Programs and services provide housing to the homeless, emergency shelter to women and children fleeing domestic violence, and an array of support services that enable homeless families and individuals to access food, obtain employment assistance/jobs, and to transition to permanent housing.

Lack of shelter capacity is an identified problem in Monterey County. The Biennial Homeless Census conducted in January 2017 indicated an increase in homelessness countywide. The Salinas Warming Shelter closed in May 2017 further expanding the gap in emergency shelter resources. On September 26, 2017, the Board of Supervisors approved the establishment of
