(Per Resolution No. 19-XXX, adopted June 25, 2019 by the Board of Supervisors of the
Monterey County Water Resources Agency)

SECTION I. LAND USE

In March 2019, the Monterey County Resource Management Agency (RMA), at its cost and expense, assumed all responsibility with respect to stormwater and drainage management agreements, development and drainage review, floodplain management, and other services previously performed by the Monterey County Water Resources Agency (WRA) for the benefit of the RMA as a condition of various land use permits as established in Titles 20 and 21 of the Monterey County Code. Therefore, the WRA is no longer responsible for providing such land use permit review and implementation services, and such fees are removed from Article XI. The RMA in some cases may rely upon the WRA for technical and subject matter assistance and upon the request of the RMA, the WRA shall provide assistance to the RMA with respect to development and drainage review, floodplain management, and water supply. Services for such assistance shall be compensated in accordance with the appropriate hourly rate for the applicable personnel. Hourly rates listed below shall be adjusted annually by the WRA to reflect salary and benefit increases and/or Cost of Living Adjustment (COLA). WRA shall immediately notify the RMA of such adjustments.

The WRA will continue its responsibility to provide services for water well permit review required per Monterey County Code Chapter 15.08, and Hydrogeologic Report administration and review required by Monterey County Code Title 19.
