Units of General Local Government acknowledge that they must continue to maintain separate Program Income records for 1) Program Income generated through State CDBG revolving loan fund programs and 2) for Program Income generated through the Urban County Program.

c. Any Program Income generated by Urban County approved projects will be paid to the County except as cited in Section 14 below.

d. Any Program Income a UGLG or County is authorized to retain may only be used specifically for eligible activities in accordance with the project approved by the Advisory Committee to which the Program Income relates and all CDBG requirements as may apply.

e. The County has the responsibility for monitoring and reporting to HUD on the use of any such Program Income; accordingly, Units of General Local Government and County shall provide appropriate record keeping and reporting as may be needed for this purpose.

f. In the event of close-out or change in status of the Units of General Local Government, any Program Income that is on hand or received subsequent to close-out or change in status shall be paid to the County, with the exception of Program Income generated by an approved project and held in a revolving loan fund as cited in Section 14 below.

g. On an annual basis, the Units of General Local Government shall submit to the County written certification that such Program Income has been and shall continue to be used for approved purposes.

h. Any Program Income which exceeds one hundred twenty five percent (125%) of the annual allocation at a point in time one hundred twenty (120) days prior to the fiscal year end must be returned to the County and will be added to the fund balance. To the extent possible, any Program Income returned to the County may be reallocated and reissued to the UGLG or County from which it came for new projects.

14) Revolving Loan Fund.

a. This Section 14 only applies to CDBG Program Income generated from HCD approved Revolving Loan Funds operated by Units of General Local Government.

b. The purpose of this provision is to enable the Units of General Local Government or County to continue a revolving loan program, if established, in the event of close-out or a change in status of the UGLG or County. Such Program Income shall not be used for any purpose other than that for which it was approved and only for the benefit of low and very-low income households.

c. If a UGLG or County establishes a revolving loan fund project approved by the Standing Committee such as a first-time home buyer or housing rehabilitation loan program or a Business Assistance or a Micro-Enterprise economic development loan fund, the UGLG or County may request that it retain Program Income for continued use in the revolving loan project. The request must be approved by the Standing Committee at the time of approval of the project. The approval to retain Program Income will be for a period not to exceed the three-year HUD approved Urban County funding cycle. The term may be extended for additional three year periods that correspond to the HUD funding cycles by the Standing Committee upon request.

d. Eligible activities may be funded only through loans, which, in turn, generate payments to the fund for use in carrying out the same activities.

e. Any Program Income generated by revolving loan funds shall be maintained and used for the activity which generated the Program Income and must meet all existing and subsequent HUD regulations and requirements.

f. The UGLG or County must retain Revolving Loan Fund Program Income in a separate fund from other Urban County Program Income. The Joining Jurisdiction's or County's Revolving Loan Fund cash balance must be held in an interest-bearing account and the interest must be remitted to the County annually. The County, in turn, remits the interest to HUD.

g. Regardless of the ability to retain Program Income, one hundred twenty (120) days before the end of any fiscal year, Units of General Local Government or the County must return any Revolving Loan Fund balance to the County which is in excess of 125% of the Joining Jurisdiction's or County's annual allocation.

h. Revolving Program Income returned to the County will be added to the fund balance as cited in Section 13 above.

15) Records.

Units of General Local Government and County shall maintain appropriate books, records, files, and accounts relating to the receipt and disbursement of the grant funds, including records in accordance with 24 CFR Sec. 570.503 as they relate to the application, acceptance, and use of federal funds for this federally assisted program and any other records imposed by County's contract with HUD. All such books, records, files and accounts shall be made available for inspection at reasonable times and places by authorized representatives of the Units of General Local Government, County, and Department of Housing and Urban Development or any other person authorized by the Act or the Regulations.

16) County Disbursement of Funds.

The Treasurer-Tax Collector of the County shall receive and have custody of all funds until disbursement of such funds to be made in a manner designated by the County. County shall, by a date no later than fourteen days after receipt of the current year funding money, notify Units of General Local Government of the manner of disbursement of such funds.

17) Contractual Obligations.

It is expressly understood and agreed that, as the applicant to HUD, County must take the full responsibility and assume all obligations of an applicant under the Act and that HUD will look only to the County in this regard. However, County assumes no responsibility nor liability towards Units of General Local Government for any failure to include Units of General Local Government in the application as a result of Units of General Local Government 's failure to supply County with information necessary to prepare and file the application, or as a result of Units of General Local Government 's failure to supply County with such information, upon designated dates, or as a result of Units of General Local Government 's failure to comply with the Act and the Regulations.

18) Indemnification.

In lieu of and notwithstanding the pro rata risk allocation which might otherwise be imposed between the Parties pursuant to Government Code Section 895.6, the Parties agree that all losses or liabilities incurred by a party shall not be shared pro rata but instead the County and Units of General Local Government agree that pursuant to Government Code Section 895.4, each of the parties hereto shall fully indemnify and hold each of the other parties, their officers, board members, employees and agents, harmless from any claim, expense or cost, damage or liability imposed for injury (as defined by Government Code Section 810.8) occurring by reason of the negligent acts or omissions or willful misconduct of the indemnifying party, its officers, employees or agents, under or in connection with or arising out of any performance of obligations required by this Agreement, the Act, Application, Regulations or other applicable laws relating to this Agreement delegated to such party under this Agreement. No party, nor any officer, board member, employee or agent thereof shall be responsible for any damage or liability occurring by reason of the negligent acts or omissions or willful misconduct of the other parties hereto, their officer, board members, employees or agents, under or in connection with or arising out of any performance of obligations required by this Agreement, the Act, Application, Regulations or other applicable laws relating to this Agreement delegated to such other parties under this Agreement.

19) Discretionary Actions.

Nothing herein contained shall be construed to prohibit the Units of General Local Government or County from exercising its discretion on any legislative quasi-judicial and/or administrative matter (including but not limited to any action involving zoning of General Plan amendments). Nothing herein shall compel the Units of General Local Government or County to take any action on any matter save and except as expressly required in this Agreement. It is understood and agreed that, by this Agreement, neither Units of General Local Government nor County commits or delegates the exercise of any of its police powers in any matter whatsoever save and except as expressly set forth in this Agreement.

20) Timeliness.

When any action is required hereunder upon request for action on a document or material furnished by either the County to the Units of General Local Government or the Units of General Local Government to the County, said request for action on a document or material shall be furnished at least seven days prior to the date said action is required to allow sufficient time for the County or Units of General Local Government to review and act on said document or material.

Time is of the essence in this Agreement.

21) Amendments.

This Agreement may be amended from time to time to incorporate new statutory or regulatory changes to the CDBG program. Any such amendment shall be executed by the official authorized to execute this Agreement.

22) Severability.

Should any part, term, provision of this Agreement be judicially determined to be illegal or in conflict with any law of the State of California or any law of the United States, or should any part, term, or provision of this Agreement be otherwise rendered unenforceable or ineffectual, the validity of the remaining portions or provisions shall not be affected thereby.

23) Section Headings.

All section headings contained herein are for the convenience of reference only and are not intended to define or limit the scope of any provision of this Agreement.
