MOSS LANDING COMMUNITY PLAN POLICY MATRIX – RAIL SERVICE

Policy No. NCLUP-ML-3.12		
2017 Version	Staff's Changes	Community Input
The County of Monterey shall, in coordination with Union Pacific Railroad, work to retain the railroad branch line and spurs that serve Moss Landing, along with its necessary supporting facilities. Improvements to this branch line shall include measures to insure rail safety through the wetlands, including: replacement of outmoded bridges, contingency plans for spills, and restoration of wetland within causeways.	No change.	The County of Monterey shall, in coordination with Union Pacific Railroad <u>and property owners</u> , work to retain the railroad branch line and spurs that serve Moss Landing, along with its necessary supporting facilities. Improvements to this branch line <u>and spurs</u> shall include measures to insure rail safety through the wetlands, including: replacement of outmoded bridges, contingency plans for spills, and restoration of wetland within causeways.
Narrative: Area Subject to Policy: ML Community		

Policy No. NCLUP-ML-3.13		
2017 Version	Staff's Changes	Community Input
The County of Monterey shall support and participate in initiatives for regional transportation planning, improved rail service, expanded transit service, demand reduction, and providing signing and other travel instructions that implement the Moss Landing Community Plan to the extent that resources allow.	Delete <u>No change.</u>	The County of Monterey shall <u>consider</u> support <u>ing</u> and participat <u>ing</u> in initiatives for regional transportation planning, improved rail service, expanded transit service, demand reduction, and providing signing and other travel instructions that implement the Moss Landing Community Plan to the extent that <u>sensitive natural</u> resources <u>are avoided</u> allow .
Narrative: CCC suggests deleting because it is not directive. County Staff recommends keeping it as it could help in obtaining grants and funding through government programs. Concern with rail through Elkhorn Slough in relation to climate change effects. Some input to say “avoided” or “mitigated” at end of sentence. Area Subject to Policy: ML Community
