This Exclusive Negotiating Rights Agreement (“Agreement”) is made and entered as of the last date opposite the respective signatures by and among the County of Monterey, a political subdivision of the state of California on behalf of County Service Area 75 – Chualar (“CSA 75 – Chualar”), the Board of Supervisors of the County of Monterey acting as the Board of Directors of the Boronda County Sanitation District (“BCSD”), the Board of Supervisors of the County of Monterey acting as the Board of Directors of the Pajaro County Sanitation District (“PCSD”), and California-American Water Company, a corporation organized and existing under the laws of the state of California (“CalAm”). CSA 75 - Chualar, the BCSD and the PCSD may sometimes be referred to collectively as “County.” CSA 75 - Chualar, the BCSD and the PCSD and CalAm may be referred to herein as “Party” or collectively as the “Parties.”

RECITALS

- A. As endorsed by the Board of Supervisors of the County of Monterey, the County’s goals and objectives include divesting all interest in the CSA 75 - Chualar Sanitation System, the BCSD Sanitation System, and the PCSD Sanitation System (at times referred to collectively as, the “Sanitation Systems”).
- B. CalAm has submitted Statement of Qualifications for RFQ #10577 Transfer of Ownership of the CSA 75 - Chualar Sanitation System, the BCSD Sanitation System, the BCSD – Zone 2 San Jerardo Water System, and the PCSD Sanitation System.
- C. During negotiation efforts, the State of California Water Resources Control Board has approved a Technical, Managerial, and Financial report from the San Jerardo Cooperative, Inc. to enable the San Jerardo Cooperative, Inc. to take ownership of the San Jerardo Water System. The result of this action is the exclusion of the BCSD – Zone 2 San Jerardo Water System from all consideration and negotiations with CalAm in response to RFQ #10577.
- D. CalAm has exhibited substantial experience in system acquisition and currently has staffing levels sufficient to meet the maintenance and operation needs of the sanitation systems.
- E. The County on behalf of CSA 75 - Chualar, BCSD and PCSD, intends to perform system assessments and valuation reports for the Sanitation Systems.
- F. Further, the County intends to complete Proposition 218 Rate Studies for the BCSD Sanitation System and the PCSD Sanitation System prior to divestment and transfer.
- G. The purpose of this Agreement is to provide County’s commitment to CalAm on behalf of CSA 75 – Chualar, the BCSD and the PCSD that, during the Negotiating Period prescribed herein, County will negotiate exclusively with CalAm in an effort to agree upon the terms of one or more asset purchase agreements for CalAm’s purchase of said Sanitation Systems. As more fully set forth below by its execution of this Agreement, the County does not commit itself to any disposition of the Sanitation Systems to CalAm and

does not agree to undertake any other acts or activities requiring the subsequent independent exercise of discretion by the County, or any other governmental entity.

NOW, THEREFORE, in consideration of the mutual covenants and promises to set forth herein, the Parties agree as follows:

1. Good Faith Negotiations. Subject to the terms and conditions set forth in this Agreement the County and CalAm agree for the time period set forth below to negotiate diligently and in good faith towards the preparation of one or more purchase and sale agreements and any other divestment or transfer agreement (collectively, the "Purchase and Sale Agreement") which will involve the acquisition of the Sanitation Systems by CalAm. It is expressly understood and agreed by the Parties that this is a contract regarding negotiations only and does not convey any interest in the Sanitation Systems or a potential agreement or constitute any approval whatsoever for any proposed project.

The County agrees, for the Initial Term, and any Extended Term (defined below) not to negotiate with, solicit offers or proposals regarding, or respond to inquiries from (other than to notify the inquiring party, person, or entity that the County is subject to this Agreement) any other person or entity regarding the divestment, purchase, sale or transfer of the Sanitation Systems, or any part thereof.

2. Term. The term of this Agreement shall be for a period of two (2) years from the date of final execution by the Parties ("Initial Term") unless earlier terminated or extended as provided in this Section 2 or Section 13 below.
 - (a). The County shall have the right to extend the Initial Term of this Agreement for up to an additional one (1) year ("Extended Term"). The decision to extend the Initial Term shall be at the sole and absolute discretion of the County. If the County elects to extend the Initial Term, the County shall notify CalAm in writing not less than sixty (60) days prior to the expiration of the Initial Term ("Notice of Extension"). The Initial Term, and any Extended Term, shall constitute the "Negotiating Period."
 - (b). If a Purchase and Sale Agreement is executed by the Parties relating to all or part of the Sanitation Systems during the Initial Term or any Extended Term, then this Agreement shall terminate upon execution of the Purchase and Sale Agreement with regard to the portion of the Sanitation Systems subject to the Purchase and Sale Agreement.
3. Exclusive Negotiations. During the Negotiating Period, the County shall not negotiate with any entity, other than CalAm, for the sale, transfer or disposition of the Sanitation Systems.
4. Negotiating Representatives. CalAm's primary representative to negotiate the Purchase and Sale Agreement shall be Thomas Brunet, or his designee. The County's primary representatives to negotiate the Purchase and Sale Agreement shall be the Assistant County Administrative Officer, Nick Chiulos, Director of Resource Management Agency, Carl P. Holm, or their designee. The Parties may change their representatives.

5. Milestones. Within the time periods set forth in the Schedule of Performance attached hereto as Exhibit 1 ("Schedule of Performance"), the Parties shall have completed the milestones set forth therein. The designated primary representatives or their respective designees may agree to extend the date of any task listed in Exhibit 1 on behalf of their respective Party or Parties through a mutually agreeable written extension of time for the task.

8. Limitation on Effect of Agreement. By execution of this Agreement, the County is not committing itself to or agreeing to undertake: (a) any disposition of land to CalAm; or (b) any other acts or activities requiring the subsequent independent exercise of discretion by the County, any County or department thereof, or any other governmental entity. This Agreement does not constitute a disposition of the Sanitation Systems or exercise of control over the Sanitation Systems by CalAm.
