RECITALS:

WHEREAS, an application was submitted for a Lot Line Adjustment between three (3) legal lots of record involving Parcel 1 (Portion of APN 420-091-018), Parcel 2 (Portion of APN 420-091-018) and Parcel 3 (Portion of APN 420-091-010) owned by Jerry Rava II, Trustee of the Jerry Rava II Trust Dated August 19, 1994, hereinafter called "Owner", and

WHEREAS, the legality of the three (3) subject parcels is based on existing Patents dated 1878, 1891 and 1896 on file with the County Recorder and found in Planning File No. PLN180204 and incorporated herein by this reference; and

WHEREAS, all parcels are subject to Agricultural Preserve Contract No. 68-018 (Document No. G05567, Reel 545, Pages 559-572) established by County Board of Supervisors Resolution No. 68-56-18, and will be reconfigured; and

WHEREAS, the Lot Line Adjustment will result in two (2) reconfigured lots consisting of approximately 91 acres (Parcel A) and 385.5 acres (Parcel B) with no net decrease in acreage under the Williamson Act Contract; and

WHEREAS, the Lot Line Adjustment will allow the continued used for grazing in Parcel A and row crop farming and grazing in Parcel B which is consistent with the applicable Williamson Act Agricultural Preserve Land Conservation Contract (LCC) No. 68-018 (Document No. G05567, Reel 545, Pages 559-572) for the respective parcels, and is consistent with Board approved compatible uses; and

WHEREAS, the Board of Supervisors finds that the proposed Lot Line Adjustment of property is consistent with policies of the 2010 Monterey County General Plan, the Central Salinas Valley Area Plan, regulations in the Zoning Ordinance (Title 21 of the Monterey County Code) and the Subdivision Ordinance (Title 19 of the Monterey County Code), and Section 51257 of the California Government Code (Williamson Act), and current County Agricultural Preserve Policies or Procedures as evidenced below; and,

WHEREAS, California Government Code Section 51257 requires that certain findings be made by the Board of Supervisors to facilitate Lot Line Adjustments of land under Williamson Act Contract; and

WHEREAS, the Board of Supervisors further finds that the request for a Lot Line Adjustment is consistent with California Government Code Section 51257 (Williamson Act); and

WHEREAS, the Board of Supervisors further finds that the request for a Lot Line Adjustment is consistent with Board Resolution No. 00-462 (Resolution relating to the processing of Lot Line Adjustment affecting property under Agricultural Preserve Contract pursuant to the Williamson Act); and

WHEREAS, the Board of Supervisors, having considered the application and the evidence related thereto, finds and declares that:

1. **FINDING: CONSISTENCY** – The project, as described in Condition of Approval No. 1 and as conditioned, conforms to the policies, requirements, and standards of:
 - 1.) The 2010 Monterey County General Plan;
 - 2.) The Central Salinas Valley Area Plan;
 - 3.) The Monterey County Zoning Ordinance (Title 21);
 - 4.) The Monterey County Subdivision Ordinance (Title 19 - Inland Subdivision Ordinance); and
 - 5.) Section 51257 of the California Government Code (Williamson Act).

