## **STATEMENT ON COLLOCATION EFFORTS**

Verizon Wireless Proposed Telecommunications Facility

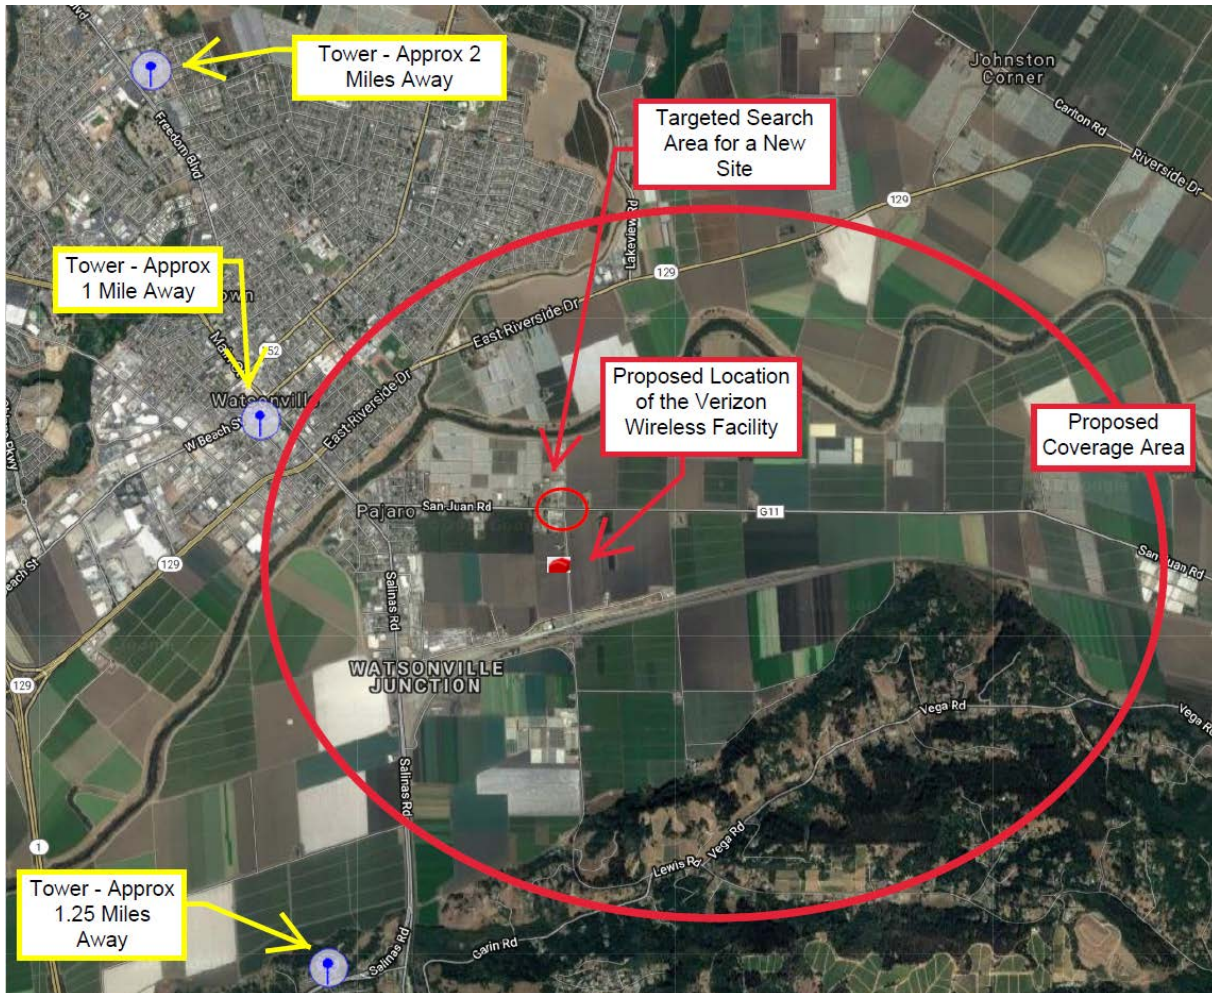

Verizon Site Name "San Juan Allison"

Verizon Location Number 434695

Located At 135 Allison Road, Royal Oaks, CA 95076

## SEARCH AREA

Verizon Wireless requested that a new site be found either inside the targeted search area (shown above) or close to it. As shown above, there are no existing towers that are inside or close to the targeted search area. Collocation was not an option to meet the objectives of this site. Therefore, building a new facility was pursued as the best option to meet this need.
