Mission Statement

The **mission** of the Monterey County Cannabis Program is to provide a local framework for successful leadership and management of commercial cannabis through coordination and collaboration with multiple County departments, state agencies, and local governments to address taxation, regulation, policy, enforcement, education and protection of the health, environment, and safety of our communities.

Goal A. *Support the lawful cannabis industry's efforts to generate economic development in Monterey County, while being mindful of other local industries important to the well-being of the county.*

Goal B. *Protect public safety, health and the environment as the cannabis industry grows in Monterey County.*

Goal C. *Ensure a well-coordinated, responsibly managed program with effective and equitable compliance and enforcement that is self-funded.*