- EVIDENCE:** (a) The text, policies, and regulations in the above referenced documents have been evaluated during the course of review of this application. No conflicts between these documents and this project application were found to exist as further discussed in Finding 1/Evidence Sections (b) through (i) below. No communications were received during the course of review of the project indicating any project inconsistencies with the text, policies, and regulations in these documents.
- (b) The subject lots are located north of Wildhorse Canyon Road, Central Salinas Valley Area Plan, in unincorporated County of Monterey outside King City. The current configuration of the three (3) parcels consists of approximately 160 acres (Parcel 1-Portion of APN 420-091-018); 160 acres (Parcel 2- Portion of APN 420-091-018); and 156.5 acres (Parcel 3 – Portion of APN 420-091-010). The project will result in two (2) reconfigured parcels of 91 acres (Proposed Parcel A) and 385.5 acres (Proposed Parcel B) respectively.
- (c) The purpose for the Lot Line Adjustment is to reconfigure the property boundaries to combine all row crop farming areas located on Parcels 1, 2 and 3 and some cattle grazing lands in Parcels 1 and 2 into one (1) proposed parcel (Parcel B) and to have the remaining cattle grazing lands located within Parcel 3 to be located within proposed Parcel A. The reconfiguration is consistent with the Board adopted list of compatible uses and the applicable Williamson Act Contract (LCC No. 68-018).
- (d) The current uses of the properties are cattle grazing and row crop farming. These two (2) agricultural uses are to remain and are consistent with the agricultural zoning designation of Permanent Grazing – 40-acre minimum (PG/40). The agricultural uses are also compatible with the applicable Williamson Act Agricultural Preserve and Land Conservation Contract No. 68-018 (Document No. G05567, Reel 545, Pages 559-572) established by Board of Supervisors Resolution No. 68-56-18 in 1968.
- (e) The proposed lot line configuration would result in adjusted Parcel A, 91 acres and Parcel B, 385.5 acres. Both proposed lots meet the minimum lot size requirement for the PG/40 Zoning District.
- (f) The new configuration would promote appropriate and orderly growth and development while protecting desirable land uses consistent with the Monterey County General Plan Land Use Goal LU-1.
- (g) The proposed lot configuration would produce a superior parcel configuration as it would not create a net decrease in agricultural acreage but will allow all the row crop farming areas and a majority of the cattle grazing lands to be located within two (2) separate parcels (Parcels A and B), respectfully. The proposal would better facilitate the routine and ongoing agricultural activities of the cattle grazing and row crop operations. Monterey County promotes agriculture, and as such, elected to include an Agricultural Element as part of the General Plan to establish policies directed at enhancing and supporting the long-term productivity and commercial viability of the County’s agricultural industry. Policy AG-1.3 allows the proposed Lot Line Adjustments as it is exclusively intended for agricultural purposes.
- (h) The proposed consolidation of Parcels 1, 2 and portion of Parcel 3 is allowed through the proposed Lot Line Adjustment (Monterey County Code [MCC] Section 19.09.005(B)).

- (i) The application, plans, and related support materials found in Planning File No. PLN180204.

2. **FINDING: SITE SUITABILITY** – The site is physically suitable for the use proposed.
- EVIDENCE:**
- (a) The project has been reviewed for site suitability by the following departments and agencies: RMA - Planning Division, South Monterey County Fire Protection District, RMA-Public Works, Water Resources Agency and Environmental Health Bureau. There has been no indication from these departments/agencies that the site is not suitable for the proposed Lot Line Adjustment. Conditions have been incorporated accordingly.
 - (b) The Environmental Health Bureau (EHB) reviewed the application and determined that the proposed Lot Line Adjustment would not impact any wells on the associated parcels.
 - (c) The application, plans, and related support materials found in Planning File No. PLN180204.
 - (d) The Lot Line Adjustment would not result in any new developable parcels or an adjusted lot that is inconsistent with the general plan or with subject Agricultural Preserve Land Conservation Contract (LCC No. 68-018).
3. **FINDING: CONFORMANCE WITH SUBDIVISION ORDINANCE AND PARCEL LEGALITY DETERMINATION** - Pursuant to Section 19.09.025.B.1 of the Monterey County Subdivision Ordinance (Title 19), the Lot Line Adjustment is between two (2) or more existing adjacent lots.
- EVIDENCE:**
- (a) The subject Lot Line Adjustment is between three (3) existing adjacent lots.
 - (b) Parcel “1” (Portion of APN 420-091-018) containing approximately 160 acres, was recognized as a legal lot pursuant to United States of America Patent Certificate No. 19438, Page 223, granted by the United States of America to Jens M. Skov, dated November 21, 1896.
 - (c) Parcel “2” (Portion of APN 420-091-018) containing approximately 160 acres, was recognized as a legal lot pursuant to United States of America Patent Certificate No. 14497, Page 13, granted by the United States of America to Charles Carlson, dated February 26, 1891.
 - (d) Parcel “3” (Portion of APN 420-091-010) containing approximately 156.5 acres, was recognized as a legal lot pursuant to: 1) United States of America Patent, Page 382-383, granting 160 acres by the United States of America to William H. Tuttle, dated February 5, 1878; and 2) Grant Deed G22154, Reel 1244, Page 57, dated May 19, 1978, excluding 3.5 acres of the 160-acre parcel located in the southeast corner of the ¼ southwest quarter of Section 8 Township 20 South Range 9 East MDM into a separate parcel owned by Elen B. Copley, Irving J. Copley and Edwin H. Copley “Copley Ranch.”
 - (f) The application, plans, and related support materials can be found in Planning File No. PLN180204.
4. **FINDING: CONFORMANCE WITH SUBDIVISION ORDINANCE AND NO NEW LOTS CREATED** – Pursuant to the MCC Section 19.09.025.B.2 of the Monterey County Subdivision Ordinance (Title 19), a greater number of parcels or lots than originally existed will not be created as a result of the Lot Line Adjustment.

