This Master Agreement (this “Master Agreement”), effective as of the date of CareFusion’s signature below (the “Effective Date”), is entered into by and between CareFusion Solutions, LLC (together with its affiliates, “CareFusion”) and County of Monterey, DBA Natividad Medical Center (“Customer”), each a “Party” and, collectively, the “Parties.” This Master Agreement, as applicable to Pyxis® products only, consists of: (i) the General Terms and Conditions below, and (ii) all Schedules (as defined below) which are made a part of this Master Agreement either upon the Effective Date or at a later date upon the execution of an amendment.

The Parties agree as follows:

GENERAL TERMS AND CONDITIONS

1. ORDERING, DELIVERY, AND PAYMENT.

- 1.1. **Customer Orders.** The Parties may enter into various transactions for hardware (“Equipment”), disposables, software licenses, accessories, and other products (collectively, “Products”) and/or services (“Services”), which will be provided pursuant to these General Terms and Conditions, as supplemented by Schedules for specific Products and/or Services. CareFusion will set forth the Products and/or Services for each transaction in a customer order (“Customer Order”) and a Customer Order may have one or more attachments (each, a “Customer Order Attachment”). Each Customer Order will create a separate contract (each, a “Customer Agreement”), each of which will be deemed to incorporate by reference: (i) these General Terms and Conditions, (ii) any Schedule applicable to the Products and/or Services provided under such Customer Order, and (iii) any Customer Order Attachments.
- 1.2. **Schedules.** Each schedule identified on Exhibit A (“Schedule”) is attached to and incorporated by reference into this Master Agreement. Additional Schedules may be added to this Master Agreement by way of a written amendment. In the event of any conflict between the terms of a Schedule or a Customer Order Attachment and the terms of this Master Agreement, the terms of the Schedule or Customer Order Attachment will prevail. Capitalized terms in the Schedules and Customer Order Attachments shall have the same meaning as in these General Terms and Conditions and in the introductory paragraph above.
- 1.3. **Purchase Orders.** If CareFusion accepts a purchase order from Customer for Products and/or Services that are not identified in a Customer Order, then that purchase order will constitute a Customer Order under this Master Agreement, except that any conflicting or additional terms in the purchase order will have no force or effect.
- 1.4. **Delivery; Risk of Loss.** Products will be delivered FOB Destination, freight prepaid to the Customer’s address in the applicable Customer Order as soon as commercially reasonable after the Customer Order effective date, or as otherwise mutually agreed in writing. Customer will pay freight charges for special Customer shipping requests and for shipment of parts or supplies not provided under warranty or pursuant to a support program. Upon delivery, Customer will be responsible for loss of or damage to the Product.
- 1.5. **Acceptance.** A Product will be deemed accepted by Customer upon delivery or upon completion of the applicable CareFusion implementation Services, provided that such Product functions substantially in accordance with the specifications of its User Guide (defined below) (“Acceptance” or “Accepted”). Customer may reject a Product only if the Product fails to function substantially in accordance with the specifications of its User Guide. Upon completion of applicable Services, Customer will execute CareFusion’s standard confirmation form.
- 1.6. **Payment Terms.** Customer will pay all Accurate Invoices (as defined herein) in full on or before the due date stated therein. For purposes of this Section, an Accurate Invoice is an invoice sent to the County Auditor-Controller, and which has been certified by Customer, at least thirty (30) days prior to the payment due date at the address designated by Customer under the Customer Order accurately reflecting the amount due under the Customer Order. If an invoice does not accurately reflect the amount due under the Customer Order (“Inaccurate Invoice”), then (i) Customer shall notify CareFusion of the Inaccurate Invoice within fifteen (15) days of its receipt; (ii) Customer shall pay any portion of such invoice that is accurate; (iii) the due date for payment of any remaining amounts shall be adjusted to fifteen (15) days after the date an Accurate Invoice is sent to Customer (“Adjusted Due Date”); and (iv) any late charges shall not accrue until after the Adjusted Due Date. Correspondence relating to an Inaccurate Invoice should be addressed to: Attn: Account Receivables, CareFusion, 3750 Torrey View Court, San Diego CA 92130.
- 1.7. **Late Charge.** If Customer does not pay an amount due by the due date, then CareFusion may impose a late charge on the unpaid amount at the rate of one and one-half percent (1.5%) per month or the highest rate allowed by the law (whichever is lower), prorated on a daily basis.
- 1.8. **Taxes.** Prices and fees for Products and/or Services do not include any taxes. Customer will pay when due any sales, use, rental, property, or other taxes or assessments of any kind (including, without limitation, withholding or value-added taxes)

Master Agreement

imposed by any federal, state, local or other governmental entity for Products and/or Services provided under this Master Agreement, excluding taxes based solely on CareFusion's net income (collectively, "Taxes"). Customer will promptly reimburse CareFusion for any Taxes paid by CareFusion, and will hold CareFusion harmless from all claims and expenses arising from Customer's failure to pay any such Taxes. If Customer is exempt from any Taxes, Customer will not be relieved of its obligation to pay such Taxes until Customer provides to CareFusion documentation sufficient to establish Customer's tax-exempt status. Customer will immediately notify CareFusion in writing of any change in its tax status. If Customer's exempt status is challenged by any jurisdiction, then Customer will: (i) immediately notify CareFusion; (ii) resolve the challenge; and (iii) hold CareFusion harmless from all claims and expenses related to any such challenge.

2. PRODUCT USE AND WARRANTY.

- 2.1. **User Guide and Service Manual.** CareFusion will provide to Customer one (1) copy (hard or electronic copy) of the then-current applicable user guide, user manual, or directions for use for each type of Product acquired by Customer (each, a "User Guide"), and one (1) hard copy of the service manual for each type of Alaris Equipment acquired by Customer. Customer may download from the CareFusion website additional copies of the service manual, as needed. Customer may use and reproduce any User Guide and service manual solely for Customer's internal use.
- 2.2. **Warranty.** CareFusion warrants to Customer that for a period of ninety (90) days after Acceptance (except for Alaris Equipment and/or Software, which has a warranty period of one (1) year after Acceptance), the Product will perform substantially in accordance with the specifications of its User Guide (the "Limited Warranty"). If a Product fails to perform in accordance with the Limited Warranty during the warranty period, then Customer will notify CareFusion in writing. In that case, as Customer's sole remedy, CareFusion (at its option) will promptly repair or replace that Product, or any part or portion thereof. **EXCEPT FOR THE LIMITED WARRANTY DESCRIBED IN THIS SECTION, CAREFUSION DISCLAIMS AND EXCLUDES ALL OTHER WARRANTIES, WHETHER STATUTORY, EXPRESS OR IMPLIED (INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OR ARISING UNDER USAGE OF TRADE OR COURSE OF PERFORMANCE).** The Limited Warranty does not apply to any Product that: (i) has been modified, repaired or altered, except by CareFusion; (ii) has not been properly installed, used, handled, operated or maintained in accordance with any handling or operating instructions provided by CareFusion; or (iii) has been subjected to physical or electrical stress, misuse, abuse, negligence, accidents, or causes beyond CareFusion's reasonable control.
- 2.3. **Use of Products; Inspection.** Customer will use Products only: (i) for Customer's internal business purposes and not for resale; (ii) in the manner described in the applicable User Guide; and (iii) in accordance with applicable laws and regulations. Customer will not export, re-export or modify any Product. Customer will not use any software with a Product which was not licensed from or approved by CareFusion. Upon reasonable advance notice by CareFusion, Customer will allow CareFusion to inspect Customer's records regarding use of Products during Customer's regular business hours to verify compliance with the licensing and other terms of this Master Agreement.

