SECTION 3 BENEFITS

3.1 The Flexible Benefits Plan

The County will make available a Flexible Benefits Plan to eligible employees. Employees may

elect medical, dental, and/or vision coverage for themselves and their dependents. The provisions, rules and regulations governing the administration of the Flexible Benefits Plan are contained in the Flexible Benefits Plan document. The County and the Association agree that the County shall have discretion to make such changes to ensure this plan is eligible for favorable treatment under the IRS Code. The County may add or remove benefit options to or from this plan during the term of this agreement, subject to the obligation of the parties to meet and confer only over the impact of such changes. Removal of a benefit shall occur only if the benefit is deemed contrary to public law or regulation governing IRS Section 125 benefit plans, is no longer available by vendor, or vendor becomes insolvent.

The County continues to have the right ~~and the obligation~~ to administer the various County sponsored insurance programs. These rights ~~and obligations~~ include but are not limited to the right to select the County sponsored carriers and claim insurance administrators ~~after prior consultation with the Association~~. Changes in insurance carriers or administrators shall not result in any overall reduction in benefits.

B. General Provisions

Additional Payroll Deduction

Cash payment at employee's regular rate of pay shall automatically be paid for any CTO hours on record immediately prior to promotion, demotion or termination of employment. In addition to regularly scheduled vacation and holidays, employees may request Compensatory Time Off (CTO), vacation or PTO as Discretionary Time Off (DTO). Discretionary Time Off is limited to two (2) shifts per quarter. Up to two (2) shifts may be awarded one time per year under emergency circumstances. 8.2.2 All employees with hours in the PTO bank will have this time available for leave usage and/or for pay out upon separation from employment.

8.3 Election to Cash out PTO or Vacation

In order to cash out or otherwise require the County to buy back vacation, annual leave or paid time off, the employee must first meet the eligibility criteria set forth in the applicable provision of the bargaining agreement. If such criteria are met, only then the employee may request and be granted compensation in lieu of vacation/annual leave/PTO for up to the amounts set forth in the bargaining agreement under the terms set forth below. If such criteria are not met as of December 31st of the calendar year in which the election is required to be made, the employee has no right to elect to cash out accrued time in the next calendar year.

- A. An eligible employee must elect to pre-designate an irrevocable cash-out amount of up to the maximum number of hours of vacation/annual leave/PTO for the upcoming calendar year as set forth for his/her respective class. Requests for cash out must be made prior to December 1 of the calendar year before the cash out will be made (for example, requests for the 2017 calendar year will be made before December 1, 2016).
- B. Cash out designations shall be made in hours, not dollar amounts, and must be in increments of 8 hours.

Any such request will be subject to the following:

- i. Any employee utilizing this provision will be required to submit an irrevocable election by December 1st of the calendar year prior to the calendar year in which the vacation/annual leave/PTO hours to be cashed out are earned.
- ii. An employee who elected to receive the cash out as set forth above, may request a full or a partial payment of the cash out at any time in the designated calendar year, but only once per calendar quarter. For requested cash out occurring in 2017, full or partial cash out payment is not guaranteed in the month of January.
- iii. For employees who have pre-designated cash out amounts and who have not requested actual payment(s) of the entire designated cash out amount by December 1st of that calendar year, the County will automatically pay out the pre-designated amount (or remaining amount designated but not paid) by the last paycheck of the calendar year.
- iv. Employees who have not elected to pre-designate a cash out by the applicable deadline (December 1st of the prior calendar year) will be deemed to have waived their right and will not

be eligible to cash out any vacation/annual leave/PTO in the following calendar year (for example, if no designation is made by December 1, 2016, no cash out is available in 2017).

8.3.1 All employees with hours in the PTO bank will have this time available for leave usage and/or for pay out upon separation from employment.

In years, that include a Christmas Eve holiday, employees shall be scheduled for twenty-two (22) holiday hours per quarter. A quarter shall comprise three calendar months beginning January 1st of each year or the day determined by the Auditor-Controller's Office. 10.4 An employee hired into, transferring, promoting or leaving positions belonging to Unit B shall have their holiday hours adjusted on a pro-rated basis. In order for an employee to receive any form of compensation (i.e. time or pay) for a holiday, an employee must be an employee on the date of the holiday and be in a paid status on the work day immediately prior to the holiday. An employee who transfers, promotes or terminates employment may cancel scheduled holidays to avoid overpayment.

SECTION 11 COURT TIME

If an employee is required to report to Court in relation to their official duties outside their regular duty time, they shall be entitled to compensation at the regular rate of pay for a minimum of four (4) hours or actual time worked, whichever is greater. For purposes of this section, "actual time worked" shall be defined as starting when the employee reports to the courthouse and ending when the employee is released for the day by the judge/subpoenaing party, including any court recesses, lunch breaks, or other breaks that occur within that time frame.