EVIDENCE:(a) The existing three (3) contiguous lots of record will be adjusted, resulting in two (2) lots. The proposed Lot Line Adjustment would not result in more developable parcels and would not compromise the long-term agricultural productivity of the other parcels. Furthermore, no farmland will be taken out of production.

(b) The consolidation of Parcel 1, Parcel 2 and a portion of Parcel 3 can be consolidated through the lot line adjustment application procedure.

(c) The application, plans, and related support materials found in Planning File No. PLN180204.

5. **FINDING: CONFORMANCE WITH SUBDIVISION ORDINANCE AND CONTIGUOUS LOTS OF RECORD** – Pursuant to MCC Section 19.09.025.B.3 of the Monterey County Subdivision Ordinance (Title 19), the parcels resulting from the Lot Line Adjustment conform to the County Zoning and Building Ordinances and are contiguous parcels.

EVIDENCE:(a) The application and plans for a Lot Line Adjustment found in Planning File No. PLN180204.

(b) See evidence in Finding 1, above.

6. **FINDING: CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA)** – The project is categorically exempt from environmental review.

EVIDENCE:(a) Guidelines for CEQA, California Code of Regulations, Title 14, Chapter 3, Section 15305(a) categorically exempts Lot Line Adjustments, side yard, and setback variances in areas with an average natural slope of less than 20% not resulting in the creation of any new parcel.

(b) Section 15317 of the CEQA Guidelines categorically exempts the establishment of agricultural preserves, the making and renewing of Open Space Contracts under the Williamson Act, or the acceptance of easements or fee interests in order to maintain the open space character of the area.

(c) Based on a review of the project plans, approval of the project would not result in any potentially adverse impacts. No additional development is proposed with this project.

(d) See preceding findings and related evidence.

7. **FINDING: PUBLIC NOTICE** - Public notice of the pending Lot Line Adjustment was provided pursuant to MCC Section 19.01.055, (Title 19 - Subdivisions).

EVIDENCE: Materials in Planning File No. PLN180204.

8. **FINDING: NO VIOLATIONS** - The subject property is in compliance with all rules and regulations pertaining to zoning uses, subdivision, and any other applicable provisions of the County's Zoning Ordinance (Title 21). No violations exist on the property.

EVIDENCE: Staff has reviewed Monterey County RMA - Planning Department and Building Services Department records and is not aware of any violations existing on the subject property.

9. **FINDING: HEALTH AND SAFETY** - The establishment, maintenance, or operation of the project applied for will not under the circumstances of this particular case be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such

proposed use, or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the County.

EVIDENCE: See preceding findings #1, #2, #3, #4 and #5 and supporting evidence.