3. SOFTWARE, DATA, AND INTELLECTUAL PROPERTY OWNERSHIP.

- 3.1. **Software; Third Party Software.** "Software" means all CareFusion-owned software (e.g., application software, embedded and/or integrated software, interface software, custom drivers) and any related software owned by a third party ("Third Party Software"). CareFusion will license, not sell, Software. CareFusion and its licensors retain all ownership rights in Software.
- 3.2. **Software License.** Subject to the terms and conditions of this Master Agreement and applicable User Guide, CareFusion grants to Customer a limited, non-exclusive, non-transferable license to use Software at Customer's site(s) (as set forth in the applicable Customer Order) during the applicable term, provided that all licensing of Third Party Software will be subject to the terms of the Third Party Software Schedule. Each license granted to Customer is: (i) perpetual, unless a different license term is expressly set forth in the applicable Schedule or Customer Order under which the Software is licensed to Customer; and (ii) subject to termination pursuant to Section 6.1 and Section 6.2 below.
- 3.3. **Software License Restrictions; Scope of Use.** Customer will not: (i) translate, disassemble, decompile, reverse engineer, alter, modify or create any derivative work of any portion of Software; (ii) make any copies of Software or its documentation, except one (1) copy for back-up or archival purposes; (iii) sell, assign, sublicense, distribute, rent, or otherwise transfer Software to a third party; or (iv) separate integrated Software from any Product, or otherwise use integrated Software except as an integrated part of the applicable Product. Without limiting the license restrictions in this Section and as an additional obligation, Customer will adopt and implement reasonable measures to guard against unauthorized use of Software. CareFusion may suspend or revoke user codes, or take other appropriate action, if CareFusion reasonably believes that a security violation has occurred. Scope of use restrictions for Software may be set forth in the applicable Customer Order. CareFusion will measure Customer's scope of use periodically and additional fees will apply if the scope of use is exceeded. Upon CareFusion's reasonable request (no more than once per year), Customer will provide CareFusion with relevant information to verify Customer's scope of use. Customer will provide CareFusion with thirty (30) days prior notice for any

Master Agreement

event affecting Customer's scope of use, such as acquisition of a hospital or construction of a new facility, so CareFusion can adjust Customer's scope of use.

- 3.4. **System Requirements.** For Software-only Products, Customer will use third-party Equipment meeting CareFusion's minimum system requirements (as specified by CareFusion in writing) and will protect its system and the Software from viruses, malware, and intrusion. Customer will perform applicable manufacturer recommended maintenance for such Equipment and maintain such Equipment at the version levels specified by CareFusion in writing.
- 3.5. **Data.** "Data" means, collectively, data contained in the Products, data created or stored through the use of Products, and/or data created or collected during the performance of Services. "Privacy Rule" means the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Part 160 and Part 164, Subparts A and E. Subject to the Business Associate Schedule in effect between the Parties as of the Effective Date, Customer grants CareFusion the right to access and use Data for any lawful purpose, including, without limitation, research, benchmarking, and aggregate analysis (i.e., more than one hospital). If Data contains Protected Health Information as defined by 45 C.F.R. § 160.103, then CareFusion will use such Data in conformance with the Privacy Rule and, before disclosing such Data, de-identify such Data pursuant to 45 C.F.R. § 164.514 and dissociate such Data from Customer.
- 3.6. **Intellectual Property Ownership.** All right, title and interest in the intellectual property embodied in the Products and related documentation (including, without limitation, all copyrights, patents, trademarks, trade secrets, trade names, and trade dress), as well as the methods by which the Services are performed and the processes that make up the Services, will belong solely and exclusively to CareFusion or the applicable supplier or licensor. Customer has no rights in any such intellectual property, except as expressly granted in this Master Agreement.

4. INDEMNIFICATION, LIMITATION OF LIABILITY, AND TERMINATION.

4.1. Mutual Indemnification.

- 4.1.1. CareFusion shall indemnify, defend, and hold harmless County of Monterey, its officers, agents, and employees, from and against any and all claims by a third party and any and all liabilities and losses incurred by County on account of such claims (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) caused by CareFusion's negligence or willful misconduct in connection with the performance of this Master Agreement. "CareFusion's performance" includes CareFusion's acts or omissions and the acts or omissions of CareFusion's officers, employees, agents and subcontractors.
- 4.1.2. County of Monterey shall indemnify, defend, and hold harmless CareFusion, its officers, agents, and employees, from and against any and all claims by a third party and any and all liabilities and losses incurred by CareFusion on account of such claims (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) caused by County's negligence or willful misconduct in connection with the performance of this Master Agreement. "County's performance" includes County's acts or omissions and the acts or omissions of County's officers, employees, agents and subcontractors.

4.2 **Intellectual Property Indemnity.** CareFusion will defend, indemnify, and hold harmless Customer and its directors, officers, agents, employees, members, subsidiaries and successors-in-interest against any claim, action, proceeding, liability, loss, damage, cost, or expense, including, without limitation, reasonable attorneys' fees, experts' fees and court costs, brought by a third party against Customer alleging that a Product used by Customer in accordance with this Master Agreement (including, without limitation, all sub-parts of Sections 2 and 3 of these General Terms and Conditions) infringes any patent, copyright, trade secret, other proprietary right, or intellectual property right of a third party (each, an "Infringement Claim"). As a condition to receiving the defense, Customer will provide written notice to CareFusion promptly after Customer receives actual notice of the Infringement Claim, will allow CareFusion to have sole control of the defense and any related settlement negotiations, and will provide reasonable cooperation upon request. Notwithstanding the foregoing, CareFusion acknowledges and agrees that it will not bind Customer to any obligation or materially adverse outcome without Customer's prior written consent, which shall not be unreasonably withheld or delayed. CareFusion will: (i) pay any damages and costs assessed against Customer (or payable by Customer pursuant to a settlement agreement agreed to in writing by CareFusion) arising out of the Infringement Claim; and (ii) reimburse Customer for its reasonable costs and expenses associated with providing reasonable cooperation. If CareFusion determines that a Product might infringe a third party's intellectual property right, then in addition to defending the Infringement Claim and paying any damages and attorneys' fees as required above, CareFusion will have the option, at its expense and in its sole discretion to: (a) promptly replace or modify the Product without loss of material functionality or performance to make them non-infringing or (b) obtain a license to permit Customer to continue using the Product. Any costs associated with implementing either of the above alternatives will be borne by CareFusion. If after using commercially reasonable efforts CareFusion fails to provide one of the foregoing remedies within one hundred twenty (120) days of notice of the claim ("Cure Period"), Customer shall have the right to terminate the Customer Agreement for the infringing Pyxis Product only with no further liability to CareFusion. During the Cure Period, Customer may by written notice to CareFusion suspend the Monthly Rental and Monthly Support Fees, provided that Customer is not the cause of CareFusion's inability to modify or

Master Agreement

replace the Pyxis Product. Furthermore, if Customer is preventing CareFusion from modifying or replacing the Pyxis Product, then the Parties shall mutually agree to extend the Cure Period to accommodate CareFusion's modification or implementation activities. This Section states Customer's exclusive remedy and CareFusion's total liability to Customer for an Infringement Claim.

5. LIMITATIONS OF LIABILITY; INSURANCE.

- 5.1. **Exclusion of Consequential Damages.** NEITHER PARTY WILL BE LIABLE TO THE OTHER PARTY FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL, PUNITIVE OR SPECIAL DAMAGES (INCLUDING, WITHOUT LIMITATION LOSS OF BUSINESS OR PROFITS), WHETHER BASED IN CONTRACT, TORT (INCLUDING, WITHOUT LIMITATION, NEGLIGENCE), OR OTHERWISE, EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THESE LIMITATIONS OF LIABILITY WILL APPLY EVEN IF THERE IS A FAILURE OF THE ESSENTIAL PURPOSE OF ANY LIMITED REMEDY IN THIS MASTER AGREEMENT OR ANY CUSTOMER AGREEMENT.
- 5.2. **Insurance.** CareFusion will maintain: (i) commercial general liability insurance including Customer as an additional insured, with per occurrence limits and aggregate limits (including, without limitation, any excess or umbrella coverage) of not less than \$2,000,000 and \$5,000,000, respectively; (ii) Products and Completed Operations insurance, including Customer as an additional insured with per occurrence limits and aggregate limits of not less than \$5,000,000 and \$5,000,000 respectively; (iii) professional errors and omissions insurance that contains cyber liability and privacy notification insurance with per occurrence limits and aggregate limits of not less than \$1,000,000 and \$3,000,000; (iv) business automobile liability insurance including Customer as an additional insured, covering all motor vehicle, including owned, leased, and hired vehicles, used in providing services under this Master Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than \$500,000 per occurrence; and (v) workers' compensation insurance in compliance with statutory requirement and employers' liability insurance in an amount of not less than \$1,000,000 per occurrence. Notwithstanding the foregoing, the Parties understand and agree that CareFusion may self-insure for all or part of the insurance required hereunder. If any of the required policies are written on a claims-made basis, then such policies will be maintained for a period of not less than three (3) years following the termination or expiration of this Master Agreement.

