9	2018.07	2/27/18	Adams	Health	Jimenez	4/17/18	<p>To explore establishment of a safe disposal program and ordinance to protect the health, safety and welfare of the public and of the environment by providing for the safe and orderly collection and disposal of drugs and by placing responsibility for end-of-life management of drug on the manufacturers of the products.</p>	<p>ASenate Bill 212, Solid waste: pharmaceutical and sharps waste stewardship, was introduced on February 1, 2017 by Senator Jackson. The Assembly and Senate both passed this bill with bi-partisan support on August 31, 2018. It is currently on the Governor's desk for signature and it is anticipated he will sign it. If adopted, the bill authorizes CalRecycle to adopt regulations for the administration of the bill's provisions, with an effective date of no later than January 1, 2021, and would authorize the state board to adopt regulations for the administration of the portions of these provisions for which it has been given responsibilities.</p> <p>SB 212 will:</p> <ul style="list-style-type: none"> • Establish comprehensive, producer-funded take-back programs to provide safe and convenient disposal options for home-generated pharmaceutical drugs and sharps waste. • Get excess drugs out of people's homes, preventing accidental poisonings and abuse, which fuel the opioid epidemic. • Protect solid waste, parks, hotel, wastewater, sanitation, and other workers, river and beach clean-up volunteers, and the public from needle stick injuries. • Preempt future local ordinances to ensure consistency and predictability for manufacturers. This bill shall preempt local stewardship programs enacted by an ordinance that has an effective date on or after 4/18/18. <p>Due to the preemption language, we put our work on drafting a local ordinance on hold.</p> <p>An update will be provided at the 10/18/18 7/19/18 meeting to the Health & Human Services Committee for direction. 4/19/18</p>	Pending
10	2018.15	6/5/18	Phillips/Alejo	RMA	Holm	7/17/18	<p>Consider zoning changes to prohibit drilling for oil & gas north of King City</p>	<p>Present options for initiating amendments to County zoning to prohibit new oil and gas exploration in Monterey County except in the southern Salinas Valley, generally south of King City and east of the Santa Lucia range, so that it meets all legal requirements.</p> <p>RMA prepared options for consideration by the Planning Commission (PC) on 7/11/18. Staff will prepare a report to the Board by the end of October for direction of an ordinance for consideration by the PC.</p>	Pending
11	2018.16	6/26/2018	Alejo	County Counsel/Auditor-Controller	McKee/Miller	8/28/2018	<p>Update County Travel Policy by County Counsel in coordination with the Auditor-Controller's Office.</p>	<p>Monterey County's travel policy managed by the Auditor-Controller has not been updated in many years and today, it does not compare with current market prices or organizational procedures and may exceed legal requirements. The current policy creates barriers for county staff to be able to effectively represent county business at conferences, trainings or in litigation. This policy also conflicts with another travel policy found in the Personnel Policies and Practices Resolution (PPPR). This referral seeks to update the policies to account for inconsistencies, business needs, efficiency, market prices, whether government rates are available or whether the discounted lodging rooms were secured by conference organizers, such as the California State Association of Counties. This lack in clarity in the existing policy is costing unnecessary staff time and an update would modernize our policy with current standards. The new policy should meet Federal and State law while supporting business efficiency. It is anticipated a report will be provided by November 2018 8/28/18.</p>	Pending

The matter is scheduled to go to the Capital Improvement Committee on 10/15 and to the Board of Supervisors on 10/23.	Pending
16	2018.23	9/25/2018	Alejo	Health	Jimenez	11/6/2018	Human Right to Water in Monterey County	<p>To adopt and recognize the human right to safe and clean drinking water.</p> <p>In 2012, California approved AB685 (Eng), which made California the first in the nation to legislatively recognize the human right to water. This referral aims to have Monterey County become the first county in the state, and in the nation, to also recognize the human right to safe and clean drinking water by adopting similar language already in the California Water Code, which states: "It is hereby declared to be the established policy of the state that every human being has the right to safe, clean, affordable, and accessible water adequate for human consumption, cooking, and sanitary purposes." The human right to water extends to all residents of Monterey County, including disadvantaged individuals and groups and communities in rural and urban areas.</p>	Pending