- 10. FINDING: WILLIAMSON ACT – CONTRACTS** – Pursuant to California Government Code Section 51257(a)(1), the new or amended Contract or Contracts would enforceably restrict the adjusted boundaries of the parcel for an initial term for at least as long as the unexpired term of the rescinded Contract or Contracts, but for not less than ten (10) years.

EVIDENCE: (a) The proposed amendments to Agricultural Preserve Land Conservation Contract No. 68-018, recorded as Document No. G05567, Reel 545, Pages 559-572, with the Monterey County Recorder on February 29, 1968, which shall be applicable to the three (3) reconfigured lots will reflect the redistribution of 476.5 acres of land under Williamson Act Contract.

(b) The term of the original Land Conservation Contract renews annually on each succeeding January 1; the term of the new or amended Contract or Contracts shall be automatically renewed on January 1 and one (1) additional year shall be added automatically to the initial term unless notice of nonrenewal is given.

- 11. FINDING: WILLIAMSON ACT – NO NET ACREAGE DECREASE** - Pursuant to California Government Code Section 51257(a)(2), there is no net decrease in the amount of the acreage restricted. In cases where two (2) lots involved in a Lot Line Adjustment are both subject to Contracts rescinded pursuant to this Section, this finding will be satisfied if the aggregate acreage of the land restricted by the new Contracts is at least as great as the aggregate acreage restricted by the rescinded Contracts.

EVIDENCE: (a) The Lot Line Adjustment will reconfigure the lots but will not result in a net loss of acreage currently under Contract. Therefore, the Lot Line Adjustment would not result in a net decrease in the amount of the acreage restricted.

(b) Condition of Approval No. 4 shall require that a surveyor prepare legal descriptions for each newly configured parcel and submit them to RMA-Planning for review and approval for recordation with the Monterey County Recorder's office as attachments to the Certificates of Compliance for the reconfigured parcels.

(c) The application, plans, and related support materials found in Planning File No. PLN180204.

- 12. FINDING: WILLIAMSON ACT – NEW CONTRACTS** - Pursuant to California Government Code Section 51257(a)(3), at least 90 percent of the land under the former Contract or Contracts remains under the new or amended Contract or Contracts.

EVIDENCE: (a) The proposed new or amended Contract or Contracts will continue to cover at least 90 percent of the subject lots under Agricultural Preserve Land Conservation Contract No. 68-018.

(b) The application and plans for a Lot Line Adjustment found in Planning File No. PLN180204.

- 13. FINDING: WILLIAMSON ACT – SUSTAIN AGRICULTURAL USE -** Pursuant to California Government Code Section 51257(a)(4), after the Lot Line Adjustment, the parcels of land subject to Contract will be large enough to sustain their agricultural use, as defined in Government Code Section 51222.

EVIDENCE: (a) The proposed Lot Line Adjustment applicable to the three (3) reconfigured parcels shall reflect the redistribution of 476.5 acres of land under Williamson Act Land Conservation Contract.

- (b) Pursuant to California Government Code Section 51222 (Williamson Act), “agricultural land shall be presumed to be in parcels large enough to sustain their agricultural use if the land is: (1) at least 10 acres in size in the case of prime agricultural land, or (2) at least 40 acres in size in the case of land which is not prime agricultural land.” The total acreage involved in the subject Lot Line Adjustment is 476.5 acres in total.
- (c) County of Monterey Board of Supervisors Resolution No. 01-485 requires that agricultural preserves will not be considered unless the group of contiguous parcels included in the preserve contains 100 or more acres, or 40 or more acres if the Board finds that smaller preserves are necessary due to the unique characteristics of the agricultural enterprises in the area. The subject Lot Line Adjustment will retain all of the 476.5 acres in farmland production within Agricultural Preserve Land Conservation Contract No. (LCC No. 68-018).
- (d) The application plans, and related support materials found in Planning File No. PLN180204.