6. TERM; TERMINATION.

- 6.1. **Term.** The term of this Master Agreement will begin on the Effective Date and will terminate as of the last day of the Rental Term (as such term is defined in Section 2 of the Equipment Rental Terms Schedule attached hereto) for the Pyxis® products under any Customer Agreement between the Parties.
- 6.2. **Termination for Cause.** Either Party may terminate for cause the then-remaining performance of any Customer Agreement upon written notice if the other Party: (i) fails to comply with any material term or condition of any agreement between the parties; and fails to cure such non-compliance within thirty (30) days (or within ten (10) days for any past due payment) after receipt of written notice providing full details of such non-compliance; (ii) terminates or suspends substantially all of its business activities; or (iii) becomes subject to any bankruptcy or insolvency proceeding. Upon any such termination, CareFusion may repossess Equipment subject to any outstanding payment obligations. Notwithstanding the foregoing, Customer's obligation to pay for any Products that it has Accepted will not be affected by any termination under this Section.
- 6.3. **Termination without Cause.** Either Party may terminate this Master Agreement or Customer Agreement upon thirty (30) days written notice provided that, as of the effective date of any such termination, there are no payments due and no other obligations yet to be performed under any Customer Agreement.
- 6.4. **Termination for Lack of Government Funding.** Notwithstanding any other provision in this Master Agreement or Customer Agreement, if Federal, State or local government terminates or reduces its funding to the County of Monterey for Product or Services that are to be provided under this Master Agreement or any Customer Agreement, Customer, in its sole and absolute discretion after consultation with CareFusion, may elect to terminate the applicable Customer Agreement(s) not less than thirty (30) days prior to the end of Customer's fiscal year, by giving written notice of termination to CareFusion; provided, however: (i) Customer is not granted an appropriation of funds during the Rental Term to meet Customer's obligations under Customer Agreement and operation funds are otherwise not available to satisfy such obligations; (ii) there is no other legal procedure of available funds by or with which payment can be made to CareFusion. Upon such termination, Customer shall have the right to return the Pyxis Products to CareFusion at Customer's expense, to a destination CareFusion directs, in good working condition. Customer shall not thereafter acquire functionally similar equipment for a period of twelve (12) months. In the event, subsequent to such termination, funds are made available to Customer for equipment which is functionally similar to the Pyxis Products, Customer agrees at CareFusion's option, to purchase, lease or otherwise acquire such equipment from CareFusion. Alternatively, Customer and CareFusion may mutually agree to amend the Master Agreement or any Customer Agreement in response to a reduction in Federal, State or local funding.

Master Agreement

7. COMPLIANCE WITH LAWS AND POLICIES.

- 7.1. **Compliance with Laws.** Each Party will comply fully with all applicable federal and state laws and regulations, including but not limited to export laws and regulations of the United States.
- 7.2. **Discounts.** If any discount, credit, rebate or other Product incentive is paid or applied by CareFusion regarding the Products, then it is a “discount or other reduction in price” pursuant to the Medicare/Medicaid Anti-Kickback Statute. Each Party will comply with the “safe harbor” regulations stated in 42 C.F.R. § 1001.952(h).
- 7.3. **Access to Records.** For a period of four (4) years after CareFusion has completed performance under a Customer Agreement, CareFusion will make available, upon written request of the Secretary of the Department of Health and Human Services, or upon request of the Comptroller General of the United States, or any of their duly authorized representatives (collectively, the “Requesting Party”), this Master Agreement and any books, documents, and records necessary to certify the nature and extent of the costs paid by Customer to CareFusion under such Customer Agreement (“Access”). If CareFusion pays a subcontractor more than \$10,000 over a twelve (12)-month period to perform such Customer Agreement, then CareFusion will require such subcontractor to permit Access to the Requesting Party.
- 7.4. **Exclusion.** As of the Effective Date, CareFusion is not excluded from participation from any federally-funded health care program (including, without limitation, Medicare and Medicaid) (each, a “Program”). If CareFusion becomes excluded from any Program, then CareFusion will promptly notify Customer. Within thirty (30) days after receipt of such notice and subject to the satisfaction of any remaining payment or other obligations, Customer may cancel this Master Agreement by written notice.
- 7.5. **Customer Policies.** CareFusion and its employees will comply with Customer’s reasonable security rules, policies and procedures provided in writing and agreed to in advance by CareFusion (“Customer Policies”). Customer will notify CareFusion in writing of any material changes to Customer Policies. Any terms of the Customer Policies that are in addition to or conflict with this Master Agreement or any Customer Agreement (e.g., terms related to purchase, delivery, payment, or termination) will have no force or effect unless adopted via a written amendment to this Master Agreement signed by each Party.
- 7.6. **Responsibility for Medical Care.** CareFusion, through its employees and agents (collectively, “CareFusion Personnel”), is not responsible for the delivery of medical care or other services to any patients. Accordingly, Customer will not rely upon CareFusion Personnel to practice medicine or provide patient care.

8. MISCELLANEOUS.

- 8.1. **Performance.** Each Party will bear the cost of its performance of this Master Agreement and each Customer Agreement.
- 8.2. **Confidentiality.** This Master Agreement and any Customer Order are public records subject to disclosure pursuant to a request under the California Public Records Act. Notwithstanding the foregoing, Customer will use reasonable efforts to promptly notify CareFusion and provide reasonable opportunity for CareFusion to request a protective order or in camera inspection in relation to any such request.
- 8.3. **Force Majeure.** If a Party is reasonably prevented from performing an obligation because of fire, flood, wind, earthquake, explosion or other disaster, acts of military authorities, acts of civil authorities unrelated to any violation of law by the Party, war (declared or undeclared), riot, insurrection, act of terrorism, acts of God, revolutions, vandalism, sabotage, nuclear incidents, lightning, weather, epidemics, disruption of public utilities, information systems interruptions or failures, or other cause beyond the Party’s reasonable control (collectively, a “Force Majeure Event”), then that Party will not be in breach during the period that Party is prevented from performing that obligation, provided that the Party: (i) promptly delivers notice to the other Party identifying the Force Majeure Event with the expected duration (including keeping the other Party informed until the Party is able to perform its obligations); and (ii) immediately uses reasonable good faith efforts to perform the obligation notwithstanding the Force Majeure Event.
- 8.4. **Assignment.** Neither Party may assign any rights or obligations under this Master Agreement or any Customer Agreement without the other Party’s prior written consent, which will not be unreasonably withheld provided, however, that either Party may with notice assign all of such Party’s rights and obligations without the other Party’s consent: (i) to an affiliate; or (ii) incident to the transfer of all or substantially all of such Party’s business assets related to the subject matter of the applicable Customer Agreement.
- 8.5. **Notices.** Any notice from one Party to the other Party under this Master Agreement or any Customer Agreement will be in writing and will be deemed to be given: (i) upon delivery, if by hand or by overnight courier; or (ii) three days after mailing, if by certified or registered mail to the receiving Party’s Notice Address below. Either Party may change its Notice Address upon written notice to the other Party.

Master Agreement

- 8.6. **Severability.** If a court or other body of competent jurisdiction declares any term of this Master Agreement or any Customer Agreement invalid or unenforceable, then the remaining terms will continue in full force and effect.
- 8.7. **No Waiver.** No right created by this Master Agreement or any Customer Agreement will be deemed waived unless specifically and expressly waived in a writing signed by the Party possessing the right.
- 8.8. **Governing Law.** This Master Agreement and each Customer Agreement will be governed by the laws of the State identified in Customer's Notice Address below, without reference to its conflict of laws principles.
- 8.9. **Prevailing Party.** The prevailing Party will be entitled to reasonable attorneys' fees, costs and expenses for any claim against the other Party under this Master Agreement or any Customer Agreement.
- 8.10. **Survival.** The obligations set forth in this Master Agreement and each Customer Agreement that by their nature continue and survive will survive any termination or expiration of this Master Agreement.
- 8.11. **Entire Agreement; Amendment.** This Master Agreement and each Customer Agreement sets forth the entire agreement and understanding of the Parties and supersedes all prior written and oral agreements, representations, proposals, and understandings between the Parties regarding the subject matter of this Master Agreement and each Customer Agreement, except that no prior Confidential Disclosure Agreement or contract of a similar nature will be superseded. Any requests for information, requests for proposal, responses to requests for proposals, sales collateral and other information provided by either Party are not binding unless explicitly incorporated by reference into a Customer Order signed by each Party. No modification to this Master Agreement or any Customer Agreement will be effective unless adopted via a written amendment to the same signed by each Party.

