Re: **East Garrison Phase 3** | Record Drawings

Dear Mr. Goetz:

In September 2017 UCP East Garrison, LLC (UCP) commenced construction at the Phase 3 portion of the East Garrison development based on the On-Site and Off-Site Improvement Plans that were approved by the Monterey County Public Works Department on 6/27/2017. As of November 2018, all improvements have been completed. Attached please find Phase 3 On-Site and Off-Site Record Drawings for your files.

Whitson Engineers provided periodic observations of the work performed to ensure that the Record Drawings reflect approved addenda and any other field changes observed or brought to the attention of the engineer by the County inspector, contractor, or UCP.

Furthermore, all monuments have been set in conformance with the Tract Number 1532, East Garrison Phase Three Final Map, recorded 12/26/2017 in Volume 24 of Cities and Towns at Page 54.

Sincerely,

**WHITSON ENGINEERS**

Richard Weber PE, LS