- 14. FINDING: WILLIAMSON ACT – LONG-TERM AGRICULTURAL PRODUCTIVITY -** Pursuant to California Government Code Section 51257(a)(5), the Lot Line Adjustment would not compromise the long-term agricultural productivity of the parcel or other agricultural lands subject to a Contract or Contracts.

EVIDENCE: (a) The proposed lot configuration would produce a superior parcel configuration as it would not create a net decrease in agricultural acreage but will allow all the row crop farming areas and a majority of the cattle grazing lands to be located within two (2) separate proposed parcels (Parcels A and B), respectfully. The proposal would better facilitate the routine and ongoing agricultural activities of the cattle grazing and row crop operations. Monterey County promotes agriculture, and as such, elected to include an Agricultural Element as part of the General Plan to establish policies directed at enhancing and supporting the long-term productivity and commercial viability of the County’s agricultural industry. Policy AG-1.3 allows the proposed Lot Line Adjustments as it is exclusively intended for agricultural purposes.

- (b) The application plans, and related support materials found in Planning File No. PLN180204.

- 15. FINDING: WILLIAMSON ACT – ADJACENT AGRICULTURAL LAND USE -** Pursuant to California Government Code Section 51257(a)(6), the Lot Line Adjustment is not likely to result in the removal of adjacent land from agricultural use.

EVIDENCE: (a) The subject parcels and surrounding area are designated as Permanent Grazing – 40-acre minimum (“PG/40”). The Lot Line Adjustment will not affect current agricultural operations on the subject properties and on adjacent properties. No physical development is proposed. The adjustment would not allow any uses that could not also occur under the current configuration.

(b) The application and plans for a Lot Line Adjustment found in Planning File No. PLN180204.

16. FINDING: WILLIAMSON ACT – NO NEW DEVELOPABLE PARCELS - Pursuant to California Government Code Section 51257(a)(7), the Lot Line Adjustment does not result in a greater number of developable parcels than existed prior to the adjustment, or an adjusted lot that is inconsistent with the general plan.

EVIDENCE: (a) The existing three (3) reconfigured lots do not result in a greater number of developable parcels than existed prior to the adjustment. See Finding 4.

(b) The application, plans, and related support materials found in Planning File No. PLN180204.

NOW THEREFORE, BE IT RESOLVED that the Board of Supervisors does hereby:

- a. Find that the project is a Lot Line Adjustment not resulting in a new parcel, which qualifies as a Class 5 Categorical Exemption per California Environmental Quality Act (CEQA) Guidelines Section 15305(a), and there are no exceptions pursuant to CEQA Guidelines Section 15300.2;
- b. Approve a Lot Line Adjustment between three (3) existing legal lots of record of approximately 160 acres (Parcel 1), 160 acres (Parcel 2) and 156.5 acres (Parcel 3) merging three (3) lots into two (2), resulting in two (2) reconfigured lots consisting of approximately 91 acres (Parcel A) and 385.5 acres (Parcel B) under Williamson Act Agricultural Preserve Land Conservation Contract No. 68-018 (Document No. G05567, Reel 545, Pages 559-572) established by County Board of Supervisors Resolution No. 68-56-18, with no net decrease in acreage under the Williamson Act Contract; and
- c. Authorize the Chair to execute a new or amended Land Conservation Contract or Contracts in order to rescind a portion of the existing Land Conservation Contract as applicable to the reconfigured lots only and simultaneously execute a new or amended Land Conservation Contract or Contracts for the reconfigured lots between the County and Jerry Rava II, Trustee of the Jerry Rava Trust Dated August 19, 1994 reflecting the new legal descriptions, current ownership interests and to incorporate any legislative changes to State Williamson Act provisions and current County Agricultural Preserve Policies or Procedures; and
- d. Direct the Clerk of the Board to record the new or amended Land Conservation Contract or Contracts subject to the submittal of the appropriate recording fees from the property owners of record.

In general conformance with the attached sketch and plans, and subject to the attached conditions all being attached hereto and incorporated herein by this reference.