Each person signing below represents that he/she intends, and has the authority, to bind his/her respective Party to this Master Agreement.

Pyxis®	Pharmogistics ® Products

The below terms apply to Customer's rental of Rental Equipment (defined below) pursuant to applicable Customer Agreements between the Parties in accordance with Section 1.2 of the Master Agreement.

1. **Definitions.** "Rental Equipment" means the integrated hardware and software Products that Customer is renting pursuant to a Customer Order.
2. **Rental Term.** The "Rental Term" for Rental Equipment equals the time period that CareFusion leases Rental Equipment to Customer pursuant to the applicable Customer Agreement. CareFusion (or its assignee) is the owner of Rental Equipment and Customer is only acquiring a right to possess and use Rental Equipment during the Rental Term, and no other right, title or interest. Title will not transfer to Customer at the end of the Rental Term. The initial Rental Term for Rental Equipment will begin on the Term Begin Date stated in the applicable Implementation Timeline and will continue for the number of months stated in the applicable Customer Agreement, provided that, if there is no Term Begin Date in an Implementation Timeline, then the Term Begin Date will be the first day of the month following the date such Rental Equipment is Accepted. Unless a Party provides sixty (60) days' prior written notice of its intention not to extend the Rental Term, the Rental Term will continue on a month-to-month basis ("Extended Term") at the applicable Rental Fee stated in the then-current Pyxis® products price catalog. Either Party may terminate the Extended Term upon thirty (30) days' prior written notice.
3. **Rental Fees.** Customer will pay the Monthly Rental Fee stated in the applicable Customer Order ("Monthly Rental Fee") for each unit of Rental Equipment on the first day of each month during the Rental Term, which obligation is unconditional and non-cancelable. Customer is not entitled to abate or reduce any Monthly Rental Fee for any reason. Customer will pay the Monthly Rental Fee when due regardless of any existing or future setoff or claim that Customer may assert. Additionally, Customer will not assert any setoff or counterclaim against a CareFusion assignee if such assignee commences an action to collect any amount due under the applicable Customer Order.
4. **Risk of Loss.** From the time Customer receives delivery of Rental Equipment until CareFusion accepts return delivery of Rental Equipment, Customer will: (i) be responsible for any loss of or damage to Rental Equipment from any cause other than normal wear and tear, except for any loss or damage caused by CareFusion's negligence; and (ii) obtain and maintain throughout the Rental Term All Risk Property Insurance in an amount equal to the full replacement value for Rental Equipment. Customer will notify CareFusion immediately of any such loss or damage, and will continue to pay Monthly Rental Fee; provided, however, that CareFusion will reasonably cooperate with Customer and Customer's insurer to promptly provide replacement Rental Equipment, subject to Section 13 of the Support Terms Schedule.
5. **Personal Property.** All Rental Equipment is personal property for all purposes. Customer will not allow any Rental Equipment to become a fixture of real property. Customer will take appropriate action as necessary to prevent any third party from acquiring any interest in Rental Equipment or the applicable Customer Order. In addition to performing its obligations under the Taxes provision of the Master Agreement, Customer will reimburse CareFusion for any personal property tax imposed on CareFusion as the lessor.
6. **Use, Maintenance and Repair of Rental Equipment.** Customer will keep and use Rental Equipment only at the delivery address set forth in the Customer Order and will not move it without CareFusion's prior written consent. Customer will allow only competent and duly qualified personnel to operate Rental Equipment. Customer will keep Rental Equipment in good condition and working order, and will allow CareFusion to make engineering changes and Software updates upon reasonable request. Customer will keep all Rental Equipment free and clear of all liens, adverse claims and encumbrances.
7. **Return of Rental Equipment.** If Customer relinquishes possession of any Rental Equipment for any reason (including at the end of the Rental Term), then Customer will: (i) promptly remove all medications, data, and Customer property from such Rental Equipment without damaging such Rental Equipment; (ii) acknowledge receipt of any data device that CareFusion removes from Rental Equipment and tenders to Customer; and (iii) promptly and properly crate and ship Rental Equipment to CareFusion.

Schedule Pyxis® Products Implementation Terms

These terms apply to implementation services for Pyxis® Equipment and Pyxis Software Products (collectively, "Pyxis Products") provided by CareFusion to Customer pursuant to applicable Customer Agreements (or, if applicable, a Rental Agreement or Purchase Agreement) (each, a "Customer Agreement") between the Parties.

1. **Implementation Terms.** These implementation terms (the "Implementation Terms"), together with the Implementation Timeline attached to a Customer Agreement, describe the process, tasks, responsibilities, completion criteria and deliverables for the Pyxis Products implementation project ("Project").
 - 1.1. **Overall Project.** The Project consists of the installation of the Pyxis Products at Customer's site(s).
 - 1.2. **Project Resources.** CareFusion and Customer agree to provide qualified resources throughout the duration of the Project.
2. **Implementation Fees.** Implementation Fees set forth in the applicable Customer Agreement, if any, will be invoiced upon execution of the Customer Agreement by both Parties.
3. **Implementation Activities.** The Project will be completed in stages as set forth in each Implementation Timeline. If a Customer Agreement contains multiple product lines, then separate Implementation Timelines may be included for each product line, as necessary. CareFusion and Customer will complete any applicable technical, infrastructure, and workflow assessment ("Implementation Assessment") at Customer's site(s), providing the basis for the implementation activities set forth herein and in each Implementation Timeline ("Implementation Activities"). CareFusion and Customer shall use commercially reasonable efforts to complete the Implementation Activities on or before the applicable Completion Date(s) set forth in the Implementation Timeline(s).
4. **Medication Handling.** CareFusion employees and agents ("CareFusion Personnel") shall not handle Customer's medications. Customer must be physically present and capable of observing CareFusion Personnel during any implementation activity in which CareFusion Personnel have access to Customer's medications. If Customer fails to do so, then CareFusion may re-schedule that activity and, upon invoice, Customer will reimburse CareFusion for expenses related to re-scheduling that activity.
5. **Term Begin Date.** The "Term Begin Date" is set forth in the Implementation Timeline. If the Customer Agreement is for the rental of Pyxis Products, then the Rental Term for each Pyxis Product shall begin on the Term Begin Date. If the Customer Agreement is for the purchase of Pyxis Products, then Customer shall pay the Net Purchase Price for each Pyxis Product within thirty (30) days of the Term Begin Date. If, due to the sole fault of CareFusion, a Pyxis Product is not Accepted (as such term is defined in Section 1.5 (Acceptance) of the General Terms and Conditions of the Master Agreement) until after the Term Begin Date, then the Term Begin Date shall be the first day of the month following the date the Pyxis Product is Accepted. The applicable Completion Dates for the Pyxis Products under a Customer Agreement shall not exceed six (6) months from the Term Begin Date. Notwithstanding the foregoing, if a Pyxis Product is not Accepted by the Term Begin Date for any reason that, in CareFusion's reasonable discretion, is not the sole fault of CareFusion (each, a "Delayed Product"), then Customer is nonetheless obligated to pay the applicable rental or purchase fee(s) on the Term Begin Date; provided, however, that if a Delayed Product has not been delivered or installed, then Customer may exchange the Delayed Product for an alternate Pyxis® product ("Alternate Product") of equal or greater value as determined under the then-current Pyxis® product price catalog, subject to the following: (a) if the rental or purchase fee(s) applicable to the Alternate Product is greater than the fee(s) for the Delayed Product, then Customer will pay the difference in such fees in accordance with the terms of the applicable Customer Agreement; (b) Customer will pay any applicable transaction fees, including, without limitation, CareFusion's costs of manufacturing, shipping and freight; and (c) if the Delayed Product has not been delivered to Customer, CareFusion may, at its sole option, cancel the Customer Agreement for that Pyxis Product.

If previously-installed Pyxis® products are being upgraded or subject to new terms and conditions, then the previously-applicable terms and conditions, including payment terms, for those products shall remain in full force and effect until the Term Begin Date, unless otherwise agreed to in writing by the Parties.
6. **Conditions.** The Completion Dates set forth in an Implementation Timeline are contingent upon CareFusion's timely receipt of all properly executed contract documents from Customer prior to the applicable Completion Date and the provision of adequate Customer resources as outlined herein. If Customer fails to provide access or otherwise prevents CareFusion from conducting an Implementation Activity, then (i) CareFusion may adjust affected deadlines and re-schedule the activity, and (ii) Customer shall reimburse CareFusion for expenses incurred due to re-scheduling.

