WHEREAS, on May 3rd, 2018, the Monterey County Historic Resources Review Board (HRRB) recommended that the Board of Supervisors add the “Charles Moore” house to the Monterey County Register of Historic Resources, the Local Official Register of Historic Resources (see HRRB Resolution No. 18-002); and

WHEREAS, the “Charles Moore” residential building located at 4175 Sunset Lane, Pebble Beach (APN 008-072-013-000) of the County of Monterey is found to be eligible for listing on the Monterey County register of Historic Resources pursuant to “the Preservation of Historic Resources” Chapter 18.25 of the Monterey County Code, under criterion 5 (Section 18.25.070.A.5) due to the following:

- 1) The building represents an exemplary example of the work of internationally recognized Master Architect Charles Willard Moore (1925-1993) whose Japanese influenced vernacular architectural design influenced the modernist style architecture in the United States; and
- 2) The building qualifies for local listing as a historic resource based on criteria for architectural significance contained in the 2013 Pebble Beach Historic Context Statement, specifically, the “Charles Moore” house reflects the Pebble Beach-Post War architectural theme (1954-1969) and is one of Master Architect Charles Willard Moore’s first residential projects.;and

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors does hereby:
Adopt by resolution the addition of the "Charles Moore" house to the Monterey County Register of Historic Resources, the Local Official Register of Historic Resources.
