Re: PLN170624 (Greer, et al.; APN 241-131-024)
Our File: 34766.33315

Dear Liz:

On behalf of our client, Andres Czerwiak, who owns the property immediately adjacent to the above referenced subject property (APN 241-131-025), we object to the permit application and request a formal hearing. The application conflicts with Mr. Czerwiak's water rights in the subject property which were not accounted for in the physical well tests or the CEQA determination.

Please advise of the hearing body and hearing date. Thank you.

Very truly yours,

FENTON & KELLER