These terms apply to support services (“Support”) for Pyxis® Equipment and Integral Software (as such term is defined below) (collectively, “Pyxis Products”) provided by CareFusion to Customer pursuant to the applicable Customer Order between the Parties in accordance with Section 1.2 of the Master Agreement. This Schedule does not apply to Software that is licensed separately by CareFusion under a Customer Order; provided, however, that if Software is commercially released or bundled by CareFusion as an integral part of the Pyxis Products under a Customer Order (“Integral Software”), then the terms of this Schedule will apply to the Integral Software.

1. **Support Term.** The “Support Term” for a Pyxis Product consists of the number of months stated in the applicable Customer Order, starting from the Term Begin Date stated in the applicable Implementation Timeline. If there is no Term Begin Date in an Implementation Timeline, then the initial Support Term will begin on the first day of the month after the Pyxis Product is Accepted. Unless a Party provides at least sixty (60) days’ prior written notice of its intention not to extend the Support Term, the initial Support Term will continue on a month-to-month basis (“Extended Term”) and the Monthly Support Fee will be based on the month-to-month rate set forth in the then-current Pyxis Product price catalog, less any applicable discounts. Either Party may terminate the Extended Term upon no less than thirty (30) days’ prior written notice.

2. **Payment of Monthly Support Fees.** Customer will pay the Net Monthly Support Fee stated in the Customer Order (“Monthly Support Fee”) on the first day of each month during the Support Term. CareFusion may increase the Monthly Support Fee once every twelve (12) months by no more than the Consumer Price Index for medical care plus two percent, provided the increase will be effective (i) upon at least ninety (90) days’ written notice to Customer and (ii) as of the anniversary date of the initial Support Term.

3. **Terms Applicable to Product Support.** The Customer Order identifies the Support Program (e.g., Standard, Advanced, or Elite) and product type (e.g., Pyxis® Equipment or Integral Software). Customer’s and CareFusion’s responsibilities for Support of the Pyxis Products will vary according to the Support Program set forth below.

4. **Properly Performing.** During the Support Term, CareFusion and Customer, as applicable, will provide Support necessary to keep the Pyxis Products and CareFusion’s side of any applicable interfaces (“Interfaces”) performing in accordance with the material specifications of the applicable User Guide (“Properly Performing”). If CareFusion determines that a Pyxis Product cannot be made Properly Performing through repair services, then CareFusion will replace portions of the Pyxis Equipment or restore the functionality of the Integral Software, as needed. During any Extended Term, CareFusion will use commercially reasonable efforts to restore the functionality of any Pyxis Product which is not Properly Performing, but will have no obligation to replace Equipment or Integral Software.

5. **Remote Support Services.** CareFusion will provide remote support services (“RSS”) on a 24/7/365 basis through CareFusion’s Technical Support Center (“TSC”). To permit access to the Pyxis Product via RSS, Customer will provide high-speed Internet access and firewall modifications to enable connectivity, if applicable. If Customer’s system, connectivity, or personnel prevent CareFusion from performing RSS on a Pyxis Product, then: (i) any Guaranteed Response Time or Uptime (as defined below) applicable to that Pyxis Product will be void; and (ii) Customer will pay CareFusion on a time and materials basis for any onsite services. Customer will permit CareFusion to install and maintain at Customer’s site the applications necessary to allow the deployment of Updates and Upgrades (as defined below) by RSS. Where RSS is not practical and direct access to equipment is required, Customer will allow CareFusion such access.

6. **Interface Modification.** If CareFusion modifies an Interface between a Pyxis Product and Customer’s information system as part of Support, then Customer will test the modified Interface within seventy-two (72) hours. Customer’s sole remedy related to Interface functionality will be for CareFusion to modify the Interface to provide full functionality.

7. **Replacement Parts.** CareFusion will adjust and replace non-consumable parts in Pyxis Equipment, including Pyxis CUBIE® Pockets, which are not Properly Performing for any reason other than an External Cause (as defined below). CareFusion will furnish replacement parts on an exchange basis.

8. **Preventative Maintenance.** CareFusion will perform onsite preventative maintenance of Pyxis Equipment in accordance with CareFusion’s then-current preventive maintenance schedule.

9. **Procedure to Obtain CareFusion Support.** Customer will promptly contact TSC by phone or through CareFusion’s on line support services portal if a Pyxis Product is not Properly Performing and Customer has attempted repair in accordance with applicable Customer Obligations as set forth below. TSC will work with Customer to perform initial troubleshooting. If the problem cannot be resolved in a timely manner through telephone and RSS, then Customer will allow CareFusion’s field service representative to perform onsite service. Within 72 hours of completion of any onsite service, Customer will test the connections between the Pyxis Product and Customer’s information system.

13. Exclusions and Limitations.

13.1 External Causes. CareFusion is not obligated to perform Support for any part of a Pyxis Product which is not Properly Performing because of: (i) abuse, misuse or vandalism; (ii) unauthorized repairs, including modification, alteration and adjustment; (iii) failure of equipment not supplied by CareFusion; (iii) a computer virus or other disabling code introduced by a source other than CareFusion; (iv) any Support activity that is a Customer obligation as defined under Sections 10.1, 11.1 or 12.1 above ("Customer Obligations"); or (v) Customer prevents or refuses installation of an Update or Upgrade which Customer has purchased or is otherwise entitled to receive (collectively, "External Causes"). If Customer requests that CareFusion attempt to correct a problem with a Pyxis Product attributable to an External Cause, then CareFusion will perform repair services on a time and materials basis at CareFusion's then-current rates and prices.

13.2 Customer Equipment. CareFusion will not be obligated to provide Support for products that are not Pyxis Products, including but not limited to Customer's equipment, software and personal peripheral devices (e.g., mobile devices, printers) used in conjunction with the Pyxis Products.

13.3 Consumables. Support does not include the replacement or installation of consumables, including but not limited to batteries, paper and toner.

13.4 Limitation on Support and Maintenance Activities. Notwithstanding any other provision to the contrary set forth herein, CareFusion shall provide Support and maintenance for the Pyxis Products only with respect to the two (2) most recent Upgrades of the Software.

13.5 Additional Services. Any service not specifically identified herein as a component of the Support Plan elected by Customer under the Customer Order may be provided by CareFusion under separate agreement between the Parties at then-current Time and Materials rates for that service ("Additional Services Agreement").

14. Additional Support Terms.

14.1 Guaranteed Response Time. CareFusion guarantees that a field service representative will arrive at the location of the Pyxis Product within the timeframe set forth in the table below, calculated from the time of dispatch from TSC ("Guaranteed Response Time"). If CareFusion is solely responsible for failing to meet the Guaranteed Response Time, then as Customer's sole and exclusive remedy, CareFusion will apply the credit set forth below, provided that Customer gives written notice to CareFusion within the time period specified below. This subsection does not apply to Support cases for Integral Software only.

Schedule Pyxis® Products Support Terms

Support Type	Guaranteed Response Time	Written Notice to be given by Customer to CareFusion	Guaranteed Response Time Credit
Standard Plan	Within 24 hours	Within 10 days of the end of the calendar month in which dispatch occurred	5% of the Monthly Support Fee for the affected Pyxis Product(s)
Advanced Plan	Within timeframe set forth in applicable Customer Order, either 8 or 24 hours	Within 10 days of the end of the calendar month in which dispatch occurred	20% of the Monthly Support Fee for the affected Pyxis Product(s)
Elite Plan	Within four hours on 95% of onsite service dispatches that calendar month	Within 10 days of the end of the calendar month in which dispatch occurred	5% of the total Monthly Support Fee for all Pyxis Products

14.2 Uptime Guarantee. CareFusion guarantees that a Pyxis Product that is RSS-enabled (“RSS-Enabled Product”) will be Properly Performing (“Up”) no less than the percentage set forth in the table below of the total number of hours during each calendar month of the Support Term (“Uptime Guarantee”). CareFusion will determine if an RSS-Enabled Product is not Up beginning on the date and time that CareFusion identifies such product as not in service for reasons other than: (i) performance of scheduled preventative maintenance; (ii) delays caused by Customer; (iii) External Cause; or (iv) any period that Customer or Customer’s information system does not permit CareFusion to provide Support for such Pyxis Product.

Uptime will be calculated as follows:

Uptime = ((Total # of devices at a site * 24 hrs per day * # days in month)-(Total # of Service Case Hours in the month for that site))/ (Total # of devices at a site * 24 hrs per day * # days in month). “Service Case Hours” means the total number of hours required to resolve a reported issue for a Pyxis Product, from the time a case is opened by the TSC until it is closed.

If CareFusion is solely responsible for not meeting the Uptime Guarantee, then, as Customer’s sole and exclusive remedy, CareFusion will apply the credit set forth in the table below (if any) to the Total Monthly Support Fee(s) for all RSS-Enabled Pyxis Product(s) subject to the Uptime Guarantee provided that: (i) Customer gives written notice to CareFusion within the timeframe specified below; and (ii) CareFusion verifies Customer’s claim. Any credit will be applied in the month following the end of the next business quarter.

Support Type	Uptime Guarantee	Written Notice to be given by Customer to CareFusion	Uptime Guarantee Credit
Standard Plan	None	N/A	N/A
Advanced Plan	97%	Within 30 days of the end of any calendar quarter	5%
Elite Plan	97%	Within 30 days of the end of any calendar quarter	10%

14.3 Updates. “Update” means a bug fix, patch, error correction, virus update, minor enhancement or modification to existing features to maintain the security or operation of the Integral Software. During the Support Term, if CareFusion generally releases an Update to the Integral Software, then CareFusion will install the Update via RSS or by other means chosen by CareFusion and will deliver notice to Customer of the Update. Customer will promptly test the connections between the Pyxis Product and Customer’s information system.

14.4 Upgrades. “Upgrade” means a major enhancement, new feature or other improvement to the Integral Software, but does not include any hardware, Third Party Software, or any other Integral Software that CareFusion generally licenses separately. During the Support Term, if CareFusion generally releases an Upgrade to the Integral Software, then CareFusion will install the Upgrade via RSS or by other means chosen by CareFusion and will deliver notice to Customer of the Upgrade. Customer will promptly test the connections between the Pyxis Product and Customer’s information system.

15. Onsite Support. Customer may cancel scheduled onsite Support by delivering notice to TSC no less than two (2) business days prior to the start date. If Customer fails to provide such notice or otherwise prevents CareFusion from performing scheduled onsite Support, then the Guaranteed Response Time will not be honored, and the Uptime calculation will not include the Service Case Hours associated with that service call. CareFusion employees and agents ("CareFusion Personnel") shall not handle Customer's medications. Customer must be present and capable of monitoring CareFusion Personnel during any activity involving Pyxis Products in which medications are present. If Customer fails to do so, then Customer will reimburse CareFusion for any expenses related to re-scheduling such activity.

16. Termination for Cause by CareFusion. Notwithstanding anything to the contrary in the applicable Master Agreement, CareFusion may suspend performance of Support under this Schedule, or cancel one or more Support Terms, upon written notice if Customer: (i) fails to comply with any material term or condition under this Schedule, or fails to make any payment required pursuant to any Customer Order for Pyxis Products; and (ii) fails to cure such non-compliance within thirty (30) days (or within ten days for any past due payment) after receipt of such written notice providing full details of such non-compliance.

17. Conditional Suspension; Termination by Customer. Notwithstanding the termination provisions of the Master Agreement, if a Pyxis Product is not Properly Performing (for a reason other than an External Cause), (as such terms are defined above), for more than thirty (60) consecutive days after Customer has initially contacted the TSC to request Support on that Pyxis Product, then, upon notice from Customer to CareFusion ("Election Notice"), CareFusion will suspend the Rental Term and Support Term for the applicable Pyxis Product, beginning the month in which Customer requested such suspension ("Election Month") and continuing until the first day of the month following the month in which the Pyxis Product becomes Properly Performing. CareFusion shall reimburse Customer the Monthly Rental and Support Fees paid by Customer for that Pyxis Product for any Election Month.

If a Pyxis Product is not Properly Performing (for a reason other than an External Cause) for more than ninety (90) consecutive days after Customer has initially contacted the TSC to request Service on that Pyxis Product, Customer may notify CareFusion of its desire to terminate the remaining Rental Term and Support Term for the applicable Pyxis Product ("Termination Notice"). CareFusion shall then (i) terminate the remaining Rental and Support Terms, effective on the first day of the month following the month that CareFusion receives such notice; and (ii) de-install and remove the applicable Pyxis Product from Customer's facility. Customer shall then have no further obligation with regard to that Pyxis Product.

18. Business Continuity. CareFusion acknowledges that Customer plans for the continuity of hospital operations during an emergency, especially sustained incidents, and that collaboration with CareFusion is necessary to maintain continuity of operations. Accordingly, Customer may contact the TSC who shall be available 24 hours a day, 7 days a week, in accordance with Sections 5 (Remote Support Services) and Section 9 (Procedure to Obtain CareFusion Support), above.

During an emergency, CareFusion shall use commercially reasonable efforts to provide Customer with available supplies, materials, equipment and/or services on a priority basis. The Parties agree that time is of the essence. The delivery and timing of delivery of CareFusion's supplies, materials, equipment and/or services will be mutually agreed upon by the Parties at the time of order and will be determined based on availability, need and existing conditions. It is understood that current conditions, such as power outages, road closures, and damages to CareFusion's facility, operations and/or equipment, as well as resource availability, will be taken into consideration.

Pyxis Pharmogistics® Schedule Products

These terms apply to any product listed on a Customer Order that is: (i) Pyxis Pharmogistics® inventory management software, carousel or equipment; (ii) Pyxis PharmoPack® medication packaging and barcoding technology, or (iii) a Pyxis PharmoCode™ barcode labeling system (collectively, “Pharmogistics Products”) provided by CareFusion to Customer pursuant to applicable Customer Agreements between the Parties. This Schedule does not apply to any other Product. The Pyxis® Products Support Terms Schedule does not apply to Pharmogistics Products.

1. Installation.

1.1 Action Plan. CareFusion will provide to Customer in writing all site preparation requirements, including physical, electrical and environmental requirements (“Site Requirements”). Taking the Site Requirements into account, Customer and CareFusion will agree in writing on an appropriate site for the proper installation of each item of Pharmogistics Product (“Installation Site”).

1.2 Site Preparation. Customer will make any required modifications or improvements to the Installation Site, including, without limitation, removing doors or constructing walls. Customer will provide a receptacle for disposal of packaging material and any other debris. CareFusion will not be required to install any Pharmogistics Product until (i) each Installation Site fully complies with all Site Requirements, and (ii) Customer has obtained any required permits or authorizations (“Permits”). Upon request, Customer will provide written evidence that all Permits have been obtained. Customer is solely responsible for compliance with any applicable building codes.

1.3 Implementation Timeline. Customer and CareFusion will perform their respective implementation activities pursuant to the applicable Implementation Timeline, to be executed by the Parties with the Customer Agreement and attached thereto as a Customer Order Attachment (“Implementation Timeline”). Customer will timely perform its implementation activities (including, without limitation, delivery of medication lists) and will not delay CareFusion’s performance of implementation activities. If Customer causes material delay, the Pharmogistics Products will be stored at Customer’s expense until implementation activities can resume.

1.4 Implementation Fees. Subject to Section 1.6 (*Payment Terms*) of the General Terms and Conditions, above, CareFusion will invoice Customer for the installation fees for each Pharmogistics Product as stated in the Customer Order (“Implementation Fees”) upon both Parties’ signature of the Customer Order (“Effective Date”).

1.5 Non-Cancellable Order. Customer understands and agrees that Pharmogistics Products are custom made and a Customer Order for a Pharmogistics Product is non-cancelable as of the Effective Date of the Customer Order. If Customer does not complete the installation of a Pharmogistics Product in accordance with the Pharmogistics Implementation Timeline or by an alternative mutually agreed upon date (“Order Default”), then, in addition to and without prejudice to any other remedy available at law or equity, (a) Customer shall be obligated to pay the unpaid balance of all Monthly Rental Fees in accordance with Section 9 of the Equipment Rental Schedule or, if a purchase transaction, the Net Purchase Price set forth in the Customer Order in accordance with the terms of the Pharmogistics Implementation Timeline; and (b) CareFusion will retain the Implementation Fees as damages for the Canceled Order.

1.6 Interfaces. CareFusion will develop its side of the interfaces between the Pharmogistics Software and (i) Customer’s Pyxis MedStation® system, and (ii) Customer’s pharmacy information system (collectively, “Pharmogistics Interfaces”). CareFusion will prepare file set-up for Customer’s wholesaler system to enable re-ordering. Customer will develop any required interface between the Pharmogistics Products and Customer’s computer systems, and will ensure that ADU and PhIS vendors cooperate with CareFusion and timely deliver their side of the HL-7 interfaces. CareFusion will interface with PharmoPack® packagers, but not with Customer’s existing High Speed Packaging systems. CareFusion will use commercially reasonable efforts to work with Customer’s other vendors to ensure Pharmogistics Interfaces perform in accordance with the Master Agreement. If non-standard interfaces are required in relation to the Pharmogistics Interfaces, then CareFusion will determine whether it can develop such interfaces at its then-current pricing, and the Parties will agree on the provision of such interfaces in writing during the implementation activities. CareFusion is not responsible for integration or interfaces other than CareFusion’s side of the interfaces, including, without limitation, another vendor’s software or interfaces, unless agreed to in a writing signed by both Parties.

1.7 Calibration.

(a) Within thirty (30) days of the “Planning Activity Completion Date” set forth in the Pharmogistics Implementation Timeline, Customer will provide to CareFusion a written or electronic list of all medical drugs and/or nutraceuticals to be packaged using the Pharmogistics Products (the “Pharmaceutical List”).

(b) There is no charge for the initial calibration of the Pharmogistics Products prior to completion of the implementation activities for up to a maximum of the number of canisters held in the Pharmogistics Products, including any request to revise the Pharmaceutical List and re-calibrate a canister made within thirty (30) days of the Pharmaceutical List Date. If, at any

time after thirty (30) days from the Pharmaceutical List Date, Customer wishes to revise the Pharmaceutical List and re-calibrate a canister in a Pharmogistics Product to include a new medical drug or nutraceutical, then Customer will (i) deliver to CareFusion a revised Pharmaceutical List, clearly indicating the requested change(s), (ii) pay CareFusion a re-calibration fee of one hundred thirty-two dollars (\$132) per canister plus any applicable shipping and handling charges and (iii) return the canister being re-calibrated. If Customer splits its canister order by providing CareFusion thirty (30) days' notice of its split calibration order before the Pharmaceutical List Date, then Customer may have the remaining canisters calibrated within twelve (12) months from the date of Acceptance of the Pharmogistics Product ("Calibration Period"). Customer will pay for any shipping charges to and from CareFusion's calibration center for the remaining canisters to be calibrated. After the Calibration Period, Customer will pay a fee of one hundred thirty-two dollars (\$132) per canister plus any applicable shipping and handling charges. Calibration and re-calibration fees are subject to change to CareFusion's then-current rates, provided that any fee increase will not occur more than once per year.

1.8 Customer Assistance. Customer will promptly provide any assistance reasonably requested by CareFusion in connection with CareFusion's performance of its obligations, including without limitation, pre-implementation, installation, support or removal of Pharmogistics Products.

1.9 Acceptance Test. The Pharmogistics Products will be deemed to have been correctly installed and accepted ("Accepted") if they perform at the Installation Site(s) in accordance with the specifications outlined in **Exhibit A** ("Specifications"). The date upon which the Pharmogistics Products are Accepted is the "Acceptance Date."

1.10 Training.

- (a) Trained Personnel. CareFusion will provide two four (4) hour onsite training sessions held on a single day per Installation Site ("Customer Trained Personnel"). Customer may designate up to eight (8) pharmacists and/or support technicians for training at each Installation Site. Such training will be provided at a mutually-agreed time to be confirmed in writing and completed no later than thirty (30) days before the Term Begin Date ("Training Date"). Within thirty (30) days of the scheduled Training Date, Customer will provide to CareFusion: (i) the names and contact information for each of its Customer Trained Personnel; (ii) the Installation Site name and address; (iii) the total number of Pharmogistics Products to be installed at the Installation Site; and (d) confirmation of the dates and locations for training activities.
- (b) Additional Training. Any additional training will be provided by CareFusion at its then-current rates plus reasonable out-of-pocket expenses at such time and place as the Parties mutually agree.

2. Support.

2.1 Support Term. The "Support Term" for a Pharmogistics Product consists of any period of time that CareFusion agrees to support the Pharmogistics Product for Customer pursuant to the applicable Customer Order. The period of the initial Support Term for each Pharmogistics Product will be the number of months stated in the Customer Order for that Pharmogistics Product. The initial Support Term for each Pharmogistics Product will commence on the Term Begin Date stated in the Implementation Timeline applicable to that Pharmogistics Product. If there is no Implementation Timeline or if there is no Term Begin Date stated in the Implementation Timeline, then the Term Begin Date for the Support Term will be the first day of the next month following the date that such Pharmogistics Product is Accepted. Unless a Party provides at least sixty (60) days' notice of its intention not to renew the initial Support Term, the initial Support Term will continue on a month-to-month basis ("Extended Term") and the Monthly Support Fee will be based on the month-to-month rate set forth in the then-current Pyxis® products price catalog, less any applicable discounts. Either Party may terminate this continued Support Term effective upon thirty (30) days' prior written notice.

2.2 Payment of Monthly Support Fees. Customer will pay the Net Monthly Support Fee stated in the Customer Order ("Monthly Support Fee") on the first day of each month during the Support Term. CareFusion may increase the Monthly Support Fee annually by no more than the then-current Consumer Price Index for medical care plus two (2) percent, effective as of the anniversary date of the beginning of the initial Support Term.

2.3 Basic Services. CareFusion will provide the following basic support services (collectively, "Services") to Customer for each Pharmogistics Product during the Support Term.

- (a) Properly Performing; Repairs and Replacement Parts. During the Support Term, CareFusion and Customer, as applicable, will provide Services necessary to keep the Pharmogistics Products performing substantially in accordance with the specifications of the applicable Specifications ("Properly Performing"). If CareFusion determines that a Pharmogistics Product cannot be made Properly Performing through repair services, then CareFusion will replace portions of the Pharmogistics Products or restore the functionality of the Pharmogistics Software on an exchange

basis, as needed. All parts furnished by CareFusion will become components of the Pharmogistics Products. During any Extended Term, CareFusion will use commercially reasonable efforts to restore the functionality of any Pharmogistics Product which is not Properly Performing, but will have no obligation to replace the Pharmogistics Product.

- (b) Remote Support Services. CareFusion will provide remote support services (“RSS”) 24 hours a day, 365 days a year through CareFusion’s Technical Support Center (“TSC”). To permit RSS, Customer will provide continuously-connected high-speed Internet access via Secure Socket Layer (Port 443). If Customer’s system, connectivity, or personnel prevent CareFusion from performing RSS on a Pharmogistics Product, then Customer will pay CareFusion on a time and materials basis for any onsite services. Customer will permit CareFusion to install and maintain at Customer’s site the infrastructure necessary to allow the deployment of Updates and Upgrades (as defined below) by RSS.
- (c) Support Procedure. Customer Trained Personnel will be responsible for determining whether the Pharmogistics Products require any repair or maintenance services. CareFusion will provide Customer with knowledge management tools at no additional cost to determine if the reported issue is a known problem or has a known resolution. If Customer Trained Personnel determine that Pharmogistics Product Services by CareFusion are required, such personnel will call 1-877-PHARM-44 (877-742-7644) to report trouble with the Pharmogistics Products. Customer Trained Personnel will provide the following information: (i) detailed description of problem; (ii) trouble-shooting that has been performed by Customer Trained Personnel, and (iii) contact information of Customer Trained Personnel reporting the problem.
- (d) Consumables. Services do not include the acquisition, replacement or installation of consumables, including without limitation, batteries, paper, toner, printer ribbon and labels.
- (e) Preventative Maintenance. At Customer’s request, CareFusion will perform on-site preventative maintenance of Pharmogistics Products in accordance with CareFusion’s internal preventive maintenance schedule (as modified from time to time) for each Pharmogistics Product.
- (f) Software Updates and Upgrades. If CareFusion generally releases an Update or Upgrade to the Pharmogistics Software, then CareFusion will install the Update or Upgrade, deliver notice to Customer of the Update or Upgrade, and Customer will promptly perform an audit of the proper communication of transactions between the Pharmogistics Product and Customer’s information system. An “Update” will include bug fixes, patches, error corrections, virus updates, minor enhancements or modifications to existing features to maintain the security or operation of the Pharmogistics Software. An “Upgrade” will include new applications, functionality enhancements or other improvements to the Pharmogistics Software; provided however, that an Upgrade will not include any hardware, third party software, or any software that CareFusion generally licenses as a separate product from the Pharmogistics Software.

2.4 Exclusions. CareFusion has no obligation to provide any Services for Pharmogistics Products due to errors, malfunctions or defects arising from: (i) abuse, neglect or misuse; (ii) use of unauthorized parts or failure to maintain the Pharmogistics Products in accordance with CareFusion’s written instructions; (iii) installation, relocation or re-installation of the Pharmogistics Products or Pharmogistics Software by anyone other than CareFusion; (iv) unauthorized modifications, enhancements or additions made by anyone other than CareFusion; (v) causes other than ordinary use under normal conditions, including without limitation, accident, fire or water damage, air conditioning failure or humidity control failure; (vi) failure by Customer to maintain the Site Requirements; or (vii) use of the Pharmogistics Products or Pharmogistics Software with any equipment, accessories, components, consumables or software not provided by CareFusion specifically for use with such Pharmogistics Products or Pharmogistics Software (unless previously approved in writing by CareFusion). Any services provided by CareFusion with respect to any of the foregoing exclusions or for any other cause that is not attributable to CareFusion will be billed to Customer at CareFusion’s then-current rates.

3. Warranty. Notwithstanding anything to the contrary in the Master Agreement, the following provisions apply to the Pharmogistics Products:

3.1 Limited Warranty. CareFusion warrants to Customer that: (i) the Pharmogistics Products, as originally delivered by CareFusion and in normal service and under normal conditions, will be free from defects in material and workmanship and will conform with the Specifications applicable to such Pharmogistics Products for ninety (90) days from the Acceptance Date (the “Equipment Warranty”); (ii) the Pharmogistics Software, as originally delivered by CareFusion, will conform with the Specifications applicable to the Pharmogistics Software during the ninety (90) day period from the Acceptance Date; (iii) Pharmogistics Software will be free of material defects; (iv) the Pharmogistics Software is compatible with hardware provided by CareFusion and with

Customer's environment so long as Customer's environment complies with the Site Requirements; (v) that the Pharmogistics Software will not include any disablers, time-bombs, including encrypted software keys, Trojan horses and any other such virus or other instructions of any kind designed to terminate or disrupt the operation of the Pharmogistics Software (the "Software Warranty"); and (vi) all repairs made to the Pharmogistics Products will be free from defects in material and workmanship for a period of ninety (90) days after completion (the "Service Warranty," and collectively with the Equipment Warranty and Software Warranty, the "Pharmogistics Warranties").

3.2 Remedies. CareFusion's exclusive obligation and liability, and Customer's exclusive remedy, for breach of the Equipment Warranty are for CareFusion to promptly repair or replace (at its option), free of charge, the defective part(s) of the applicable Pharmogistics Product. CareFusion's exclusive obligation and liability, and Customer's exclusive remedy, for non-conformance with the applicable Specifications of the Software Warranty, are for CareFusion to promptly use reasonable efforts to correct or provide workarounds pre-approved in writing by Customer or re-install the non-conforming Pharmogistics Software, free of charge, provided that Customer has given to CareFusion sufficient details to enable CareFusion to recreate or simulate the non-conformance. CareFusion's exclusive obligation and liability, and Customer's exclusive remedy, under the Service Warranty are for CareFusion to promptly re-perform, at CareFusion's expense, the Services.

3.3 Warranty Conditions. Any claim by Customer under any of the Pharmogistics Warranties will be made promptly to CareFusion in writing prior to the expiration of the applicable Pharmogistics Warranty period set forth above. Failure by Customer to notify CareFusion prior to the end of such applicable Pharmogistics Warranty period will result in the loss by Customer of any and all benefits associated with the applicable Pharmogistics Warranty. The Pharmogistics Warranties are made to and for the benefit of Customer only. The applicable Pharmogistics Warranty period will not be extended for any reason whatsoever, including the suspension of the use of any Pharmogistics Product(s) because of repair, examination or any other reason, unless directly caused by CareFusion.

3.4 Warranty Exclusions. EXCEPT FOR THE LIMITED WARRANTIES SET FORTH HEREIN, CAREFUSION DISCLAIMS AND EXCLUDES ALL OTHER WARRANTIES REGARDING THE PHARMOGISTICS PRODUCTS, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OR ARISING UNDER USAGE OF TRADE OR COURSE OF PERFORMANCE.

4. General.

4.1 Change in System Settings. CareFusion will notify Customer in advance of any changes to system settings to be made by CareFusion personnel, except in emergency situations, in which case CareFusion will notify Customer in writing via email within two (2) business days of such changes.

4.2 Relocation of Pharmogistics Products. Upon request, CareFusion will relocate and re-install a Pharmogistics Product at CareFusion's then-current rates provided that the new installation site meets the applicable Site Requirements and Customer has obtained any Permits. Customer will be solely responsible for, and CareFusion will have no liability or obligation with respect to, restoring the original Installation Site and the premises after the removal of any Pharmogistics Products.

Subcontractors. CareFusion may, in its sole discretion, engage one or more subcontractors to perform any of its duties, including without limitation, implementation activities, training and support, provided that CareFusion will remain responsible for any such subcontractor's performance.

BUSINESS ASSOCIATE AGREEMENT SCHEDULE

This Business Associate Agreement ("Agreement"), effective 17 July, 2015 ("Effective Date"), is entered into by and among the County of Monterey, a political subdivision of the State of California, on behalf of Natividad Medical Center ("Covered Entity") and CareFusion Solutions, LLC, together with its subsidiaries and related legal entities ("Business Associate") (each a "Party" and collectively the "Parties").

Business Associate provides certain services for Covered Entity ("Services") pursuant to one or more underlying agreements ("Underlying Agreement") that involve the use and disclosure of Protected Health Information that is created or received by Business Associate from or on behalf of Covered Entity ("PHI"). The Parties are committed to complying with the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, Subparts A and E as amended from time to time (the "Privacy Rule"), and with the Security Standards, 45 C.F.R. Part 160 and Part 164, Subpart C as amended from time to time (the "Security Rule"), under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), as amended by the Health Information Technology for Economic and Clinical Health Act and its implementing regulations ("HITECH"). Business Associate acknowledges that, pursuant to HITECH, to the extent Business Associate receives PHI and is a Business Associate in its performance of the Services according to the meaning set forth in 45 C.F.R. § 160.104, then 45 C.F.R. §§ 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards), 164.316 (policies and procedures and documentation requirements) and 164.502 *et. seq.* apply to Business Associate in the same manner that such sections apply to Covered Entity. The additional requirements of Title XIII of HITECH contained in Public Law 111-005 that relate to privacy and security and that are made applicable with respect to covered entities shall also be applicable to Business Associate. The Parties are also committed to complying with the California Confidentiality of Medical Information Act, Cal. Civil Code §§ 56 *et seq.* ("CMIA"), where applicable. Business Associate acknowledges that the CMIA prohibits Business Associate from further disclosing the PHI it receives from Covered Entity where such disclosure would be violative of the CMIA. If Covered Entity is required to comply with the "Identity Theft Red Flags and Address Discrepancies under Fair and Accurate Credit Transactions Act of 2003," as promulgated and enforced by the Federal Trade Commission [16 C.F.R. Part 67811 ("Red Flag Rule")], then to the extent Business Associate is performing an activity in connection with one or more "covered accounts" (as defined in the Red Flags Rule) pursuant to the Agreement, then the Parties are also committed to complying with applicable requirements of the Red Flag Rules issued pursuant to the Fair and Accurate Credit Transactions Act of 2003 ("Red Flag Rules").

This Agreement sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information ("E PHI"), shall be handled. The Parties further acknowledge that State statutes or other laws or precedents may impose data breach notification or information security obligations, and it is their further intention that each shall comply with such laws as well as HITECH and HIPAA in the collection, handling, storage, and disclosure of personal data of patients or other personal identifying information exchanged or stored in connection with their relationship.
